

SATANIC RITUAL ABUSE, SACRIFICES: TED GUNDERSON, HAMPSTEAD, CATHY O'BRIEN, HALLOWEEN

WARNING – THIS IS MATURE CONTENT AND VERY GRAPHIC IN NATURE.

There are a lot of video testimonies and the details given are graphic and horrific. Today we are not playing the videos in the church so that Kennedy isn't seeing them. I would tell my children on their level depending on their age just to let them know there are people in this world who knowingly serve satan and they do hurt and harm people and animals to please satan. Be sensitive to your child but be sure they understand the dangers of this wicked world. Teach your children to be mindful and vigilante of their surroundings and where they go and who they are with and what to do if someone tries to bring them harm as best they can. Stranger danger. And always let someone trustworthy know where you are.

This past week I was working on some Halloween meme's that I use to minister on facebook and working on the Halloween short that I did on the roots of Halloween and sacrifices. I felt led to do this message.

Eph.5:8-12 - For ye were sometimes darkness, but now *are ye* light in the Lord: walk as children of light: (For the fruit of the Spirit *is* in all goodness and righteousness and truth;) Proving what is acceptable unto the Lord. And have no fellowship with the unfruitful works of darkness, but rather reprove *them*. For it is a shame even to speak of those things which are done of them in secret.

It is a shame to have to speak of these things. It doesn't mean we can't speak of them but that they are very shameful things and should never be done by anyone. The church quit exposing what we are going to expose here.

But we will not shy away from exposing what the luciferians are doing. The reason why people think you are just crazy when you say this stuff is going on today is because they never hear about it. If you tell them it is happening at the top levels they really think you are crazy. Most people don't research anything

and because I have run across such a variety of testimonies in the kind of work that the Lord has me doing I decided to make a good strong message on it that God can use to wake many people up with. Praise the Lord for those that have lived to testify of the horror they have endured.

This is not a Halloween message per say but I am going to lay a little Halloween history foundation so that we can understand about who it is that is doing rituals and sacrifices.

This is a witch's wheel. The witches and luciferians hold ritual sacrifices throughout the year. This wheel indicates the 8 main ritual dates. They celebrate the changing of the seasons. Halloween and the days immediately following it are satan's high holy days. In Scripture, God had His holy feast days that the Israelites were to keep. satan mocks God at every turn so he is also going to have his feast days which are sacrifices made in his honor. One site where you can see the satanic calendar and when they have rituals and sacrifices is The Open Scroll. There are many other sites with this information as well.

They (druids) were a barbaric order and were dreaded for their power and blood-thirstiness (adrenochrome). "They were directly concerned with animal and human sacrifices.."

- Richard Cavendish "Man, Myth, and Magic" p. 719

The origin of halloween dates back to over 2,000 years before the time of Christ. It was practiced by the ancient druids in Britain, France, Germany, and the Celtic (Irish, Scottish, Welsh) countries. The celebration was held to honor their god samhain (sow-en) or saman,"the lord of the dead" when they called forth a host of evil spirits.

Human sacrifices on samhain aka Halloween. Druids would gather human sacrifices for satan and burn them alive. This pagan celebration is not for Christians. Not even if you rename it fall festival, it is still an abomination to God.

Lev.18:21 - And thou shalt not let any of thy seed pass through *the fire* to Molech, neither shalt thou profane the name of thy God: I *am* the LORD.

[New Living Translation](#)

“Do not permit any of your children to be offered as a sacrifice to Molech, for you must not bring shame on the name of your God. I am the LORD.

My encyclopedia of old world history says that the druids were a powerful, organized, priestly caste, of Gaul and Britain, who monopolized religion, education and justice. Does that sound familiar? Our world government system is better known as the antichrist government. Our governments are ruling over religion, education and justice now.

