

# HAUNTED GRAVEYARDS Pt.4: DEAD THINGS, DEATH, DEMON POSSESSED

Ezekiel was shown the second temple in this next passage. There is an angel which he calls a man but the description of him in previous chapters shows us that it is really an angel. In this passage God the Father begins to speak and show him some things.

**Ezekiel 43:6-9** - And I heard *Him* (God) speaking unto me out of the house (I heard someone speaking to me from inside the temple); and the man (angel) stood by me (while the man who had been measuring stood beside me). And He (the Lord) said unto me, son of man, the place of My throne (this is the place of My throne), and the place of the soles of My feet (the place where I will rest My feet), where I will dwell in the midst of the children of Israel for ever, and My holy name, shall the house of Israel no more defile, *neither* they, nor their kings, by their whoredom (by their adulterous worship of other gods), nor by the carcasses of their kings in their high places (nor by honoring the relics of their kings who have died / nor by their funeral offerings for their kings at their death). In their setting of their threshold by My thresholds, and their (door) post by My (door) posts, and the wall between Me and them (and only a wall between Me and them), they have even defiled My holy name by their abominations that they have committed: wherefore I have consumed them in Mine anger (So I destroyed them in My anger). Now let them put away their whoredom (worshipping of other gods), and the carcasses of their kings (and honoring the relics of their kings / and the funeral offerings for their kings) far from Me, and I will dwell in the midst of them forever.

## [New Living Translation Ezekiel 43:8](#)

They put their idol altars right next to Mine with only a wall between them and Me. They defiled My holy name by such detestable sin, so I consumed them in My anger.

Ammon and Mannesseh are alluded to here who were buried in their gardens near the Temple and there had erected up monuments to their idols.

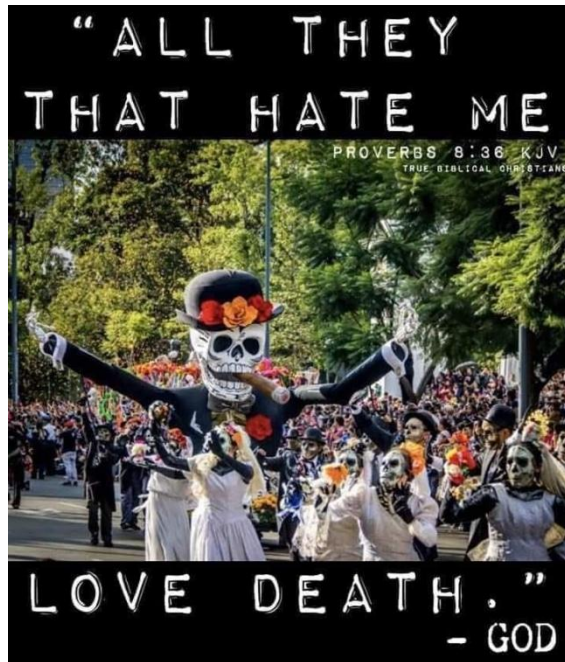

We don't worship the dead, we don't pray to the dead. We don't bring offerings to the dead or light candles or fires for the dead.

**Numbers 19:16** – And whosoever toucheth one that is slain with a sword in the open fields, or a dead body (someone who died a natural death), or a bone of a man, or a grave, shall be unclean (that is defiled) seven days.

Dead things, graves, bones, dead bodies etc. in the Old Testament were always considered unclean. It was a lesson God was teaching in the natural about our spiritual condition. Those that are not saved are the walking dead, dead in their sins still. While we who have come to Christ, are alive and God does not want us mixing with dead things still today. Dead things were a picture of sin.

You can read there in Numbers of the ritual cleansing they had to perform in order to be considered clean again. The high priests were not even allowed to attend the funeral of their father or mother. The regular priest could only bury their very close family members. When you understand these things, then you should be able to see how much God hates Halloween and the worship and mixing in with dead things. Halloween is about ghosts, the dead, hell, ghouls and goblins – death, hell and the grave. Jesus died to set us free from those things, and now the very ones He died for are reveling in it. Even in your ignorance of it, you are sinning against a Holy God. Repent and ask forgiveness and get it out of your life.

Those that were unclean were not allowed to come near the Temple, they could not come near God at all.

Look at what we are doing today to celebrate death. “All they that hate Me love death.” **Proverbs 8:38b**

In the Old Testament dead things were a picture of sin. Look how far we’ve come.  
When Sarah died, Abraham went to secure a burial place.

