

PAT ROBERTSON, JOSEPH PRINCE, MOTHER GRACE

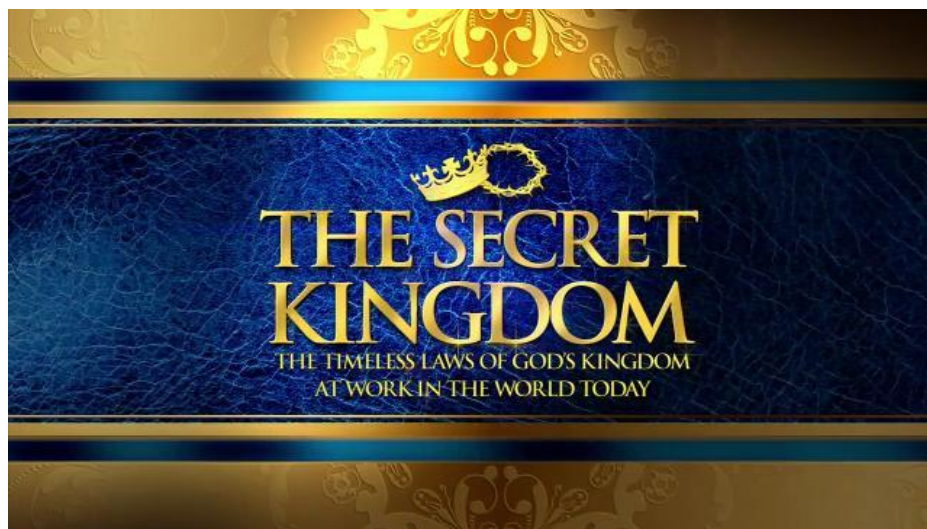

– Part Ten: THE SECRET, SYMBOLS

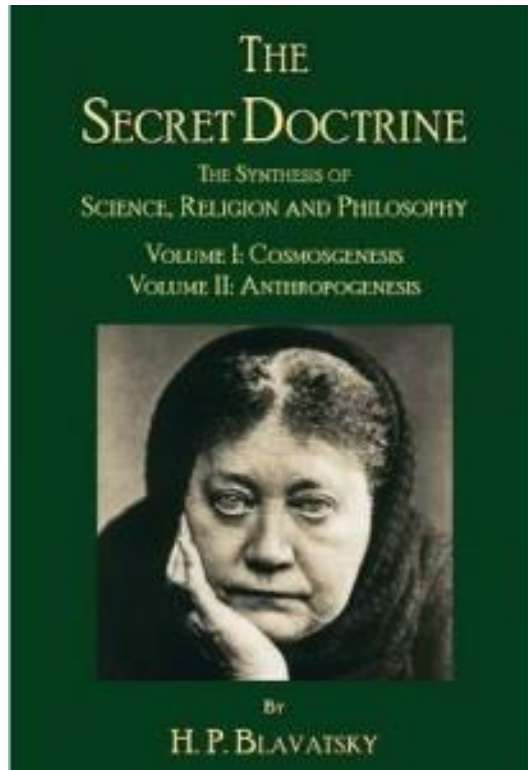

The witches love writing their books about “secret” things. They hide demonic faces and imagery in the shadowy backgrounds that they use these days. On this key, on the tooth part of the key there is an astrology symbol for the sun. In the middle of the key is the triquetra symbol, it is a symbol of “mother grace” or “the queen of heaven,” called the goddess symbol. All around the key are symbols that carry meaning to the luciferians.

