

## COMPLETION of PASTOR DALBEER'S HOME

I would like to thank God for making this house and also My sister Cherie Brother Scott and Kennedy and also. Our brothers and sisters of Three heart congregation. By your prayers and support this is being possible. I never had thought that I will ever have a house but sister Cherie, brother Scott, Kennedy and our Three Heart Family made it possible for us.

I feel tears in my heart after seeing us way back on to that day where we did not had any meal at our home. And at those days God taught me one thing that situation will come where we will be tested and He will show us the way and take us through it.

I thank Sister Cherie Brother Scott and Sweet Kennedy for helping us and we love you all.

House opening gathering we had around 75 to 80 people at the house and we shared gospel and it was followed by the meal and there were some people who were able to heard the gospel for the first time.

With Christ Love

Pastor Dalbeer Singh &family

This is the Singh family. Left to right is: Ms. Basanti, Pastor Dalbeer's mom, then Sachin his second son, then the girls – Sonali and little Shamyra, next is Pastor

Dalbeer and then Sourav and last is Sunita. I have to say again how much Pastor and his family have worked for the women there to have an education and to be treated like they matter because they do. God loves all of His children. One day Pastor was going around the village ministering and found Shamyra, a 2 week old baby left outside to die. The family did not want her because she is a little girl. I praise God that Pastor and his family took her in and he shares stories to me about her teaching them stories of the Bible. Thank You Lord Jesus for her life being spared for Your Glory!

Pastor has never had a home of his own . A few years ago he and his family were evicted from their home. The owner of that home and land wanted to sell it so he asked them to leave.

There is not much available land in the city where they live and where his ministry is headquartered. By the grace of God he was able to find another home to rent while we were building his new home. That home flooded and rain came in all the time and ruined many of their things. They lived there for over two years.

In their old home there were 3 rooms and a kitchen and bathroom. Sourav and Sachin slept in the living room, Ms. Basanti and Sonali shared a room and Pastor Dalbeer and Sunita and little Shamyra all shared a room.

We began building in October of 2018 and we finished in November of 2020. So just a little over 2 years. This is a view from the street of the outside of the home. It may be hard to see but right beside the green thing is Pastor's home.

This is another view of Pastor's home from the street. It is very hard to see. They are in the Himalayan Mountains and so the homes are hard to see and it seems they are pretty much built straight up. So tall and narrow homes.

This is the downstairs dining room and living room area. That's Pastor Dalbeer.

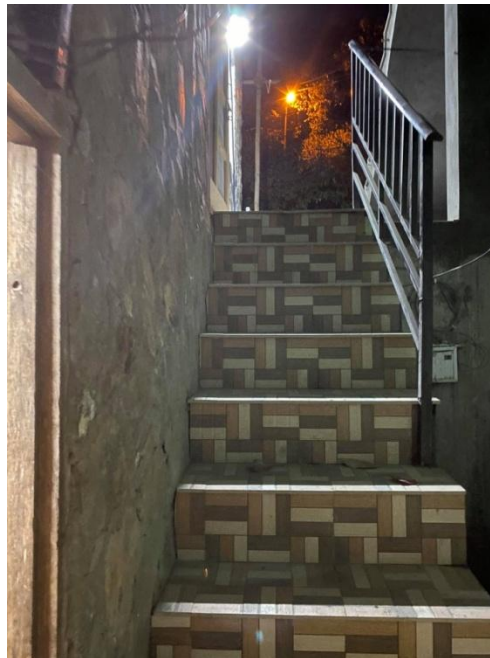

Here is the kitchen and it is downstairs too.

They did not have water or plumbing in their previous home. Sourav and Sachin used to go to the public water place to fill up their water cans and then bring them home and then refill them later. One can used to be about 20 litres, which was nearly about 5 min walk and they used to fill the water for the home for daily needs, they used to do it twice a day so they would have enough water. Sometimes when there was no water supply, they used to ask their neighbors to give them water for daily needs.

This is Pastor Dalbeer and Sunita's room and they share it with Shamyra. It is also downstairs.

Let's head upstairs. These are the stairs that lead from the downstairs to the 2<sup>nd</sup> floor.

This is the front door to the upstairs. I like this plaque. It says: Eden Garden - The Lord God took the man and put him in the garden of Eden to work it and keep it.

If you open the front door of the upstairs, this is your view. There are 4 doors to 4 bedrooms and the door at the end of this hallway is the bathroom.

Here is the bathroom or the washroom. I thought the tile work that they chose was so pretty.

This is Sachin's room. All of the bedrooms are upstairs except for Pastor Dalbeer's room.

