CORONAVIRUS – Part 11: ID2020, DIGITAL ID, QUEEN of HEAVEN

Betty Wood shared: We must hold tight to THE LORD JESUS' HAND. Hold Steady. Never let go. Trusting in God's promises. Keep our minds stayed on Jesus. Have perfect peace. Stand still and see the salvation of the God of Abraham, Isaac and Jacob. Love and prayers to y'all Granny B.

We are having to pay not to have a smart meter. I already spoke with the electric company. Now a few weeks later I receive this:

Important information enclosed. [View as a web page.](#)

At Entergy Texas, our goal is to bring you a brighter energy future. That's why we're excited to share that in the coming weeks your new advanced meter will be installed at the following location(s):

Hi, it's Ami. I'm your energy assistant with news about your new meter. At Entergy Texas, our goal is to bring you a brighter energy future. That's why we're excited to share that in the coming weeks your new advanced meter will be installed at the following locations:

Look in the red box at the Ami – you know what, if you unscramble that you have I am. Look how shady they are, trying to set up their frequency and radiation system up no matter what. I called them and they said don't worry about it that was triggered to automatically go out. Then I made them check my account to make sure it was flagged not to get a meter. They said, yes, you will not have to worry about receiving one. The first lady I talked to told me they would include the surcharge on our monthly statement. Now four days later we receive a certified letter stating that I have to sign the letter opting out of the smart meter and send the extortion money within three weeks via a money order or a cashier's check. I'm a customer already, what's wrong with just sending a regular check? See how they are trying to just make it more difficult? Thinking about their 5g 60 Ghz and even beyond in the Thz and how they are plugging mankind into this system with all of the metals and injections and food, water, air, chemtrails etc. I thought about what the man, Barry Trower shared about the mountain range in Australia where they did one of their tests. He said they put up transmitters and within 18 months the whole mountainside was dead. He said anything that could leave, left. He said the trees, vegetation, soil everything was dead. What they are trying to do reminds me of this next passage where Jesus is speaking about the tribulation.

Matt.24:22 - And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened.

It is interesting that Jesus didn't say no man or mankind, no human or human beings, but He said NO FLESH.

1 Cor.15:39 - All flesh *is* not the same flesh: but *there is one kind of* flesh of men, another flesh of beasts, another of fishes, *and* another of birds.

They are filling the world with these smart meters, with the transmitters, the towers, the frequencies and radiation. To lock down mankind and for total control. If you don't know Jesus Christ, now is the time.

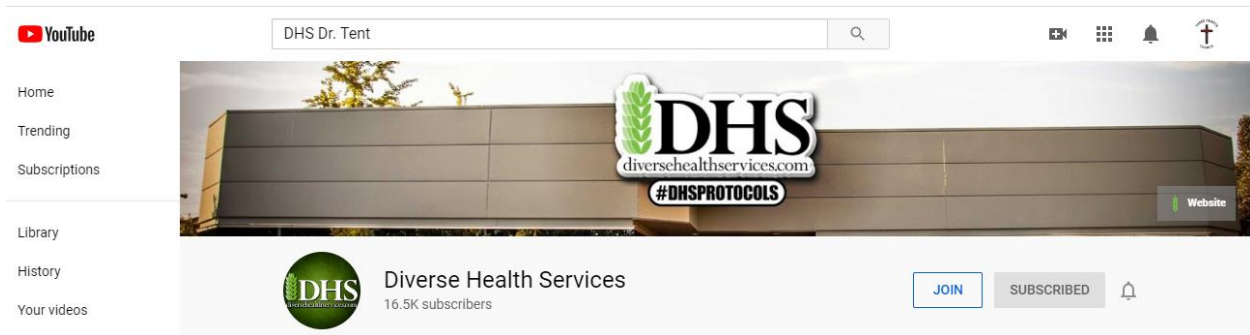

They needed the “virus” part of this so they could scare everyone into believing in the vaccine. The vaccine has been a major goal of theirs from the start.

