Traveled to Mumias this weekend and had a blessed Sunday service today at our Conquerors church branch at Ekeru market, Mumias Town. We also distributed some Swahili language Bibles to those who were in need of a Bible. Have a look at some of the posted pictures.

Worship and reverence to a Holy God.

Listening to God's Word

Pastor serving spiritual food for the souls in Kenya

They received Bibles in their own language of Swahili so that they can read God's Word for themselves. Glory to the Lord!

It was a big privilege and honor to travel today to minister in this church under Rev. Juma Kiberenge at Mukhuyu village, Kimilili Town. We had a powerful Sunday service and I was really blessed ministering to these wonderful children of God. I believe the pictures will bless your hearts.

I am trusting God to provide I bless this church with some 15 plastic chairs, they sit on small flat wooden benches; one chair costs \$6. If God moves your heart to buy them a chair, we will appreciate. Wish you all a lovely week!!!
