

THE GIFT of SPEAKING in TONGUES – Part 2: NOT FOR UNBELIEVERS, ORACLES, DAVID JEREMIAH, NO PRACTICING

My last Pastor, his wife shared with me a time when she was only 8 years old and had been sick. She was in church and I believe she was going to the altar for prayer. God caused her to speak in tongues. She said she had no idea what she was doing and after that she was healed. We have to let God be God. His Ways are not our ways and we don't always understand the reasons behind how He works.

UNKNOWN TONGUES ARE NOT FOR UNBELIEVERS

1 Cor.14:1-4 - Follow after charity (love), and desire spiritual *gifts*, but rather that ye may prophesy. For he that speaketh in an *unknown* tongue (unknown language) speaketh not unto men, but unto God: for no man understandeth *him*; howbeit in the spirit he speaketh mysteries. But he that prophesieth speaketh unto men *to* edification, and exhortation, and comfort (strengths, encourages and comforts). He that speaketh in an *unknown* tongue edifieth himself (strengthens himself); but he that prophesieth edifieth the church (strengthens the church).

The word prophesy here is speaking of preaching or teaching God's Word. You compare this scripture back to 1 Cor. 12:31 and all of chapter 13 in which Paul explains that it doesn't matter what gifts you have if you don't have love then it won't matter. And he says to desire to prophesy because that means to proclaim God's Word. He is not speaking of the gift of prophecy here. But he is speaking of

prophesying which is to proclaim God's Word to His people so that they can know what He desires of them and how to serve Him. And proclaiming God's Word will ultimately help everyone but if someone speaks in tongues no one will understand them without an interpreter.

Pulpit Commentary

Verse 4. - **Edifieth himself**. When the "tongue" was genuine, and under due control (ver. 32); when it avoided the physical and orgiastic manifestations by which a sort of spiritual possession was indicated in the ancient oracular shrines; when the self consciousness was not wholly obliterated, - a sense of ennobling conviction would be produced by this spiritual outpouring. Those who have experienced the emotion describe this very result. They felt enlarged and elevated - their whole being was for a time expanded - by this emotion. **The Church**. Primarily the body of assembled Christians which he is addressing, and through them the Church of God in general.

PULPIT COMMENTARY

Verse 4. Edifieth himself. When the "tongue or unknown language" was genuine, and under due control (ver.32); when it avoided the physical and orgiastic manifestations by which a sort of spiritual possession was indicated in the ancient oracular shrines; when the self consciousness was not wholly obliterated, a sense of ennobling conviction would be produced by this spiritual outpouring. Those who have experienced the emotion describe this very result. They felt enlarged and elevated – their whole being was for a time expanded – by this emotion.

It is wonderful to feel the power of God but we must stay humble and always give God the glory.

There are Godly tongues and there are ungodly tongues.

This is the Oracle at Delphi. It was built in the 7th century bc and replaced less substantial buildings of worship before it. It belonged to Apollo where his priestess would give her oracles. The legend states that Delphi was the site of an important event in Greek mythology. It was here that the infant god Apollo killed a gigantic serpent with a single arrow. When the enormous beast finally came crashing to the ground, it created a huge chasm, from which noxious fumes and gases emerged as the snake's body decomposed.

It was this gas that gave the oracle her legendary power. By inhaling the fumes, the oracle could act as a bridge between the world of the gods and the world of man. When in her entranced state, she was given divine powers to communicate messages from men to the gods, and vice versa. Named Pythia, after the mythical snake carcass that formed the conduit to the gods, the Delphic oracle was always a woman. *Notice she was named pythia, like python because the pagans have always worshipped snakes and used them in their religion. There is a statue of Apollo here. He is the sun god, also known as satan who is baal. Also Nimrod in death was worshipped as the sun god. See the evergreen wreaths and evergreen draped all around? That is because they represent the sun god and fertility and

nature. These are all things the pagans worship. That is why you see all of it wrapped up in Christmas as well. All of this was going on thousands of years before Christmas evolved. If you believe Christmas is about worshipping Jesus Christ, I encourage you to go and listen to the messages I have done about Christmas. It was celebrated before Christ ever came in the flesh so it cannot be about Him. In order to deceive man, they just changed the name to Christ – mas so that they could fool Christians and it seems to be working very well. It used to be called saturnalia, bacchanalia and yuletide. It is in honor of the sun god, Nimrod's birthday. Notice the lion lifted up, that is because to the pagans, the lion is a symbol of the sun god.

