

CORONAVIRUS – Part One: TRIANGLES and SUN WORSHIP

Someone asked me to cover this issue because they were scared and worried. I really thought this was gonna blow over. I wasn't going to do it but then the luciferians took it to a new level and so I can't help but cover it. I want to make something clear, I do not have time to cover every piece of fake news or every false flag or all the deception that they spew from the tv. People here in America have got to wake up and realize that the media and radio are propaganda. They are tools used by the luciferians to carry out their agendas. If this sounds crazy to you, then you have not been following this ministry. We are awake here and we don't play games. I have done the teachings and you should go back and listen to them.

I'm going to take my time trying to educate you on who we are dealing with here so that the next time they roll out another piece of their agenda you will know what you are looking at. You will know who is behind it and understand what is going on. The players on the stage are the same every time. If I don't cover something, it doesn't mean it's true. I can't cover every move they make and the fake news is overwhelming. I also need to be teaching God's Word. Satan would love nothing more than for me to just get buried under covering all the fake news.

I am not a news reporter, but a servant of the Most High and Living God. I am not reporting the news. My job first of all is to witness of Christ and lead people to Him. To teach them how to be saved, how to live an obedient life and how to inherit eternal life. That is what is most important at the end of the day and at the end of this world. Now, as I have time, and as God moves me, then I also expose the wickedness as we are told to do in Scripture.

Eph.5:11 - And have no fellowship with the unfruitful works of darkness, but rather reprove (expose) *them*.

That being said, let's dig in to this topic.
Here is a facebook posts that I made:

HOW FAR WILL "THEY" GO

The "beer bug" (code for corona virus) is a tool they are using to see how well they can implement their plan. What plan? Well the one that leads to the mark of the beast. Say what?

At some point they, and by "they" - I mean luciferians, are going to make their move. They will lock down freedoms that you have known. They will corral you and round you up to receive their lord's mark. This quarantine at home is a sort of test run. Working nicely I might add. Sort of like martial law without all of the crazy officers bullying everyone around and making threats.

What is happening to the little guy in all of this? He's feeling the pain, the squeeze is on. Last night I went out to eat, at Cracker Barrel, with my family. There weren't many people there and the seating host told us that they were only running at half staff because they were so slow. What about those workers that got sent home? No pay. That hurts when you live pay check to pay check like all of us regular people do. Now you see the "fear spreading media" saying more and more that this place and that place are being shut down. And trust me, if the government "gives" anything to those that are stopped from going to work, it won't be giving at all. It will be you and I picking up the tab.

CRASHING THE STOCK MARKET:

Every time they do it, it has been well thought out and planned. They never crash it by chance or by accident. If you don't know that you are still totally asleep. You should research the Georgia Guide Stones, look at books like: New World Order by Ralph Epperson. They have been telling you and all of us, exactly what their plan is. The Bible tells us also. God always tells His people.

EYES TO SEE:

Remember they patent viruses. Bill Gates and George Soros hold the patent on ebola. Wake up you guys. They have been using chemicals against us without our knowledge for a long time now. They spray us daily with metals, it's called chemtrails. It's part of their agenda. Too long to elaborate here. Watch the teaching series I did called "Weather and Chemical Warfare." It will help to wake

you up. In case you don't know, I'll drop this right here: with the metals from chemtrails pumped into you making it easier to send and receive information, to and from you, they can just send the disease signature of Co V i. d -1 9 into you if they want to. I have said it before and exposed it in this ministry, they can heal with the frequencies but that is not what they are using them for. satan is the prince of the power of the air. Think about it.

THE BUG:

Is it real? I have no doubt it is man made. It is a weapon. De. an Ko. on' tz wrote about it in one of his books from 1981. They always tell us. We just thought it was entertainment. That's how they hide the truth in plain sight. That's one of their sayings, "that the truth is hidden in plain sight." Some of the numbers are inflated in this whole situation as with all of their agendas (or maybe deflated). They are getting bolder, we haven't seen them go this far in a long time.

NO FEAR:

How do you not get scared? Not worry? What should you do? Get in Christ. He is THE Answer every time for everything. He's the Way, the Truth and the Life. He will give you peace and save your soul. You need Him. This world is in a spiritual battle and always has been. Everything you see is spiritual, only you've been distracted from the truth with "ENTERTAINMENT," at least here in America.

