

CORONAVIRUS – Part Two: CONTAGION, PLANNED, EVENT 201, PROPHESED

UPDATE FROM KENYA ON THE CORONAVIRUS LOCK DOWN:

FIRST UPDATE FROM 5 DAYS AGO:

Good afternoon Pastor. Our government has put a lot of laws against because of Corona virus. They are leading us to a total lockdown. Last week they said churches should not meet but we went ahead with Sunday services. Now they say they are going to use police officers to ensure there is no church services country wide. They have limited number of Passengers in public vehicles and trains. Some of our borders with neighboring countries like Uganda have been closed. They have closed all clubs, bars and social meeting joints. Open air markets been closed , all schools and colleges were closed last week.

All suspected patients are put on self quarantines. Everywhere you must wash your hands with disinfectants before you are served. They say in Kenya we have 17 people so far infected with the Covid 19. They want us to stay in our homes all the time. Things are in a total mess here Pastor

They are telling us not to shake hands not to be found together in a group of 15 people or more, keep distance of 1 meter apart, buy and sell mostly online than using hard cash. They want malls to control number of people going to buy. Here in Africa some of this laws Pastor cannot work, life is difficult

They are telling employers to allow employees work from home. Most of our big cities no people especially Nairobi people have traveled back to the villages.

The economic situation here is hitting us hard, but all is in God's hands.

Pastor said for the last 2 weeks they have not had electricity until Saturday. And here from yesterday those suspected with virus if you violate the quarantines they will now take you to court.

I was talking with Pastor about 5G and what I have seen in research regarding it and how it is possibly linked to this event. He shared: Our president this morning says have made an agreement with Google so as to have 4G all over our country. Their balloons have been allowed now all over our airspace.

SECOND UPDATE FROM YESTERDAY 3/28/20:

They have a curfew from 7:00 pm to 5:00 am. Yesterday in some cities the police beat and injured many people for no good reason in the name of keeping the order of curfew from the president here. So sad 😞 Yesterday Pastor in one of our Mombasa city, they really harassed people. Tear gas canisters were thrown at people, beating them, getting anybody driving out of cars and beating them. one of the journalist was seriously injured. You wonder such kind of brutality

Now employers are to close offices at 3 pm For a few minutes we get to go to stores to get food and they want you back home. I tried to get some food with Sarah from the stores a day before the curfew started.

Pastor have never seen this in my life. But now here they started beating people at around 4pm before the said curfew started at 7pm. Here you know we struggle even to get food. Now women who sell groceries and food stuffs in streets and open markets have been restricted. Now we wonder how we shall survive if this goes for a month or so. People are heartless in this world Pastor.

He said it has been raining so water is not a problem. He said they have a little corn and Sarah has planted some vegetables on their land. A young girl came to our home this morning to sell a small bundle of firewood to get some money Pastor. No food at their home. I felt so bad and took the firewood.

Yes Pastor God will take care of us. God will supply for us. You go to our stores the business people are hiking the prices. Now you wonder people are just money minded. Few people are allowed to board public vehicles for transport and they

are now charging double the price. Pastor said he praised God that Three Hearts Church was able to bless him with a car and that we have helped him to have land of his own where he now lives. I am imagining also if I was still in a rental house? My family is safe here.

UPDATE ON THE LOCKDOWN IN INDIA:

FIRST UPDATE:

We are not allowed to go anywhere from yesterday due to this corona virus and our government does not want us to get infected. Pastor was able to give some face masks and hand sanitizer out to the villages. I shared to Pastor that we, here in America are not being policed/martial law used on us yet. They are not enforcing us to keep us at our homes. He shared: But here they have put the police on roads. He said the police are making their rounds to keep them in their houses and they are not allowed to gather in groups. Pastor shared: People in the village are very tense because they are daily wage workers and now the works is being stop.

SECOND UPDATE:

we are fine here by the grace of God but we have been completely lock down it's like a curfew here and if we need any groceries we can go to market from 7 am to 1 pm only and medicine can be taken throughout the churches are being closed till 14 April. We prayer for you all to be safe and brother Erustus also to be safe. We love you all there and give my greetings to family there and to all Three Heart Congregation.

