So many came and we praise God they are hungry to know the truth.

Looks like even some of the really young children came too. Glory to God they wanted to be there.

In our last week Youth conference in the Sunday service a primary school girl who was a staunch muslim surrendered her life and accepted Jesus Christ as her Lord & Savior. She also changed her name from Salma to Ruth. Glory to our living God!!!

Please remember her in your prayers God to help her stand against all the resistance she is facing from her family & provide for her school fees.
