Isn't this such a good picture of Pastor Erustus and Sarah

PRAISE TESTIMONY!!!!

Our dear Fb friends & Family for long God has been leading us to start our own ministry. Now the time has come and God has honored us to start serving Him under our new ministry called HOLY TRINITY LIVING WATER CHURCH as from 1st of this month of April along with our 5 planted branch churches in Kenya & Uganda. Have a look at the pictures.

I give glory to God for lifting us to another level. I and my dear wife Sarah appreciate the loving Bishops, Pastors, leaders & Conquerors Covenant Saints Church family who gave us the right hand of fellowship for the time we served under them.

As always we request for your continued prayers, support and visit as we start the new journey of building up this new ministry that God has entrusted to us.

With love Pastor Erustus & Sarah

Pastor has not been able to have his own ministry because their government put a ban and would not allow any new churches. It has been some years now and

finally Pastor was able to move forward and have the churches he has planted put under the name of his own ministry now.

One of the first things Pastor did was change the name on the churches to reflect the name of his new ministry. Here are Pastor Sarah and Pastor Erustus at the headquarter church in Bungoma.

Pastor Erustus and Sarah at the newly repainted sign reflecting the name of the new ministry.

Pastor at the Ekeru branch in Mumias with the new name now on that church too.

Right at the beginning of the pandemic in Africa, this was April 2nd. Pastor shared: Nice time with some of the kids at our Holy Trinity Living Water Church, Ekeru market branch -Mumias Town Church branch. Look at those contagious smiles! After they enjoyed some candies. What a joy to be in the company of lovely children. God bless and keep them safe!!!! I liked this picture because they did not have the masks on. They still had that piece of freedom here.

Here they are by Pastor's van.

April 18, 2020: God is Love!!! Traveled today back home after blessing some widows, orphans and needy church members of our Holy Trinity Living Water Church , Ekeru branch , Mumias Town in Kakamega county.
