

OUTREACH UPDATE - KENYA, UGANDA: FEBRUARY 2019

"For the time will come when people will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths" 2Timothy 4:3-4. This has already come to be. Some churches are more like clubs. Some are like stage shows. Some preach the bible truthfully. Some teach that what the bible says is no longer true. Times may have changed but God never does. From "In the beginning God" from Genesis to Revelations end," The grace of the Lord Jesus be with God's people." People need to be told the clear truth of Gods word. As sinners no one wants to hear it but all must because every thing depends on the truth. You accept Gods word as 100% true always or you walk away a lost sinner. Yes, people want to hear what is good and makes them happy but if it is sin the fall will soon come. When you read the bible God is talking straight to you. Don't turn away from Him.

What a joy & blessing to serve the Lord. Travelled today with my wife Sarah for a weekly house church fellowship and to check on the ongoing church water well project at our Conquerors church branch, Ekeru, Mumias Town.

Kindly continue praying with us God to provide for the projects and other ministry work we intend to accomplish this year. We appreciate you all for your continued support. Wish you all God's blessings!!!

Thank you our dear friends & family for your prayers, I traveled back safely today after a two days visit to our Conquerors church branch at Kasebere village,Uganda. Our Junior academy school is also doing well at our church building ,it's now 1month since the schools opened.

Looks like a little box of supplies

Jesus said let the little children come unto Me. We praise God for being a part of these children getting an education along with the gospel of Christ.

For the school we are trusting God to provide for chalk boards, more small plastic chairs, stationary, charts, tables, uniforms, shoes, socks, food, teachers salaries & to build classrooms. As you can see in the pictures the children are poor and needy.

More pictures of the school in Uganda. The school is held in the church which is a mud walled structure.

Yesterday's Sunday service was great at our recently build church on our own land. We are trusting God now to provide for at least 50 plastic chairs & Public Address system. Enjoy the pictures.

The children may have been doing praise and worship here in the church.

The need at the Uganda church and school is great. There are so many supplies and equipment needed for the school as well as the church. If God moves on your heart to give we will greatly appreciate it. We thank you for your support and prayers and encouragement. Together we are doing the great work God has called us to do. God bless you all.