Vaccines aren't going away. It is one of the luciferian's weapons of choice. The vaccines, nanotech, chips or implants and frequencies all work together. All part of satan's beast system to get everyone plugged in or just to go on and kill you off, either way. Remember in many places around the world they have passed laws to make vaccines mandatory. Just like they did in Wuhan just ahead of the outbreak. Also remember that as a parent when you are signing a vaccination opt-out form, where it says you are harming your child and the lives of others – just write signing under duress. I have covered vaccines pretty thoroughly in the Weather and Chemical Warfare Series. The links for the parts where I spoke about vaccines will be at the bottom of my sermon notes available on our website and in the youtube info. box under the video. Also I have included two excellent resource videos to educate anyone who is not aware of how harmful vaccines are. One was a lecture given by Dr. Tent and the other was research from the 80's that Tony shared with us.

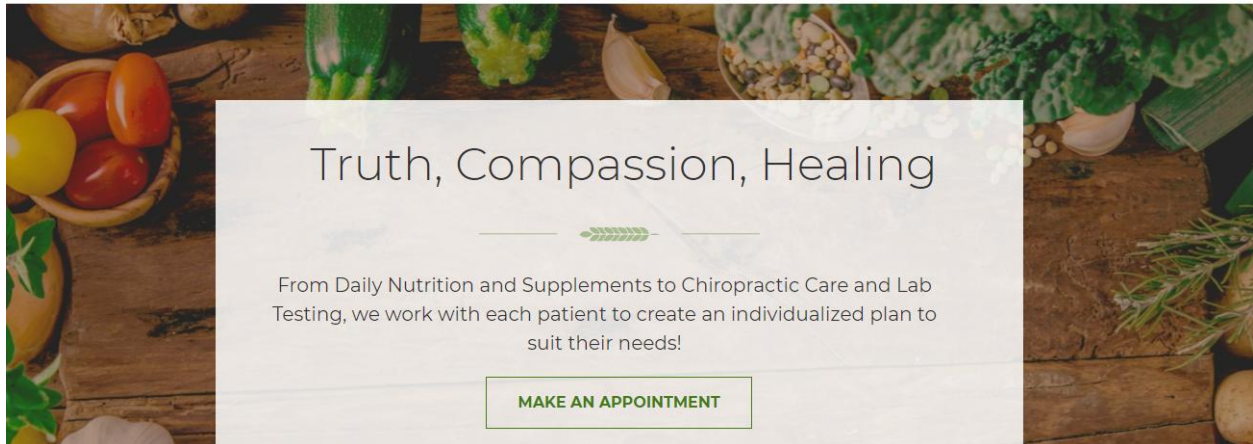

This is Dr. Tent and that DHS is not for Department of Homeland Security but it is for his practice: Diversified Health Services. He is a chiropractor that also practices naturopathic care and nutritional supplements. He has been in practice for 40+ years. He's taken a pretty good beat down by the medial industry and people in general who have been brainwashed by the government and the medical industry. He stands firmly against vaccines and we are going to be hearing from him today and in the future in this teaching series.

This is his youtube channel. His lectures are there as well as Dr. Jeff's lectures. Dr. Tent is awake and works hard to wake people up and expose all of the non-sense that has been going on for so long. When I discovered his channel I was listening to all of his lectures and I was breaking them down into segments that I could share out in my teachings. There was just so much and it was so time consuming that I dropped off from doing it. I recommend for you all to go and watch his lectures. He reads the medical journals and he knows what's going on in the health industry and he exposes it.

This is his facebook page. There he is with his beautiful staff. Don't they look sharp? He puts up live videos here of different patient testimonies and things to help us all feel better.

This is Dr. Tent's website. He's located in Michigan, and just as an fyi, he does do virtual appointments if you aren't in his area. I am a patient of his and it has been an uphill battle because I've been pretty beat down by the medial industry. My immune system has taken a beating and still is. So Dr. Tent has been patiently working with me trying to help bring it back up.