Seek ye the LORD while He may be found, call ye upon Him while He is near:
Isaiah 55:6

Today is the day of salvation.

If this post stays up it'll be a miracle.

Eve [REDACTED] I have been convinced that this is a test they're carrying on, to observe people's reactions, so that they can prepare to strike HARD. And yes its man made..
2and Timothy 1:7 For God did not give us a spirit of fear, but of power, and of love, and of a sound mind.

I am going to cover this from a spiritual perspective. We are going to take our time and be as thorough as possible. In laying a foundation of who we are dealing

with, forgive me if I go over some basic things again, but those that are new to this ministry need to understand, as well as those of us who have been awake for a while.

CORONAVIRUS

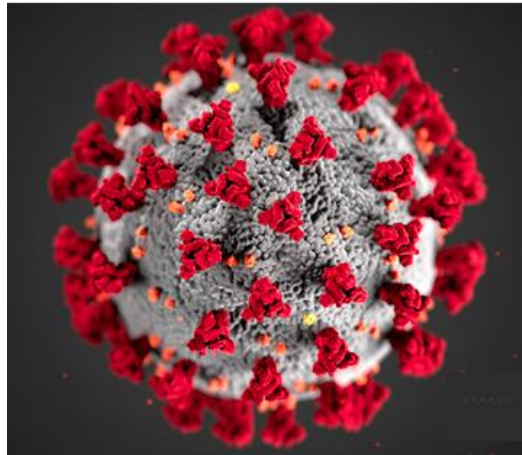

Coronaviruses are a group of related viruses that cause diseases in mammals and birds. In humans, coronaviruses cause respiratory tract infections that can be mild, such as some cases of the common cold, and others that can be lethal, such as SARS, MERS, and COVID-19. Symptoms in other species vary: in chickens, they cause an upper respiratory tract disease, while in cows and pigs they cause diarrhea. There are yet to be vaccines or antiviral drugs to prevent or treat human coronavirus infections.

Just like how Bill Gates and George Soros hold a patent on the ebola virus, this virus is no exception. There are patents on it also. Coronavirus' have been around a while, for example SARS is a coronavirus. That is why human coronavirus was already on Lysol labels before we learned of the outbreak in China.

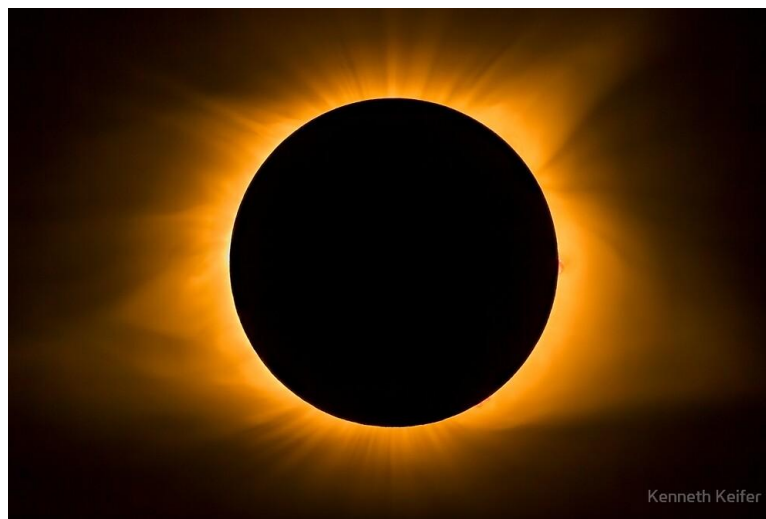

Can of Lysol stating it helps to disinfect against the human coronavirus. When you see things like this posted on social media be careful not to jump to conclusions without researching it first.

The name *coronavirus* is derived from the Latin *corona*, meaning "crown" or "halo", which refers to the characteristic appearance reminiscent of a crown or a solar corona around the virions (virus particles) when viewed under two-dimensional transmission electron microscopy, due to the surface covering in club-shaped protein spikes.

So the name of this disease means crown or halo and is linked to a solar corona as well. Notice the red triangles in particular. Aren't the red triangles very peculiar here?

Solar Corona

This is where we have to have a little history lesson about who the luciferians are so that you can understand this assault.