Priestess of Delphi (1891) by John Collier, showing the Pythia sitting on a tripod with vapor rising from a crack in the earth beneath her.

In this depiction, the oracle (which is a position or office in satan's hierarchy) has snakes all over her and see the sun drawn in there. See the laurel leaves, a symbol of Apollo the sun god. The pagans worshipped nature gods and nature itself. That's why all the greenery is in Christmas.

Laurel leaves. Everything on our money has ancient meaning and it all goes back to Mystery Babylon and the fallen angels.

David Jeremiah's pulpit has laurel leaves around it and the star of rhemphan or of the sun god as well. I'm sure that pulpit is out of oak for his king who is also known as the oak king. Each section of laurel leaves has 15 leaves in their witchcraft math that = 6 because they would add the 1 plus the 5. Around his pulpit there are 6 sections of laurel leaves. That is 6 and each one consists of 6 if you multiply it you get 36 which is 666666 and then if you count the stars with 6 petals you get more 6's. Their pulpits are made in such a way and prayed over and satanically anointed. They perform witchcraft as they serve satan. They are his ministers, pretending to be righteous ministers of light. This man teaches that you receive all of the Holy Spirit upon salvation and he teaches once saved always saved and both are a lie from the pits of hell.

Inside Shadow Mountain Community Church

David Jeremiah's church. Here is the all seeing eye of Osiris, of Ra, of Horus which really is the eye of lucifer. Boldly staring at all the mesmerized and asleep supposed Christians. This is the same eye on the US \$1 dollar bill. They put the truth out in plain sight and those with eyes to see will see it.

The Pythia would fast, and be ritually bathed prior to the consultation. She would then sit on a tripod stool above the chasm in the rock, holding laurel leaves and a bowl of spring water. Then, inhaling the fumes that emerged from the ground, she would fall into a trance and deliver her prophecies. In many cases, her words were inaudible or senseless, in which case specially appointed “consultants”

would interpret her prophecies for the supplicants. (((Can you see the mocking of God and His gifts by the Holy Spirit? This is a satanic version of the gift of speaking in tongues and the gift of interpretation.)))

Archaeologists now believe that the vapors described in the legends associated with Delphi were not purely mythological. According to the New York Times, excavations have revealed fault lines beneath the sanctuary at Delphi that may have caused gases such as methane, ethane and ethylene to emerge from the rock, causing the oracle to experience hallucinations. Plain and simple she worked with demons as well.

The picture description: Paestan red-figure bell-krater depicting the Delphic oracle sitting atop her tripod, circa 330 BC. An oracle was like an imitation of God's prophets. See the snakes and notice the bowl in front of her with the X's inside of circles. She served the god Apollo who is the sun god and the snakes and X's are a symbol of sun worship because they represent satan. As well the circle itself is a symbol of the sun. Use Godly discernment to apply this to luciferians who know who they serve and show allegiance to him openly through their logo's, symbols etc. satan mocks everything to do with God and that is why he had oracles who were like God's prophets. The KJV Bible now has the world oracles in it in regards to God's Word and I do not believe that ever used to be there. I believe that is because of the Mandela Effect.

ALONG THOSE LINES MS. TOMMIE SHARED

There are *many* apostolic and pentecostal churches in this area. They over-emphasize speaking in tongues. Anyway, I've heard many people falsely speaking in tongues. There is also a practice here of not cutting the hair. Apparently women go up to the altar, take their hair down, lay it on the altar. The people become "ecstatic" speaking in tongues. Seems like pagan ritual to me;

I want you all to know and be aware that this paganism is in the churches along with people faking and pretending to have these gifts or pretending to have the power of God moving in their lives.

