

## EXPOSING CORONAVIRUS VACCINES Pt 3: VACCINATED ARE AFFECTING THE UNVACCINATED

\*Please play this video – Rudolf Steiner wrote over 100 years ago that in the future “we” will eliminate the soul with medicine. Under the pretext of a ‘healthy point of view,’ there will be a vaccine by which the human body will be treated as soon as possible directly at birth, so that the human being cannot develop the thought of the existence of soul and Spirit. To materialistic doctors, will be entrusted the task of removing the soul of humanity. As today, people are vaccinated against this disease or that disease, so in the future, children will be vaccinated with a substance that can be produced precisely in such a way that people, thanks to this vaccination, will be immune to being subjected to the “madness” of spiritual life. He would be extremely smart, but he would not develop a conscience, and that is the true goal of some materialistic circles. With such a vaccine, you can easily make the etheric body loose in the physical body. Once the etheric body is detached, the relationship between the universe and the etheric body would become extremely unstable, and man would become an automaton, for the physical body of man must be polished on this Earth by spiritual will. So, the vaccine becomes a kind of arymanique force; man can no longer get rid of a given materialistic feeling. He becomes materialistic of constitution and can no longer rise to the spiritual.” \*(about 2 min’s)

I have moved on from the coronavirus teaching series for right now. I will continue it at some point. We are still in the vaccine stage of the agenda. I have already warned and warned and warned about ALL vaccines and how they are being used against us. These current vaccines are even worse than what we’ve had in the past. Please go watch the Coronavirus teaching series if you don’t know about vaccines in general and how bad they are for us. I have learned that behind most autoimmune diseases lies a vaccine or nanotechnology or both. Also there are links in my notes here, of excellent videos that expose the vaccines for

what they really are. Two main videos to wake up about vaccines in general are by Dr. Tent and another is one from the 1980's that Tony Pantalleresco shared.

Most people that wake up about vaccines and begin to educate their dr's are parents who have vaccine injured children. That's sad to say. Our dr's just don't know. They bought the lies just like we have, they have not questioned or looked into anything. Not to mention the dr's are getting major kickbacks for vaccinating children and even more money for fully vaccinated children plus flu shots. Big Pharma isn't going to do anything unless they make a major profit. The government, which is the beast system spoken of in the Bible, took over the financial responsibility for vaccine injuries. That took the liability off of dr's and big pharma so they are free to operate and have no worries about the fallout. It's not their dime, they aren't the ones paying the lawsuits for the deaths and injuries so they have no interest in doing any research and learning the truth for themselves. Nice scam the government put in place.

These current vaccines are poisons, they have nanotechnology in them, they are synthetic, they have animal viruses in them, aborted fetal tissue, loads of chemicals, they will forever change your dna, they are making you into a factory creating this spike protein and that process never stops. There is no off button. They were never designed to give immunity. This whole thing is an agenda of the luciferians. It isn't just accomplishing one thing, it has many layers.

I learned from Dr. Simone Gold that these vaccines are creating something called antibody dependent enhancement. They don't actually cause immunity, rather it causes a person's immune system to overact in a negative way if they should be exposed to the virus. This was seen in prior corona virus vaccine studies that were done on animals. For example on ferrets. When they were given the first dose of the vaccine they were fine. When they were given the 2<sup>nd</sup> dose they were fine. Then when they were exposed to the virus in the wild, they died. That's why sarscov1 never came to market. They have done these studies long before they manufactured this current plandemic. They already knew what happened in animals that were vaccinated in this way. She shared that some people were vaccine hesitant because of what was done with the Tuskegee

experiments and rightly so. She said she had discovered that they have been targeting black and brown people through vaccines all along. She said there are 6 vaccines that effect races. And she said there is 1 vaccine that effects white boy babies. She said they know this and so they have pushed out a campaign to make it seem that these vaccines are racial justice and an advantage to black people. To get them to line up for this. That's probably why they started that rumor that covid was really effecting black people also to deceive them into lining up for the vaccine.

So to sum it up, these vaccines are designed to make your immune system break down. So that you begin to get autoimmune disorders. Not to mention the deaths and injuries that are occurring already.

Now I have learned through Tony, through Dr. Tenpenny and others that these vaccines are weaponized also against those of us who stood against them and would not take them. There is a shedding or transmission effect from those that took the vaccines to those that did not. So the luciferians found a way to get to everyone, in hopes of reaching as many as they can. I brought out in the Coronavirus teaching series that our world leaders, world governments, those at the top are luciferians and they are eugenicist. They have openly stated and published through the Georgia Guidestones and videos and documents that they want to drastically reduce the world population. Believe me they are hard at it. You will not hear of all of the injuries and death being caused by these vaccines on the news. The news is propaganda and it is the machine being used to drive fear into people's hearts and cause more of them to get the vaccine. This is not the mark of the beast but it is a precursor to it. Making a huge profit, control, passing and implementing their laws paving the way for their new world order and massive die off seem to be some of their goals in all of this.

If you want to be aware of the injuries and deaths that are happening you can go to VAERS website (Vaccine Adverse Events and Reactions) and find that information. But be informed that most don't report deaths and injuries because they have been so brainwashed to believe that anything that happens would never be because of a medicine that the government said was safe and effective.

