

THE GIFT of SPEAKING in TONGUES – Part 3: PRAYING in the SPIRIT, FALES TONGUES, COPELAND, JAKES, PERRY

On that note, let me say, the circus has come to town! You'll see why as this message goes along.

PRAYING in the SPIRIT

Jude 20 – But ye, beloved, building up yourselves on (in) your most holy faith, praying in the Holy Ghost (Spirit).

It means that we pray in His strength and wisdom: He moves our hearts and directs our petitions. (See Notes on [Romans 8:26](#).)

Ephesians 6:18 – Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints;

New Living Translation

Pray in the Spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere.

If you have never spoken in tongues then you might wonder how you are supposed to pray in the Spirit or how to build yourself up. I did. And the reason I wondered this is because of the false teaching that praying in the Spirit only means speaking in tongues.

Here's what Pastor Erustus shared on that: I think it means we must always rely and be filled with the Holy Spirit so that when we pray at any given time The Holy Spirit can groan in us and pray on our behalf where we don't understand God's will. It's only the Holy Ghost who understands the will and mind of God. We are carnal always but when the Holy Spirit dwells in us, always He will quicken our spirits to be alive and dead to the flesh.

If this meant praying in tongues, it could have easily stated that. We have now learned that not everyone speaks in tongues upon being baptized into the Holy Spirit. And we also learned that not everyone is given the gift of speaking in

tongues either. So this is not talking about speaking in tongues. Or I will say that praying in tongues is another way to pray in the Spirit. But every believer who has been baptized into the Holy Spirit and prays sincerely is praying in the Spirit. Let's look at

James 5:16 - Confess *your* faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much.

[New Living Translation](#)

The earnest prayer of a righteous person has great power and produces wonderful results.

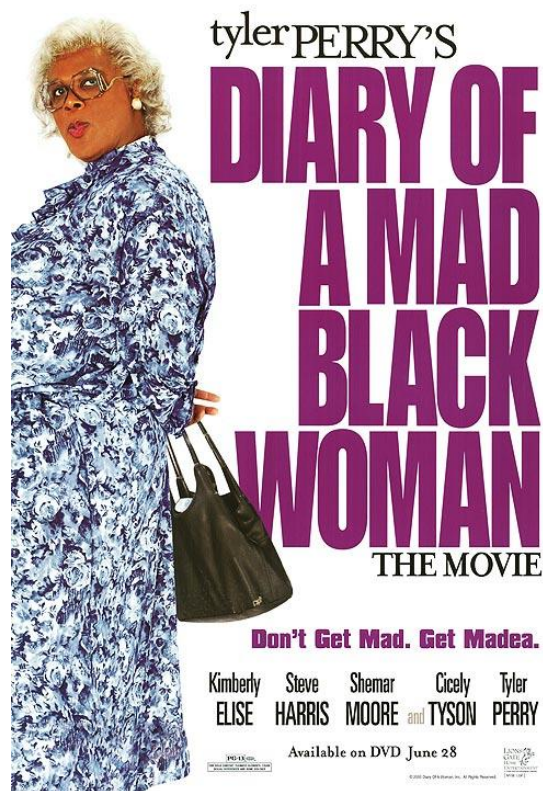

There is a difference from when you are reading your laundry list off to the Lord or going through the motions and when you are really digging down and seeking Him strongly.

*Please play this video – Kenneth Copeland caught off guard by Inside Edition. The reporter confronts him about why he said: he doesn't fly commercially because he doesn't want to get into a tube with a bunch of demons. He tells her that if he flew commercially he'd have to stop about 65% of what he's doing. He brags and says his ministry has brought over 122 million people to the Lord Jesus Christ. He says he bought a jet off of Tyler Perry whom he says is one of the greatest guys. Says he sold the plane to him for a very low price. He says that Galatians chapter 3 says if we belong to Christ that we are Abraham's seed and that we are heirs to the promise and that THE PROMISE IS GREAT WEALTH. **He is a Word of Faith and Prosperity preacher.** He says he loves Inside Edition and is so excited to have his face on their program.*(about 3 min's)

Tyler Perry is a “great” guy. Really? Here he is attending Joel Osteen’s church with Oprah Winfrey. So I guess that means he’s a Christian?...

