

JESUITS and the PRE-TRIBULATION RAPTURE – Pt 2: JESUIT OATH, INFILTRATION, EARLY TEACHERS of PRE-TRIB

****WARNING – NOT APPROPRIATE FOR YOUNG CHILDREN – maybe 10 min's****

Let's read the oath that the Jesuits take. I have also provided a link to this document. If I have a comment now and then, bear with me.

I now in the presence of the Almighty God, the blessed virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist...and my ghostly father, the superior general of the Society of Jesus, founded by St. Ignatius Loyola, do by the womb of the Virgin...swear that his holiness the pope is Christ's vice-regent, and is the true and only head of the Catholic or Universal Church... I do now renounce and disown any allegiance is due to any heretical king, prince, or state, named Protestant or Liberal, or obedience to any of their laws or magistrates, or officers. I do further declare the doctrine of the Church of England, and Scotland, and of Calvinists, Huguenots, and others of the name of Protestant or Liberal, to be damnable, and themselves to be damned, who will not forsake the same. I do further promise and declare that, notwithstanding I am dispensed with, to assume my religion heretical for the propagation of "Mother Church's" interest, to keep secret and private all her agents, counsels, from time to time, as they interest me, and not divulge directly or indirectly by word, writing, or circumstances whatever. I do furthermore promise and declare that I will, when opportunity presents, make and wage relentless war secretly or openly, against all heretics, Protestants, and Liberals, as I am directed to; extirpate them from the face of the earth; and that I will spare neither age, sex, or condition, and that I will hang, burn, waste, boil, flay, strangle and bury alive those infamous heretics; rip up the stomachs and wombs of the women, and crush their infants' heads against the walls in order to annihilate their inexcusable race. That when the same cannot be done openly, I will secretly use the poisonous cup, the strangulating cords, the steels of the poinard, or the leaden bullets, regardless of the honor, rank, dignity, or authority of the persons, whatever may be their condition in life, either public or private, as I at any time may be directed to by

any agent of the Pope, or the superior of the Holy Father of the Society of Jesus. In confirmation of which I hereby dedicate my life, my soul, and my corporeal powers; and with this dagger, which I now receive, I will subscribe my name written in my blood in testimony thereof; and should I prove false, or weaken in my determination may my brethren and fellow-soldiers of the militia of the Pope, cut off my hands and my feet, and my throat from ear to ear, rip my belly open, and sulphur burn therein, and all the punishments that can be inflicted on me on earth, and my soul be tortured by demons in an eternal hell for ever. In testimony thereof I take this most holy and blessed sacrament of the Eucharist, and witness the same further with my name written with the point of this dagger, dipped in my own blood, and sealed in the face of the holy covenant.

They are above the law. All luciferians, freemasons, witches, those in secret societies take an initiation and swear oaths. This oath has nothing to do with the God of the Bible. No mention of Jesus Christ and notice how they call the black pope their ghostly father. They use terms like god, lord and even almighty god but they are not talking about God the Father. They put Mary and some saints and an archangel in there. These are presidents, world leaders, military leaders and what appears to the world to be church leaders. This is the kind of wickedness that has sworn an oath to tear down God's true churches. They are a military and they do kill and take out those who get in their way. They are not confined to the Roman Catholic Church. They have infiltrated all churches and pose as whatever particular religion the church they pastor and minister in happens to be. They are also not confined to churches, they go wherever they need to go and carry out their orders. So that is enough to give us an idea of who the Jesuits are and what their mission is.

*Please play from 45:41 to 58:01 – A Refresher about the infiltration of the Jesuits into ALL churches from my own message “Mandela Effect Scripture Changes – Part 10.” Here is what is discussed: While we are talking about infiltrators of the church, let me refresh you on what Alberto Rivera, a former Jesuit priest of the Roman Catholic Church had to say: He said they are taught to push a “love and grace” gospel which is not the whole truth. When they infiltrated churches as a congregant, if someone there was against the Catholic Church they would start fights saying they were not “showing love” and make the people feel guilty. They would talk of relatives or friends (fake of course) in the Catholic Church who they knew to be truly saved and Christian. They were there to destroy and plant doubt and bring division. Of course to the pastors who were against the RCC they would privately take their side so this caused strife in the church. Communism, satanism, Musselini, Stalin, Hitler, new age etc. all came from the Roman Catholic Church. Alberto said that when he taught the scriptures he would pervert the gospel. They are purposely taught not to teach the truth, to twist the scriptures to keep the Catholics from the truth. They teach you need Jesus AND Mary. Mary is not in **John 3:16**. They also teach that salvation comes in parts and in time. He said there are 7 sacraments for salvation. They still pray for popes that died 900

