

PREDESTINATION and FREE WILL Pt. 5: CHOICE, FREE WILL, ROBOTS

We are continuing to talk about free will and choice today.

Acts13:46-48 – Then Paul and Barnabas waxed bold (grew bold), and said, It was necessary that the word of God should first have been spoken to you: but seeing ye put it from you (since you reject it), and judge yourselves unworthy of everlasting life, lo, we turn to the Gentiles. For so hath the Lord commanded us, *saying*, I have set thee to be a light of the Gentiles, that thou shouldest be for salvation unto the ends of the earth (that you may bring salvation to the ends of the earth). And when the Gentiles heard this, they were glad, and glorified the word of the Lord (thanked the Lord for His message): and as many as were ordained (chosen) to eternal life believed.

For the most part, the majority of the Jews rejected Jesus. Here Paul says they judged themselves unworthy of everlasting life. He was stating that they had a choice and they chose not to believe and be saved.

On the other hand, the Gentiles or nations here, did believe, and it says as many as were ordained to eternal life, believed. That means that when God looked at all the people He was going to create and knew who would be saved, that He ordained or made the decision for them to have eternal life through Christ. We see that this passage confirms exactly what predestination means. God knew they would come, so when He sent Jesus to be the sacrifice for the world, the ones who God knew would come, did come and believe. After they believed then God's individual plan for their lives began to unfold and they began to be more like Jesus or as Romans 8:29 says, God predestined them to be conformed to the image of His Son.

God knew them and all that they would believe and do before they were ever born. He did not only create people that would believe. But His plan for eternal life only applies to the ones who had a heart for God even before they were created and even before they knew anything about it. God looked out over the

expanse of time and knew who would come to Christ and be saved. Remember He draws us but we still have a choice to make, follow our will or give our lives to Him and follow His will for our lives.

God's plan of salvation was for all men, but God knew all along that not all men would come and be saved.

Philippians 3:18-19 – (For many walk, of whom I have told you often, and now tell you even weeping, *that they are* the enemies of the cross of Christ: Whose end *is* destruction, whose God *is their* belly (feasting), and *whose* glory *is* in their shame (they brag about shameful things), who mind earthly things (they are only concerned with things in this life).)

If it was a predetermined fact that we were preplanned for either eternal life or eternal damnation and we could not do anything on our part, would Paul be weeping over these enemies of the cross? No, he wept because they made the decision to be against God of their own free will.

1 John 2:19 - They went out from us (left our churches), but they were not of us; for if they had been of us, they would *no doubt* have continued with us: but *they went out*, that they might be made manifest (it was shown) that they were not all of us.

There were some that left that body of believers. Some leave when their toes get stepped on because of sin. Or some just prefer their sin and go back to it. And these may not have been saved at all.

God has always given us a choice. The Bible tells us: if you believe, if you continue, if you abide, if you persevere... Those who persevere in the faith are the ones who are predestined for glory. That's why I always tell you all to keep the faith, obey and run a strong race. We must persevere until the end.

1 Peter 1:2 – Elect (Called) according to the foreknowledge (advance knowledge) of God the Father, through sanctification of the Spirit (through the sanctifying work of the Spirit), unto obedience and sprinkling of the blood of Jesus Christ: Grace unto you, and peace be multiplied.

God's plan for eternity is only for the obedient ones who have the blood of Christ applied to their lives. It was never a mystery to God or a surprise to Him who would come and be saved. He gives those who don't love Him a chance too, look at King Saul, God started with him and he wanted to please the people rather than God. So God moved on and chose King David to be the next king.

Deut.30:19 - I call heaven and earth to record (witness) this day against you, *that* I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live:

You choose. He even ends by urging them to choose life. Today, we are still making that same choice. You can live under God's blessing and protection and know that you have eternal life or you can live apart from God and live under the curse, unprotected, with satan's hand on your life and the end for you if you stay on that path is destruction.

Joshua tells the people to choose to serve God or the idols of their neighbors.

