

# WORD of FAITH MOVEMENT – Part Five: FAITH FORCE, LAWS of NATURE

## **PASTOR ERUSTUS SHARES**

My take on the "The word of faith movement" is that it has taken many from the True scriptural Biblical foundation. And they do not apply it according to God's will and written word and that is where I differ with this movement. At the heart of the Word of Faith movement is the belief in the "force of faith." It is believed words can be used to manipulate the faith-force, and thus actually create what they believe Scripture promises (health and wealth). Laws supposedly governing the faith-force are said to operate independently of God's sovereign will and that God Himself is subject to these laws. Here, many use their theology and stray from the scriptures.

Here you can see Copeland subtly mixing in the freemasonic – humanistic laws.

The big problem is that many want to use this ability that as small gods we can manipulate the faith-force and become prosperous in all areas of life claiming that failure, sin, poverty, illness and sufferings are the result of lack of faith and that the only way out of this is confession (positive confession).

In most cases many of this movement rely on their personal revelations which is not founded on Scriptures. \*\*\*\*\* **I see this movement pushing many to claim by faith wealth, healing, protection, miracles etc. and yet majority of them are living a life of sin, have no heart for dying souls, many are immoral and even can't teach people in sound doctrine other than the faith issues. \*\*\*\*\***

Let our faith come from God Himself and not something we create ourselves. When we get saved each one is given a measure of faith which continues to increase as we continue to grow in the word of God to maturity. Then as we are filled by the Holy Spirit and He continues to fill us, He gives gifts to each one of the believer as He will. To some are given the gift of faith. (1 Cor 12:9).

**Romans 12:3** - For I say, through the grace given unto me, to every man that is among you, not to think *of himself* more highly than he ought to think; but to think soberly (with sober judgment), according as God hath dealt to every man the measure of faith.

### **New Living Translation**

**Romans 12:3** - Because of the privilege and authority God has given me, I give each of you this warning: Don't think you are better than you really are. Be honest in your evaluation of yourselves, measuring yourselves by the faith God has given us.

What we need to do daily is to prayerfully read and study God's Word and have the knowledge of the Word of God through the teaching of the Holy Spirit. And any circumstance arising in our life or in other people's life, God's Spirit will quicken and lead our spirits what to pray or do according to the WORD we have hidden in our hearts. And we will pray or take action in the prevailing situation having faith in our Lord Jesus Christ but not our own faith. I think that is why the early church were committed to teachings (word) and prayer. I believe this made the faith of Christ to grow in them daily and were able to perform miracles, heal the sick, harvest souls etc. and always God was glorified.

But the church today, we are mixed ourselves with so many things and we want to draw people to ourselves and not to Jesus Christ. The preacher of today wants people to know that he/she is the one who healed or caused the miracle but little do they point this to Jesus. And if you observe keenly the faith movement has turned many into preaching mainly "The Prosperity Gospel" just to fill churches with masses and rarely preach on holiness and the coming judgment. Pastor, that is my mind on this. Let me also hear what you think over the same.

### **SUPERSTITION ABOUT WORDS**

I use the word "kid" all the time instead of child. There were people online that told me I should not use that word because it means goat. You should not call your child a kid.

In the 1800's the definition of a kid was a goat or a young goat. Today the language has evolved and now when you look online the first definition is a young child.

So our culture today understands according to the context of what is being said that usually when we say "kid" we are talking about a child.

The belief that what you speak will manifest is coming from Scripture. However, if you are not a true child of God and what you are speaking is not in line with God's Word and His will, then it is in error. Remember the luciferians / witches study

God's Word and do the opposite of it so they can bring more curses and damnation onto themselves.

Many witches are disguised as God's ministers and they teach to speak in faith but they are steering those that follow them to material and worldly things. Even to superstition.

If I refer to Kennedy as my kid, she isn't going to turn into a goat. That is not God's will nor His Word nor do I believe in that superstition.

If you are speaking in faith, is it according to God's Word and His will for your life? Or have you picked up some false teaching like Oprah's vision board and now you are visualizing and speaking these things over your life and believing for them to manifest, all the while tacking Jesus' name onto it.

Now that being said, if you go around always saying things like I'm so dumb, or I feel like dying or I'm sick etc. Then you are not speaking in line with God's Word and those things can certainly manifest in your life. They can manifest because satan can certainly move on the words you are speaking.

Something that I say and have gotten better about saying because Kennedy catches me every time is "I was beside myself" or about one of our pets "he was beside himself." Being beside yourself really is saying you are not in your right mind so we want to break habits that we have learned or always said when we realize that they are not really wholesome talk.

\*Please play from 13:50 to 14:30 and from 49:29 to 52:04 This is a video clip of Alex Colier, who talked about seeing reptilians (fallen angels/demons) and was very upset about what he saw and spoke out boldly about it initially. At the time of this video he was not a Christian because he's talking about new age beliefs. I want you to see an example of what people who are not Christians believe, how they have bought into satan's lies. Alex is talking about meditating and praying to "bring in a benevolent expression of joy to the earth." \*Remember there are people who think there are good aliens and that they want to help us. I don't believe that, a demon is a demon all day long and so is a fallen angel.\* / Then he talks about starving the fallen angels/demons/satanic forces who feed off of our negative energy. Says we need to focus on what we want and draw that to ourselves. So he says we need to create joy. NO MENTION OF GOD'S WORD.