All world governments are already working together, you can see it more clearly with how they are all carrying on the charade of the “coronavirus.” It isn’t just about hating on Trump as people believe. The coronavirus nonsense is world wide. The games they are playing with the money, with the coin shortage is world wide. This is the new world order antichrist beast system – the world governments. Jesus will destroy the world government system when He sets up His millennial reign and His government on this earth. The only thing we are not seeing right now is the antichrist. The one leader who will take the world stage and rule openly as the antichrist.

Nimrod and Asherah were worshipped as gods on this earth. They started the first government at Babyl with the tower of Babylon. That government was against God and those that serve lucifer have vowed to keep trying to finish what Nimrod started. When Nimrod was murdered and cut into pieces as an example not to do like him, Asherah (Nimrod’s wife and mother) got pregnant and made up a story about Nimrod’s spirit going to the sun. This would secure her continued worship, as well as make her son a deity. The religion that they taught was The Mystery Babylon Religion and it spread throughout the whole world.

Stone Henge seems to be a sight where rituals were practiced.

The druid priests were practicing The Mystery Babylon Religion and today they have surfaced in the Roman Catholic Church. For the public eye they do cleaned up versions of their rituals. But be sure they still do the real rituals and sacrifices as well. I hope to bring out some testimonies so that you can better see and understand all of this, make your family and friends aware of it, and pray against it. In Revelation chapters 17 and 18 you see that Mystery Babylon consists of a religious part and a government political part. The Vatican is religion mixed with politics. And as well most churches, not just the catholic ones, have been infiltrated by Jesuits, freemasons and witches.

Remember what Aleister Crowley a guru of satanism taught that the more a satanist does things backward the more satanic power is given to them. He was teaching them to think backward, walk backward, listen to music in reverse etc. Because they study the Bible so they can do the opposite of it and bring more of God's curses and wrath down on the and get more demonic power from satan their master, here is the scripture they are playing out in their lives:

Isaiah 5:20 - Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!

Ted Gunderson, the 27 year retired FBI veteran, former Los Angeles Senior Special Agent in Charge, shares compelling evidence into the CIA's involvement in satanic ritual abuse, drug trafficking, kidnapping, international trafficking, and murder of countless children worldwide.

They were stalking him by the way and eventually took him out with arsenic poisoning. He tried to help so many victims of SRA (satanic ritual abuse). He was one of us. He could not believe that as he began to investigate this stuff he found our own government behind it. I have shown the video where Linda Weegan, whom Ted was helping, she shared about satanic ritual abuse her children endured. She also shared about an 8 year old boy that had been crucified upside down and skinned alive so that they could drink his blood for the adrenochrome high that it produces.

*Please play from 0 to 12:40 and from 12:42 to 19:07 Former FBI agent Ted Gunderson shares about one of his cases of a woodsman that stopped a ritual sacrifice from happening on Halloween in 2004. He shares how corrupt our legal system is from the FBI and the courts all the way to the Whitehouse. They are in on it and did not want to bring justice. They had abducted a teenage girl from a

store in town by drugging her and putting her into a van. After they ritually cleansed her and prepared her for the sacrifice they had their fire and tied her up to sexually abuse and rape her before killing her. She describes one of the perpetrators as having snake eyes because they were slits and not round pupils. The woodsman saw them driving out into the woods and followed them and broke up the sacrifice by shooting some of them. They shot at him first and he shot and killed 4 of them. As he chased the leader they had a running conversation. The leader told the woodsman that if he killed him he would live in a 10x10 cell the rest of his life because they have the police and the FBI in their hip pocket. He shot and killed him and found a card on him. He called it and the FBI answered. He helped the girl to get away. She thought this man was an angel. He told her he was not but he did say that one had sent him. John, the woodsman, filed a report with the local police department in Sonoma county California and they filed charges against him saying that he filed a false report. The police waited 4 days before going out to search the area. He hired an attorney and the attorney told him not to pursue anything because the court systems were corrupt and he would end up serving time. He pursued it anyway and they told him to pay a fine of \$ 10,000 and two years probation and no jail time. LOOK HOW CROOKED! Two years later, he is back in Wisconsin and is out in the woods working, he's a woodsman. Two men drive up and he hears them getting out of their truck and one of them says he's mine. They have a shoot out. He knocked one down four times and the other one twice. He goes to the police and they tell him that he shot himself. He was shot 9 times with four different weapons. His truck had 25 gun shots in it and yet they tell him that he shot himself. They held a trial and they brought in an expert that testified that there is no way he could have possibly shot himself. They then changed their story and said he lied to the police. He said he sure did because he did not trust them. He was placed on 1 year's probation during which time his house was constantly searched for guns or booz and on one search they found a marijuana plant in his garden. It had been planted there to trap him. His house was eventually burned to the ground. The girl has gone into hiding and changed her name several times. She was kidnapped from a parking lot in Oakland, CA. Four guys came at her and shot her in the thigh with a needle, she lost consciousness and they put her in a