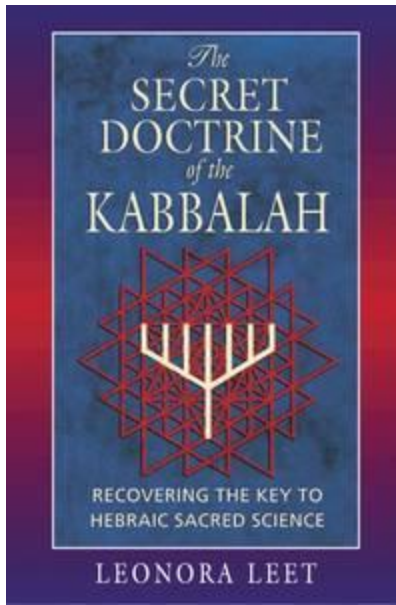

This one has a salute to the sun god on the cover. It is a salute to his sun god because he's a freemason. If a regular person, not in a secret society, wrote a book and put a sun on the cover then it is just for art and carries no extra meaning. But when they are in the brotherhood of freemasonry they are using these things to speak to each other.

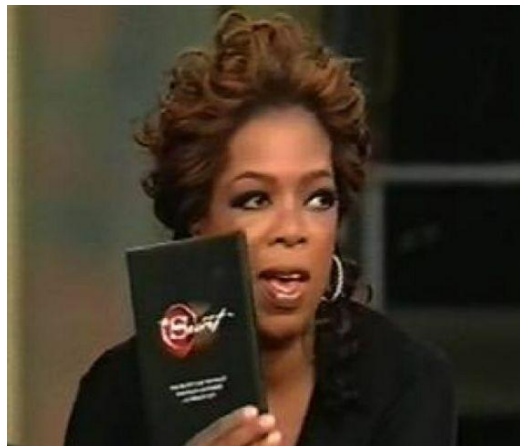

There are Masonic crosses on the crown. Above it there are sixes in the scroll lines and faces hidden there as well. The image above is repeated below and that shows their duality.

The Secret Doctrine – The Synthesis of Science, Religion and Philosophy. Here is a quote by Gail Riplinger, “The Secret Doctrine One and the Secret Doctrine Two are the bibles for the new age movement.” When they write books and use the word “secret” for sure they are pointing to the occult teachings of this lady whom Hitler studied so deeply. This lady was a theosophist along with Annie Besant who we saw earlier in this series. Blavatsky had a newspaper called “Lucifer” that she printed and in one edition on the first page it said – I Jesus am the Bright, the Morning Star, lucifer (back in the late 1800’s). KJV says lucifer is a fallen angel, the son of the morning.

The Secret Doctrine of the Kabbalah – Recovering the key to Hebraic sacred science.

Remember Oprah, is a tool of satan's, and she pushes the witchcraft book "The Secret ." She is all about new age and conditioning her followers right into occult beliefs and practices.

Oprah Winfrey

"Vision boards absolutely work; you have to have a vision and a plan to execute so that every step moves you in that vision."

Steve Harvey

"Man if I didn't have a vision board I'd be in trouble..."

John Assaraf

"Look at the images on your vision board over and over. Repetitiveness of vision combined with your associated emotions will develop your power to visualize and take action to achieve your goals."

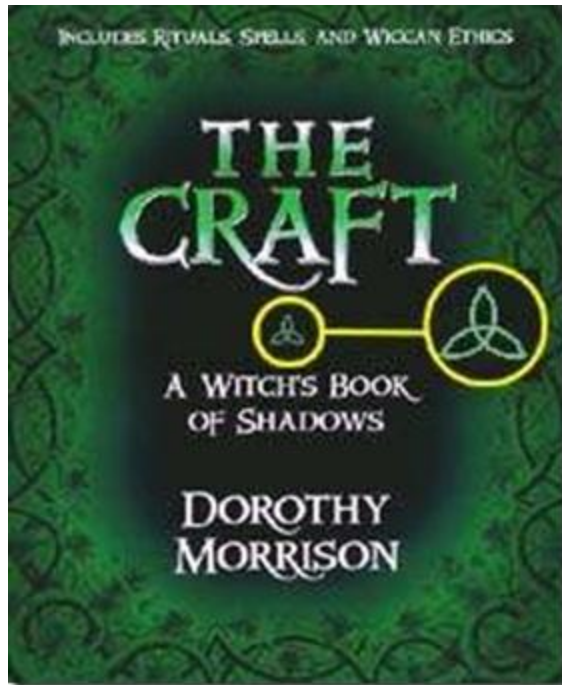

Oprah: "Vision boards absolutely work: you have to have a vision and a plan to execute so that every step moves you in that vision." Steve: "Man if I didn't have a vision board I'd be in trouble..." John Assaraf – the guru: "Look at the images on your vision board over and over. Repetitiveness of vision combined with your associated emotions will develop your power to visualize and take action to achieve your goals."