About 2 or 3 years ago when we heard about China taking over the internet, Ms. Linda Kirby was saying they would begin to take channels down on youtube and really crack down on the truth. The certainly have. I used to could just type in my key words and all sorts of truther videos would pop up. Then I could look at them and vet them out and use some of them and save myself some of the research leg work. Now when I put in key words all I get is main stream media and other knock off channels that are still just fake media that popped up about that same time that youtube made the big purge. So if you don't know certain awake, truther channels to look for stuff on, then you aren't going to find it in your search engine. Even researching this coronavirus online, many things have been scrubbed and hidden back from us.

****If they take the internet down in the middle of this lock down – then just keep praying and stay in the Word of God and never take the mark of the beast.****

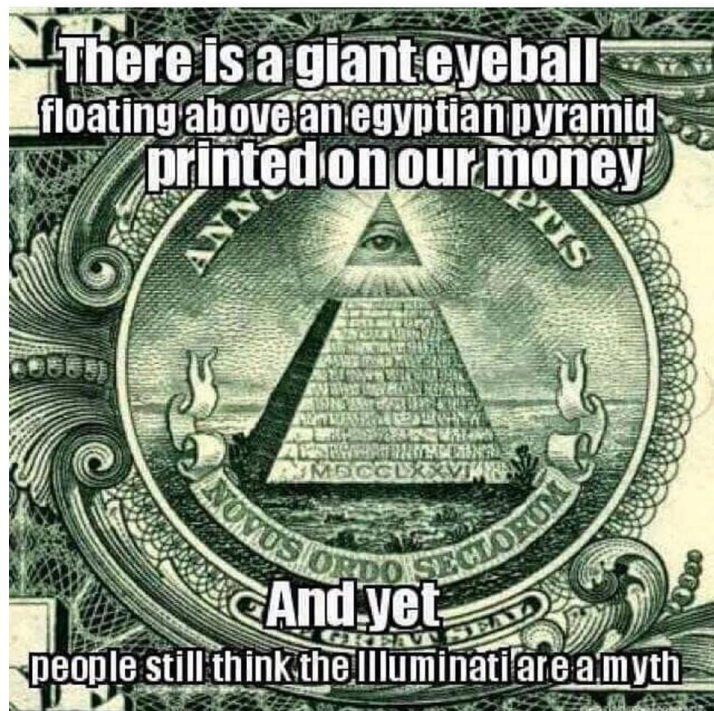

Remember the luciferians are honoring the god they serve, baal, the sun god and they show us through their symbols, colors and numbers. Here is a freemasonic

emblem. See the eye with the rays of the sun shining all around it. The same as on our U.S. dollar bill. It is called the eye of Lucifer. The "G" is not for the God of the Bible but rather it is for the god that they serve. It is a deception for those that are asleep to believe that freemasons are good old Christian boys. But for those that are awake to this non-sense we know that the G stands for many things: god, as in lucifer, goat, gender, geometry and who knows what else.

That eye above the triangle is also called the eye of horus. Notice how they have the snake running through the eye? Because they revere the serpent as the sun god. He was used in the garden by satan to deceive Eve.

On the bottom bricks of the pyramid is the year 1776 in Roman numerals. That is the year the Illuminati was formed. Although they are just continuing the Mystery Babylon Religion that began at the tower of Babel. Daniel was schooled in the mystery religions of Babylon. They are what the heathen/pagan nations practiced. It is the same religion the founders of our nation practice and still do today.

Why do you think they dress like this? Because they are puppets of the illuminati. They do what they are told. And they must show worship to the gods they serve. L: Beyonce showing sun worship R: Madonna showing worship of baphomet which is satan. And the world idolizes them and follows them.

This has been a good test run for the luciferians to see what all they need to tweak to hit us HARD, as Eve had said, the next time. As a Christian this should have gotten your wheels to start turning to see how quickly and easily they can put lockdown controls in place and scare the public.

H1N1, Sars, Mers – all hyped and spread fear, but no shutting down of places of business, work, schools, churches etc.