1 Kings 18:21 - And Elijah came unto all the people, and said, How long halt (waver) ye between two opinions? if the LORD *be* God, follow Him: but if Baal, *then* follow him. And the people answered him not a word.

baal was the sun god. Think about that solar corona or the sun with a crown or halo. God's people were serving the sun god and God used Elijah to draw them back to Him. From the beginning God had forbidden the worship of the sun, moon and stars (Deut. 4:19 & 17:2-5).

This is what the heathen nations did and God forbids those who serve Him to do these abominable things. This type of rebellion seems to have begun with the tower of Babel.

Genesis 10:9-12 - He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel (Babylon), and Erech, and Accad, and Calneh, in the land of Shinar. Out of that land went forth Asshur (he went forth into Assyria), and builded Nineveh, and the city Rehoboth (Rehoboth-ir), and Calah, And Resen between Nineveh and Calah: the same *is* a great city (talking about Resen).

[New Living Translation](#)

Since he was the greatest hunter in the world, his name became proverbial. People would say, "This man is like Nimrod, the greatest hunter in the world."

[Young's Literal Translation](#)

he hath begun to be a hero in the land; he hath been a hero in hunting before Jehovah; therefore it is said, 'As Nimrod the hero in hunting before Jehovah.'

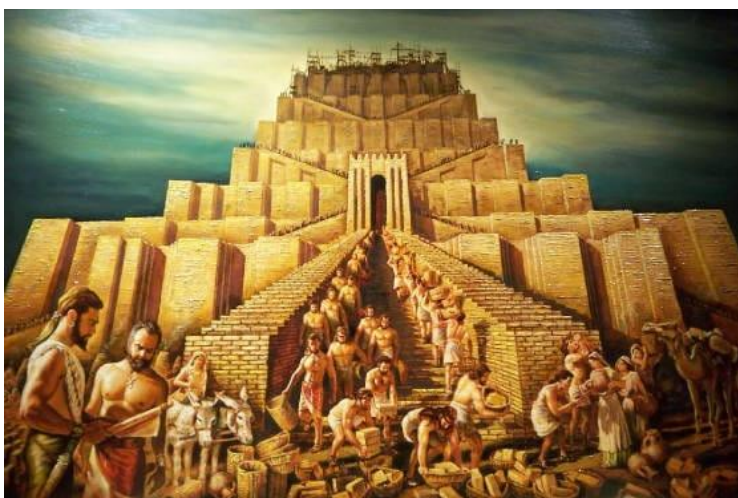

Babel is what we call Babylon. The whole area of Mesopotamia seems to be where Nimrod was building all of these cities, building his empire against God.

Genesis 11:1-9 - And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar (in Babylonia); and they dwelt there. And they said one to another, Go to (come), let us make brick, and burn them thoroughly. And they had brick for stone (they used brick instead of stone), and slime had they for mortar (they had tar for mortar). And they said, Go to (come), let us build us a city and a tower, whose top *may reach* unto heaven (the heavens); and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people *is* one, and they have all one

language; and this they begin to do: and now nothing will be restrained from them (nothing will be impossible for them), which they have imagined to do. Go to (Come), let us go down, and there confound (confuse) their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city (they stopped building the city). Therefore is the name of it called Babel; because the LORD did there confound (confuse) the language of all the earth (whole world): and from thence did the LORD scatter them abroad upon the face of all the earth.

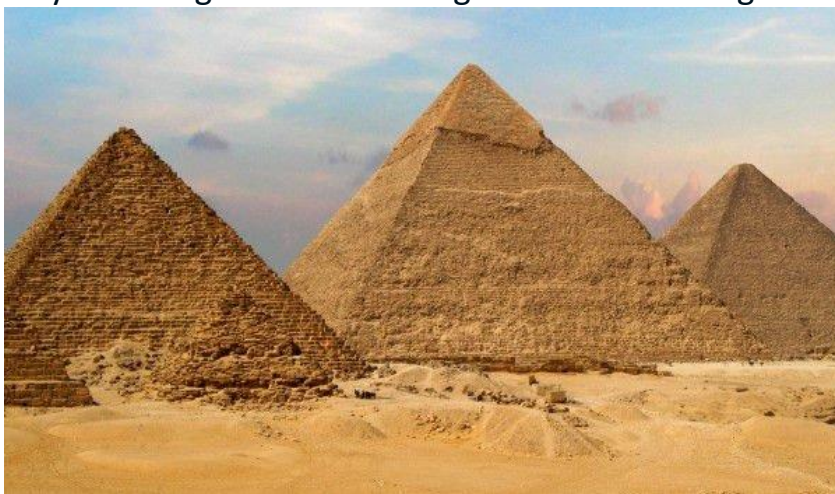

Let us make us a name. This was in rebellion against God. God's name was to be honored and here we see they wanted to have honor and be considered great.