van. When she regained consciousness she discovered she was handcuffed to something and her feet were tied. Her eyes were blindfolded and her mouth had tape over it. She thought about what had happened. She said she was not religious but for the first time in her life she prayed for God to save her. She fell back asleep and dreamed of a big white dog which she felt was a girl dog. It came and sat beside her and looked toward her and when it did she got up and ran away. She felt somehow comforted by that dog. Then she said she had to use the restroom so bad and could not hold it any longer and she urinated all over herself. It was cold and miserable. Then she heard car doors and they came back and grabbed her. They took her into a house and told her if she cooperated they would not hurt her but if she struggled they would kill her. They asked if she understood and she nodded her head yes. They asked her if she wanted something to drink and she nodded yes. They took the tape off of her mouth and gave her some water or something “funny.” They started to take her clothes off and she was sure they were going to rape her. They told her just to relax that they were going to give her a bath now. They guided her into a bathtub and washed her all over and shampooed her hair. She said she was really scared and it was weird. They dried her off and blew her hair dry. They put tape back over her mouth and put a white terry cloth robe on her. They sat her down in a chair and she couldn’t see because of the tape on her eyes. She could hear voices in another room and she was getting sleepy. She thinks they drugged the water they gave her. Then a couple of guys came and got her and put her back in the van. She knew there were other people in the van but they didn’t talk. They played heavy metal music and drove for a long time. She was very sleepy and after a long time the van stopped. They got her out and her feet were bare and she could tell she was standing in dirt. She heard voices talking quietly and heard clicking noises in the van. One guy said to the other guy what are you doing? He said getting ready for sanitizing after. The first guy said dude we haven’t even had the party yet. She thought it was so weird she remembered them saying that. Then she heard a woman’s voice say this is the sacrifice. She untied her robe and put her hands on her breasts. She said how did she test? A guy said, perfectly. She put her body next to the girls and the girl said she could tell that she was naked (they both were). The evil woman whispered into her ear and said,

“I’m going to drink your blood.” She said she felt very sick and started to collapse. Then a big guy picked her up and walked with her. He set her down and took off the handcuffs. Then they tied her hands and arms and put a rope around her neck. They took the tape off of her eyes and she could see she was in the forest. They had tied her to a tree or something. She was shaking and said she knew she was going to die. Four naked women walked up to her. One had a knife and took the tape off of her mouth. She jabbed at her face repeatedly with the knife. She touched her breast with the knife. She was terrified and wanted to kill her. They touched her and did sexual things to her and made her have an orgasm. Then they did things to each other and were having an orgy. She said the worst awful women were doing this to her and she hoped that they all get terminal disease and rot in hell. Then they made a fire and a bunch of naked people came and stood in front of her and were chanting in some weird language. A man came and stood in front of her. She says he was older than the others, maybe 30 years old. He was 6ft tall had dark hair and beard and really weird eyes. Someone pulled the rope tight on her neck. He had his hands on her breasts and stared into her eyes. She said he never blinked and she couldn’t help but look. She said it was like hypnosis. He put her in a trance. She said it was like starring at a snake. He began to rape her. Then she heard loud yelling and gun shooting. The snake man stood away from her and stood looking toward the forest for the noise. Everybody ran toward the trees. The snake man poured water on the fire and walked away quietly. Then she heard him say, “kill her.” A naked man came toward her with a knife. Then a man with a silver gun came running toward him and shot in him right in front of her. He was big and tall old man with a white beard (the woodsman – John). She heard a loud bang and it was a shot from behind her and it hit John in the side of his stomach and he shot back several times while laying down. Then got up and started cutting the rope on her arms with the knife. Somebody else shot at them and John shot back. Then John told her to hold on that he would get her loose. She fell down. He picked her up while shooting several more times. He yelled very loudly that no more harm would come to that girl. Then John said something to them about coming straight from God to kill them all. He called them all some choice words and said he was going to kill them all. She said she thought he scared them. Nobody shot at them any

