Update on Kenya: The government is requiring each church to have a thermo gun to take temperature with and they cost \$ 50 ea. (Pastor has planted 5 churches and each one needs these things.) As well as fumigation supplies for each church. They have placed many new requirements in order for the churches to operate.

REVEALING ABOUT TRUMP'S SLOGAN

Who do they serve? The "corona" speaks of their god.

Have a listen and help others to wake up. God bless you all.

That was a polite way of saying they weren't going to review a thing.

Why did they combine the word corona and virus? Here are the only things I can figure: numerically that would give them an 11 in their witchcraft math which is in honor of the intelligence of the sun – lucifer the illuminator. And corona is for the sun god, the v can be: a Roman numeral 5 for Jupiter, who is a sun god, 5 for the 5 freemasonic laws of nature, can be for vril, for venus, for the number 2 which is deuce which is the devil, 2 for freemasons because it is the color orange on the Pythagorean numerology chart and if you look up the letters to orange and add them up you get 33. Now the irus part can be for the last part of Osiris, in sound not spelling, can be for the all seeing eye – iris in sound not spelling.

Suri was the **god** of the **sun**, equivalent to Greek Apollo. **Suri** was the **god** of the underworld. **Suri** was female, a chthonic **goddess**. Sep 7, 2007

[Suri, the saga part 1 - Paleoglot](#)

Last of all, suri was the god of the sun, equivalent to Greek Apollo. Suri was the god of the underworld. Suri was female, a chthonic goddess. Suri spelled backwards is irus. So you see by putting it all together you have both the male and female sun gods being worshipped with the word coronavirus. Bonus material, now you know who Tom Cruise's little girl Suri, is named for.

Shut down major bias! Health experts support anti-police protests “As public health advocates, we do not condemn these gatherings as risky for COVID-19 transmission...This should not be confused with a permissive stance on all gatherings, particularly protests against stay-home orders.”

As we watch this play out, haven't you noticed how they have pushed ridiculousness to the max? Gathering to protest was ok but not gathering to protest the stay-home orders.

How about this one where they were releasing criminals to keep them safe but regular people who weren't standing for their non-sense were being fined and threatened with jail time.

I will say it again, the left is them. The right is them. Democrats is them and so are the Republicans. They play both sides. They have truthers that they use just to get their truths out and they have shills who play the game of discrediting real truthers and others. Remember in their planned wars, they funded both sides just because they wanted to make money. They are rolling out their plan and trying to keep everyone frustrated and angry and scared during the whole process. Some states here, were not put on lock down but some were. Some had mandatory mask requirements but some did not. They have done different things all over the world just like this. Sweden did not go on lock down. I believe they are trying to keep the waters muddied so that Americans don't really realize what is going on. They have to break America down in order for the One World Government to rise up and come to power. So America has to lose her freedom just like everyone else. They have to make it miserable enough that everyone will be clamoring for that vaccine. They will line up for it hoping that it will bring things back to normal. They have gained way too much power in all of this to go back to what we thought was normal.

After the U.S. military and government pulled 9-11 off on the American, people it passed the Patriot Act.

If you do not know that our own military and government pulled 9-11 off against us, then you should go listen to the message I did on that one.

Only 5% of Americans know 3 buildings fell on 9-11... 9:50 a.m. WTC South Tower Collapsed! 10:29 a.m. WTC North Tower Collapsed! 5:20 p.m. WTC Building 7 (for no apparent reason) Collapsed! Seek the truth about 911.

Our government declared war against us, the citizens, when they pulled that 9-11 attack off. They like 911 because of who it references in Scripture. That is why our emergency number in this country is also 911. To honor a god of chaos and destruction. Usually you call 911 when you have a serious problem, a serious problem is – chaos. You see.

Rev.9:11 - And they had a king over them, *which is* the angel of the bottomless pit, whose name in the Hebrew tongue *is* Abaddon, but in the Greek tongue hath *his* name Apollyon.

Apollyon is the same as Apollo, it is the sun god and it is satan. satan is a fallen angel and he is the “angel of the bottomless pit.”

Please play this video - About the Patriot Act which was passed after 911. This really ramped up government surveillance.(about 5 min’s)

And they now have the right to detain anyone indefinitely without probable cause. A 911 whistle blower, Susan Lindauer, who was a CIA asset, was put in jail for telling the truth.

They implemented more surveillance under the guise of looking for terrorist. They use gag orders so much to shut people up.