1 Cor.14:21-22 - (Church view) In the law it is written, With *men of* other tongues (other languages) and other lips (foreigners) will I speak unto this people; and yet for all that will they not hear Me, saith the Lord. Wherefore tongues are for a sign, not to them that believe, but to them that believe not: but prophesying *serveth* not for them that believe not, but for them which believe.

God used foreign nations that did not speak the language of the Jews to judge them. Like when He used Babylon against them to take them captive and this is what is meant by that passage. He was judging Israel and Jerusalem for their idolatry against Him and He sent them away to Babylon. The church has the wrong understanding about tongues. Remember the passage we read from Acts last week. In the initial outpouring of the Holy Spirit, all the people that heard them speaking were devout men of God. They were believers.

Paul's reply:

1 Cor.14:23-25 - If therefore the whole church be come together into one place, and all speak with tongues (unknown languages), and there come in *those that are* unlearned, or unbelievers, will they not say that ye are mad (out of your mind)? But if all prophesy, and there come in one that believeth not, or *one* unlearned, he is convinced of all (convicted of sin), he is judged of all (judged by what you say): And thus are the secrets of his heart made manifest (as they listen, their secret thoughts will be exposed); and so falling down on *his* face he will worship God, and report that God is in you of a truth (that God is really among you).

An unbeliever will not understand tongues being spoken without an interpreter. So if an unsaved person comes to church and someone speaks in tongues and there is no interpretation, they will just think the church is participating in crazy things. This has driven many people away as well. Tongues should not be spoken in church without the gift of interpretation being present also.

PASTOR ERUSTUS SHARED:

Speaking in tongues, it's a first indication of being filled and language for ones prayer life. The Holy Spirit gives one tongues for private use in his or her personal prayers for personal edification. One can use tongues also to praise and worship God in edifying personal spirit.

Then tongues given by the Holy Spirit in the public or congregation is for edifying the body of Christ hence in such case there must be an interpreter for the edification of the body of Christ if no interpreter then one should not speak since it will be of no value to the body of Christ. So churches with no one with the gift of interpreting tongues, those speaking in tongues should pray for God to help them to interpret what they are speaking for others listening in the church to understand what God is saying through them.

When God gives a gift of speaking in tongues in a church then he will give another a gift of interpreting and if there is none, then one speaking must ask God for the interpretation so that as he speaks he will do it with understanding to others what God is saying. If not, it's better to keep quiet. God is a God of order not confusion.

FALSE TEACHING of PRACTICING TONGUES

The internet and churches are filled with people that are trying to teach people how to speak in tongues. This is not from the Holy Spirit. You cannot teach this gift.

How to Speak in Tongues

Some people believe that speaking in tongues is a powerful way to pray and allow God to flow through your spirit. However, if you're like most people, you probably don't entirely know how to perform this particular prayer method. Fortunately, once you know how to create the right mindset and speak the right words, you'll be well on your way to speaking in tongues.

Even “wikihow” has a teaching on how to speak in tongues. This is a worldly site, and yet they are going to teach this? Look at the last sentence there: Fortunately, once you know how to create the right mindset and speak the right words, you’ll be well on your way to speaking in tongues. This is a false teaching. A worldly teaching. In fact, satan loves this. What better way to attack this gift than to take over and teach it yourself. Get the churches filled with deceivers and fool even well meaning Christians. And turn away real people that happen to come in and witness this nonsense. It’s a win-win for satan.

If you listened to “The Baptism of the Holy Spirit” teachings that I did, then you know I fell for this garbage. I never felt right about it. They teach you to just free your mind (that’s new age by the way) and loosen or relax your tongue and just start babbling or speaking whatever comes to mind. They say to keep practicing and God will increase your language or give you more. I was told it is like a baby learning how to talk and if you step out and do it that God will give you more words. What a load of lies.

