

## CORONAVIRUS – Part Three: BIOLOGICAL WARFARE, FUNVAX, KOREAN MOVIE

There will be many video clips shared throughout this series. I have not seen one person that seems to have all the answers, nor do I. As I research, some of these channels bringing truth I find myself wondering why they are still up, if they are plants, which would actually be a skill, or what? But if I felt their information was truthful and valid, I chose to go on and share it with you.

I may not have all the answers but I know Who The Answer is and His name is Christ Jesus. This series is growing day by day as God is showing me more and more information. I want to thank you all out there because so many of you have been sharing videos and information that God is bringing across your path and laying on your hearts. I praise God for it because that is showing that you are awake and WATCHING!!! Remember Jesus told us to watch and pray.

As a Christian, are you feeling this way, are you seeing it? I keep wondering how far they are going to take this, I can see how they could take it all the way. It's been pretty easy so far.

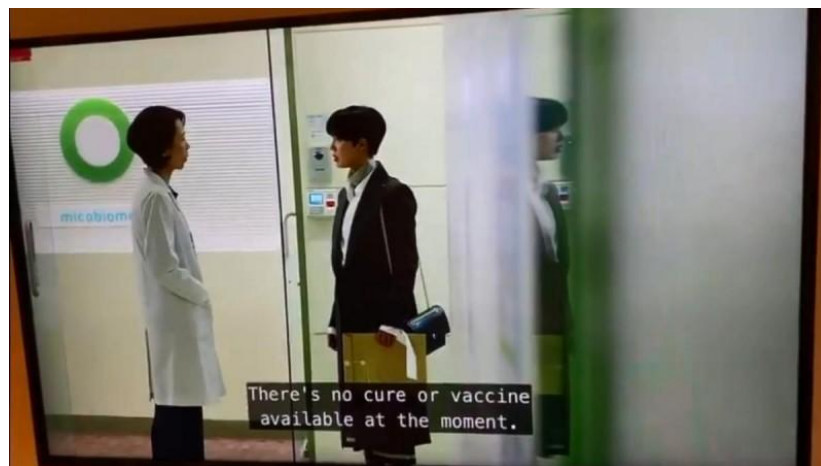

Contagion / Release date

# September 9, 2011

USA

Luciferians code everything or you could say they do everything by the numbers. This seems to be one of their predictive programming shows. Telling us what they were up to. With their witchcraft math, you see a 9 for September and the date was the 9<sup>th</sup>. That's 99 or to them it is 66.  $6 \times 6 = 36$  and to them that is 3, 6's which is 666 and it is also 666666. Als  $9 + 9 = 18$  and that is 666 to them. If you add up the year you get 13. So their numbers are all over this release. They like 6's because three 6's is the mark of the beast and 13 because it is a number of chaos and superstition to them.

Thank you youtuber: Xtra Xtra Read All About It! For sharing a video clip about the 2018 South Korea Netflix movie "My Secret Terrius."

They are another show that brought us some predictive programming from Season One Episode 10. Here are some things they said about the coronavirus in

this movie: The dr. says, "We must do more research, but it looks like a mutant corona virus." The other lady says, "Corona? Then MERS?" The dr. says, "MERS, SARS, the common flu, they all fall in the same family with the same gene information." "The corona virus attacks the respiratory system." The dr. goes on, "during the 2015 MERS epidemic, the mortality rate was over 20%." The other lady says, "isn't that serious enough to be used as a weapon?" Then the dr. says, "like I said, this is a mutant virus. Someone tweaked it to increase the mortality rate to almost 90 percent." The other lady says, "90 percent?"

Then we switch to a new scene with an agent asking, "CORS? I think I heard that somewhere." Then we see a man on the phone saying, "A man-made virus? Mortality rate?" A lady responds, "90 percent." The man says, "They're planning a biochemical terrorist attack. We must find out the time and location."

Then a new scene: Someone says to a group of people, "Yesterday I heard the words "CORS Project. Here have a listen for your selves."