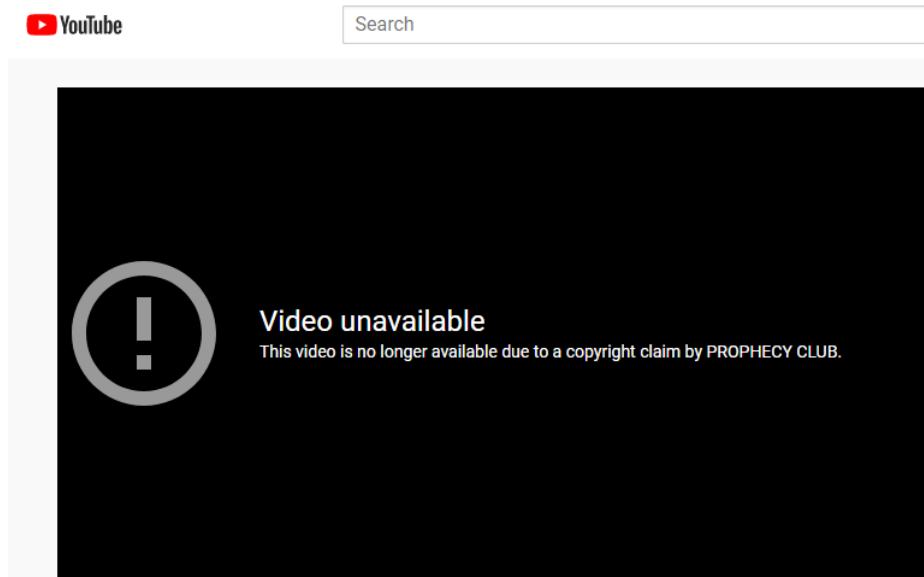

Where is God in any of this? Where is praying to Him and trusting Him to unfold His plan for your life? By the way, she is doing what looks like a picture pose but to the luciferians / freemasons it is the lion paw/claw.

On this Oprah show the law of attraction is being taught. This is where Oprah promotes making a vision board and attracting the things you put on it to yourself. This is straight up witchcraft and bypassing God. When you put your faith in this stuff satan is the one who answers.

They put their symbols out in the open and we have not known what these things meant. This is a triquetra and it is the symbol of the goddess or false god Easter, Isis, Ashtareth – mother grace. It is on many Bibles now and it is a stylized 666.

The Biblical imagery of God as female.

NIV Consultant, radical feminist & homosexual, Virginia Mollenkott

This man/woman was a consultant on the NIV Bible. Look how defiled that Bible is. It was translated or copyrighted by men of the occult and now to learn this as well. We have not looked into these matters to realize that man certainly has been playing a role in the translations that we have today.