Joshua 24:15 – And if it seem evil (undesirable) unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that *were* on the other side of the flood (beyond the river Euphrates), or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

This idea that God chose some to be saved and the rest He chose to be damned is another way of stirring up confusion, pride, privilege and will even cause many to turn away from God. If they hear this false teaching and have lived a very sinful life they might believe that they must be a vessel of dishonor or wrath, a vessel fitted for destruction and that there is no hope for them so why even try. This is some of the wickedness that satan hopes to accomplish with those that he convinces to teach this way.

Are you now questioning if you are a vessel fitted / prepared for destruction? I remember years ago when I was worried that I had blasphemed the Holy Spirit. I was worried because of the guy who used to say the same thing in tongues every Sunday and I did not believe it was from God but rather that it was just this man

trying to show off. I had asked my pastor at the time about it and he reassured me that because I was asking, he could guarantee me that I had not done it. He could say that, because he knew the ones who had blasphemed the Holy Spirit, hated God and wanted no part of Him. And when you blaspheme the Holy Spirit you will know full well what you are doing. It's no accident.

1 Thess.5:9 - For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ,

If you are seeking the Lord, you desire to read His Word and pray so that you can have a close relationship with Him, then you are not a vessel of wrath.

Can a person be predestined and still walk away from God? This is a tricky question because on the one hand there is free will and God doesn't make us do anything. On the other hand, if the person was going to walk away from God, God would have known that from the beginning and He would never have predestined them.

For a predestined person, when God draws them by His Spirit to Jesus Christ, at some point they accept His invitation and truly get saved. God made the first step to draw them but they exercised their free will in choosing Jesus Christ. Then God's plan to mold and shape them to be like His Son, Jesus Christ goes into action and they continue to grow in faith and be conformed daily to be more and more like Jesus by God's Spirit living inside of them. You could say those He predestined, He sets up for success, He equips us, His plan for our lives begins to unfold.

We can still sin. The Bible tells us to deny ourselves daily, pick up our cross and follow Jesus. It is a process and it is a daily choice. We can still backslide or walk away completely.

In the Old Testament God was continually pleading with His people to come back to Him, to stay with Him, to serve Him and love Him with their hearts.

No choice cannot be true because the Bible is filled with verses that tell us directly to make choices, and it tells us how we are to live. If you live by God's Word, it requires free will and the ability to choose.

Jesus chose to do the Father's will, He did not force Him to do it. He prayed in the garden for God to remove that cup from Him but when the Father was silent Jesus went on and did the Father's will. Thank You Lord Jesus so much for that!

And in the beginning, Adam and Eve had a choice, to obey God or to sin and when they chose to listen to satan, the whole world fell into a sinful state. From that time on everyone was born into sin. The Psalms tell us even babies are born into sin because we are in a fallen world (Psalm 51:5). Every person born of the flesh needs salvation. The Bible tells us we must be born again or born from above.

John 1:11-13 – He came unto His own (the Jews), and His own received Him not. But as many as received Him (to all who accepted and believed in Him), to them gave He power (the right) to become the sons of God (children of God), even to them that believe in His name: Which were born, not of blood (not of natural descent or a physical birth), nor of the will of the flesh (not of a human's decision), nor of the will (plan) of man, but of God.

This is speaking of being born again or born from above, not a human birth but a Godly one. This is a spiritual birth that happens once you believe in Jesus and what He did for you. This is when the Spirit of God comes into your life.

Predestination was from the beginning, before God created man He had a plan for each one who would come to Him and be saved, whether that was Old Testament saints through the keeping of the law and bringing sacrifices year by year or New Testament saints coming to Christ, believing in what He did for us and repenting of their sin and living an obedient life while we wait on His return.

