

PAT ROBERTSON, JOSEPH PRINCE, MOTHER GRACE – Part Eleven: SYMBOLS, DIAMONDS

Let's break this logo down. Look at that fire inside of the C.

Please play from 0 to 41 the letter shin stands for fire (3 lines or 3 strokes) and remember sin is for the Babylonian moon god / goddess –breaking down the 700 club logo. (about 1 min.)

https://www.youtube.com/watch?v=ie9LqKeEQbk&index=12&list=PLnZ974mrg_PGVLt8CiNqyIIHuqgsnfqfx

Apparently it depends on where you place the dot as to what letter or sound you have. The Hebrew of today is a mixing of Aramaic and Phoenician language. It is what they learned while in captivity in Babylon. Why would you have a letter called sin? God hates sin and has always been against it trying to get His people

to live righteous lives. But we have to remember that in Babylon sin was a moon god.

What is being done with the hands here is supposed to represent the letter shin/sin. They say the Israelite priests put their hands in this position in order to pronounce the Aaronic priestly blessing onto the people. This is nothing more than witchcraft being taught under the guise of Judaism. True Judaism would have been the teachings of the Old Testament, the keeping of God's laws and His Word. Judaism that is taught today is satanic because Jesus Christ is the New Covenant and God the Father is not with those Jews that have rejected Jesus. There is no need to teach Judaism anymore. The law was fulfilled by Jesus Christ.

The signs being made with the hands on purpose, is witchcraft. These signs came from the esoteric mystery religions that began in Babylon. Today they are being done by the luciferians who run the world and by their puppets who are made to obey if they want money, fame and power. This particular hand sign is about the pyramid of the sun, for sun worship and can stand for the elements water or fire depending on which way it is turned. It is also the symbol of the goddess.

Look at the witches pentagram and notice how the triangle stands for different elements depending on how it is drawn. Bottom L: Masonic fezz hat with a triangle, M: Book "Knights of Pythias Ritual 1958," R: The great seal on the U.S. dollar bill. Showing the all seeing eye of lucifer hovering as a capstone waiting to be put in place on the pyramid that all represents worship of the sun god who is satan. Witches, new agers, masons, kabbalists worship the elements believing they can harness and command that power using it in their spells and curses and occult practices.

They put their signs out for all to read.

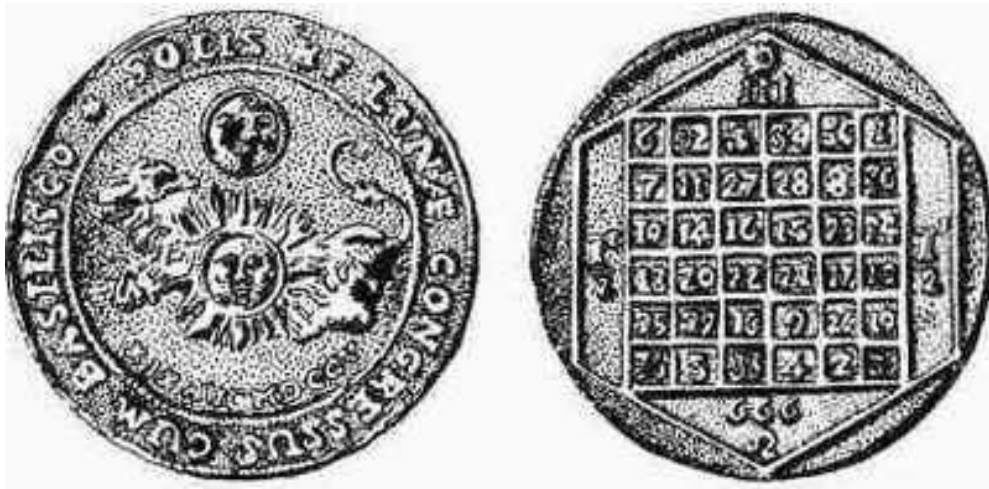

We just learned that luciferians worship the elements and here on the 700 Club logo we see the fire symbol. The C=3 in their Pythagorean math, and there are three lines making the flames, so that's 33 which is cluing us in to their

freemasonry. Also the flame is a torch standing for lucifer the enlightened one, and for sun worship. As we just heard it also stands for the letter shin or sin which is but another name for their false god sin. Three lines like that or slashes also stand for 666 in the occult. In their occult math C=3, B=2 & N=4 add it all up and you get a 9, flip it and it is a 6. Or $32 + 4 = 36$ and that is $6 \times 6 = 36$ or 3, 6's to them or 6, 6's depending on how you do the math. The more 6's they can pack into something the more they love it. 666 is the number associated with the antichrist and it is the number for the sun god. Someone shared on a comment once that the more a number repeats in their witchcraft, the more power they believe their spell or curse has.