He’s always playing this character. He has no problem playing the role of a woman. It’s not like he couldn’t have actually chosen a woman to play the part. He’s the one writing and producing these movies. He has also chosen to continue playing this cross dressing role as there are at least 9 movies now where he has

played this character. Cross dressing and transgenderism is an abomination against God.

Deut.22:5 - The woman shall not wear that which pertaineth unto a man (men's clothing), neither shall a man put on a woman's garment: for all that do so *are* abomination unto the LORD thy God.

Goddess name "Deae Matres (Maters)" Britain – The mother goddesses, a triune of earth goddesses. *Witches worship a triple goddess.*

Remember I have exposed in the past that the word "ma" is a false goddess meaning mother of creation, fertility, vegetation, war, the earth etc. So put it together and you can now see what Ma Dea really means. He is playing a she. The luciferians love to do this. Duality as in the baphomet which is a representation of their god. Perversion against the God of the Bible.

Please play this video – Tyler Perry gives \$ 1 million dollars and then lays hands on TD Jakes and Jakes receives his prayer and acts as if Tyler is anointed by God. Tyler, an actor speaks in false tongues here.(about 5 min's)

He said he was caught off guard. No he wasn't. That was nothing more than satan's witches putting on a show. Each one of those people, Tyler, TD, and the little witch woman were handed their script. They practiced their parts and then they put on the show. Did you hear that piano music being played here and there? That is because they are just making a mockery in a supposed house of God. 100% entertainment. He went up there to whip the crowd into a frenzy so that they would give. Tyler Perry is a rich man and by telling that story acting like God has blessed him because he gave then all the greedy people are going to start

giving hoping to be blessed with lots of money too. This man doesn't serve God. When he held the 1 finger up and never finished his sentence, that is because the muslims do that to show their allegiance to allah. He also put his hand inside his coat several times and those are freemasonic signals that he was giving. That little witch that was yelling at the people to praise God. You don't do that. Total confusion.

TD Jakes does a conference each year that he calls "Man Power." They love to do this type of thing. Focusing on man's power and not God's power. TD Jakes' ministry attacked our ministry a few years ago and had youtube pull down our message titled "Spiritual Warfare and Intercession for Salvation of the Lost." They claimed there was some copyrighted material in our message that pertained to them. I searched that message and there was nothing in it that pertained to his ministry at all. I never even mentioned his name. The reason he did that was because I had outed Steven Furtick as a false teacher / witch in a short teaching. In that short I also exposed Joyce Meyer, TD Jakes, Ron Carpenter and John Gray. So he was trying to get back at me. You can find that message on our church website. And look at the message they attack, praying for the lost. Wow.

A true bishop of the Lord's would never allow a lay person to lay hands on them much less someone who is outside the church to lay hands on them and pray over them. The anointing flows from the top down. Not from an outside worldly person in. That was not speaking in tongues by God's power in the church.

Jakes is a prosperity preacher and that is why he welcomed Tyler to come up and put that play on. To cultivate that spirit of greed.

I want you to listen to a short part of a teaching that TD Jakes did on King David and Jonathon, King Saul's son, on their friendship.

Please play from 0 to 3:59 – TD Jakes does a twisting of Scripture in regards to King David and Johnathon's relationship.(about 4 min's)

<https://www.youtube.com/watch?v=KIOcJ7Z4sfE>

In the beginning of that clip he was saying King David did not know what to do, which cup to drink from, who to bow to or how to behave himself in King Saul's palace. THERE WAS NO PALACE! King Saul was the first king. He was chosen from the tribe of Benjamin and he did not live in a palace. In fact the Scriptures say he sat under a tree with his army. So he was probably living in a tent or something. King David was the first king that had a palace. Look at:

2 Sam.5:11 - And Hiram king of Tyre sent messengers to David, and cedar trees, and carpenters, and masons: and they built David an house.

