

CORONAVIRUS –PT 12: PREDICTED OUTBREAK, EVENT 201, CLADE X

Last week we talked about the push for everyone to have a digital id.

Pastor Erustus shared about Kenya: Hello Pastor here we have been using license in form of a small folding hardcover book/ card. But the traffic laws were changed last year and all are expected before end of July this year to have applied and obtain an electronic license. So you can see where they are taking us and what they are aiming at. They always encourage many to go for driving but they don't force. Many for years obtain their license and don't own vehicles especially the youth who do it with the interest of getting a job.

As we watch this first clip, remember the luciferians always show us what they have planned for us.

*Please play from 0 to 1:19 and from 4:22 to 4:40 and from 6:13 to 6:30: 2nd video from 33 to 1:31 Bill Gates gave a “Ted Talk” back in 2015 prewarning (as the luciferians always do) of a global epidemic. He said if anything is going to kill over 10,000,000 people over the next few decades it is likely not to be a missile but a microbe. / You can have a virus where people feel well enough while they are infectious that they get on a plane or they go to a market. The first of the virus could be a natural epidemic like ebola or **it could be bioterrorism**. / He says we need strong health systems in poor countries. That’s where mother’s can give birth safely, **kids can get all their vaccines** but also where we’ll see the outbreak very early on. / Bill Gates talks about the supply chain breaking down because of a major flu epidemic. He says there is a lot more we should do. He says he thinks a universal flu vaccine would be brilliant because it would reduce pandemic and he says he thinks the health benefit would be larger particularly in developing countries than we’d expect.

Please play from 33 to 1:31 - Bill Gates flu shot for the world
<https://www.youtube.com/watch?v=as9JRKed7Cs>

So Bill point blank said we would not lose a bunch of people in war, but rather in an epidemic. He briefly stated it could be natural or bioterrorism. Remember he and George Soros funded and tested ebola on Africa starting in December of 2013. And our governments and militaries have diligently been working in the area of bioterrorism for quite some time. He says he wants to beef up the care in the poor countries and goes so far as to say where a mother can give birth safely and where children can get all their vaccines. Just remember he's backing a lot of the research on viruses and vaccines. Vaccines are one of his big money makers and a tool in the eugenicists tool box. Those predicted programming speeches were from 2015 and 2017. Vaccines are a weapon that don't destroy the infrastructure like a war does, not as messy as a war and easier to deal with the after math, and keep going.

Let's hear another of Bill's talks:

Please play from 3:55 to 4:50 Bill Gates is giving a TED talk in 2010 about climate change and how we can get CO2 emissions down to help the planet (climate change is an invention of the luciferians to wreak havoc on the world). He shows a mathematical problem with CO2 on one side and population, services, efficiency (energy for services) and the amount of CO2 put out for each unit of energy. He begins to explain that one of these factors is going to have to get pretty close to zero in order to solve the problem. Then he says that our population is at about 6.8 billion people headed on up to 9 billion. Then he says, if we do a really great job on new vaccines, healthcare and reproductive health services we could lower that by about 10 or 15%.(about 1 min.)

<https://www.youtube.com/watch?v=JaF-fq2Zn7I>

At the beginning of that video he mentions that two of his main focuses are vaccines and seeds. He has been someone heavily investing in taking humanity down through gmo's and vaccines. Neither of those two things are natural or good for us. After hearing that talk, do you think he is really trying to help women give birth safely? Do you think he really believes his vaccines are going to save

lives when he just said that they could help to bring the population number down?

Fauci, the head of the National Institute of Allergy and Infectious Disease has certainly been telling the government what to do. Let's listen to some things he has said:

Please play video in a 2017 interview with MD magazine, Fauci discusses what he is about to brief the incoming cabinet members of the White House on, just before they are sworn in. He mentions infectious diseases from A-Z and that if "history" holds true we will certainly see an infection break out during the Trump administration.(about 3 min's)

<https://www.youtube.com/watch?v=vNZJpKnWGvw>

He says that emerging and re-emerging infections will continue to occur as a matter of fact. It is a fact because they have been working so diligently for a long time to make us all sicker and weaker.