This movie is in line with what I shared from Bill Ryan with Project Camelot who had interviewed a man that attended a masonic meeting in which they talked about how they wanted to bring an attack against China because they didn't like how fast they were growing and how big their military was. So they said that China was going to catch a cold and laughed about it. They said it was going to be a biological weapon that was racially targeted to the Asian people and then it would mutate. That was 10 years ago. They always tell us but we just thought it was entertainment.

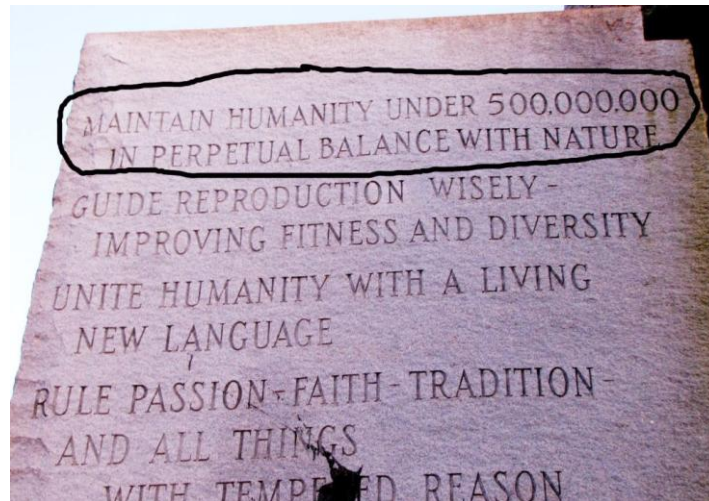

**There is a mysterious monument in Georgia which gives instructions in 8 languages on how to rebuild society after an unknown apocalyptic event, whilst also functioning as a compass, calendar, and clock.**

The Georgia Guidestones Monument. It was anonymously erected in 1980 by a small group of what Wikipedia says are “loyal Americans.”

The monument stands at an approximate elevation of 750 feet (230 m) above [sea level](#), about 90 miles (140 km) east of [Atlanta](#), 45 miles (72 km) from [Athens, Georgia](#) and 9 miles (14 km) north of the center of the city of [Elberton](#).

The monument stands at an approximate elevation of 750 feet (230 m) above sea level, about 90 miles (140 km) east of Atlanta, 45 miles (72 km) from Athens, Georgia and 9 miles (14 km) north of the center of the city of Elberton.

\*Look at the 9’s (which are 6’s to them) and 6’s in these measurements. 750 is 12 which is 2, 6’s. Then theres 90 miles which is 6, 45 miles is 9 which is 6, 72 is 9 which is 6, 9 is a 6. They do this with where they place monuments, how heavy they are, how tall they are etc. All in worship to their gods.\*

Maintain humanity under 500,000,000 in perpetual balance with nature. According to the Korean movie, saying it would wipe out 90% of the population, if you compare that to where we are right now it would be getting extremely close to this number that they have predicted. As of 2017 based on 7.5 Billion people – 90% would leave 750,000,000. I guess the big thing to take note of is that they are trying to let us know they want to kill us off at some point. They are putting it out in plain sight. I'm sure you can figure out who that anonymous group is. It is the luciferians and they control this world for a little while longer.

\*Please play this video - A lecture given at the Pentagon talking about how to turn off the “God gene” of religious fundamentalists. The suggestion is to just release the virus out on the population as a flu virus.\*(about 4.5 min's)

Thank you Bryan for reminding me of that video. I have shared it before and had forgotten that they said they would just send out their gene warfare in the form of a flu virus. The one guy said, what you're suggesting here is that by splitting this virus, we're gonna eliminate individuals from dying on a bomb blast and going into a market and blowing up the market. They are saying they have over expression of a certain gene and they want to vaccinate against it. Another guy said, are you suggesting I take a CT scan with me when I'm evaluating a person whether to put a bullet in their head? He said he thinks this virus that they want to release would have major effects in the Middle East. Then the guy asked, how will it be dispersed as an aerosol? All of this is just so matter of fact. He said the tests they have done so far have used respiratory viruses such as flu and some type of virus I could not catch the name of. He says that is the way to get the

most exposure out to the largest part of the population. This is not just a suggestion for the Middle East. Project FUNVAX, the vaccine for religious fundamentalism.

