Vimeo pulled 5 parts of this teaching so far and then we quit putting this series on vimeo. Look at the reasons stated in the middle: You cannot upload videos that depict or encourage self-harm, falsely claim that mass tragedies are hoaxes, or perpetuate false or misleading claims about vaccine safety.

There is a campaign against the truth and it started in the Garden of Eden. This heavy censorship actually shuts down our 1<sup>st</sup> amendment right. And they don't care about real research that shoots holes in their propaganda either. They get to say what is true and what is not. Period.

\*Please play from 34:12 to 34:37 In a TED interview on 3-25-20, Bill Gates talks about certificates: He says that eventually what we'll have to have are certificates of who's a recovered person and who's a vaccinated person. Because you don't want people moving around the world where you'll have some countries that

won't have it under control, sadly. You don't want to completely block off the ability for people to go there and come back and move around. \*(about .5 min's)  
<https://www.youtube.com/watch?v=Xe8fljxicoo>

So here you see the idea presented of needing to show proof by some type of certificate that you have either had coronavirus and recovered or that you were vaccinated with their rna vaccines. And remember there's talk that these vaccines will be required every year because they are presenting the idea that we'll now be dealing with this coronavirus every year. If they want it to stick around then you better believe it is going to stick around.

According to my research they seem to be working toward moving us into a state of constantly having to show proof of our health status and of them having a way to monitor our health continuously. I will have more on this later in this teaching series.

\*Please play from 37:16 to 37:41 In the TED interview 3-25-20, Bill Gates is talking about the vaccine projects all over the world. He says they should be evaluated on a very neutral basis as to which one is the best to help humanity and make sure the manufacturing capacity isn't just for rich countries that it's scaled up very low cost stuff for the entire world. And says that's the "spirit" of GAVI is giving vaccines out to EVERY person. \*(about .5 min's)  
<https://www.youtube.com/watch?v=Xe8fljxicoo>

They want to get a vaccine out to every person and they want to continue their experiments every year.

He mentioned the “spirit” of Gavi. Notice their logo is the goddess symbol with the world inside of it. Because the luciferians say their mother goddess gaia or mother nature or mother earth, she birthed the world.

Gaia – Mother Earth in Atlanta, Georgia Botanical Garden  
If you unscramble gavi and flip an “a” upside down you get gaia.

Here, this company, Gaia Trust, shows their mission statement: to promote a new, global consciousness which sees our entire planet as a living organism with humankind as an integral part of the entity. All seeing eye, same one on the U.S. one dollar bill.

This is new age and it is a form of witchcraft. It is Godless.

## GA - also is short for "gaia"

"Gaia aka Gaea"	Greek	Ge, the Protogenos and the personification of the <b>earth</b> . Mother <b>earth</b> emerged at the beginning of creation to form the foundation of the universe. Greek

GA – also is short for “gaia”

Gaia aka Gaea Origin: Greek – Ge, the protogenos and the personification of the earth. Mother earth emerged at the beginning of creation to form the foundation of the universe.

They try to give all credit to their fallen angels and false gods and goddesses.

**Genesis 1:1** – In the beginning God created the heaven and the earth.  
(Mandela Effect – it is supposed to say heavens)

**Hebrews 11:3** - Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

### [New Living Translation](#)

By faith we understand that the entire universe was formed at God’s command, that what we now see did not come from anything that can be seen.

**Colossians 1:16** - For by Him (Christ) were all things created, that are in heaven, and that are in earth, visible and invisible, whether *they be* thrones, or dominions, or principalities, or powers: all things were created by Him, and for Him:

**John 1:1-3** - In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God (He existed in the beginning with God.) All things were made by Him; and without Him was not any thing made that was made (God created everything through Him, and nothing was created except through Him).

## Etymology [\[ edit \]](#)

The **Greek** name Γαῖα (*Gaĩa*)<sup>[5]</sup> is a mostly epic, collateral form of Attic Γῆ (*Gê*),<sup>[6]</sup> and Doric Γᾶ (*Gǎ*, perhaps identical to Δᾶ *Dǎ*),<sup>[7]</sup> both meaning "Earth". The word is of uncertain origin.<sup>[8]</sup> **Robert S. P. Beekes** has suggested a **Pre-Greek** origin.<sup>[9]</sup>

In **Mycenean Greek** *Ma-ka* (transliterated as *Ma-ga*, "Mother Gaia") also contains the root *ga-*.<sup>[9][10]</sup>

What does MAGA mean, really? A MAGA or MAGUS is a follower of the Sun God. Lucifer is a sun god, called the "morning star." Thus a MAGUS is a magician, a sorcerer, an astrologer. MAGI is the plural form of MAGA/MAGUS and we all know the story of the three MAGI who followed and interpreted the stars. But lucifer's false star would & will lead followers to their doom. Simon Magus was an occult enemy of early Christianity who loved money and power. The sin of simony (selling out the church and its principles for profit) is named after Simon Magus, but now many Christians are supporting Trump, who also loves money and

power. How can a man who gold-plates his toilets be a Christian, when the Bible clearly says that a man cannot serve God and Mammon?