more. They got in the car on the road and he asked her if she could drive. She told him yes. He put her in a car and said some fast things to her. All she could remember was go home and stay anonymous. She said, "I couldn't believe he wasn't going with me. I couldn't believe I was going to live when I was going to die before." He wanted her to go but she asked him if he was an angel. She said she will never forget his eyes. He had blood on his face but his eyes glowed brightly blue like they were fluorescent or something. He said no but one sent me to you. Now go, I'll call the cops and he slammed the door. She said she hated to leave him. She felt safe with him. She said she didn't know why he wasn't going to go with her. She drove as fast as she could and she almost ran off the road a couple of times. She didn't know where she was and when she finally got to the highway she drove the wrong way until she realized where she was and turned around and went the right way. She did get back to the town where she lived. It was really late and she was shaking and had blood on her from the woodsman, John. She felt sick for him. Later on she found out that no one had even missed her. She was hurt at first by it and then realized it was her own fault. She felt it was pay back for all the times she had argued with her parents about wanting to know where she was going every minute. She said she hoped the newspaper would print this so that kids would understand and stop fighting with their parents. She and her brother took the car and parked it in Berkeley and he said he'd call the cops and tell them where it was. They looked for some kind of information in the car to find out who it belonged to. There was nothing in the glove box or ash tray and no litter on the floors anywhere. She said, "nobody's car is this clean." The only thing in the car were 4 black sweat shirts and 4 black sweat pants all exactly alike. She said the only thing in the trunk was a used syringe. It was a red pontiac. She said then she remembered that this is the car the guy got out of when they abducted her. They must have put her in the trunk. She said they were going to have the syringe tested to see what they shot her with. When she took a shower she noticed a needle mark in her arm and remembered the woman who asked how she tested. She said they drew blood from her when she was unconscious and wondered if they had tested her for aids at first but then began to wonder if they were testing for something else. They really scared her. She said she was really sick and frightened for the man who saved her. She doesn't

have a tv and had not heard anything about what happened to him. She talked about how you could tell a lot about a person by looking into their eyes. She said the snake man and the old man were just the opposite. You could see it in their eyes. What she remembered the most was the shiny blue eyes of the man who saved her. He reminded her of her late grandfather. I want him to live because he's a good man who somehow miraculously saved me. I know now why he stayed there. He was so mad he wanted to kill them. She said she hoped he did. She said she knew that they had done it to others like her and if they lived they would do it again. She said she hoped the snake man died and she did not feel these people could be rehabilitated in prison. She said she could never forgive them. It took her a long time to write all of this out as she was so shaken up and crying. She wrote it on an old typewriter so that it would not be on her harddrive. She said she was going to mail this letter away from her house. Then she said her brother was going out to the woods to look for the man who saved her. She said she was going to stay home and pray for John the woodsman. Ted concludes this lecture stating that there are 50,000 to 60,000 satanic human sacrifices each year. He got that information from three different satanic sources.