Remember they are acting like they want to stop the radical muslims, like Isis who are considered religious. But muslims don't believe in Christ. I believe what they are really after here is trying to figure out how to take Christians out covertly. This is the Pentagon. They have their scientists who study this kind of thing and research it and then give lectures on it to the top officials and then it is implemented. They use the scientists working in the universities and colleges to do the research. Our militaries around the world are no strangers to biological warfare. They have been doing it for a long long time.

If you have not known that everything in this world is about who you serve, it is high time to wake up. You might not think the government is concerned with religion. Let me tell you it is the only thing they are concerned with. They serve lucifer and they want to have you submit to him or die. Everything they implement has spiritual ramifications.

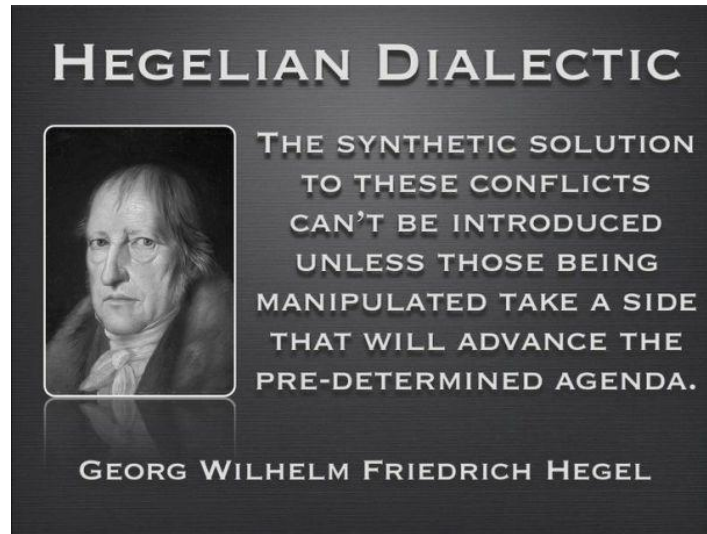

Thank you Tony for sharing the following video. This video is about vaccines and I highly recommend you go to the church website and access my sermon notes, go to the bottom and click on the link to watch the full video. If you are watching from youtube then look in the info. box and get the link there.

\*Please play from 1:09:46 to 1:12:16 and from 1:20:31 to 1:21:48 President Ford was going to vaccinate the whole nation against Swine Flu because he'd been advised there was going to be a huge epidemic that was going to kill 1000's of people. This dr. warned that people would drop dead. They convinced Gambino, a mafia boss to get a flu shot and he dropped dead. When he dropped dead they wrote it up in the newspapers as a flu conspiracy. That is a word they use to discredit anything that is said or done that they don't like. People have just been conditioned to tune out when they hear the word conspiracy. They got it wrong, the president and the authorities did get it wrong. There never was any swine flu./What is the true key to immunity? Louis Pasteur, from where the vaccinations originated, changed his mind before he died and then said it is not the germ but the conditions in the body. Meaning if you develop the disease it is because your body was in an unhealthy state. Medicine doesn't see health as protection against disease. \*(about 2.5 min's)

## **CLOSING**

Our world governments and leaders of our world serve lucifer. We have not known this because we really thought they had our best interests at heart. They don't. Once God opens your spiritual eyes you'll notice how boldly they are showing us who they serve. Why? I believe it is because they think they have things in place to make their push to officially bring in what we refer to as New World Order.