You can read about Simon in Acts 8:9-24. There is a bunch of shadyness going on in the Bible with satan being called a morning star and day star and Jesus also supposedly carrying the same title. In Job the angels are called morning stars. We know the planets and the sun and moon are all named for fallen angels, nephilim, titans and false gods and goddesses. Let's continue:

## Druidism [\[ edit \]](#)

---

In Irish legend Simon Magus came to be associated with [Druidism](#). He is said to have come to the aid of the Druid [Mog Ruith](#). The fierce denunciation of Christianity by Irish Druids appears to have resulted in Simon Magus being associated with Druidism. The word Druid was sometimes translated into [Latin](#) as *magus*, and Simon Magus was also known in Ireland as "Simon the Druid".<sup>[48]</sup>

The word Druid was sometimes translated into Latin as magus, and Simon Magus was also known in Ireland as "Simon the Druid."

So magus means druid also. Druids morphed into the freemasons and they are in all walks of life. Freemasons and kabbalah and druids all of these secret societies came from Mystery Babylon.

So now you know what Trump's campaign slogan is really about. Just like Obama's slogan: yes we can! Which someone found out that playing it backward, Obama had his audiences chanting thank you satan! These are the kinds of things they do.

The goddess symbol is also the downward pointing triangle.

Freemasonry is a religion based on fertility and sexual perversions against God. Generative: having the ability to produce or originate. Examples: "generative power" "generative forces" Also meaning: Producing new life or offspring.

So in addition to goat, generative, geometry, god as in lucifer, we have just learned that the G also stands for Gaia.

Show me the money. They always profit off of their events. We pay the price.

This does not mean the US government invented the virus. It applied for the patent for the new virus, not to make money from its use, but so it can [allow companies](#) to use the virus to create potential vaccines, and stop companies from restricting research around it.

A patent application from 2015 does exist for one type of coronavirus, but not the same one as the new one identified in Wuhan, which has now been named Covid-19. Coronavirus is a broad category of viruses that includes the common cold, SARS, and Covid-19.

Patent # 10130701B2 was patented on 11/20/2018 by Pirbright institute

A European Patent on a coronavirus VACCINE (not a virus but a vaccine) was just approved Nov.2019 # EP3172319A1 – just ahead of the outbreak in Wuhan – interesting...

Just after Event 201 and just ahead of the outbreak we have a coronavirus vaccine. Doesn't that seem suspicious or coincidental? hmmm

We are never going to nail them down on their shenanigans that they are doing with their patents. They will just say we did that for research purposes only. No, we didn't create any disease and unleash it as a weapon...

In 2013 the Supreme court ruled that genes can no longer be patented because they are naturally occurring in nature. However, DNA manipulated in a lab is considered synthetic dna because it is no longer considered naturally occurring and so it can be patented. And this is exactly what they are putting in vaccines. Any dna injected into you is foreign to your body and your body will have an issue with it sooner or later.

\*Please play from 47:18 to 50:12 Tony says to start thinking about aerosol nano's. He says that the nano they have already been spraying on us from the chemtrails has already augmented our dna and the nano's are programmable. They have genetically engineered us and altered our dna. Nano particles saturate your cells. You can have 100's of thousands of nano particles in 1 cell. These particles break down your cells. They use the cells in their assembling material. They break down your fats, proteins and sugars. They break you down. They assemble and attach themselves to your dna, your genetic code, to your mitochondria, your chromosomes, your atp, your brain, all your nerves and all of your organs. They access everything. They are actively rewriting your dna and changing you. This process is extremely painful. You have to remove it from your body. You cannot just disengage it. You have to disengage the programming and remove it from your body. This process of turning it off and removing it will never stop because you are eating nano, breathing nano, drinking nano, chances are you are wearing it, you are washing yourself in it etc.\*(about 3 min's)

<https://independz.podbean.com/?s=Tonys+show+08042020>

Knowing how wicked these people are and that vaccine manufacturer's were already talking about putting nano in vaccines in 2009 makes me feel they are putting them in all vaccines and medicines too. We have to get a true picture of

who we are dealing with. They are not loving and pure and wholesome. They are using their money for satan's purposes and bringing more devastation on us continually. The nano technology is part of their plan for total control. It isn't going away. Remember last week Dr. Carrie talking about the smart technology communicating directly with our dna and it goes both ways. We send and it receives and "it" whatever smart technology you have, sends and you receive. All working more and more directly through our dna.

Please go check out Tony's information so that you can disengage the nanotechnology in your body and then begin to pull it out of your body. His information will be in the links on my sermon notes which you can find on our website: [threeheartchurch.org](http://threeheartchurch.org) and I will put them in the info. box on youtube.

This goes along with what Tony's talking about all the time – the nanotechnology that they are getting into our bodies. Elon Musk is one to watch if you want to know their plans for the human race.