Let's start out with our first video and hear what Dr. Tent will share about our government, healthcare system and vaccines:

*Please play from 7:21 to 8:19 and from 14:02 to 16:26 and from 10:14 to 13:30 (of 2nd video) Dr. Tent says you don't need the government telling you what to do about your healthcare. / Polio vaccines pushed out despite a discovery of cancer causing monkey viruses in them. Killed and damaged many children. /Biological viruses by the 1000's were being created and researched back in the 60's at Ft. Detrick. *(about 7 min's)

<https://www.youtube.com/watch?v=0CwEyv1eSQk>

This lecture was given back in April of 2012. No surprise that youtube pulled it. So Dr. Tent broke it up into three parts and so far it is still on youtube right now.

Dr. Tent said, “we’ve all seen these panics before and we’re kinda getting tired of the panics.” How true was that statement. Now they are pulling the mother of all panics.

I had forgotten that he had the piece of information about Ft. Detrick being a large sophisticated biological warfare testing center. And Dr. Shiva spoke about this but I think he is controlled opposition. America is not the only ones that do the biological weapons research but we have been the militant force over the world. Now however, ALL governments have pulled together to work toward the common goal of getting the new world order in place. They were warned about the polio vaccines and they went full speed ahead anyway.

Please play from 1:07 to 3:06 and from 6:53 to 7:41 and from 1:00:52 to 1:16:24 and from 1:19:31 to 1:20:13 Dr. Tent talks about how frustrating it is living in a world that has been so conditioned to believe all the propaganda from school, the medical industry etc. In this lecture he exposes the truth about auto immune diseases and vaccines. The dr.’s don’t recommend to us the things they take and their kids don’t get all the shots. They don’t do what they tell us to do. / Dr. Tent shows where the drug companies want to force people to participate in experimental vaccines. / Animals carry many viruses and they culture vaccines from animals etc. You can’t get the viruses all out. Vaccines containing animal tissues, fluids, aborted fetuses, human diploid cells is fetal dna etc. They are putting aborted fetal tissue inside of the bloodstream. The medical industry and government and propagandists want you to believe that vaccinations prompt natural immunity and they do not. Instead they cause sickness and disease and many cause cancers. They contain viruses that cause cancers and autoimmune diseases. What is in the vaccines: human diploid cells are dna cells from aborted fetuses along with proteins from aborted fetuses, calf serum, chick embryo’s, monkey viruses, guinea pig cell cultures (guinea pig viruses). / Vaccinations, you don’t have to have them and your kids can still go to school or camp or whatever. The vaccinations are full of viruses.(about 20.5 min’s)

Vaccine	Animal Byproducts
Measles (Attenuvax)	Chick embryo
Rubella (Blavax)	Human diploid cells from aborted fetal tissue
DPT (Diphtheria, Tetanus, Pertussis)	Washed sheep red blood cells
Small pox (Dryvax)	Vesicle fluid from calf skins
Flu Shot (Fluvirin)	Chick embryonic fluid
Chicken Pox (Varivax)	Guinea Pig Embryo Cells, Fetal bovine serum, Albumin from human blood, Diploid cells from aborted fetal tissue
Hepatitis A (Havrix)	Human diploid cells from aborted fetal tissue

Vaccine Animal Byproducts

Measles – chick embryo

Rubella - Human diploid cells from aborted fetal tissue

DPT (diphtheria, tetanus, pertussis) – washed sheep red blood cells

Small pox – Vesicle fluid from calf skins

Flu shot – chick embryonic fluid

Chicken pox – guinea pig embryo cells, fetal bovine serum, albumin from human blood, diploid cells from aborted fetal tissue

Hepatitis A – Human diploid cells from aborted fetal tissue

And the next slide mentioned mouse proteins! When God woke me up about all of this I cried and asked forgiveness and asked Kennedy for forgiveness for ever having vaccinated her. We stopped the vaccines right then and there.