See how easily they threw her in jail – for five years and no trial. I would watch that whole video if I were you to get a better idea of what happened with 911. She said Iraq was more than willing to work with us and was offering all sorts of stuff to appease us.

In November 2019, the renewal of the Patriot Act was included in the stop-gap legislation. The expired provisions required renewal by March 15, 2020. The Senate passed a 77-day extension in March 2020, but the House of Representatives did not pass the legislation before departing for recess on March 27, 2020. They just keep renewing it. And in my research I also found that if something gets voted down they just put it in a new bill and pass that. They mentioned the “Freedom Act” and you can bet it is not about freedom at all but just the opposite.

On Monday, March 23, 2020, the President signed into law:

S. 893, the “Secure 5G and Beyond Act of 2020,” which requires the President to develop a strategy to: (1) ensure the security of next generation mobile telecommunications systems and infrastructure in the United States; and (2) assist allies and strategic partners in maximizing the security of next generation mobile telecommunications systems and infrastructure; and

S. 1822, the “Broadband Deployment Accuracy and Technological Availability Act or the Broadband DATA Act,” which requires the Federal Communications Commission to issue rules relating to the collection of data with respect to the availability of broadband services.

So what have they been up to? Bill Announcement: On Monday, March 23, 2020, the President signed into law: S.893, the “Secure 5G and Beyond Act of 2020,”

which requires the President to develop a strategy to: (1) ensure the security of next generation mobile telecommunications systems and infrastructure in the United States; and (2) assist allies and strategic partners in maximizing the security of next generation mobile telecommunications systems and infrastructure; and

This was right in the beginning stages of their rollout of the coronavirus here in the U.S. And one of the first things during our lockdown was that he secured 5g and beyond. Well seems like he locked in the fact that the harmful frequencies aren't going away but will only be implemented more and more as they go up another level and another level and use the frequencies to control, surveil us and harm us. Remember he spoke openly about how we were in a race against China to get our 5g up. Maybe that was to get the public, who isn't aware of the dangers, behind him as he implements it.

COVID-19 Testing, Reaching, And Contacting Everyone (TRACE) Act

This bill authorizes the Centers for Disease Control and Prevention (CDC) to award grants for testing, contact tracing, monitoring, and other activities to address COVID-19 (i.e., coronavirus disease 2019). Entities such as federally qualified health centers, nonprofit organizations, and certain hospitals and schools are eligible to receive such grants. In awarding the grants, the CDC shall prioritize applicants that (1) operate in hot spots and medically underserved communities, and (2) agree to hire individuals from the communities where grant activities occur.

They can do a lot of shady things with this TRACE Act like withdrawing people from homes or removing children and forced isolation etc. All under the guise of keeping everyone safe. I will get into this one more later on in the series.

I read this to Scott and he said: Communism

Shown Here:

Introduced in House (02/07/2019)

This resolution calls for the creation of a Green New Deal with the goals of

- achieving net-zero greenhouse gas emissions;
- establishing millions of high-wage jobs and ensuring economic security for all;
- investing in infrastructure and industry;
- securing clean air and water, climate and community resiliency, healthy food, access to nature, and a sustainable environment for all; and
- promoting justice and equality.

The resolution calls for accomplishment of these goals through a 10-year national mobilization effort. The resolution also enumerates the goals and projects of the mobilization effort, including

- building smart power grids (i.e., power grids that enable customers to reduce their power use during peak demand periods);
- upgrading all existing buildings and constructing new buildings to achieve maximum energy and water efficiency;
- removing pollution and greenhouse gas emissions from the transportation and agricultural sectors;
- cleaning up existing hazardous waste and abandoned sites;
- ensuring businesspersons are free from unfair competition; and
- providing higher education, high-quality health care, and affordable, safe, and adequate housing to all.

The goals are: achieving net zero greenhouse gas emissions, establishing millions of high-wage jobs and ensuring security for all, investing in infrastructure and industry, securing clean air and water ((They are chemtrailing the air and as long as that continues we aren't going to have clean air. They dump tons of chemicals into the water including fluoride so it isn't clean either.)), climate and community resiliency, healthy food ((They are spraying chemicals on the crops that even the farmers won't go into the fields for 5 days during that time and we just believe that stuff magically disappears? They are irradiating our food and putting nano in it. They pump antibiotics and hormones into our meat. They want to make our food in the labs so that "mother nature" their goddess, is not harmed or bothered with the growing of food to sustain us.)), access to nature, and a sustainable environment for all, and promoting justice and equality **If you don't know about Agenda 21 and Agenda 2030 then you need to research them because this ties right into that. They have plans to push us into mega cities and let the land be inhabited by wild animals. They are doing land grabs now. That's why they are burning down California. Pushing the people out.**

The resolution calls for accomplishment of these goals through a 10-year national mobilization effort. That will bring us right up to 2030.