This corruption goes all the way to the top. The leader of that cult told him that he would live in a 10x10 jail cell if he did give up and back off! He told him that "they" had the police and the FBI in their hip pocket. Totally corrupt, that's the world we are living in. Look what they did to that man. So sad. Two years later they came and tried to kill him! They set him up with a marijuana plant in his garden. Then they burned his house to the ground.

Praise God that young girl was spared! What a testimony and praise report. She did not believe in God but she cried out to Him and look at what He did!!! Don't ever think your prayers are useless or they'll never get free. Some do. Keep praying.

When I participated in Halloween and Fall Festival as a christian I never thought to be praying against any of this. I was not aware of the depths that it goes. I had heard the story here or there of something bad or that there were those crazy

satanists doing bad things to animals etc. But never to this degree. This is organized and a huge network. By the way, satanists say that the veil between the spirit real and this natural world is very thin at this time of year so that the spirits / demons can cross over and interact more. It is a time of pure evil. And because christians are participating in it, it gives it more power because they are willingly participating in sin against God. Even if they do it in ignorance it is sin against God. He expects His children to seek Him and to awaken about all of this. He speaks to His children, He woke me and my family up and called us out of it.

We always think these things are not happening where we live. My brother shared to me that one night he was out driving around. Just driving, no where in particular. He drove down this road and ran up on the exact same type of thing we just heard. I asked him some questions and he told me that there was a huge fire and when he saw the fire and the people he knew it was like a clan or devilish. He said he had to hurry to get out of there.

Remember Jesus said when He returns it would be as in the Days of Noah. Read Genesis 6:5 and see how wicked it was.

*Please play from 0 to 2:47 and from 5:19 to 9:16 These two children, Lisa and Gabriel are from Hampstead are telling their mother and her boyfriend about all of the abuse and rituals they have been forced to participate in. They say that every Wednesday at school they are taken down into a basement and made to participate in group sex. They are naming teachers, their father, policemen and other parents and people from the town. They share how their father is the leader of the whole thing. He holds their hands on the knife and they kill babies and cut their heads off. Then the blood is drained and they cook the baby and eat it. They dance around with the baby's skull. They say there is a big church that they use to do all of this in too. They do sex to the baby. They have sex done to them. They name a McDonald's in Hampstead and a swimming pool in East Finchley. They say these places participate in all of it. They said there is a Starbucks and a sweets shop and they are all involved.

<https://www.youtube.com/watch?v=fQlmb50FeVI>

I believe the mother and her boyfriend were trying to film these children in public places so that you could see they were not trying to force or influence the children to talk or to show that they weren't trying to coach their answers. Those children had told them that the police and the social services were participating in the rituals. When you find that out, where do you turn? Of course Jesus is where we should turn. But in this world, we are supposed to have the police. So because of the corruption, the mother was trying to record this and get the information out somehow. Some people have said that the little girl looks like she has been beaten and that she is bruised. She does have a cut on her chin and she kinda did look bruised and some of it could have been the lighting. They have tried to say these children were traumatized and made to say all of this. I don't believe that. Yes, they may have been beaten and they have been being traumatized by the rituals and things they've been made to do. If that's going on it is happening when they are in the custody of their father. They have tried to discredit and muddy the waters about the truths that these two young children were sharing. Their mother and father are separated and were not together at the time all of this came out. They told about how every Wednesday in their school they were made to participate in rituals and satanic sex parties. They were made to participate in killing babies and the cult ate the babies and made shoes and things out of their skin. I bear witness with their testimony because it matches what Donald Marshal shared about Queen Elizabeth eating babies. The luciferians are cannibals and they feed off of the blood of their victims. They described the grown ups body parts with tattoos and named names. It was confirmed that these children had been sexually abused. As usual the Masonic police covered it up. By the time they had these children sit through hours and hours of being questioned by the so called police they finally had them saying they made it all up and none of it happened. They put them into the custody of the very one who was a top abuser in that cult, their own father. This matches the very thing that Brice Taylor told us happens in the court systems, that the freemasonic hand signals are passed between the abusive parent and the judge and then the pedophile parent is awarded the custody.