This is Sourav's room and it has a little office space in it. He takes most of the pictures that you all see in the reports and he also types up the outreach updates from India. He does a lot of computer work. Please keep him in your prayers because he also suffers from migraines.

This is Sonali's bedroom.

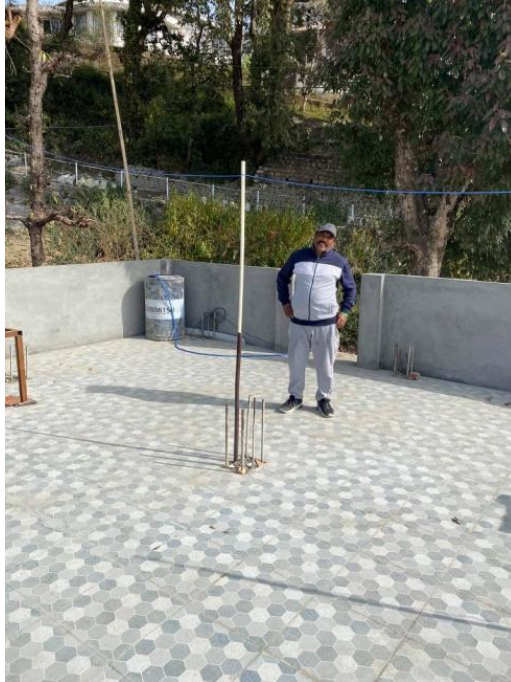

This is Ms. Basanti's bedroom. If they have someone who has traveled far to their home or to the church at their home, this is also the guest bedroom as Ms. Basanti will then share a room with Sonali.

This is an outside view of the second floor and the wall that is going up on the roof.

That is Pastor there in the picture at the top of the second set of stairs. This area that you are looking at is in front of the front door on the 2<sup>nd</sup> level or the upstairs. This staircase leads up onto the roof.

This is Pastor here on the roof. Pastor had told me from the start when we were talking about building him a house that he would have a church in it. Initially the church was going to be in the upstairs but Pastor said they ran out of room. So now the plan is to have it on the roof. For now he is having church in his home. His home is completed and the church is being completed as God provides.

**1 Thess.5:12-13** - And we beseech you, brethren, to know (acknowledge) them which labour among you, and are over you in the Lord, and admonish (teach / give you spiritual guidance) you;

**1 Tim. 5:17**- Let the elders (church leaders) that rule well be counted worthy of double honour, especially they who labor in the word and doctrine (teaching).

**2 Kings 4:8-17** - And it fell on a day, that Elisha passed to Shunem, where *was* a great woman; and she constrained him to eat bread. And *so* it was, *that* as oft as he passed by, he turned in thither to eat bread. And she said unto her husband, Behold now, I perceive that this *is* an holy man of God, which passeth by us continually. Let us make a little chamber, I pray thee, on the wall; and let us set for him there a bed, and a table, and a stool, and a candlestick: and it shall be, when he cometh to us, that he shall turn in thither. And it fell on a day, that he

came thither, and he turned into the chamber, and lay there. And he said to Gehazi his servant, Call this Shunammite. And when he had called her, she stood before him. And he said unto him, Say now unto her, Behold, thou hast been careful for us with all this care; what *is* to be done for thee? wouldest thou be spoken for to the king, or to the captain of the host? And she answered, I dwell among mine own people. And he said, What then *is* to be done for her? And Gehazi answered, Verily she hath no child, and her husband is old. And he said, Call her. And when he had called her, she stood in the door. And he said, About this season, according to the time of life, thou shalt embrace a son. And she said, Nay, my lord, *thou* man of God, do not lie unto thine handmaid. And the woman conceived, and bare a son at that season that Elisha had said unto her, according to the time of life.

This still holds true today. In Biblical times they always knew to approach the man or woman of God with gifts. They knew to honor them because they represented God to the people.

Look what happened, the woman recognized the man of God, she knew he was doing the Lord's work and so they got busy and made him a room and furnished it so that he could be comfortable there. Immediately Elisha said, ok, you have blessed me, what can God do for you? God blesses us when we honor His servants. Pastor Dalbeer and his family serve the Lord and are doing great works there. We have a hostel there, that is where orphans and poor and needy children live. We are providing shelter, food, clothes and a Christian education for them. We have a Christian school there. Let alone countless house churches that Pastor has established there. He has a church in his home now.

All the while we were building his home the work for the Kingdom never stopped. We sent provision for the work to continue at the same time. Now this Pastor and his family have a safe place, a home of their own where they will not be evicted, it will not flood and we thank you all who participated in making this happen. Those who stand with this ministry in support and prayer are part of these great works and God will surely reward you now in this life and most especially in the one to come. We appreciate you all, God bless you.