Let's look at their favorite number in Scripture.

Rev. 3:18 - Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number *is* Six hundred threescore *and* six (666). Young's literal translation says: and **it's** number is 666.

This is the magic square of the sun. On the left you see the sun, moon and star of Leo, called Regulus meaning king. That is in honor of satan's false trinity. On the right you see 111 on the top of the numbers. That number adds up to the number for the name of the "intelligence of the sun" and 666 adds up to the name of the "spirit of the sun." This is teaching from kabbalah. What we as Christians need to know is that it is associated with the beast, the antichrist and ultimately satan. Never take a mark of 666 or the shape of a cross or T or X in or

on your body or anything having to do with sun worship. Never take or agree to anything that is forced. For the most part the church is not teaching truth and certainly not exposing the wickedness that has gone on and is still going on. So many are following satan's ministers more and more and packing out apostate churches. People are openly taking things for convenience sake and don't seem to be concerned at all with looking out for the mark of the beast. At this moment, satan is already filling everyone with nanotechnology through the chemtrails, the water and air and our food supply. You are being pumped full of metals to prime your body which acts as an antenna. Filling you full of metals makes it easier through the use of technology paired with satellites to send thoughts into your mind and to retrieve thoughts from your mind. Remember satan is trying to imitate God. satan is not all knowing so he is using frequencies, technology, artificial intelligence etc. to appear to be all knowing. The nano sized metals are being used to plug you into the hive mind and take over your mind so that you won't be able to think to resist anything anyway. Do what you can to detox of the metals. You need God's protection and mercy through all of this. Get busy getting the mind of Christ so that you can see the signs and not be in ignorance of the timing of the Lord's return. Wake up to and get out of the world system.

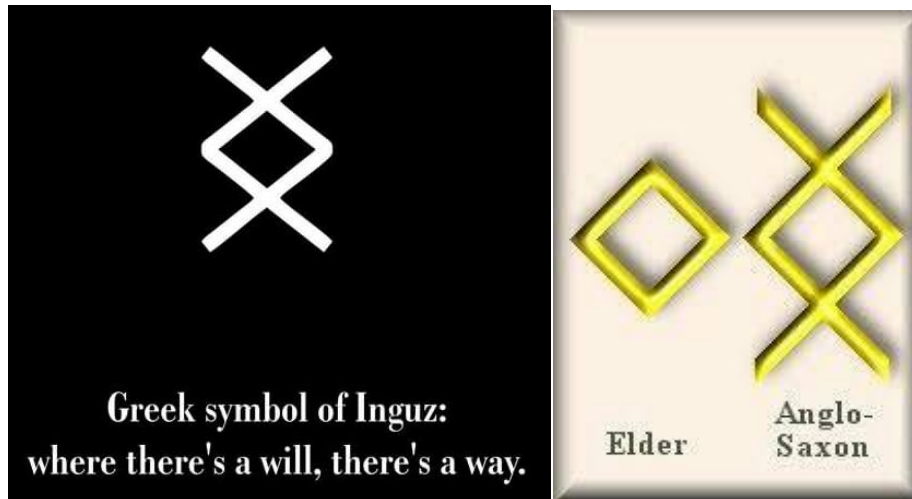

Look at the floor they are sitting on, there is a pattern there and they are sitting in a circle. Witches/masons, luciferians do magic and rituals inside of circles. This is exactly who we are dealing with here. Their stage didn't have to have a design at all.

							
Fehu fay-hoo	Uruz or-rooz	Thurisaz thoor-ee-saz	Ansuz ahn-sooz	Raidho rye-ee-doe	Kenaz can-aaz	Gebo geh-boe	Wunjo voon-yoe
							
Hagalaz hah-gah-laz	Nauthiz now-theez	Isa ee-sa	Jera yer-ah	Eihwaz eye-vahz	Perthro pear-throw	Algiz ahl-geez	Sowelo so-vel-oh
							
Tiewaz tee-vaz	Berkana bear-cah-nah	Ehwaz eh-vaz	Mannaz man-az	Laguz lah-gooz	Inguz ing-ooz	Dagaz dah-gaz	Othala oe-thah-lah

Here are those witchcraft runes again. Look at the bottom row third from the right, “inguz”, and the last one on the right, “othala” and you will see the runes that are involved in the pattern on the floor of the 700 club that they were sitting in. These are witches.