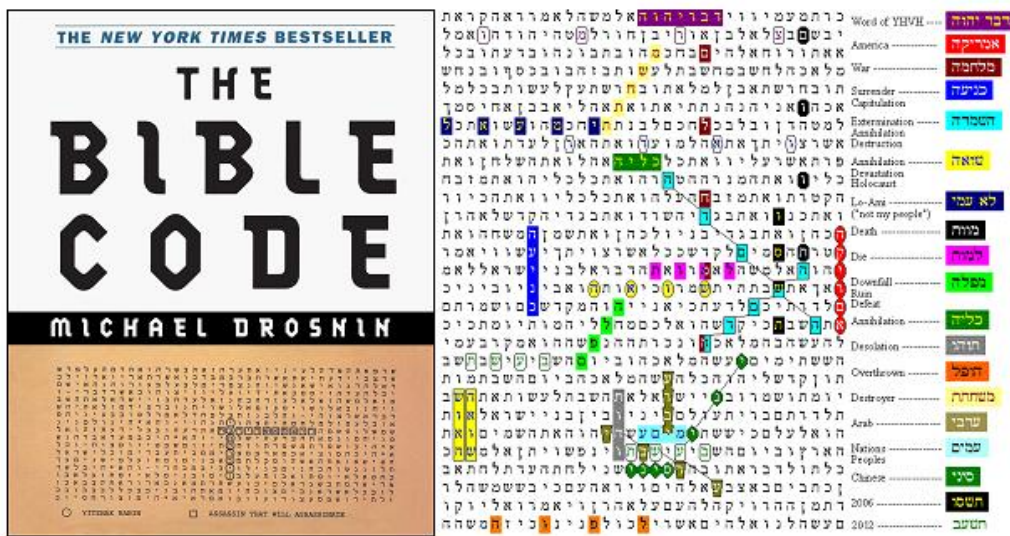

Let's look at Joseph Prince again. When I first ever watched him, he was bringing out such deep things and really seemed to explain God's Word so well. He was dabbling in the Hebrew words and really what I have learned since then is he is bringing out witchcraft in his teachings. I want you to notice the markings or