Please play from 56:07 to 59:56 and from 1:01:39 to 1:02:22 and from 1:05:20 to 1:08:03 and from 1:46:37 to 1:48:31 Cathy O'Brien (The Granada Forum 1996), a sex slave and victim of MK Ultra mind control, used by the government shares that Senator Byrd was her owner-handler and directed all of her activities. About the same time she was entrusted to him as her owner, she had attended her first Catholic communion. After that, she attended a ritual that was referred to as "the rite to remain silent." It was a blood occult ritual. This was a reversal of what she had just attended and it made it all run together in her mind. / She attended many rituals while attending Catholic school. / She speaks of another ritual. Of a railroad bum being shot. She goes on to share how the government leaders kept subjecting her to rituals so they could shatter her mind and program her and use her to keep and record and share secret information. / In a question and answer segment after the lecture, Mark answers a question: Considering the places you've been and the things you've seen, why are you still alive today? (They had already given glory to God and that they acted smartly about getting this information out there.) He shared that Cathy has the scars from thousands of stun gun shockings and she has been vaginally mutilated. This practice of vaginal mutilation goes all the way back to ancient Egypt and is practiced and taught by Michael Aquino. (The luciferians study and practice from The Book of the Dead.) He explained that "they" can't just deny all of this because if her perpetrators were undressed before Congress and the Nation, there are things they can't deny such as scars or birthmarks on their bodies.(about 9.5 min's)

<https://www.youtube.com/watch?v=NE2Aa6morVU>

I'm amazed how testimonies like this are out online and yet the world at large is not aware of any of this. They know that even if it is online, not enough people will see it. And it is a lesser form of magic for them to put it out in plain sight. Former President Ford went out to meet her dad who was an abusive parent and he instructed him on how to raise her with abuse so that she would be able to serve the government in the capacity of a mind controlled person and sex slave. This is our world governments!! They are all doing this. She was given to Senator Byrd, he was considered her owner. Then they chose a man to handle her, that is a programmer. He used the rituals to split and shatter her mind and then

program her like a computer so she would just robotically serve them. ALL OF OUR CONGRESS MEN AND WOMEN HAVE MK ULTRA SLAVES. And this is world wide. Let's be clear, this is our government participating in luciferian rituals. Mark Phillips and Cathy O'Brien brought out the fact that these government luciferians study and use the Book of the Dead from ancient Egypt.

Pray for those that have been MK Ultra'd. The luciferians tap into their programming and make them attend rituals. Can be a ringtone that triggers them into their programming and gives the handler access. Pray for God to completely set them free.

CLOSING

I felt this was very important to bring out so that you could see more clearly who our world leaders serve and what they have been involved in. This is witchcraft, mind control, it is sexual abuse, murder, idolatry and all around it is everything God hates.

Lev.18:3 - After the doings of the land of Egypt, wherein ye dwelt, shall ye not do: and after the doings of the land of Canaan, whither I bring you, shall ye not do: neither shall ye walk in their ordinances.

Those nations were serving lucifer and his fallen angels. They served idols that represented the fallen angels and they served animals as gods also. They made human sacrifices to Molech / baal who is satan.

If you do a word study on baal or molech or chemosh in the Bible and read those passages you will see how much God hates all of this. Pray for God to open your eyes and help you to understand how His Word still applies to our world today. The same abominable worship to lucifer / satan is continuing. Just like when you read through the books of Kings in the Bible and see how many times Israel had an evil king who caused the land to serve false gods and go away from God, our world leaders are still doing the same things today. Why do you think an arch from a baal temple was moved to New York? Why do you think we have a huge statue of Asherah standing in New York Harbor? Our money, government buildings and court systems are packed with idolatry and symbols of ancient Babylon and Egypt today. It gives the demons open doors to operate in those places.