This coronavirus is all over the road. The updates are changing from day to day as to the decisions about the world lock down. The numbers are all over the road. I see Masonic coding in all of this. We may never get the truth of it all. It is just like 911, they are never going to come forward with the truth. It is there for those that dig and research and thank God for those that are willing to come forward and tell the truth even at the risk of their own lives.

There are disinfo campaigns going on in the middle of it all and the biggest ones are the mainstream media, however, disinfo channels are on youtube and the internet too. When you watch the videos online, watch and hear with your Christian eyes and ears. Always be led by the Holy Spirit. Sometimes there are channels out there that are what I call a plant channel. A plant channel is usually telling the truth but they are not truly one of us. They too have an agenda or a reason that they are being promoted. Remember satan promotes his own.

I was talking with Scott last week after church about how they name things in honor of their gods. We were talking about how this coronavirus is named after their sun god baal to give him honor. Scott said yeah, and whoever dies is just considered a sacrifice to their god. See. Can you see that?

They are up to something very sinister here. I'm 51 and have never seen restaurants and places of business close down. I've never seen the whole world being put into quarantine and locked down like this.

Please play trailer for the movie "Contagion"(about 2.5 mins)

Remember the luciferians say the truth is hidden in plain sight. They always show us the truth but they do it in a way that we have not realized it was the truth. They do it through movies, books, cartoons, video games and every now and then we actually get a little truth the main stream media.

They seem to be playing this movie out in real life. No treatment protocol and no vaccines. Sound familiar? However, I believe this was all planned and that they already have the vaccine and medicines that they are going to roll out for it. Then you see the government agent asking if there was any way someone could weaponize the bird flu. The cdc dr. said they don't have to, the birds are doing it. We'll get to that in a minute. Next thing is, they start predicting the numbers and causing panic and talking about moving in the national guard. Sounds like martial law to me. People will panic – true, that is happening now. The truth is being kept from the world. Boy is that ever a true statement.

Wikipedia description: As the virus spreads, Chicago is placed into quarantine and looting and violence break out. At the CDC, Dr. Ally Hextall determines the virus is a mix of genetic material from pig and bat viruses. Work on a cure stalls because scientists cannot discover a cell culture within which to grow the newly identified MEV-1. University of California, San Francisco (UCSF) professor Dr. Ian Sussman violates orders from Cheever to destroy his samples, and identifies a usable MEV-1 cell culture using bat cells. Hextall uses the breakthrough to begin work on a vaccine. Other scientists determine the virus is spread by fomites, with a basic reproduction number of four when the virus mutates; they project that 1 in 12 of the world population will be infected, with a 25-30% mortality rate.

The rumor that eating bat soup caused the coronavirus spread like wild fire across social media. That was from a four year old video of a woman eating bat soup. She wasn't even in Wuhan, but in another country altogether, Palau. The picture on the top looks like a fish or something.

And wouldn't we fall for that? We think well Chinese people are eating crazy things and so no wonder this coronavirus broke out.

The coronavirus, first identified in the 1960s, it is a kind of common virus that causes an infection in the nose, sinuses, or upper throat. Studies say that some of the coronaviruses are fatal. They get their name from their

crown-like shape and can infect both animals and humans. There is no official confirmation that bat soup can be a reason behind coronavirus. In an age where people get carried away by social media posts, this can be one of those cases. Scientists have not yet given any confirmation in this regard.

I learned from Dr. Tent about how they love to culture their vaccines in animal tissue. That way you get the viruses from the monkeys, cows, pigs and whatever else they use. I happen to believe this was a creation by our military in a lab and other things are at play here as well which we will get to. If any animals are involved, then it is because of what happened in the labs. If you think that is a bold statement then you may not be aware of how much our militaries and governments have already perpetrated on us. If I were to assign homework so that you can understand what is going on, I would say to watch the “Weather and Chemical Warfare” teachings and the “Targeting” teachings. Those teachings will help you to see things for what they are. This “virus” is a tool in Satan’s hand to use to bring in his new world order.