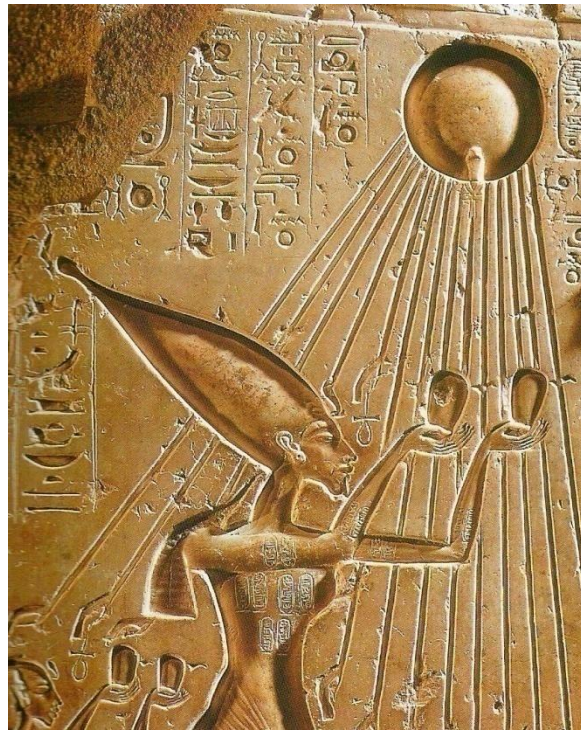

They were working together under the leadership of Nimrod to build the first One World Government. God put a stop to it.

Nimrod allowed himself to be worshipped as a god on this earth. When you research history, and dig, you find out that he was murdered and made an example of by being cut into pieces. This was to send the message that if you behave like him, then you know your demise. His wife, Asherah (The Queen of Heaven, Mother of harlots) did not want to lose her status as she too was being worshipped. So when he died she made up a story that there was a stump in the woods and overnight a full grown evergreen tree sprang up. She said this was Nimrod, reincarnated. This is where the Christmas tree originates from. She also told a story of Nimrod's soul going to the sun upon his death and thus he became the sun god and she was the moon goddess. When you research these things you will see that some nations have him as the moon god, and her as the sun goddess. There is no such thing as reincarnation but the pagans believe there is. She also got pregnant and said that she was impregnated by a single ray of the sun, thus making her baby divinity, a reincarnation of the sun god. That baby's name is Tammuz and he is in our Bibles as well (Ezek.8:14).

A pagan is someone who doesn't worship God and usually worships many gods. They worship nature and things like the sun, moon and stars. This is what witches do, they worship the elements. They claim not to worship satan but to worship the goddess. Freemasons are pagans. When I refer to luciferians, I am referring to those that are high ranking in the military, government, business corporations, banking, church etc., all those in secret societies or what used to be called the mystery religions. They are the ones who know full well that they serve lucifer and are dedicated to bringing in his new world order. satan's new world order is also called the beast system or antichrist system of government. This coronavirus is something they are using to move their agenda further along.

These towers are about sun worship. Here's that triangle shape again in regards to the sun.

Here is a depiction of sun worship in Egypt.

1 Kings 18:19 - Now therefore send, *and* gather to me all Israel unto mount Carmel, and the prophets of Baal four hundred and fifty, and the prophets of the groves four hundred (and the 400 prophets of Asherah), which (who) eat at Jezebel's table.

baal is the sun god or nimrod and asherah was his wife and some accounts say she was also his mother.

This next passage is Obadiah, a true servant of God speaking to Elijah.