years ago, to get them out of purgatory. He said, **PROFESSING JESUS AND NOT BEING SAVED IS THE MOST POPULAR DECEIT.** People who refused to recognize and honor the RCC and were truly worshipping Jesus were called witches and were tortured and murdered. Then I showed a clip from Gail Riplinger: talks about the Theosophical Society and what their plans are. They are the perpetrators of luciferianism. She got a hold of the transactions of the first annual congress of the Theosophical Society which took place around 1900. She shares that the Theosophical Society said in that meeting that theosophy (the worship of lucifer) would come through the church and not through the Theosophical Society. That theosophy must and should come to large bodies of people. She begins to speak of their plan to rewrite scripture and take away passages that grate on the ears like “washed in the blood.” She says, that doesn’t grate on her ears, that’s how she’s getting to heaven. End of video clip description. If you want to know how bad the new translations of the Bible are and how much tampering went on with them right from the printing press, listen to some of Gail’s videos. The one I just showed is a great one, it comes in two parts and the links will be in my notes. The luciferians have heavily infiltrated the churches already. Freemasons and witches are standing in the pulpits. The Jesuits are heavily teaching love and grace and once saved always saved and nothing on repentance, the baptism of the Holy Spirit and obedience. The churches today look just like the world and that is why the world is so comfortable to attend them.*(about 12.5 min’s)

Those in high up positions are serving satan and remember this is his world. He has raised his leadership up. You will not be promoted up to a positions of power or fame etc. unless it serves his agenda.

The churches are almost fully taken over by them already. And if not a full blown Jesuit undercover, then the pastors and ministers in the churches are already teaching their lies and imitating them in their churches so what is the difference?

Back to my research on the idea that the Jesuits made up the pre-trib rapture teaching. The article in Wikipedia states that the idea of a rapture as it is

currently defined is not found in historic Christianity. This always throws me off because it is in our Bibles. That is where it is coming from. Did you know that theologians all down through time have changed their mind about different doctrines within Christianity. Sometimes it is a maturing in the faith that sheds light on something that they have misunderstood. Sometimes they are being led by another spirit and not the Holy Spirit. I see the witches today, the telewitches who are false teachers, standing on every base where the rapture is concerned. Some of them teach a pre-trib rapture, some a mid-trib rapture and some a post-trib rapture. Satan has all of his bases covered to create chaos and confusion in the church and keep you from the truth. Many false teachings have been floated out by Satan's ministers. You have to have God's Word in you, have read it several times, and be baptized into the Holy Spirit so that when you hear something that isn't right, the Holy Spirit is bringing Scripture to your mind as to why it isn't right or as to why something is right. Pray and seek the Lord about things you aren't sure about or that you want to understand better.

Remember the Luciferians have destroyed many historical writings and books to keep them out of our hands. They have decided what would be canonized in our Bibles and there are many books referenced in our Bibles which we do not have. They have gone about hiding the truth of what happened when the angels fell. I was not surprised to hear that they say we don't have anything historically about the rapture. You have to dig and vet out information to find it. It is there but they like to just say no one ever taught on it. And that stops many people right there. Well that's a lie.

HA! These ding dongs always want to point to John Darby or some other person from the 1830's that this is where the idea of the pre-trib rapture came from. And that the idea of the pre-trib rapture didn't exist before this time.

Oh really??? All of these scholars taught the pre-trib rapture prior to 1830:

Philip Doddridge (1738), James Macknight (1763), Thomas Scott (1792), Epistle of Barnabas (100 AD), Irenaeus (202 AD), Hippolytus (2nd Century), Justin Martyr (100 AD), St. Victorinus (270 AD), Manuel de Lacunza (1731 - 1801), Ephrem the Syrian (306 - 373 AD), Reverend Dolcino (1304), Increase Mather (1639-1723), Edward Irving (1816), Peter Jurieu (1697), John Gill (1748), Morgan Edwards Founder of Brown University (1744), Hugh Latimer (1555), Joseph Mede (1620), John Asgill (1700)

I found this comment on a video while doing some of my research. Youtuber MJBB373 – Ha! I have not had time to vet every name but I also know of a few who are not mentioned here.

Straight off of Wikipedia: The concept of the rapture, in connection with premillennialism, was expressed by the 17th-century American Puritans Increase and Cotton Mather. The term rapture was used by Philip Doddridge and John Gill in their New Testament commentaries, with the idea that believers would be caught up prior to judgment on earth and Jesus' second coming.

And even without knowing that anyone else taught on it, we do have our Bibles and it is still there. Paul certainly taught on it. In the rapture teaching, I did mention a few of the early church fathers who did teach on the rapture. We

cannot forget how long the Roman Catholic Church fought to keep the Word of God out of the hands of the laity. They wanted the true teachings to die off.