Some dr's have said that maybe 1% are being reported there. So imagine those numbers greatly multiplied and then you will have a truer picture.

Thank you Tony for sharing so many videos to make us all aware of this. It has been really good to see you in so many videos and interviews and out and about lately. You gave me some new pictures to work with. Tony also shared information from the Pfizer documents on the vaccine trials where they were also interested in the effects of a vaccinated person making contact or sharing the air space of a non-vaccinated person. Since the non-vaccinated person wasn't in the testing trial, they wanted to keep that information separate. They wanted to know that information but did not have to report on that information.

So you have to have eyes to see, they knew this vaccine and the effects it produces would spread to those that did not even take it. Why else would they be interested in what happens to a non-vaccinated person coming into contact with a vaccinated one. Thanks Tony, for your own videos also to help people to fight against this and take measures to protect themselves and to do what they can to try and keep themselves healthy. There is a link to Tony and his information on our website on the links page.

Thank you Ms. Tommie for also sharing some information on this very subject with me. Thank you to Katrina and Kimberly who also shared some powerful videos with us to wake us all up to the weaponization of these injectibles. Ms.

Beth shared some videos too and one was a great video that explains about the blood clotting. It is in the links on my notes and in the info box for wherever you are watching this.

**WARNING:** There are shill dr's in some of these videos. I believe they are giving good information and in that case it is because the luciferians want us to be aware of what they are up to. I believe Dr. Christine Northrup and Dr. Simone Gold are two, just to name a couple.

Please, if you haven't heard of this, watch the videos in the links of this update in my notes on the website. Also, you will see them in the info. box on Bitchute. This video will not be on Youtube because they would only pull it as anything about vaccines is censored by Youtube.

### **C J shared: HOW TO LEGALLY DECLINE THE VACCINE**

Do not refuse the vaccine otherwise you will be considered A belligerent anti vaxxer. Instead, pursue your natural legal right to have informed consent.

**Step 1:** Ask if the vaccine has MRC 5 in it. These are aborted fetal cells and other DNA. (THEY ALL DO). If the vaccine has MRC5 in it you have the right to decline.

((The human dna in vaccines is also called: human dna, human albumin, human diploid cells, human fibroblast cell strain, genetically engineered human albumin, Wistar RA 27/3, WI-38, HEK293, PER.C6 and MRC-5. These are in almost all vaccines. Another human's dna injected into you or your child is going to cause problems. It will be seen as a foreign invader - and your body will attack it. Sooner or later you will have a reaction.)

**Step 2:** Ask if there is any chance of a Latrogenic reaction. An adverse reaction caused by multiple compounds or drugs interacting with each other. (THEY ALL DO). When the doctor says yes, this is your **GET OUT OF VACCINE FREE CARD**. Thank the doctor for their offer, and walk away. REMEMBER: doctors have sworn the Hippocratic Oath which is to do no harm. They must honor it. This is how we can legally and respectfully decline their offered, mandated services and there is absolutely nothing they can do about it.

You can also request a vaccination exemption form for your state.

**VACCINES CONTAIN TOXIC INGREDIENTS THAT SHOULD NEVER BE INJECTED:**

Aborted Fetal Cells mercury **Aluminum**  
*E. coli* Polysorbate 20 EDTA Polysorbate 80 **Animal Parts**  
Spermicide Insect Cells Latex Rubber **Monkey Kidney Cells**  
Pig Sorbitol **Detergent** Beta-Propiolactone  
Blood **Genetically Modified Yeast** *Glutaraldehyde*  
**Formaldehyde** GM Soy **MSG** monosodium glutamate **Barium**

Do these sound healthy to you?

Vaccines contain toxic ingredients that should never be injected: Aborted fetal cells, mercury, aluminum, e. coli, polysorbate 20, EDTA, polysorbate 80, animal parts, spermicide, insect cells, latex rubber, pig blood, sorbitol, detergent, beta-propiolactone, monkey kidney cells, genetically modified yeast, glutaraldehyde, formaldehyde, gm soy, msg – monosodium glutamate and barium. Do these sound healthy to you? LearnTheRisk.org

And just as a reminder, anytime you go into the hospital or for a procedure, write across the tops of all forms **NO VACCINES TO BE ADMINISTERED**. If you don't they will give you vaccines while you are in surgery even though you never asked for them or gave permission.

The reference links I have provided here in my notes on our website and in the info. box are so valuable. I have compiled so many resources here for you. If you know someone that isn't awake, share these videos with them. If you have to convince a boss why you're not getting the vaccine have them watch this and go through the links. I have provided so much information and many links of credible dr's that are standing against the vaccine and speaking out about it.

The real dr's are being silenced and the paid for government science dr's who have never treated real patients are the ones puppeting the information to deceive you and your loved ones into taking these deadly vaccines.

If you took the vaccine or any vaccines and are still here and still healthy you should thank God for that. We have been under attack for a long time and the vaccines are now weaponized and getting deadlier. I personally feel I am a vaccine injured person who was not aware at the time. I thank God for all the people we are reaching and helping to wake up about vaccines.