Please play from 2:50 to 3:58 – In a speech from 2017 given at Global Georgetown, Fauci says there will be a surprise outbreak that the Trump administration will face. He says we know this based on history.(about 1 min.)

<https://www.youtube.com/watch?v=DNXGAXGJgQI>

Remember they are luciferians working an agenda. They are all in bed together. They run in the same circles because they are working to accomplish the same goal. The Rockefeller Institute, one of the illuminati bloodline families, was behind the Spanish Flu of 1918. These so called historical outbreaks that are telling them we certainly will have another "outbreak" during the Trump Administration, are because they are planning and orchestrating them.

Look at his hand, do you see the rectangle shape under the skin?

Here's a better picture of it. Just remember we are dealing with clones, programmed people and people that have been totally taken over by satan's beings. Whatever it is, I thought it was interesting that it was his right hand.

I believe there are people right now that have willingly already received the mark of the beast. I'm talking about satan's high ranking luciferians. That's why when I pray for the world, for salvation, I am only praying for those that are truly human and that can still truly be saved.

He has been an advisor during 5 different presidencies. If you are awake, then you know he clearly is a luciferian. You don't get to that level without being fully initiated into the secret societies of lucifer. Wikipedia says he grew up Catholic

but now considers himself to be a humanist. Let's be clear, the catholic church which likes to refer to itself as the mother church is the face of mystery Babylon.

If you want to know where the catch phrase they've been using during this pandemic "follow the science" came from – well here it is. It was used in Dr. Fauci's 2017 speech at Albert Einstein College of Medicine. The problem is that we are following science that is paid for by our government, as part of their NWO plan. So the science says what they want it to.

So satan's prophets have foretold that there would be an outbreak, even a **SURPRISE OUTBREAK**. They have been continually hammering away to implant this idea that we will have major pandemics. As we wake up and catch on to what they do, then we shouldn't be surprised as we see them implementing these things. After all, they told us what to expect.

Now how is someone going to know about something that happens in the future? Time travel? hardly. He is no prophet, he was simply privy to the plan to release it.

they didn't release anything, it's fake. The tests are rigged and they're changing the causes of death to corona. This is why the cdc newly released death numbers of the flu, heart disease and cancer are all at record lows. Many drs across the country have spoken out about this now, it's common knowledge.

Fauci, Gates and Dr. Collins, NIH Director This was in December 2018, when they had a workshop and one of the things they discussed was a universal flu shot. You probably are not going to have much of a chance to roll out a universal flu shot unless you roll out a universal epidemic.

Which brings us to Event 201.

Event 201 was a pandemic tabletop exercise hosted by The Johns Hopkins Center for Health Security in partnership with the World Economic Forum and the Bill and Melinda Gates Foundation on October 18, 2019, in New York, NY. The exercise illustrated the pandemic preparedness efforts needed to diminish the large-scale economic and societal consequences of a severe pandemic. In this planning session, they called the virus “CAPS.” Less than 100,000 people have

watched this on youtube. Event 201 was held just a few months before they kicked off this current plandemic.

Event 201 was not the only exercise or “think tank” that has been held in this regard.

Clade X was also a pandemic “think tank” of what they were preparing for the world. Less than 45,000 have watched this on youtube. It was held in Washington D.C. in 2018

C = 3 L = 3 A = 1 D = 4 E = 5 Add it all up you get: 16
Then add the 1 + 6 = 7

X = 6 So you have 76 or add them and you get 13

The illuminati was officially founded in 1776. To me that is at least some of the meaning of Clade X. A nod to the year of the illuminati being formed and 13 one of their numbers of chaos. Plus the X standing alone is sun worship. Osiris was symbolized by an X.

I want to take a moment to clarify something I said last week and have said about different things many times. When I say something on the news or some event is coded I am not always talking about being able to just plug it into their different numerology charts and come up with something. Sometimes the coding I see is with a street name, the colors they wear, a picture on a shirt or a cap, the date an event occurs. It isn't just one thing, it is many things all tied together. I don't apply this to normal everyday life and people, but you can almost always break down propaganda and those that serve lucifer in this way.