God knows how to cause you to speak in tongues in a corporate setting if He chooses. And the Holy Spirit knows how to cause you to pray or sing in tongues in your own home. You don’t learn it or help it along. That has been a false teaching that many are guilty of and many have fallen for.

I have spoken in depth with Pastor Erustus about this gift and he shared:

Pastor personally I don't believe you have to practice certain tongues or words for some time to grow . The Bible says it's one of the gifts the Holy Spirit gives. Hence it's a language of the Holy Spirit who will give you a tongue (a language) to speak at each given time at the current spiritual need. Some people just repeat certain words day in day out, nothing new, those are not new tongues. One must be very careful, demons also have their fake tongues to counter God's true tongues. (Remember the footage of Kenneth Copeland and Rodney Brown with their false tongues they were speaking.)

I could say my phrase or my words at will anytime, anywhere. And when I did, I never felt the power of God moving me to do it. I have repented and asked God for forgiveness for ever falling for that nonsense. Praise the Lord for His patience with us. He knows the ones that truly love Him and are seeking Him and searching for the truth.

Pastor continued: I believe The Holy Spirit gives each one of a tongue (unknown language to that person) unique to each person and depending on the need at hand. The word of God is new each day, hence God's language is not monotonous but He is rich hence can speak to us differently but through the same Holy Spirit.

About tongues I believe the Holy Spirit will give varying prayer language at different times. It's not just a matter of repeating memorized words or copying to say what others say.

Pastor shared to me that each time he has spoken in tongues it is completely different. Doesn't even sound the same. That's what he means by different languages and not just speaking the same way every time.

Remember I have shared in the past about when I was a teenager and a man at church would stand up every Sunday and speak in tongues. You could bank on it happening. I never felt it was God. In fact my mom shared that the pastor of that church had been approached to address the problem. That is what is supposed to happen. I have been in church and heard tongues being spoken and yet there was no interpretation. That isn't supposed to happen either. You should not speak in tongues if there is no one there with the gift of interpretation or the person speaking in tongues must also carry the gift of interpretation. About copying others, because many are doing that too.

Remember when Kennedy was about 6 years old I shared that she could go around our house and mimic or repeat the exact tongues that Pastor Jerry spoke

in his church. That is not speaking in tongues and we should teach our children that it isn't right to just copy cat. If someone speaks in tongues all the time the same way or the same words – can't you see how that would be easy to copy?
Hmmm

Speaking in tongues is a holy gift. We should have reverence for the gifts and be sure they are being used correctly.

There are some churches that want to say you are going to hell if you don't speak in tongues. That is nowhere in Scripture. They have made up their own doctrine. They are twisting Scripture. Remember the experiences Pastor Erustus shared about seeing different people baptized into the Holy Spirit and not all of them spoke in tongues. Speaking in tongues is a sign of being baptized into the Holy Spirit but it is not the only sign. I brought out more signs and explained this thoroughly in "The Baptism of the Holy Spirit" teaching series.

CLOSING

I like what Mrs. Donna shared on part four of "The Baptism of the Holy Spirit" teaching in a youtube comment. She said she had to search herself to see if she had participated in any of the false teaching or practices....or in any wrong things that have been taught or exercised in the church. And she said she repented and asked forgiveness. When we learn the truth and know that we participated in wrong things we should do just what she said and did. We should be so sorry and get out of those things immediately which is to repent. Repent means to stop the sin, go in a different direction which is to Jesus Christ. Stop the sin and ask God's forgiveness. Ask God to break off anything that came into your life because of it.

When you ask Him, He will forgive you for all sin except blaspheming the Holy Spirit. Be careful about accusing people of speaking false tongues. If you know for sure that it is God's power and instead you say it is of the devil. That is blaspheming the Holy Spirit. When the Pharisees accused Jesus of casting out demons by satan's power, they knew it was by the power of God. They were not questioning or wondering but were certain it was God's power but they were trying to get Him out of their way so they said the things Jesus did were by satan's power. When you know for sure it is God's power moving and working and you say it is satan's power, then you have blasphemed the Holy Spirit. Be very careful.