CLOSING

*Please play from 5:06 to 8:07 Dr. Tent discusses germs and that vaccines, chlorine, swimming pools, hand sanitizer, inhalers etc. kill off the good germs too. There are 10 germs helping to keep you alive per every cell in your body. They found 10,000 different germ strains going on in your body at any one time. There are more germs protecting your system than you have genes in your system. Over washing your hands and the over use of purell hand sanitizer. This can

create yeasts, funguses, cracks and bleeding on your hands that many think is eczema but it isn't. **They had to get rid of purell hand sanitizer in a number of hospitals because the germs you grew on your hands were worse than the ones you washed off.** *(about 3 min's)

<https://www.youtube.com/watch?v=Esk7k5KkhXE>

World Health Organization (WHO) Wash your hands with soap and running water when hands are visibly dirty. If your hands are not visibly dirty, frequently clean them by using alcohol-based hand rub or soap and water.

Dr. Tent shared: They had to get rid of purell hand sanitizer in a number of hospitals because the germs you grew on your hands were worse than the ones you washed off.

Never forget this was all planned and it is so they can firmly establish their new world order which is the antichrist/beast system. We are very close to the end now. All governments are working together committing these crimes and tyranny against their citizens. They are in agreement. They know the truth of all of it. They have mapped it out, studied it, practiced it and now they have put their plan into motion against the whole world. There is a mixture: a release from a lab, the

vaccines in Wuhan, nanotechnology, chemtrails play a huge part to get the metals inside of us, then they attach to proteins and start assembling and begin to run programs once they are hit with frequencies, it seems like chip and targeting testing with frequencies was done at least in Wuhan, now we see paid for rioting and of course regular citizens join into the mix also. They have started adding their false flag freemasonic events back in, they opened up some dams in Michigan and continue using weather as a weapon against us through their weather warfare machines and manipulation. Last of all, I believe a good amount of all of this is also just a psy-op because they have crisis actors in the mix too. They are setting off pockets of chaos all over the world, watching and taking note and making adjustments where necessary. They are running different tests in different areas to max this thing out.

Please pray for Dr. Tent and Tony and those that know the truth and try to help us all to heal naturally, because many times they are opposed, targeted and taken out.

Just as bonus info. I will share that Dr. Tent is the one who taught me through his lecture on Energy, that what has been dubbed water “witching” has nothing to do with witchcraft. It is about energy and science and locating water naturally or scientifically. It is sad that some things that haven’t been understood have been given a bad wrap and considered witchcraft.

Look at what they are doing through their vaccines and shady medical shenanigans. They are injecting viruses, animal blood and dna, human blood and dna, not to mention the chemicals that are thrown in as well. Why are they doing that because it isn’t about helping us to be healthy.

John 10:10 - The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have *it* more abundantly (or to the full / a rich and satisfying life).

We haven’t realized how much satan has stolen from us through deceiving us with the lies coming from the medical industry backed by big money as well as our governments stamp of approval. He certainly has been destroying and killing through the vaccines.

As a Christian you might not feel like you are having an abundant life. If you are like me and you are struggling in your health you might be thinking the last part of that scripture isn't true. But you know what, we are in the last days and they are getting darker and wickedness is increasing. For those of us who are now awake we can look back and see all the deception we fell for and how that has taken a toll on our lives.

But through it all, if you belong to Jesus, then He has sustained you. Even if you feel like you have gotten ripped off from a blessed life in this world, just wait because we haven't begun to live our real lives yet. This life isn't it. This is the test run to see if you will choose Jesus and live for Him and tell others about Him and be worthy of Him. Time is running out, we are so close to the Lord's return now. Get in the Father's vineyard and get busy working. You don't want to enter into heaven ashamed having not done anything for His glory. At least you can tell others and warn them about vaccines because they aren't backing off of the vaccines. The vaccines are a major part of their wicked plans for near future.

Thank you Dr. Tent for your hard work and perseverance. You are making a difference.