Decree of the Council of Toulouse (1229 C.E.): "We prohibit also that the laity should be permitted to have the books of the Old or New Testament; but we most strictly forbid their having any translation of these books."

Ruling of the Council of Tarragona of 1234 C.E.: "No one may possess the books of the Old and New Testaments in the Romance language, and if anyone possesses them he must turn them over to the local bishop within eight days after promulgation of this decree, so that they may be burned..."

Proclamations at the Ecumenical Council of Constance in 1415 C.E.: Oxford professor, and theologian John Wycliffe, was the first (1380 C.E.) to translate the New Testament into English to "...helpeth Christian men to study the Gospel in that tongue in which they know best Christ's sentence." For this "heresy" Wycliffe was posthumously condemned by Arundel, the archbishop of Canterbury. By the Council's decree "Wycliffe's bones were exhumed and publicly burned and the ashes were thrown into the Swift River."

Fate of William Tyndale in 1536 C.E.: William Tyndale was burned at the stake for translating the Bible into English. According to Tyndale, the Church forbid owning or reading the Bible to control and restrict the teachings and to enhance their own power and importance.

CLOSING

SOME OF MY THOUGHTS

God said knowledge shall increase. We have the Scriptures now and can study them easier. The Geneva Bible was printed before the Douay Rheims Bible of the Jesuits and the rapture scriptures are in it. No mention of rapture teaching in the marginal notes but only seems to convey a general resurrection.

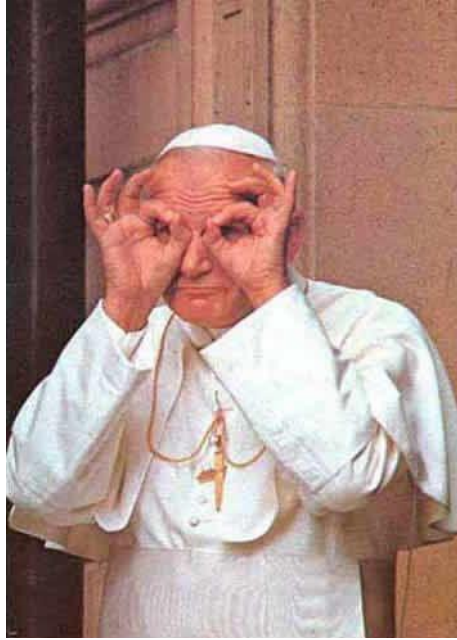

What about all of the arguments that the rapture was not taught by early church fathers and that it only became popular in the 1800's. Recently I have been made aware of many more early church fathers that taught the rapture or the imminent return of Christ. That means that it could happen at any time, there is nothing else that needs to be fulfilled in order for Him to return.

Let's look at a little timeline. Some of the first English Bibles that the common person might be able to read because of the older English language is the Wycliffe Bible in 1382. Tyndale's work was next in 1530 – 1535. Matthew's Bible of 1537, The Great Bible of 1539, then the Geneva Bible, the New Testament in 1557 and the Old Testament in 1560. It seems to have been the most widely spread Bible to the people before the KJV and for some time afterward, until it was outlawed by the throne. So before 1560, most English speaking people did not have God's

Words in their hands. And even after the publishing of the Geneva Bible, it took a while for the average person to be able to afford to have one in their home. The local church would usually have one on hand until the 1611 was authorized to be read in the churches and it supplanted The Geneva Bible.

Remember the Roman Catholic Church kept the Bibles away from the people because they wanted to be the authority on God's Word and did not feel the common lay person could understand the Scriptures on their own. Or really they wanted to be able to deceive them and not be double checked by anyone. So for a while everyone was at the mercy of whatever they wanted to teach until the time of the Reformation when people began to revolt against the Roman Catholic Church and their beliefs.

1 Tim.4:1-4 - Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits (leaving the faith and following deceiving spirits), and doctrines of devils (demons / fallen angels); Speaking lies in hypocrisy (they are liars and hypocrites); having their conscience seared with a hot iron (having dead consciences); Forbidding to marry, *and commanding* to abstain from meats (order them to abstain from certain foods), which God hath created to be received with thanksgiving of them (for them) which believe and know the truth. For every creature of God *is* good (Everything God created is good), and nothing to be refused, if it be received with thanksgiving:

Now dead, pope John Paul II – oh how they love to mock us. They are the ones that do the opposite of what God’s Word says to do. They stay single and molest and rape boys and girls. They do lent and abstain from other foods during that

time. The Jews do things with their food to trying to follow the law still.

This looks like a good picture of the Roman Catholic Church to me. They are led by demons and seducing spirits, satan and his fallen angels, to teach and do what they do. They have tried to manipulate God's Word, destroy it, and keep the truth back from us. They are working very hard to deceive us so that they can take more souls with them to hell.
