

HAUNTED GRAVEYARDS – Part One: GHOSTS, CONJURING, RITUALS, IMPARTATION

WARNING: There is mature content in this video.

I wanted to cover this because more and more people of all ages are chasing the supernatural. Not Jesus, not God, not the Holy Spirit but satan's supernatural powers. Some of them think it is fun and games and nothing is happening when they dabble with darkness but that's not true. Whether you do it knowingly or unknowingly, you are opening doors in your life to satan and the fallen angels which are demons to come into your life. They will be in your life until you come to Jesus Christ and repent and close the doors to satan and sin that you opened. And depending on what you did, you may not be free until you sit and go through deliverance. Participating in occultic things will bring demons into your life. Period. You can get possessed, and you can be murdered because you are opening your life up to the satanic realm. I have heard several stories from Pastor Erustus about witches killing christians who are compromised and that means that they had open doors of sin in their lives.

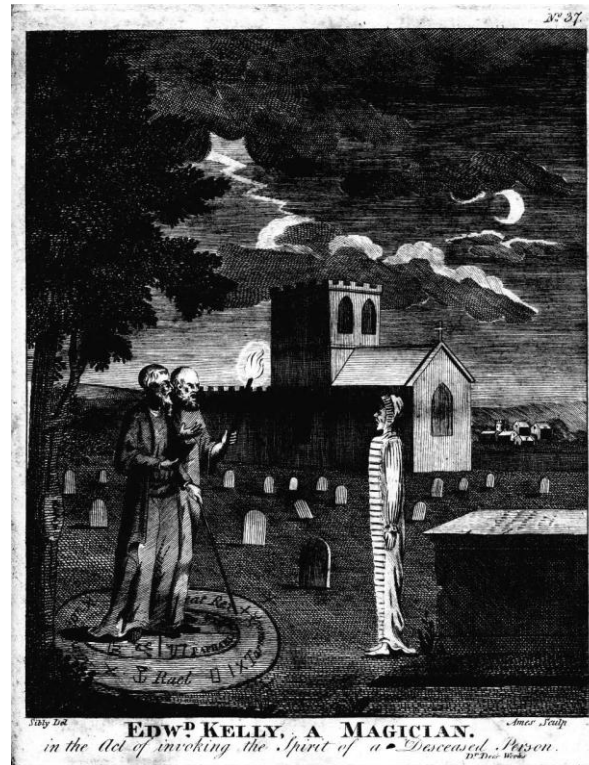

I encourage you to talk to your kids about this because if they have access to the internet, they are curious and they do search out this kind of stuff. As christians we have a responsibility to raise our children to know Jesus and His Word and how to please Him and live for Him, for His blessings to be poured out in our lives and for His protection to be on our lives. Our children need to understand that Jesus is real just as satan is real and the one you seek, you will find. In order to explain witchcraft, the occult and what luciferians do, then we have to somewhat understand it ourselves.

Matt.10:16 - Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.

We are certainly surrounded by the wolves and serpents now.

Eph.5:11 - And have no fellowship with the unfruitful works of darkness (take no part in the worthless deeds of evil and darkness), but rather reprove (expose) *them*.

That is what I am doing here today. Take the mystery out of these things and explain them to your children. Let them know that any interaction in witchcraft, the occult, with darkness, is a sin against God and that all sin has consequences.

1806 Edward Kelly, a magician. In the act of invoking the spirit of a deceased person.

Why do you think legends are told about things happening in grave yards? Why are most children scared of graveyards at night time? Interaction with the spirit realm is real. You invite demonic activity into your life when you participate in trying to summon the dead. Notice the men that are summoning the spirit are standing in a magic circle, see the inscriptions around it. Witches believe that the ones standing in the circle will be protected from what is being summoned. Sometimes it is the opposite and they believe what is being summoned is

contained in the circle. These guys are out in a graveyard at night practicing witchcraft.