CLOSING

God never wanted robot servants. How would HE receive any glory if His servants were made to serve Him robotically? That is satan's way, to make people serve him mindlessly. That's what he's doing by loading us with chemtrails – the

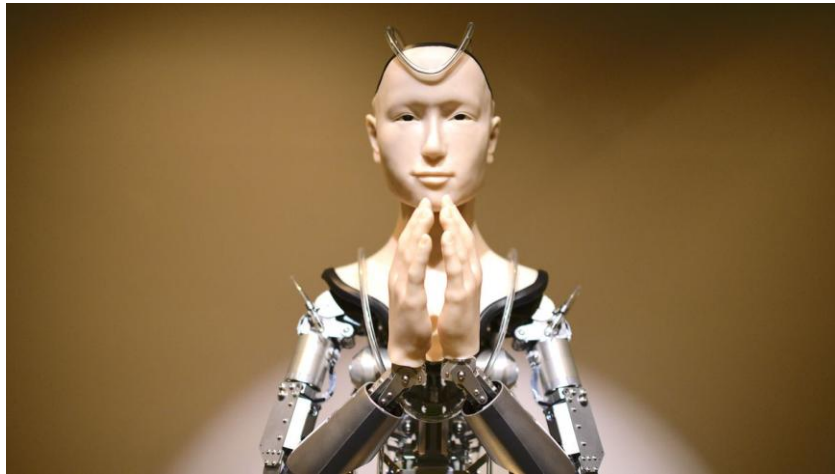

nanotechnology and running his a.i. system off of our dna. AT&T has patents: routing policies for biological hosts and one for devices and methods for transferring data through a human body. Satan's a.i. system is already running off of our dna. Remember we learned already that our dna is like an antenna and with his a.i. he sends thoughts to us and he retrieves thoughts from us as well. He's imitating God. He cannot be God so he's trying to get as close as he can. He is having to use artificial methods to make it seem that he is everywhere at once and that he knows our thoughts. That's how the voice of God weapon works. Through frequencies being sent into targeted individuals minds making them think God is speaking to them.

*Please play this video – Rudolf Steiner wrote over 100 years ago that in the future “we” will eliminate the soul with medicine. Under the pretext of a ‘healthy point of view,’ there will be a vaccine by which the human body will be treated as soon as possible directly at birth, so that the human being cannot develop the thought of the existence of soul and Spirit. To materialistic doctors, will be entrusted the task of removing the soul of humanity. As today, people are vaccinated against this disease or that disease, so in the future, children will be vaccinated with a substance that can be produced precisely in such a way that people, thanks to this vaccination, will be immune to being subjected to the “madness” of spiritual life. He would be extremely smart, but he would not develop a conscience, and that is the true goal of some materialistic circles. With such a vaccine, you can easily make the etheric body loose in the physical body. Once the etheric body is detached, the relationship between the universe and the etheric body would become extremely unstable, and man would become an automaton, for the physical body of man must be polished on this Earth by spiritual will. So, the vaccine becomes a kind of arymanique force; man can no longer get rid of a given materialistic feeling. He becomes materialistic of constitution and can no longer rise to the spiritual.” *(about 2 min's)

Thank you Bryan T. for sharing that with all of us.

We have luciferians running this world for satan. They are eugenicists and want to reduce the population drastically. That is one of the main agendas we are watching play out with this current medicine they are offering. Remember “FUNVAX” the fundamental vaccine they were using to target the God gene inside of our minds. That was a lecture given at the Pentagon. They have done the research and they are accomplishing so much through their shots. satan doesn’t care about your heart, he just wants your soul and he wants it damned to hell and then the lake of fire for all of eternity.

This is a robot priest in Kyoto, Japan. He can bless you, advise you and perform your funeral. The One True and Living God will not receive any prayers offered up by a computer which is what a robot is.

This was a satanic temple rally at the state capitol. satan wants God's most precious creation, mankind, to worship him. He will take you any way he can get you. Mindless robot is fine with him.

Do not believe there is no free will involved in being saved and serving God. satan wants to deceive you so that you won't make an effort to come to God when He draws you. satan wants you to think you don't have to do a thing because God will just make you do it or cause you to do it.

I hope this message has helped you to understand predestination and free will and how they work together. God loves you and He wants you to come to His Son, Jesus Christ and be saved.

PRAYER

Help us to choose Your plan. To seek you first. Help us not to be deceived by any man or fallen angel or anything.