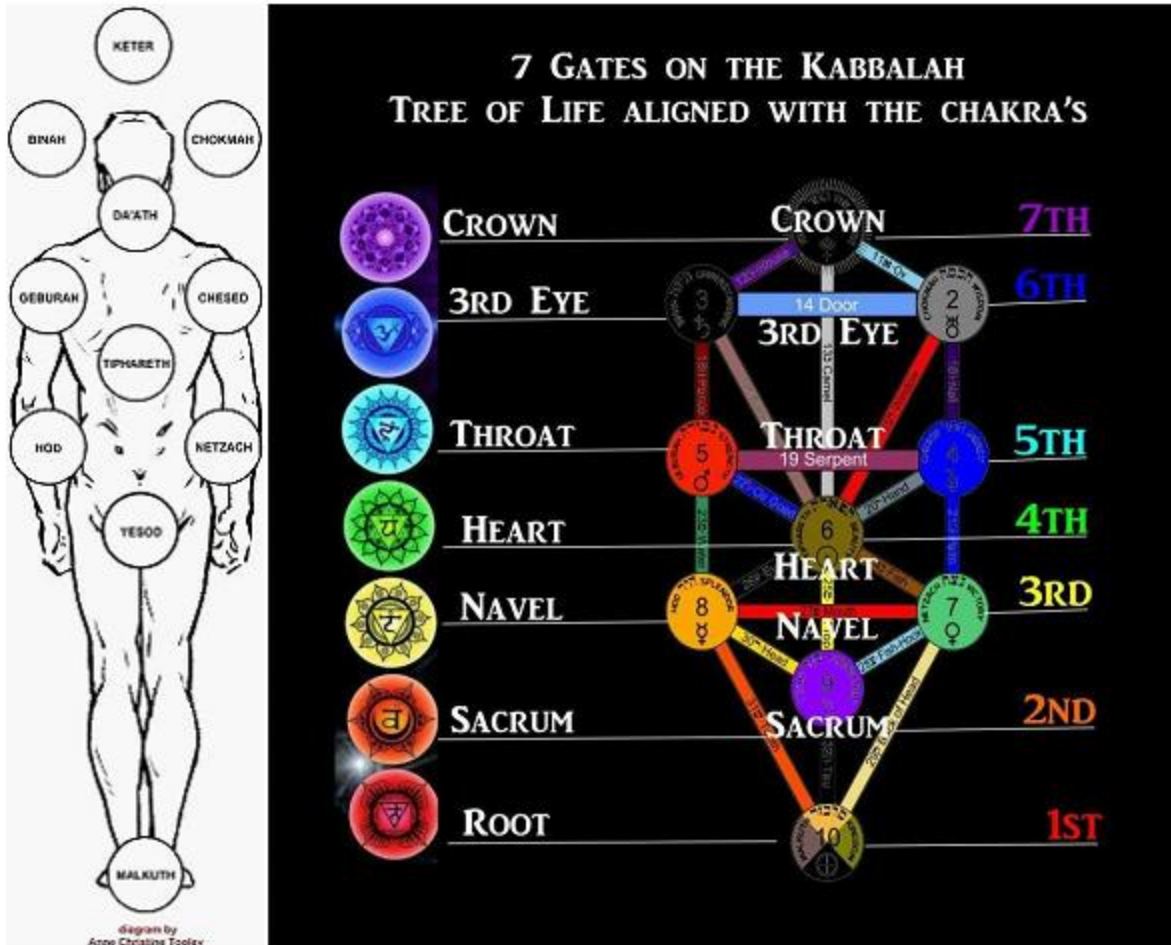

letters behind him on stage. I say stage because he is putting on a show. They emphasize Hebrew letters saying they created the world, everything was created from Hebrew letters. They teach self creation through the Talmud and the Zohar which go hand in hand. The Talmud, Zohar and Kabbalah are witchcraft teachings that are strewn throughout freemasonry and secret societies. They are teachings that these false teachers mix in deceptively on those that are not awakened.

Some of them believe God's name is the whole Torah. Have you ever heard such nonsense???

The tetragrammaton they say is the ineffable (not to be uttered) name of God and in gematria it adds up to 72. Hmm There's that 72 again. *I think I had said in a previous message that the tetragrammaton was 72 letters, well I think that was wrong but rather they say it adds up to equal the number 72.*

My opinion about those that are teaching about “Bibles codes” is that they are teaching things that have been manipulated into our Bibles. Putting the Bible into computers and searching for hidden codes and clues. This is not of God. He wanted us to understand His Word and He did not make it so hard that the common person needed to be a rocket scientist to understand it. What about people before computers? I guess it was just too bad for them.

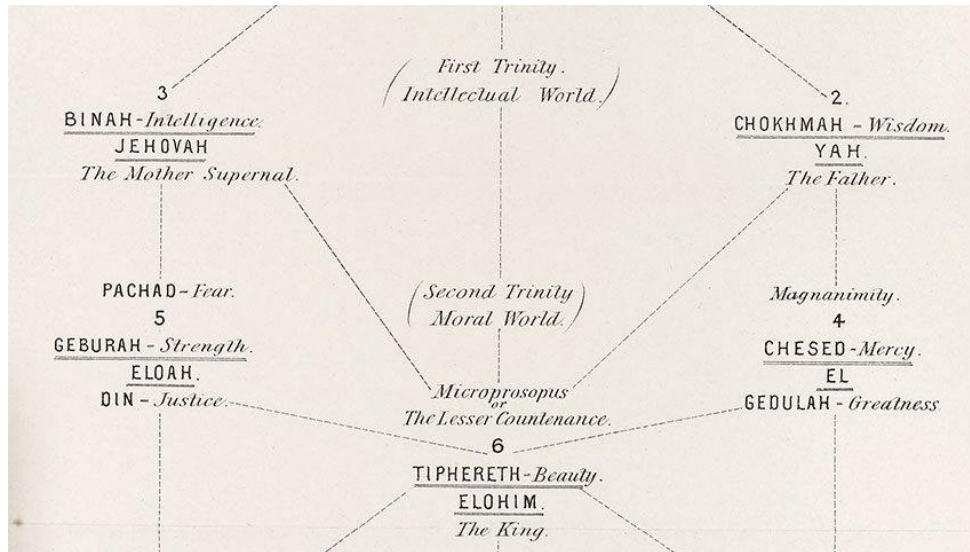

The Jews who are teaching this witchcraft got their knowledge from the mystery school religions which began in Babylon. They are teaching against God. Look how they place their witchcraft tree of life over the human body. None of this is in Scripture because it is from satan.