Inguz meaning beginnings, is the anglo saxon god of fertility.

To the occult X's = sun worship and the x = 6 on the Pythagorean numerology chart. The cube is for saturn/satan and so are diamond shapes. You can see when you put two x's together it makes a cube or diamond in the middle. You will start noticing this pattern everywhere.**Shapes to a regular person carry no meaning but they speak in the occult world.**

Freemasonic garb – do you see all the x's? It is for the god of this world.

This is the same thing, the x's and the cube or diamond for satan. All = sun worship. See the sun god, the Egyptian pharaoh in the middle, for osiris or horus. Notice this is the same symbol or sigil for the false god inguz. Have you ever played tic-tac-toe? You know the x in the occult = 6 and it stands for the sun god. Now the O is also for the sun god too and also = a 6. So in playing tic-tac-toe you are playing with 666 as the winning combination. Also, have you ever written XOXO on a letter by your name meaning hugs and kisses to the person you are writing to? There again are 6's for the sun god. They have introduced these things to us and we did not know the real meaning behind it. I'm not saying you can't play tic-tac-toe but you can be awake to what it all really means.

Inguz Rune Meaning

Spellings: **inguz**, ingwaz, engus or iggws, ing, Ing, Yngvi. Translations: the Earth-**god** Ing, **the god** Ing, a man, Yngvi (name of Freyr), seed. Ing was first among the East-Danes seen by men until he again eastward went over the wave; the wain followed on; this is what the warriors called the hero. ~ Old English Rune Poem.

We learned in school that 'ing was a verb suffix. See how conveniently they have mixed all of their witchcraft into our languages. We are constantly saying the names of fallen angels and demons and false gods but to a Christian who doesn't

believe in any of this stuff, who doesn't worship false gods, then you give it no power and it holds no power over you.

Deut.4:15-16 - Take ye therefore good heed unto yourselves; for ye saw no manner of similitude (no manner of form) on the day *that* the LORD spake unto you in Horeb out of the midst of the fire: Lest ye corrupt *yourselves*, and make you a graven image (idol), the similitude of any figure (an image of any shape), the likeness of male or female,

God did not allow the Israelites to see Him because He did not want them making images of Him and bowing down to them like the nations were doing all around them and like they had just experienced in Egypt. That's where they learned to make the image of the golden calf and bow down to it calling it a god.

Acts 17:29 - Forasmuch then as we are the offspring of God, we ought not to think that the Godhead (that's the Trinity) is like unto gold, or silver, or stone, graven by art and man's device (Jubilee Bible 2000: bearing the mark of art and man's imagination).

He is not known by anything carved or drawn. God is not known by any symbol. Lucifer is the one who has a system of worship that includes symbols, idols, and everything that the God of the Bible is against.

Pat Robertson Documentary 'Mission Congo' Reignites Diamond Mine Fraud Allegations [UPDATE]

By [Katie Bindley](#)

Huffington Post 2013

A documentary scheduled to debut Friday at the Toronto International Film Festival shines a new spotlight on old allegations that televangelist Pat Robertson used money, intended for refugees in Africa, for his own diamond-mining venture.

“Mission Congo,” directed by Lara Zizic and David Turner, was largely inspired by the reporting of journalist Bill Sizemore, who has covered Robertson extensively over the years and uncovered issues with the legitimacy of his nonprofit organization, Operation Blessing International, in the 1990s.

Following the Rwandan genocide, Robertson encouraged viewers of the Christian Broadcasting Network’s “The 700 Club” to donate money to Operation Blessing. He said the organization would be helping the many refugees who’d made their way into Zaire (now the Democratic Republic of the Congo).

But pilots who worked for the organization have claimed that instead of transporting aid, cargo planes were often used to haul equipment for Robertson-backed diamond mining that was going on hundreds of miles away.

In a 2008 article for the Virginia Quarterly Review, Sizemore recalled that one of the pilots had kept notes on some of his trips. During a flight where Robertson was a passenger, one of those notes read, “Prayed for diamonds.”

The 700 carat club. The documentary’s directors reached out to the pilots and told them their story needed to be told on film. According to a press release for the movie, Zizic and Turner are hoping to draw more attention to what they say was an under-reported scandal.