RESEARCH

The outbreak of the new coronavirus was first reported in Wuhan, China. **Wuhan** is the capital of **Hubei province**, People’s Republic of China. It is the largest city in Hubei and the most populated city in Central China, with a population of over 11 million.

The outbreak of 2019-nCoV was identified when an emerging cluster of people contracted pneumonia with no clear cause. A majority of the earliest cases were directly associated with stallholders who worked at the Huanan Seafood Wholesale Market which also sold live animals and game meat, though the exact origin of the virus has yet to be determined.

This seems to be where the weird link to different animals is coming from: the pig, bat, snake etc.

Please play this video – Bill Ryan shares a piece of information that Project Camelot got from an interview they did with a man that attended a freemason meeting in London 10 years ago. This man had attended several other freemasn meetings, before this one, that were just business discussing financial things. Then when he attended this meeting he felt he was not really supposed to be there. There were 25 to 30 people there. Their plans do not go by the calendar but rather they go by events. This event cannot happen until that event happens etc. It was stated in that meeting that China would “catch a cold.” This was planned. This was recorded 10 years ago.(about 1.5 min’s)

<https://www.youtube.com/watch?v=0EO2jy6iskQ>

I sort of think the channel “Project Camelot” is a plant channel. They are being allowed to put out heavy hard hitting truth and I find myself wondering why their

channel is still up. I want to caution you, when you listen to videos, you have to listen and be led by the Holy Spirit. There are a lot of channels putting the truth out there and they are new agers and atheist so keep that in mind as you listen and hear strange things mixed in with the truth. You have to filter out the stuff that you know is not in line with Christianity.

So it was planned as far back as 2010 that China would “catch a cold.”

Please play this clip – Trump talks about how China accused our U.S. soldiers of bringing the virus into China. (about 1 min.)

So we have a he said and he said dispute between the U.S. and China.

How appropriate that it was the “Sun” reporting. See how they tell the truth but deny it. I fully believe it came from our military intelligence labs. I do believe there are other things going on as well.

Please play this video – they ran a pandemic simulation just before the outbreak of the corona virus. (about 3.5 min’s)

Orange = 33
21 (normal) + 12 (backward) = 33

So just as with all the false flag sevens that they've been running on all of us, this one is no different. They did a practice run beforehand. Before they always practice first and hire crisis actors and the whole 9 yards.

And when you see a luciferian holding up two fingers, remember it is a 2 on this Pythagorean numerology chart which is colored orange and stands for freemasonry because it equals 33 which is the most talked about or recognized degree. When a freemason reaches that degree, then at that point upon their initiation into that level, they know for sure that they are pledging allegiance to lucifer. Per the book written by Jim Shaw. Thanks KJ for sharing that clip because it really helped to open my eyes about freemasonry.

CLOSING

Let's look at Scripture regarding the times we are in: This is Jesus and His disciples shortly before Jesus was crucified.

Matt.24:3-8 - And as He sat upon the mount of Olives, the disciples came unto Him privately, saying, Tell us, when shall these things be? and what *shall be* the sign of Thy coming, and of the end of the world (end of the age)? And Jesus answered and said unto them, Take heed that no man deceive you (watch out that no one deceives or misleads you). For many shall come in My name, saying, I am Christ (I am the Messiah); and shall deceive many. And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all *these things* must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences (plagues), and earthquakes, in divers places (various). All these *are* the beginning of sorrows (first pains of child birth).

The Lord said there would be pestilences (diseases / plagues) in this whole mix of things. The earthquakes have been increasing and all of these things are happening more and more. We just did not realize to what extent man was actually going to play a part in some of this. I always thought God was going to be pouring out His power causing all of these things to come to pass supernaturally. This ministry, and those that truly follow it, have learned that our militaries and governments have been controlling our weather and using it as a weapon against us. We learned that they pay their scientists to come up with viruses and diseases in their labs to use against us. I brought that out heavily in the Weather and Chemical Warfare teaching series. That's why the big guns like Bill Gates and George Soros hold patents to viruses. Not to help anyone but rather, to kill with them. So, we can see that what God said would happen, is happening, it is just that He is allowing those that serve lucifer to bring it about.