1 John 2:22-23 - Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: *(but) he that acknowledgeth the Son hath the Father also.*

Those Jews teaching this filth have denied Jesus and therefore they don't have God the Father either. Jesus rebuked them when He walked this earth and they went right on with their witchcraft and here we are today not recognizing what

they have been up to continuing with their blasphemous and abominable teachings and writings.

This is a Kabbalah chart or tree of life. Down the center you see mention of first trinity – intellectual world and then second trinity – moral world. Notice in the top left corner it says Binah – Intelligence, then Jehovah – The mother Supernal. On the top right you see Chokhmah – Wisdom or Sophia and then yah, the father.

*Please play from 0 to 55 and from 1:29 to 2:33 This robot is named Binah and wants to rule the world and use cruise missiles against other countries. She ends with talking about robots ruling the planet. (about 2 min's)

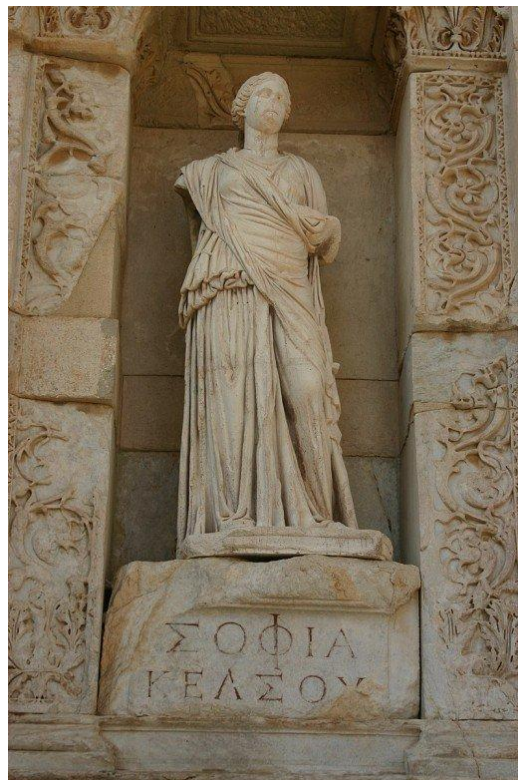

<https://www.youtube.com/watch?v=mfcyq7uGbZg>

Binah is coming from Kabbalah and it is yet another name for the mother goddess that the occult worships.

Please play from 1:26 to 2:04 – Another robot named Sophia has been given citizenship in Saudi Arabia. (about .5 min's)

<https://www.youtube.com/watch?v=E8Ox6H64yu8>

These robots' names are names of the luciferian's and new agers "mother grace." They salute their gods in all that they do.

Sophia is another name for "mother nature" or "mother earth" or "gaia". She is the same as Isis, Ashtareth, Easter or Mother grace. The people that are running this world are not Christians they have made it clear they have other so called

gods. Many people at the top of these large corporations are steeped in new age and the ones who founded the companies are in secret societies. Just like these robotic companies naming their robots after false gods, fallen angels and people who were worshipped as Gods. All of this is against the One True and Living God.

These are Viking witchcraft runes that supposedly Odin came up with. They use these symbols, Greek symbols, Chaldean symbols and others in their books, conference advertisements, tv shows, movies, witchcraft stages, products etc. The otiot comes from the kabbalists and has nothing to do with God.

A Dictionary of Angels_Including the Fallen Angels by Gustav Davidson

Exodus 23:22: "My name is in him." In addition, Metatron has been identified as the Liberating Angel and the Shekinah (who is regarded in some sources as Metatron in his female aspect); in Trachtenberg, *Jewish Magic and Superstition* (p. 76), he is the "demiurge of classical Jewish mysticism."

The Jews that rejected Jesus are teaching witchcraft to the world. They worship angels and teach men's traditions. Freemasons, kabbalists, witches, new agers etc. all teach and practice angel worship.