Go back and watch Las Vegas False Flag or Sutherland Springs Church Shooting from our website and you should start to understand this better. I do not know all of their coding or all of their "speaking without saying a word" but I have learned a lot through the type of research I do, and what God shows me. When it is a luciferic event, they always leave clues for their fellow members of the craft, as well as to show those of us who are awake what they are doing.

This is a screen shot from Clade X, Listen to this: Clade: A clade (from Ancient Greek: or *klados*, meaning "branch") is a group of organisms that consist of a common ancestor and all its lineal descendants, representing a single "branch" on the "tree of life."

The only thing I can understand from this is that they make it seem to appear as a good word that they have chosen. They even show how it has to do with the tree of life. But remember the occult turn everything upside down, backwards, opposite and in so doing they are rewarded with more satanic power. One of the ways they speak without saying a word is to choose words that have double meanings, or have hidden ancient meanings, or that are anagrams and you have to unscramble them to know what they are really saying. This is what they do. And like I have said before, many things are hidden in the languages. Many times you have to go look at the root of a word to see clues.

So if you look at the topic of the whole "think tank," you see it is about sickness, disease and death. And then they put the X on it for the sun god, to acknowledge or attribute their little plan to him, in worship of him.

Osiris underworld

Osiris then became god of the afterlife, ruling over the **underworld**. Ancient Egyptians believed that if **Osiris** could triumph over death, so could human beings. Early rulers were referred to as "**Osiris**" after they died and were considered to be immortal, carrying on their lives in the **underworld**. Sep 11, 2017

[Mythic Monday: Osiris of the Underworld | World Book](#)

Osiris then became god of the afterlife, ruling over the underworld. Ancient Egyptians believed that if Osiris could triumph over death, so could human beings.

Osiris did not triumph over death. Remember he is Nimrod. So when Ashtaroth came up with the lie that she was impregnated by the sun god in death, then they believed that he still lived.

They love to create their chaos and they are desperately trying to find a way to live forever without God. There is no reincarnation.

Heb. 9:27 - And as it is appointed unto men once to die, but after this the judgment:

Kennedy was just pointing out to me about the definition of the word Clade, that it sounds like evolution. Her school has been teaching them to recognize teachings and those that teach on evolution. So where it talks about everything coming from a "single" organism is the evolution terminology that they tie into their tree of life. The tree of life they are talking about is not the same one that is in Scripture. Remember the Jews practice kabbalah which is witchcraft and they and the witches have their own version of a tree of life. They show the live tree top portion and they show the roots beneath it also. They say as above so below and allude to the top being divine and the bottom being earthly. Also I thought

about bringing out the fact that Jesus is God's Righteous Branch that He said He would raise up on the throne of David. And John 15:5 says that Jesus is the vine and we are the branches. So I'm sure they are presenting a skewed or perverted version of what God's Word tells us.

CLOSING

Please play from 1:15 to 1:30 - Clade X was a table top exercise, think tank about pandemics (elite planning the world's demise). Closing statement of trailer: "What the world will look like when it's done is still uncertain."(about .5 min's)

<https://www.youtube.com/watch?v=rsha-Ui2Cww>

We are in a war right now. Physically we are in a war with our governments, high ranking military leaders, high ranking corporate leaders who are all practicing mystery Babylon. Spiritually we are fighting against satan and his kingdom and all those that serve him on different levels.

Eph.6:10-18 - Finally, my brethren, be strong in the Lord, and in the power of His might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil (against the schemes of the devil). For we wrestle not against flesh and blood, but against principalities (rulers), against powers (against the powers), against the rulers of the darkness of this world, against spiritual wickedness in high *places (in the heavenly realms)*. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day (or to stand your ground in the evil day), and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace (have on your feet peace which comes from the Good News so that you will be fully prepared); Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked (extinguish all his fiery arrows). And take the helmet of salvation, and the sword of the Spirit, which is the word of God: Praying always with all prayer and supplication (requests) in the Spirit, and watching thereunto with all perseverance and supplication (prayers) for all saints;

They want us to know, it is all there for anyone who researches to see. As we get closer to the end we can see their plan unfolding. God is revealing more and more about how they plan to bring in the antichrist and his beast system. We can

see it more clearly now. I believe we are able to fit more of the pieces together now because of their pride to openly show and tell us, as well as God revealing it to His servants.