Why are graveyards deemed to be so scary? Maybe it is because of the ghosts in graveyard stories we've all heard or others trying to make us afraid of a cemetery at night. The dead are buried there.

I remember riding my bike at night with at least 2 of my brothers and maybe a neighbor kid. Our house was at the front of a block and if you went down the side street and around to the back of the block, there was a country church with a cemetery beside it. That part of the block was not lighted at night and once you passed the church and were even with the cemetery, the road had woods on both sides and it was completely dark. My brothers told me they would not ride off and leave me. As we rode together into the middle of the dark road, all of a sudden they sped off on their bikes and left me!

Most of us believed in ghosts when we were little and didn't know any better or didn't really understand what they were.

Interesting to note that they did not mention fallen angel here. That's what a ghost is. A demon and a fallen angel are the same thing. They did list demon. But don't be confused, all of these terms boil right down to a fallen angel. A familiar spirit is the same thing, a fallen angel or that is a demon.

This is Pastor Erustus and he heads up our outreach ministry in Kenya and Uganda. He has done so much deliverance in his churches. He shared some things he learned in some of those deliverance sessions. He said, I have heard demons speak that they are from the grave yards. Witches go to grave yards to do rituals. They leave full of demons which they use to afflict people.

We have been led to believe that demons or ghosts are just lurking around in graveyards. But that is not true. Pastor said, rituals must be done to activate the demons. Sacrifices are made, words spoken so as to activate the demons. The rituals become points of contacts.

God required animal sacrifices, food and drink offerings in His system of worship in the Old Testament and satan mimics everything about God but in an unholy way. Those sacrifices and offerings were one way that God provided for the priestly line, His ministers.

Today, we receive the sacrifice God made for us in Jesus Christ. Jesus shed His blood so that we could be set free from satan's bondage on our lives. Jesus fulfilled the law, the Old Covenant, and He is our New Covenant. Jesus is the final sacrifice and so we no longer have to keep bringing the animal sacrifices, food and

drink offerings. satan, however, continues to mimic the law, and those who serve him, will bring blood sacrifices in order to be empowered by him.

Pastor Erustus shared: Like when a witch dies, people go to their grave side to do rituals to be empowered with the same demons the dead witch had. It's like an impartation.

This looks like exactly what has been going on at this graveside. This marker has witchcraft symbols on it and at the head of it is the pentagram. Looks like rituals may have taken place here with dried blood running down the top of this grave marker.

satan studies God's Word and then he does the opposite of it and teaches those that serve him to do the same. They want more of God's wrath and curses in their life. So this impartation that the witches are seeking must be in the Bible.

Numbers 11:16-17,24-30 - And the LORD said unto Moses, Gather unto Me seventy men of the elders of Israel, whom thou knowest to be the elders (leaders) of the people, and officers over them; and bring them unto the tabernacle of the congregation, that they may stand there with thee. And I will come down and talk with thee there: and I will take of the Spirit (or some of the Spirit) which *is* upon thee, and will put *it* upon them; and they shall bear the burden of the people with thee, that thou bear *it* not thyself alone. And Moses went out, and told the people the words of the LORD, and gathered the seventy men of the elders of the people, and set them round about the tabernacle. And the LORD came down in a cloud, and spake unto him, and took of the spirit (some of the

power of the Spirit) that *was* upon him, and gave *it* unto the seventy elders: and it came to pass, *that*, when the Spirit rested upon them, they prophesied, and did not cease. But there remained two *of the* men in the camp, the name of the one *was* Eldad, and the name of the other Medad: and the spirit rested upon them; and they *were* of them (the 70 elders) that were written, but went not out unto the Tabernacle: and they prophesied in the camp. And there ran a young man, and told Moses, and said, Eldad and Medad do prophesy in the camp. And Joshua the son of Nun, the servant of Moses, *one* of his young men, answered and said, My lord Moses, forbid them. And Moses said unto him, Enviest thou for my sake (Are you jealous for my sake)? would God that all the LORD'S people were prophets (I wish that all the Lord's people were prophets), *and* that the LORD would put His spirit upon them (all)! And Moses gat him into the camp (Then Moses returned to the camp), he and the elders of Israel.