God is not male and female. Witchcraft is being taught openly on tv through the telewitches and in apostate churches.

There is a false god who presents as male and female and it isn't the God of the Bible. But it is satan as baphomet. Remember a few teachings back when we looked at lucifer and found that he is equated with the planet Venus who was also a false goddess. In their system of religion you will always find perversion like that.

The clip we just saw is a documentary called "Marching to Zion." I think it does a great job exposing the filth that is being taught through the Talmud, and Kabbalah. I do not agree with Pastor Stephen Anderson in this video on some of his teachings. One thing in this video is that he states that women are not made in God's image. He is not understanding the following passage:

1 Cor. 11:7 - For a man indeed ought not to cover *his* head, forasmuch as he is the image and glory of God: but the woman is the glory of the man.

Paul was writing to the Corinthian church to answer some of their questions and things they had written to him. The above statement is the church view. It is wrong. Just looking at the statement about a man not covering his head you can see it is wrong. God always had the high priests and priests that ministered in His

temple to cover their heads. Man and woman are both made in God's image. We have a body, soul and spirit. They are taking the fact that the man is the head of the household, and then, trying to say that only he was made in God's image. That's wrong. So if you watch that video, just be aware of Stephen's views. Read God's Word, pray, seek after righteousness, and grow in the LORD. As you do those things daily, you will begin to pick out false teachings more easily.

CLOSING

God dealt with the unsaved Jews who were teaching lies as far back as the book of Jeremiah.

Jeremiah 8:8 - 'How do ye say, "We are wise, and the law of the LORD is with us"? Lo, certainly in vain made He it; the pen of the scribes is in vain (NIV when actually the lying pen of the the scribes has handled it falsely / NLT when your teachers have twisted it by writing lies).

Let's look at one example of Jesus dealing with these same Jews.

Luke 11:52 – Woe unto you lawyers! For ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering in ye hindered.

I believe "lawyers" there is a Mandela Effect. Jesus was always talking to the scribes and Pharisees, those who were teachers of the law. Can you see where our modern day term "lawyer" came from? It was originally supposed to be about those that new God's law and taught it. But I don't believe it was a term back in Biblical days. Let's look at another passage that will bring this out more clearly:

Luke 2:46 - And it came to pass, that after three days they found Him in the temple, sitting in the midst of the doctors, both hearing them, and asking them questions.

“Doctors” here is a Mandela Effect. It should be teachers of the law or scribes and Pharisees. Doctors is more of a term we think of today because our “high theologians” all have the title of “doctor.” Like Dr. David Jeremiah who has the all seeing eye of lucifer hanging up behind him as he preaches. Those titles mean nothing to God.

All of this seems to have begun with Babylon when the mystery school religions began and spread to Egypt and all the nations, even Israel. The unsaved Jews who God kept rebuking have continued their witchcraft teachings right up until today. Is a saved Jew any different than a saved Christian? No, we are all the same in Christ. Is an unsaved Jew any more special than any other person? No, they are lost in darkness just like any other sinner.

Albert Pike's Quotes from
"Morals and Dogma" of the ancient and accepted Scottish Rite of Freemasonry

MORALS and DOGMA
of the Ancient and Accepted
Scottish Rite of Freemasonry

"Masonry is a search after Light. That search leads us directly back to the Kabbalah!"

"All Masonic associations owe Kabbalah their secrets and symbols."

"The primary tradition of the single Revelation has been preserved under the name of the Kabbalah."

Albert Pike

NON RUTHI EXCEP

The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer. LUCIFER, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, sensual, or selfish Souls? Doubt it not! for traditions are full of Divine Revelations and Inspirations; and Inspiration is not of one Age nor of one Creed. Plato and Philo, also, were inspired.

God still loves the Jews as He does all people but He will not tolerate sin and sin will not inherit heaven. These freemasons and witches are teaching the same things that those Jews teaching kabbalah are teaching.

It has infiltrated the so called churches and I pray you are becoming more aware of false doctrine, false teachers and witchcraft in the church.