\*Please play this video – This video shows how the manufacturers of food that claim to have iron or large amounts of iron in them are actually putting metal iron shavings directly into the cereal.\*(about 8 min's)

I saw that on one of Dr. Tent's lectures. He exposes so much of the shady things they do.

One time he exposed how melamine, a white chemical compound shown on the left, and which is used in making plastic dishes was put into infant formula. It is white and it would save cost on actually having to put the milk in and who's gonna know the difference?

### [Melamine Traces Found in U.S. Infant Formula - The New ...](#)

A 2008 New York Times article states: The Food and Drug Administration said Tuesday that it had discovered the toxic chemical melamine in infant formula made by an American manufacturer, raising the possibility that the problem was more extensive in the U.S. than previously thought.

Why do we just dismiss these things when they actually admit them? Why don't we think hmmm why was this chemical in the same location where baby formula was being manufactured or packaged?

They know they are putting the metals into the cereals and pasta's and whatever else they can get away with. The metals help us to be more conductive so that their frequencies work better on us. So they can send and receive information

better by tapping into our dna. They have been working their plan for a long time.

So did they lie on the box when they said it had 100% of the daily required amount of iron? No they didn't lie. They play these little games with us all the time.

South Dakota House Majority Leader, Representative Lee Qualm (R), has introduced HB 1235 [An Act to Revise Provisions Regarding Immunizations](#).

The bill repeals ALL vaccine mandates in the State.

South Dakota would be the first US state to have no vaccine mandates at all, joining other governments like the UK, Japan and Canada, in uncoerced vaccine decision making.

But the bill goes even further. IT ENDS MEDICAL MANDATES ALL TOGETHER. It adds new law that reads:

"Section 5. That a NEW SECTION be added:

334-22-6.1. Discrimination-Immunization

Every person has the inalienable right to bodily integrity, free from any threat or compulsion that the person accepts any medical intervention, including immunization. No person may be discriminated against for refusal to accept an unwanted medical intervention, including immunization."

The State of South Dakota would function under the truth that YOU OWN YOUR BODY, and codifies into law that YOU make our own medical decisions. And no one can coerce your choices or discriminate against you because of them.

South Dakota introduced HB 1235 back in February of this year 2020 to try and repeal ALL vaccine mandates.

**CLOSING**

Things that suppress our immune systems: masks, gloves, no sun, fear, vaccines and washing hands with synthetic soaps. At least the government has been consistent in always giving us the worst health info.

Thank you Christopher W. for sharing that on fb and with us today and I believe he may have shared about maga too.

The luciferians hate God. They study His Word so that they can do the opposite of it, so that they can be abominable in His sight and bring more of His curses on them. They say the truth is hidden in plain sight. They had Trump read that little story about the snake on purpose. Those with eyes to see and ears to hear know what he’s about. He’s playing the role of that snake and he’s here to bite the world.

**Genesis 3:1-5** - Now the serpent was more subtil (crafty/ sneaky) than any beast (wild animals) of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:

But of the fruit of the tree which *is* in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods (like God), knowing good and evil.

satan has always challenged God's Word.

The **Orphic Egg** in the Ancient Greek Orphic tradition is the cosmic egg from which hatched the primordial hermaphroditic deity Phanes/Protogonus (variously equated also with Zeus, Pan, Metis, Eros, Erikepaios and Bromius) who in turn created the other gods.

Why would there be a snake wrapped around it? It all goes back to the garden of Eden. The snake is worshipped as a sun god. He is who the coronavirus is named for.

L: American Medical Association – snake on a pole R: CDC with sun rays and also a dual meaning of chemtrails

They have been showing us who they serve.

Snakes personified as Egyptian deities

Remember these Egyptian deities are in the back of the freemasonic Bible. Ptah, Amen, RA and Thoth are shown here. We're dealing with freemasons in all levels of government, religion, corporations, banks, military etc. at the top levels. Our presidents and world leaders are freemasons. This all traces back to Mystery Babylon.

Horemheb, the last Pharaoh of the 18<sup>th</sup> Dynasty dressed as an Egyptian Cobra. The top is Uraeus, an Egyptian cobra. The head dress is to represent an Egyptian banded cobra hood. The beard represents the cobra's under belly.

**Rev.20:1-3** - And I saw an angel come down from heaven, having the key of the bottomless pit (abyss) and a great chain in his hand. And he laid hold on the dragon, that old serpent, which is the devil, and satan, and bound him a thousand years. And cast him into the bottomless pit (abyss), and shut him up, and set a seal upon him (sealed it closed over him), that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season (for a short time).

You have to wake up now and stop trusting all of these people who satan has placed in power running things for him. Things are speeding up and the Lord is so soon to return. He is the One Who created all souls, yours and mine.

**Ecc.12:7** - Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.

Are you right with Him? Do you honor Him now with your time, your talents and your money? If a stranger met you would they know you belong to Him? Come to Him while you still have time. Today is the day of salvation.