He said, "Orators are intimidated to articulate the complexities of this union" – "The moment is so significant that it reads romantic and people don't even know how to describe it because something happened betwixt these two men that is almost seductive it's intimate it is almost like intercourse because there's a fruit that's going to come out of their union." Look at the filth rolling off his tongue and no fear of God. Jonathon and King David loved God and were Godly men and he is craftily trying to plant the idea of homosexuality here even though he does go on and say homosexuality is wrong. He is using words that should have never been associated with the friendship between these two men. Their soul connection was God.

X chromosome / Y chromosome – all about fertility with this freemason religion. The X speaks of sun worship. X is for Osiris who is just satan. Remember they code everything. Here's a group of wolves in sheep's clothing. All masons and witches. They are satan's puppets. TD must be a high priest or a programmer/handler because he is being used to groom up these false teachers under himself. Left to right is: Ron Carpenter, Samuel Rodriguez, Jakes and John Gray.

Please play from 18:29 to 19:20 False tongues of TD Jakes.(about 1 min)

https://www.youtube.com/watch?v=jEuHPIX_g1M

Knowing what I know about TD Jakes, I can say confidently, that was not Godly tongues that he was speaking. Just a show. You don't want what this man has to offer. A false anointing and false teachings.

*Please play from 26:43 to 27:46 TD Jakes is talking about the relationship between Ruth and Naomi. He says their relationship was so intimate that it borders on lesbianism. He throws King David and Jonathan under the bus again. *(about 1 min)

https://www.youtube.com/watch?v=IVG_6o0VRb8

Again, another teaching where he is trying to dance around and implant an idea of lesbianism about Ruth and Naomi and an inappropriate relationship between King David and Jonathon. He even went on to talk about a soul tie type of connection between Elijah and Elisha and Paul and Timothy. This is shameful. These men were godly men and God is the reason for their connection. God caused Elisha to run after Elijah and learn from him. In that same video he teaches that God caused Naomi, an old woman and grandmother to Ruth's baby, that He caused her breasts to fill with milk in her old age so that she could nurse the baby. That is a straight lie. Why would God do that? Ruth was his mother and there was nothing wrong with her. When the Bible says that Naomi was a nurse to the baby it means that she took care of it. It doesn't mean she actually nursed it. She was not a wet nurse to the baby. Look at the liberties these false teachers take with God's Word. There was no need for God to do that miracle. The baby was Ruth's and she was able bodied to take care of her baby. Naomi was a nurse to the baby just as any grandmother would take care of her grandchild.

I can tell you just from these brief videos that he is not bearing Godly fruit. He is serving a different god. I don't know if he started off well but now he is completely a false teacher of satan's.

Jakes' net worth has been estimated at **\$18 million**. He talked about his wealth with Oprah in a 2012 interview, and stated that he draws income from his megachurch, in addition to earning money off his best-selling books and producing movies. Jan 31, 2019

The Shocking Net Worth of These 10 Richest Pastors Will ...

If Jakes is a true man of God then why isn't he putting this money to work for God's Kingdom?

Ok, so back to Kenneth Copeland. He is completely worldly and satanic. He was mad because this reporter somehow got through to where he was getting into his car. His security did not manage to stop her.

Stay with me I'm going somewhere with this.

Romans 8:26 - Likewise the Spirit also helpeth our infirmities (weakness): for we know not what we should pray for as we ought: but the Spirit itself (Himself) maketh intercession for us with groanings which cannot be uttered.

New Living Translation

And the Holy Spirit helps us in our weakness. For example, we don't know what God wants us to pray for. But the Holy Spirit prays for us with groanings that cannot be expressed in words.

Remember earlier about the clarification that He knows our hearts and directs our prayers. If God lives in you and you are living in obedience to the Lord, then He brings thoughts and words to your heart and mind.

Remember what Pastor Erustus shared about praying in the Spirit. It is done by true Christians staying filled with the Holy Spirit living righteous lives. Notice this passage speaks of groaning which cannot be uttered. Tongues are uttered or

spoken. They are actual languages, although the person speaking in them will not know the language they are speaking in. So this is not talking about tongues here. Tongues are uttered, you can hear them and someone in the world would be able to understand them because usually they are known languages to some part of the world.