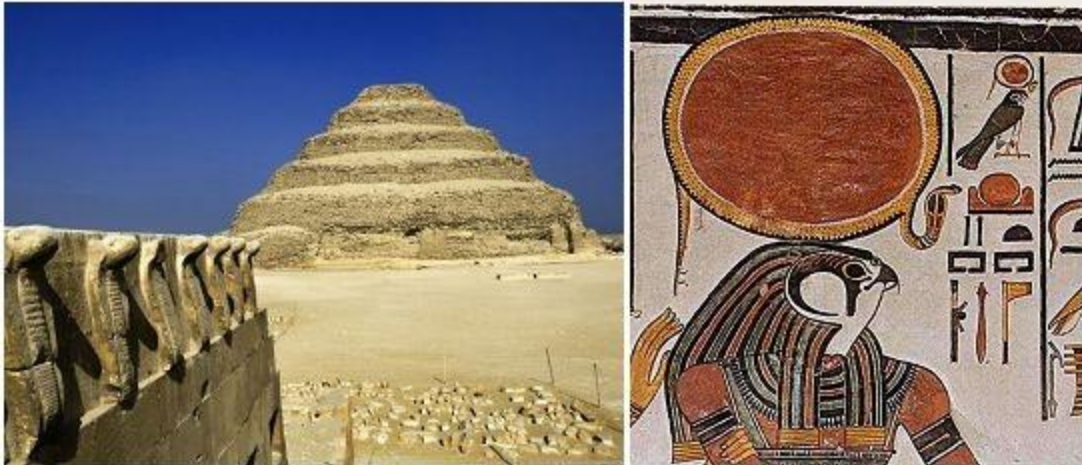

1 Kings 18:13 - Was it not told my lord what I did when Jezebel slew (killed) the prophets of the LORD, how I hid an hundred men of the LORD'S prophets by fifty in a cave, and fed them with bread and water?

Jezebel was killing God's prophets. She served asherah and baal. She and Ahab had the Israelites serving the sun god baal and the moon goddess asherah.

European Parliament building. They have not stopped working to build their one world government against God. They have been at work for thousands of years moving their agenda forward bit by bit. This coronavirus is part of their agenda. They have been making virus' and many other things to use as weapons against us. If you listen to the "Weather and Chemical Warfare" messages you will learn about many things they have done against us already without our knowledge or consent. The religion that Nimrod and his wife Asherah started is called the "Mystery Babylon Religion." It never died out, but instead went underground. Today we see it more out in the open as the times are getting wickeder by the minute. People are seeking the dark side of the supernatural realm and are in acceptance of the mystery Babylon religion. They are continually falling farther and farther away from the God of the Bible.

When God confused the languages then Nimrod and Asherah began to be worshipped in all the nations under different names. In Egypt for example they were known as Osiris, Isis. In Rome they were Sol Invictus or Jupiter and she was Luna or Juno. Nimrod and Tammuz usually are represented as one since Tammuz is the supposed reincarnated sun god. But Tammuz was known as Horus in Egypt.

L: Tomb of Necropolis in Secara Egypt. Notice the snakes lining the tomb? That is because the snake was worshipped as the sun god. To understand that, you have to go all the way back to the beginning to Genesis chapter 3 where the serpent tempted Eve and caused her to sin against God. We learn who the serpent was in the book of Revelation.

Rev.12:9 - And the great dragon was cast out (hurled down), that old serpent (ancient serpent), called the devil, and satan, which (who) deceiveth the whole world (leads the whole world astray): he was cast out into the earth (hurled to the earth), and his angels were cast out with him.