Virginia’s Office of Consumer Affairs did investigate the claims against Robertson following Sizemore’s initial reporting and found that he “willfully induced contributions from the public through the use of misleading statements and other implications.” The state attorney’s office declined to prosecute.

As the Guardian notes, Robertson has used the office's failure to prosecute as a way to bolster his innocence. He declined to be interviewed for the film.

UPDATE: Operation Blessing International has released this press release strongly refuting the claims made by the documentary. You can read it [here](#).

UPDATE 12/13: The Guardian has released an apology to Operation Blessing and has retracted some of the allegations in its article "Mission Congo: how Pat Robertson raised millions on the back of a non-existent aid project." The full text is available here.

The links will be in my sermon notes on the church website and also in the show more info. Box on youtube. You can go to the link and read the full article.

Operation Blessing did reportedly bring in some relief and medical aide and at the same time Pat ran his diamond operation. What most don't realize is just like Shriners, who seem all good and that they help sick children and do good things, there is a dark underbelly. The illuminati use charitable organizations to help them to have a good name and reputation. The organizations do some good but mostly profit like crazy off of people's giving.

Goodwill is an example of that. Look at what the CEO makes.

The concept for Heart of Diamonds sprang from an item I came across in Time Magazine about the cozy relationship between Pat Robertson, the famous American televangelist, and Mobutu Sese-Seko, the dictator who raped the Congo for thirty years. When I found out Robertson owned diamond mines and timber

concessions in the Congo--making profits from slave labor, no less--I simply had to write a book about it.

The Robertson-Mobutu connection makes for quite a story. Mobutu was essentially put in office by the CIA. He ran the country--which he renamed Zaire--with an iron fist and stole literally billions of dollars. He also had one of the worst human rights records in Africa, which is saying a lot.

Pat Robertson, on the other hand, is one of the most successful evangelical preachers of all time. He founded the 700 Club, ran for President of the United States, and has millions of followers who subscribe to his version of Christianity. You wouldn't think these two men would be buddies, would you?

Psalm 1:1 - Blessed *is* the man that walketh not in the counsel of the ungodly (don't follow the advice of the wicked), nor standeth in the way of sinners (not taking their paths), nor sitteth in the seat of the scornful (does not take part in scoffing and mocking).

2 Cor. 6:14-15 - Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial (what agreement or harmony has Christ with Belial)? or what part hath he that believeth with an infidel (unbeliever)?

Infidel is a Mandela Effect. Most all other translations say unbeliever. I never heard the word infidel until I began hearing about islam. The quran is the muslims holy book and they call anyone not believing in allah an infidel. If you don't know what a Mandela Effect is, simply put it is witchcraft being used against our Bibles to change what it says. Not new translations, not new editions but the same old Bibles we have always had – hitting mostly the KJV but sometimes it is across all translations. I encourage you to watch the series teaching I did on it called Mandela Effect and the links will be in my notes. Youtube pulled part one so I recommend you go to our website to watch that teaching.

You wouldn't think these two men would be buddies, would you? But they were. Robertson was deeply involved in business dealings in the Congo. The Time article reported that once, in the late 1980's, Robertson and his wife and

their entourage were flown from Paris to Kinshasa on one of Mobutu's personal Boeing 707s. In Zaire, Mobutu personally took them on the presidential yacht on a ride up the Congo River to visit one of his estates.

Robertson had a relief program in the Congo--Operation Blessing, which is still operating today--as well as a private concern called the African Development Company, which made investments in mining, lumber, agriculture, transportation and power generation, supposedly with an eye to plowing the profits back into humanitarian efforts. One of those investments was a diamond mine in a small town south of Tshikapa near the Congo's border with Angola. That's where I placed the diamond mine in Heart of Diamonds.

One of the men who ran ADC for Robertson was Bill Lovick, a former minister who was dismissed by the Assemblies of God church in 1985 for questionable fund raising practices.

CLOSING

Isaiah 56:10-12 - His watchmen *are* blind (shepherds / pastors): they are all ignorant, they *are* all dumb dogs, they cannot bark; sleeping, lying down, loving to slumber. Yea, *they are* greedy dogs *which* can never have enough, and they *are* shepherds *that* cannot understand (they have not known understanding): they all look to their own way (they turned to their own way), every one for his gain, from his quarter (each and every one / one and all). Come ye, *say they*, I will fetch wine, and we will fill ourselves with strong drink; and tomorrow shall be as this day, *and* much more abundant.