Pastor Erustus shared:

Pastor: I just trust He prays for us deep in Spirit in a way man cannot understand.

And he also shared this:

Pastor: I believe when we go deep praying in tongues He prays in our spirits before the Father in language man cannot explain which is in line with God's will.

So it is both ways. He prays in and through those of us who have not spoken in tongues but are filled with the Spirit as well as in and through those in the body who He causes to pray in tongues in their personal lives and settings.

*Please play from 0 to 1:27 Kenneth Copeland, a false teacher of satan's, teaches and demonstrates a complete false teaching about Romans 8:26. Teaching people that when they don't know what or how to pray that they then just start speaking in tongues. *(about 1.5 min's)

<https://www.youtube.com/watch?v=DoKFxHKXpWY>

A complete and wrong teaching from the gates of hell. I do not bear witness that he is a Christian at all. When I look at him I see pure wickedness. Now he is promoting speaking in tongues at will and more than that he is teaching to just speak them in the church with no interpreter. And he's encouraging everyone to do it at the same time. That is just disorder and confusion and that is not of God. Mind you that speaking or praying in tongues is done by God's prompting from within you. He will give you an unction or He will just cause you to do it. But you don't just decide to do it on cue. We have a lot of people moving in their own will and not God's will and misusing this gift or speaking their prayer language when God has not urged them to do it and just outright fakers.

You also don't call God "sir." As best I can tell they have lied to us about pretty much everything. So they set up our languages and hide their truth in the words we speak. The word or title sir is tied up in freemasonry and with knights which are all secret society titles. Also, the unsaved Jews who teach kabbalah and the freemasons all worship Egyptian gods which ultimately all drills back to Babylon. Here on the left is a Shiner memorial at the Masonic George Washington Memorial and on the right is actor John Wayne wearing a freemasonic fez hat. You don't get to be a Shiner without first being a mason. Notice pharaoh on both sides here or rather Osiris. The word "sir" is right in the middle of the word Osiris. If Isis and their symbols of the swords and moons are so bad then why do people overlook the Arabic words and symbols on the fez hats and Masonic jewelry and shrines? Hmmm Why don't people get a check in their spirit about all of that? It goes back to the Ottoman Empire. At any rate, we have been taught that sir is a term of respect for a man, a human being. We don't apply terms that we use to honor men to God.

Working together to unite the world religions. Anyone holding a meeting with the pope is a worshipper of lucifer to put it bluntly. You don't get a private meeting with him unless you are on the same page. The pope is like a high priest for lucifer. He looks like a good candidate for the false prophet.

CLOSING

October 2015 Copeland laid hands on Trump and prayed over him before he was elected president. He's back there behind the president. Copeland and this little pack of witches are part of the show being put on for those who are not awake. This is a picture of the ungodly kings in the Bible being surrounded by false prophets who would tell them what they wanted to hear because they were on their payroll. Nothing has changed.

Copeland has been recruited by the pope to push unity or inclusion of all religions. He's being used as a tool to unite all faiths for the antichrist / beast system.

Please play from 13:19 to 17:25 This video was made 13 years ago exposing satanism in the church. Kenneth Copeland and Rodney Brown make up things in tongues. Rodney Brown lays hands on many and transfers a false anointing, a kundalini anointing to them. He even tells them not to pray and that is so that his satanic anointing can take hold on them.(about 4 min's)

<https://www.youtube.com/watch?v=m8VBtcq8ItQ>

These are not Godly tongues. These are not men of God but rather satan's ministers. We must test the spirits and according to what I've shown you here, you should be able to discern that these are not Godly men and are not speaking in tongues by God's power. So that little display we saw in his church earlier where everyone spoke in tongues, none of that was of God. It was not Scriptural at all. In a real church that "pastor" should have been addressed and that stuff should have been shut down. Churches that are doing this type of thing are welcoming in wrong spirits. Other spirits begin to move and witches can easily control these type of churches. That is utter confusion and our God is not a God of confusion but of order.