Alex is someone who has had supposed contact with aliens (fallen angels/demons). When you hear of people who have been abducted or have had alien encounters usually it is someone who doesn't believe in Jesus Christ. They don't properly understand about aliens/fallen angels/demons because they are not led by the Holy Spirit and they have bought into the lie that we as humans can change this world for the better without Christ. That's a lie from the pits of hell.

When he talks about starving the fallen angels/demons/satanic forces who feed off of our negative energy, I believe that is true. That's what they get off of the crowd of people at a horror movie. It could be why they manifest in such scary shapes and forms. Most aliens/fallen angels/demons are hideous. When a person gets scared their adrenaline is pumping and remember the luciferians feed off of adrenochrome to get high and to try and stay younger looking.

She was teaching to visualize, to meditate on it and to speak it out. Remember what Copeland said: "as the seeds of prosperity are planted in your heart, in your will and in your emotions...they eventually produce a great financial harvest." That is the same thing she is teaching. Witchcraft plain and simple. God never told us to plant seeds of prosperity in our hearts and will and emotions in order for it to manifest. We pray and seek God's Kingdom first and He will meet our needs, He is our supply. He gives us the ability to get wealth and it isn't through meditation, visualization, chanting or any other means.

Pastor Erustus continues: We are living in times of false teachings and false ministers at work. People have been brainwashed and don't question anything a minister does even if it's not biblical. Neither do people test the spirits working in ministers to see if it's of God or satan. Many just believe anything. And I think this has been brought about by the "prosperity gospel" which even Benn Hinn repented of saying it's a lie from the devil.

And speaking negative words in our life, I think we should avoid and try to speak Gods word always. Life and death is in the power of the tongue. Out of the abundance of the heart the mouth speaks. Many are insufficient of God's Word that is why they can speak negative. The word of God out of our mouths emanating from our hearts is supposed to edify, if not, then whatever we speak will destroy. The spirit working in us is of truth, love, peace, faith etc. Paul says our words always must be seasoned with salt good or right for those who hear us. I finish by saying whatever we speak it must edify our own spirits and those of others. God bless you Pastor

See this subtle twisting? No, we feed on God's Word and have a relationship with Him and we stand on His Word. If we speak in faith, it should be in line with God's Word – not just anything we come up with.

**THE CREATIVE SECRET – FAITH FILLED WORDS!**

if you learn to use your mouth to speak out words full of faith, you can achieve greater than Jesus! Learn to speak boldly, learn to speak in faith.

I read this to Scott and he said, “What?” lol This seems to be promoting a way to get things. You read God’s Word, pray and stay in an intimate relationship with Him and as things arise in your life you can speak out Scripture or stand on God’s Word in faith as you are led by the Holy Spirit.

They left the Scripture reference out but here it is:

**John 14:12** - Verily, verily, I say unto you, He that believeth on Me (in Me), the works that I do shall he do also; and greater *works* than these shall he do; because I go unto My Father.

Creating things in your mind that you want and trying to master speaking it out and getting it to manifest is not the “works” that Jesus was speaking about. He was talking about people being healed and delivered and set free. Talking about miracles and things that those filled with God’s Spirit would do in working for His Kingdom and glory.

**C LOSING**

**“THINKING FAITH THOUGHTS  
AND SPEAKING FAITH WORDS  
WILL LEAD THE HEART OUT OF  
DEFEAT AND INTO VICTORY.”**  
**—KENNETH E. HAGIN**

Kenneth E. Hagin was considered a modern day father of the faith by those like Kenneth Copeland. They promote a prayerless life. Leaving God out of the equation and only trying to use His Word.

**1 Cor.15:57** - But thanks *be* to God, which giveth us the victory through our Lord Jesus Christ.

Those who are in Christ have the victory already.

**1 John 5:4-5** - For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, *even* our faith. Who is he that overcometh the world, but he that believeth that Jesus is the Son of God?

**New Living Translation**

**1 John 5:4-5**- For every child of God defeats this evil world, and we achieve this victory through our faith. Who is it that overcomes the world? Only the one who believes that Jesus is the Son of God.

If you want to get out of defeat then believe in Jesus Christ, believe He is the Son of God and that He is God. When you believe in Him you will obey Him. No obedience then no belief.

If you feel defeated, depressed or oppressed then be sure you are truly saved and then bind those spirits in Jesus' name and cast them out of your life. Quote the Scriptures I just gave you and announce to satan that you have the victory through Jesus Christ! Stay in prayer about whatever it is, give it to God.

**1 Peter 5:7** - Casting all your care upon Him (Casting all your anxieties or worries); for He careth for you.