Sustainable Development Goals

The Sustainable Development Goals or Global Goals are a collection of 17 interlinked goals designed to be a "blueprint to achieve a better and more sustainable future for all". The SDGs were set in 2015 by the United Nations General Assembly and are intended to be achieved by the year 2030. [Wikipedia](#)

- Local Authorities will now be exempted from compliance with their duties under The Care Act 2014. Schedule 11.

This is in the U.K. HC Bill 122. Someone wrote these points of what alarmed them about it:

Forced detention and isolation can be of anyone, including children, and for any amount of time.

Authorities can forcibly take biological samples from your body. Your body becomes the property of the state.

There's no clear access to legal rights from as-yet unidentified isolation facilities.

Powers last up to 2 years, with reviews every 6 months.

Lockdown powers could prevent protests against these measures.

State surveillance safeguards are weakened.

Protections from forced detainment and treatment under Mental Health Act lowered.

Cremations can be enforced against personal and religious wishes.

Changes to the court system. Registration of deaths.

No inquests into suspicious deaths. No requirement for any medical certification for burials or cremations.

Health services are indemnified should they fail for whatever reason to provide care.

Only one medical 'officer' is required to sign off COMPULSORY TREATMENT ORDER which means you can be forced to accept medication including injections. Schedule 8 Pt1.

Local Authorities will now be exempted from compliance with their duties under The Care Act 2014, Schedule 11.

Corrections:

No requirement for any medical certification for burials or cremations. They usually require two people independent of each other to sign off on death certificates. Now they will only require one. Being forced to take medication because only one doctor is signing off. I thought as long as the patient is coherent they can still say what they do or don't want. I don't know about the last point.

We see that protesters are threatened with jail time. Some people have been forced to quarantine against their will even before they got into full swing with this agenda. One guy I listened to said he wouldn't have taken the trip if he knew they were going to force him into a hotel. In Kenya, they limited the amount of time a dead body could be at the funeral home and we have all seen restrictions on funerals. We have heard that they were cremating bodies in China when this first got started. We know that people are being forced into testing as well. They have rolled right over our Constitutional rights here in America and we know it is even worse in other countries.

CLOSING

Daniel 7:25 - And he shall speak *great* words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time.

This is talking about the antichrist. The only ones opposing him are Christians and he tries to wear us out already with the laws and regulations that are passed as well as spiritual attacks. The antichrist comes to power through or on the beast system which is our world governments. They are already working together and this coronavirus agenda made that very clear. He or it gets its way because it just passes laws to reinforce what it wants. When all of this began to happen it

became clearer to me about how the beast system gets everyone to bow to it. The antichrist will just change laws and pass laws and regulations. Like the mask wearing nonsense. Like lockdowns. Like quarantines. They have been working vigorously to pass laws making children take the vaccines. That one isn't going away and especially not will all the vaccines they have for this coronavirus. DO NOT TAKE ANY MORE VACCINES. Go back and watch the messages where I have exposed all of that. Listen to Tony Pantalleresco on that and Dr. Tent too. Eventually it will be a law to take the MARK OF THE BEAST or be beheaded. This is all coming through our world governments which is one system – the beast system. The great whore rides on this system and she is the Mystery Babylon Religion and they all serve her. Go back and watch the most recent messages I did on Satanic Ritual Abuse and Sacrifices and understand that it is in the top levels of this whole world. They all serve lucifer. You don't get to be the president of the United States without having gone through the ritual abuse, mk ultra mind control, being sexually assaulted and all of it. Many of them grow up and stay in it and become the perpetrators, become the ones doing the sacrifices and the abuse. That's what we are dealing with here. Our world governments don't serve Jesus Christ but they serve lucifer. That's as plain as I can put it.

It is frustrating to see those who do not understand that every government is part of the beast system including the United States, especially the United States. All we can do is keep speaking the truth and pray for the ones who aren't awake yet. As the remnant, we have to go on for Jesus Christ and try to wake up the ones we know and love. I believe the only reason Jesus is tarrying is God is waiting for more souls to be saved.