Where it said they prophesied and did not cease. The other translations say that they did not do so again. Look at the Bible tampering there. In my research I found that from that day forward the Spirit of Prophecy did not fail them. This was an impartation of the Holy Spirit. If they prophesied the first day, there was no reason why they would not have continued to do so.

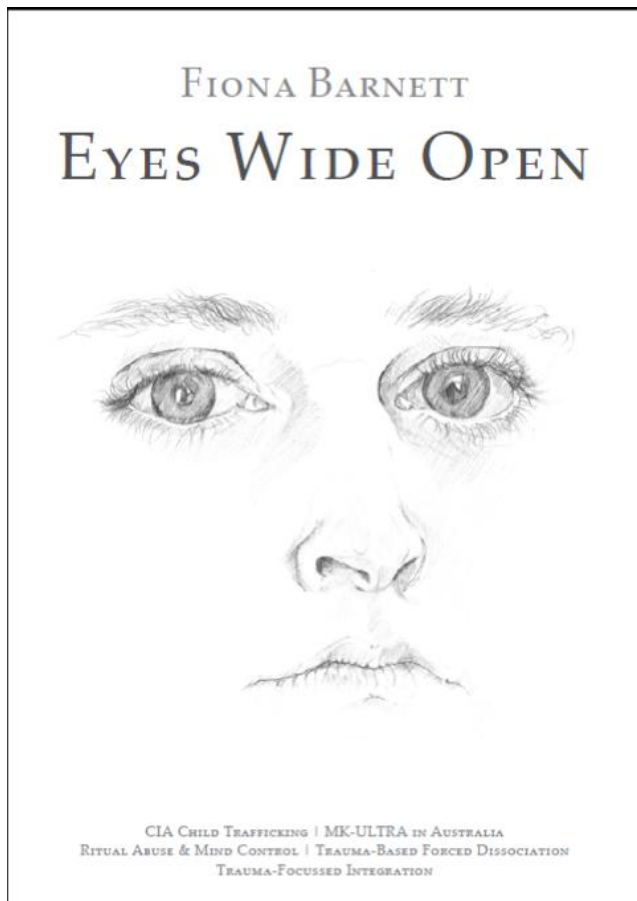

Moses could not manage those millions of people all by himself. So God appointed 70 elders to help him in judging the Israelites, they were given an impartation of God's Spirit that was on Moses. There was an impartation from Elijah to Elisha. An impartation of the anointing on a real minister of God, will go out to their disciples still today. The true disciples of this ministry will receive an impartation of the anointing that is on my life and ministry.

Witches conjure dead spirits to serve them in their witchcraft. Those dead spirits that they conjure are demons and those demons are satan's way of giving them more of his satanic anointing based on the sacrifices they bring him and how well they serve him.

Let's look at a real life example of this.

Remember Fiona Barnett, I shared a small part of her testimony about a satanic ritual she was forced to attend in the teaching “Satanic Ritual Abuse and Sacrifices – Part Two.” The link is in the info box or on my sermon notes on our website.

Notice these luciferians were searching for those in the Levite line. The Levites were God’s priestly line. So the luciferians try to find those people to pervert their lives against God.

In satan’s hierarchy there is a position called the grande dame.

- She died during a ritual at St Mary’s Cathedral when she was 45 and I was 14 years old.

Patricia Anne Conlon

Here on page 279, is the grand dame that Fiona replaced, her real name was Patricia Anne Conlon. She died during a ritual at St. Mary’s Cathedral when she was 45 and Fiona was 14 years old. Fiona had a bond with this woman after all of her programming and conditioning and this woman told Fiona she was tired of hurting children and was ready to die. The luciferians arranged a ritual. This grande dame was drugged or poisoned in order to die on que. The luciferians had

been grooming Fiona up to be the next grand dame in her area. When she leaned over this woman, as she was dying, and inhaled her last breath, the purpose was to inherit all of her power. All of that power was nothing more than demons. Fiona drew them out of the dying body and into her own body so that she now would be more empowered demonically to be used in the same capacity to bring lucifer glory.