They study this type of philosophy. They believe in order out of chaos. They are creating the chaos right now, putting everyone into a state of fear, then the public cries out for a solution, then they bring in the solution that they wanted all along. They create the problem, we cry out and they implement the solution they wanted all along. They crashed the stock market and then offer us money and offer businesses government loans to stay afloat. It is a win-win for them because they maneuvered their money to a protected situation in the first place because this crash was planned. Then they have us paying back what they give and loan to us. They could drive the chaos all the way to the point of the one world leader, who would be the antichrist, standing up and offering a solution to everything. Offering a false peace.

As Christians your Holy Spirit discernment should be going off. You should be watching and praying because this is what has been forewarned in Scripture. This is what has been prophesied. God's Word will come to pass, so take heart in that. God is true, He does not lie. It is exciting to see that we are living in such a pivotal point in prophecy so close to the end.

For our flesh, these times are a little scary. But when you feel that fear, or get really focused on all the bad and negative things and what is coming on so quickly, then just take a moment and breathe and think on Jesus. Have peace if you are in Jesus, remember that He is holding you in His hand. He died for you and He loves you and wants you to be His. He wants you to be with Him. You

also have to want Him. He is not desperate as the witches on tv teach. God will ask you to come to Him by drawing you to Jesus by His Holy Spirit. But He will not force you or beg you and that is why I say He is not desperate.

If you hear the gospel of Jesus Christ, and you understand it, but refuse to believe it, and you die in that state of denial and unbelief, then you have damned yourself to hell and then the lake of fire for all of eternity.

**2 Thess.2:9-10** - *Even him (anti-christ), whose coming is after the working of satan (in accordance with how satan works) with all power and signs and lying wonders (He will use all sorts of displays of power through signs and wonders that serve the lie), And with all deceivableness of unrighteousness in them that perish (with all the ways that wickedness deceives those who are perishing); because they received not the love of the truth, that they might be saved (they perish because they refused to love the truth and so be saved).*

#### NEW LIVING TRANSLATION

**2 Thess.2:10** - He will use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them.

What lie should you be most concerned with? It is the one that has to do with Jesus Christ. That He is God and that He did come here and live and walk as a man who was God in the flesh. He endured the shame of that cross for each one of us so that we could be saved. Some have convinced themselves that everyone goes to heaven. The Bible does not say that. Some believe there is no hell. The Bible doesn't say that. Christ Jesus is the truth and when you reject Him, then you have believed the lie and you will be damned to eternal torment for eternity.

You still have time to come to Him right now while you are alive. Once you die, you have sealed your fate.

I am working to expose the workings of the luciferians in implementing their new world order so that we can be ready for Christ's return and warn others while there's still time. Whatever is linked to not being able to buy or sell and has the numbers 666 or a symbol of the sun god like a triangle, an X, the sun etc. never

take it, refuse it. There is no coming back from accepting that mark. You will have chosen your fate if you take that mark and it will be eternal torment forever.

If you are here at the time of the roll out of the mark of the beast and you have gotten truly saved and are serving the Lord obediently, then you will be able to refuse the mark only by the power of the Holy Spirit. Be sure you are baptized into the Holy Spirit. Without Him, no Christian can stand. When you refuse the mark of the beast, you will lose your head. (Rev.20:4) Be prepared and lean on Christ, He's the only way you are going to make it.

**Rev.12:11** - And they overcame him (triumphed over satan) by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death (they did not love their lives so much as to shrink from death).

**Isaiah 54:17** - No weapon that is formed against thee shall prosper (prevail); and every tongue *that* shall rise against thee in judgment thou shalt condemn (you will refute every tongue that accuses you). This *is* the heritage of the servants of the LORD, and their righteousness *is* of Me, saith the LORD (and this is their vindication from Me, says the Lord).

They have shut down the churches. Shut down fellowship. Much of that was no big loss as they were apostate churches anyway. I praise God He set us up for success with this online ministry!! Glory to His name! For as long as the internet stays up, you can still have church with us each week. And you can watch the messages you haven't had a chance to watch yet or rewatch some. You can share them with others. What a blessing to have those messages online. They are on our website, youtube and vimeo.

Pray for your brothers and sisters in Christ all over this world.