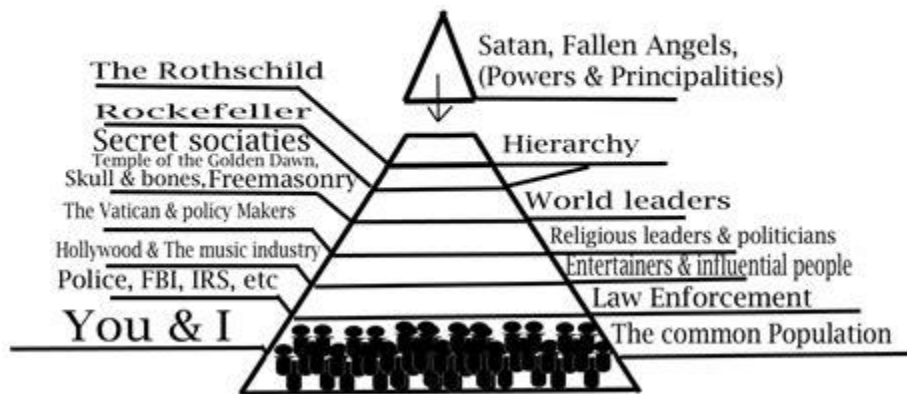

satan has been listened to and worshipped ever since the fall of man way back in the Garden of Eden. He is still worshipped today by our world leaders, by those in high up positions. The religion that began in Babylon spread over the face of the whole earth and has never stopped. The Roman Catholic Church calls themselves the "Mother" church. They are the face of the Mystery Babylon Religion. They are an occult. They practice witchcraft and what we see them do out in the open is a cleaned up version of it.

The real leaders of this world are the ones that we mostly never see, like the Rothschilds, the Rockefellers, those that are behind the scenes and hold the world's money. They are content not to be seen. All of the secret societies have an order as to who they answer to. There are many pyramid drawings depicting the order in various ways.

Here is an example. See the eye at the top? That is lucifer's eye. The same eye on our U.S. dollar bill.

Basic Illuminati Pyramid Structure

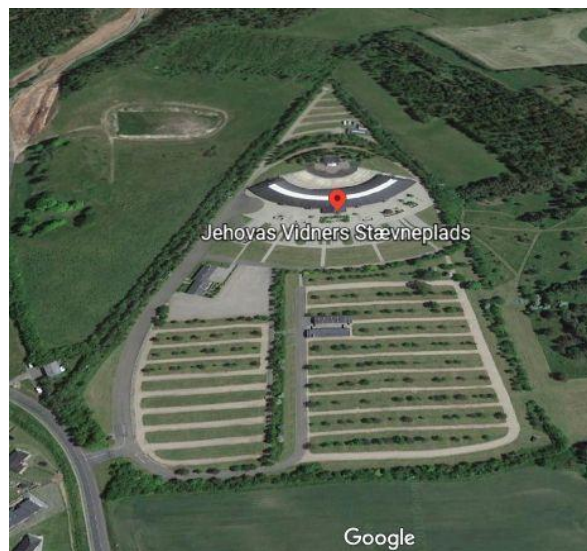

CLOSING

The luciferians, our world leaders, are practicing the mystery Babylon religion today. That is why the days of our weeks and months of the year are named for fallen angels and leaders who were worshipped as gods.

This is at the entrance of the Houston Museum of Natural Science. So we don't have to wonder what all the triangles we see around this world really mean. The triangles on the coronavirus stood out to me because I know the push is on to bring in the new world order and that the media is a tool in satan's hand. Our news is propaganda and the sooner we learn that, the better off we'll be. You can't trust them. You have to question everything. Research everything.

Another triangle: Jehovah's Witness Headquarters in Denmark

I want you to know that the name of this virus was chosen to honor the god they serve, the sun god. That is what the crown and corona mean, it's all about the god of the sun.

This is Sol Invictus, the Roman sun god. See the crown on the solar deity? They always honor their gods. If you look closer you will see Luna or Selene with the moon on her head. Ever notice how the statue of Liberty looks like a male? They wore robes and togas back then, maybe she is really a he. At any rate, she/he stands for the worship of the sun. She/he was given to America by the French freemasons.

This is a picture from Trump's penthouse suite. There is a picture of Apollo, the sun god in a prominent position over the fire place. Do you think he is just unaware of the meaning of this piece of art? No he isn't. They don't mind putting

these things right out in the open because they know most of the world is asleep to it all. The statue on the coffee table is Eros in Greek, Cupid in Rome and that is none other than Tammuz. If you loved Jesus Christ would you have pictures and statues of these false sun gods in your house? No. Apollo is the sun god, think about why so many space missions have been named Apollo. The luciferians are running this world.

Italian luxury car manufacturer Alfa Romeo shows us clearly who they worship. See the serpent with the crown? That would also be corona, as the serpent is worshipped as a sun god around the world.

When God confused the languages the luciferians came up with a system of speaking without saying a word. That system consists of symbols, numbers and colors. They continue to name things in honor of their gods. They practice gematria or numerology which I call witchcraft math. You'll see more on all of this as we go along.

To really have eyes to see and understand all of this you must be saved. The battle against God and those that serve Him has never stopped. Real peace and safety is found only in Jesus Christ.