The Ritualistic Transfer of Power

Fritz Springmeier described the Grande Dame position as follows:

As a child of the Illuminati progressed through its programming, three people had oversight over its programming: its Grande Mother, its Grande Dame, and the Programmer... The Illuminati method for killing a Grande Dame and passing her spiritual power on is done with reverence. No blood is to be spilled out of respect for the elderly woman who gives up her life willingly. At death, the last breath is inhaled by the replacement to transfer the power... the Grande Dames, are often veiled in ritual and would wear robes with different coloured lining. The different colours of linings show the different grades.

These are all variations of Disney characters. Walt Disney was a freemason and everything about Disney is satanic. L: Julia Roberts, Next is Charlize Theron and they both played Snow White, Middle Right: Angelina Jolie in Maleficent, R: Wicked queen in Disney's Snow White.

We have not understood what was being communicated with their flamboyant high collars and robe colors. But they always tell us the truth in their movies and cartoons. The colors speak in the illuminati and so do the high collars, it speaks of their rank and power in lucifer's system of worship. These were considered queens, witches to us, and very high ranking ones. This is satan's way of mocking

God's priestly line and the attire they wore in the Temple.

God had specific clothing for the high priest and the priests (Exodus 28). You could pick the high priest out of a crowd. In the middle you see the censor he used in the temple and on the right is Charlton Heston playing Moses, a prophet of God holding his staff.

At one time the Israelites were rising up against Moses and Aaron and God said for each tribe to bring a rod or staff and lay it up in the Temple and He would show whom He had chosen to serve Him by causing their staff to blossom. Aaron's staff budded and had blossoms and almonds on it (Numbers 17). Aaron was the high priest, he stood out.

This is from the movie "Eyes Wide Shut" with Tom Cruise. I do not recommend watching this movie as it is very filthy with lots of nudity and wickedness. This is something I watched as an unsaved person. Notice the one officiating here is in a red robe and has a staff and is carrying a censor just like God's priests would use. Satan's officiating high priest stands out here. This movie was showing us what they really do in real life. Stanley Kubrick, who wrote, directed and produced this movie died just before it came out. Sort of like his last hoorah showing some deep truths of the occult.

CLOSING

When a wicked person dies, witches and luciferians go to the graveyard to do rituals to conjure up their demons so that they can inherit their power which was actually demons. Remember just as God has rank in His military, so does Satan, there are more powerful demons and less powerful ones. Those that are very powerful in Satan's system of worship have had to do horrific things to acquire the demons that are inside of them and that are in their lives. They have spilled much blood.

Eccl.3:19-22 – (New Living Translation) For people and animals share the same fate—both breathe and both must die. So people have no real advantage over the animals. How meaningless! Both go to the same place—they came from dust and they return to dust. For who can prove that the human spirit goes up and the spirit of animals goes down into the earth? So I saw that there is nothing better

for people than to be happy in their work. That is our lot in life. And no one can bring us back to see what happens after we die.

This passage shows us that the dead do not continue to interact with the living after they die. They don't see what goes on in this life. They are not floating around aimlessly haunting old familiar places either.

Eccl.12:6-7 – (Remember your Creator now while you are young) Or ever the silver cord be loosed (before the silver cord of life snaps), or (and) the golden bowl be broken, or the pitcher be broken at the fountain (before the pitcher is shattered at the spring), or the wheel (pulley) broken at the cistern (well). Then shall the dust return to the earth as it was (that it came from): and the spirit shall return unto God Who gave it.

This passage is about death. Our spirits return to God when we die. He is the One Who decides where our spirits go when we die. Whether in peace and rest and blessing with Him or in pain and everlasting torment.
