

OUTREACH UPDATE - KENYA, UGANDA: APRIL 2019

Praise and glory to our dear heavenly Father. Traveled back home safely after a very successful 4 days mission at our Conquerors church branch at Mwikitsi village, Butere Town. God moved so powerfully in the revivals, seminars and Sunday service. We baptized over 15 people, dedicated to the Lord about 25 children, shared the holy communion, treated the children with some juice, candies, biscuits and distributed Swahili bibles to those who lacked but they were not enough there is still a big need for more bibles. Enjoy some of the pictures I took. What a joy and blessing to serve the Lord!!!

We are now trusting God to provide to enable us buy our own church land for this branch and build a larger building to accommodate the fast growing number of brethren. Kindly remember us and this church in your prayers. Thank you all for your prayers and support. Wish you all a nice week.
With love Pastor Erustus & Sarah.

Our dear friends and family, thank you for praying for the girl Ruth who converted from Islam to christianity last year during the Youth conference. Last month we baptized her and she was full of joy. Have a look at her pictures during baptism. We blessed her with a Swahili Bible. She has really felt the rath of her family ; being beaten, rejected, denied food ,basic needs and stopping to support her education. But God providing we will continue supporting her. She has vowed never to turn back.

You are helping to put God's Word in the hands of those who haven't had it.

It's not also easy on our end but at all cost we will stand with her. Jesus Christ is our shield. Kindly continue praying for Ruth and us too. Shalom!!!
With love Pastor Erustus & Sarah
