We are blessed to be able to see their fellowship time with dinner on the grounds.

These times are nice to be able to break bread with brothers and sisters in Christ.

One day we will all be together doing this in heaven.

Good food, fellowship and joyful hearts.

Some of the church members. What a good picture.

We long for the wedding supper of the Lamb!

What a good picture of Pastor here. They look so happy here smiling and laughing!

A SHORT FB TEACHING FROM PASTOR ERUSTUS:

Galatians 5 :13 "You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh ; rather, serve one another humbly in love".

When we were created we were given free will. We are free to make our own decisions.

Sometimes we make decisions that are bad for us, or even deadly but God will not take away our free will. What we decide we believe matters. What we decide to do matters. God must be sad watching us make mistakes that are bad but He will not interfere unless we personally ask Him to help us get on the right track. Just as it can be sad for us to watch our children make mistakes and go thru hard times because of it but we need to let them learn even if it is sometimes learning the hard way. we often have to learn the hard way. We need to ask the Lord to

help us make good decisions including Him each time we have a decision to make.
Our free will is a gift but it can be our enemy if we misuse it.

Praise our Lord and Savior Jesus Christ!! Yesterday I traveled to minister in the Sunday service at our Conquerors church branch at Ekeru, Mumias Town. We had a glorious service, dedication of children to the Lord and our Sunday School children enjoyed a soft juice drink with their teachers. What a blessed day!!!

We appreciate you all for your continued support & prayers.