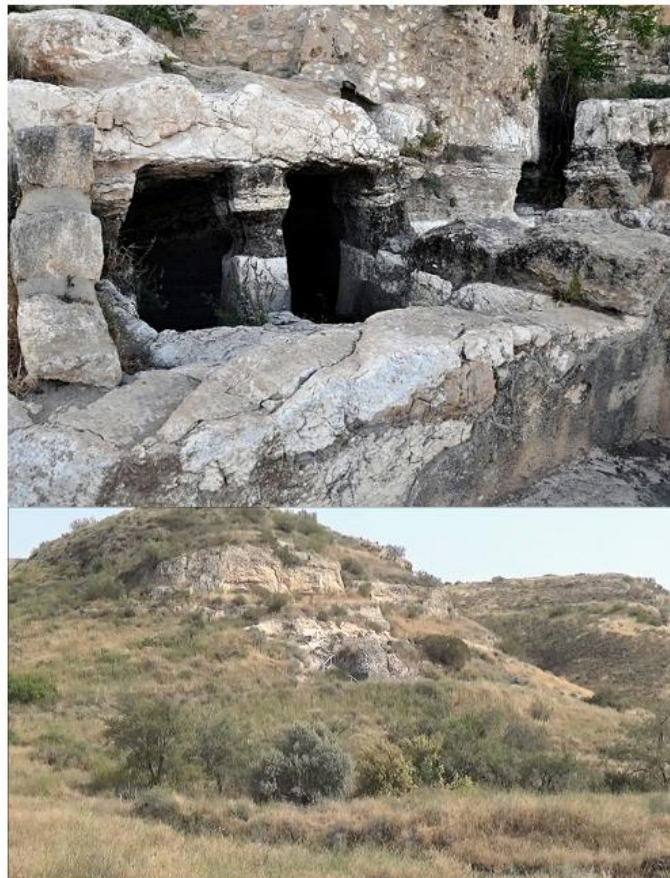

**Gen.23:3-4,19-20** - And Abraham stood up from before his dead (wife), and spake unto the sons of Heth (spoke to the Hittite elders), saying, I *am* a stranger and a sojourner with you: give me a possession of a burying place with you (let me buy some of your land), that I may bury my dead out of my sight. V.19 And after this, Abraham buried Sarah his wife in the cave of the field of Machpelah before Mamre: the same *is* Hebron in the land of Canaan. And the field, and the cave that *is* therein, were made sure (deeded or transferred) unto Abraham for a possession of a burying place by the sons of Heth (that is the Hittites).

She was buried in a cave. This became a family tomb of the patriarchs, Abraham, Isaac and Jacob and their wives except for Rebekah. (**Gen.25:8-9, Gen. 49:29-33, Gen. 50:1-26**)

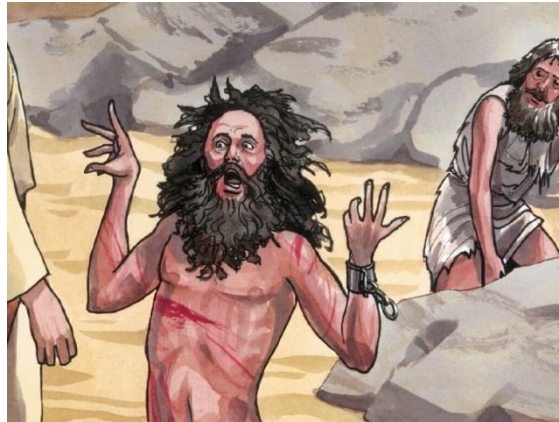

**Luke 8:26-37** - And they arrived at the country of the Gadarenes (Gerasenes), which is over against Galilee (across the lake from Galilee). And when He went forth to land, there met him out of the city a certain man, which had devils long time (Jesus was met by a demon possessed man from that city), and ware no clothes, neither abode in *any* house, but in the tombs (for a long time he had been homeless and naked living outside of town in the tombs). When he saw Jesus, he cried out, and fell down before Him, and with a loud voice said, What have I to do with Thee (Why are You interfering with me), Jesus, *thou* Son of God Most High? I beseech thee, torment me not. (For He had commanded the unclean spirit to come out of the man. For oftentimes it had caught him (many times the demon had taken control): and he was kept bound with chains and in fetters (shackles); and he brake the bands (chains & shackles), and was driven of the devil (demon) into the wilderness.) And Jesus asked him, saying, What is thy name? And he said, Legion: because many devils (demons) were entered into him. And they besought (begged) Him that He would not command them to go out into the deep (abyss or bottomless pit). And there was there an herd of many swine feeding on the mountain (hillside): and they besought (begged) Him that He would suffer (allow) them to enter into them (to go into the pigs). And He suffered (allowed) them. Then went the devils (demons) out of the man, and entered into the swine: and the herd ran violently down a steep place into the lake, and were choked (were drowned). When they that fed *them* (the herdsmen)

saw what was done, they fled, and went and told *it* in the city and in the (nearby) country. Then they went out to see what was done; and came to Jesus, and found the man, out of whom the devils (demons) were departed, sitting at the feet of Jesus, clothed, and in his right mind: and they were afraid. They also which saw *it* told them by what means he that was possessed of the devils (demons) was healed. Then the whole multitude of the country of the Gadarenes (Gerasenes) round about besought Him to depart from them; for they were taken with great fear: and He went up into the ship, and returned back (to the other side of the lake) again.

Never, never ask Jesus to leave. I am floored every time I read that. They witnessed a great miracle and instead of praising God they asked Jesus to leave. Wow. Many people today are seeing miracles and are not being drawn to God. Those that are seeking a sign in order to believe will never believe because even seeing a miracle will not save them because they are so wicked.

This is supposed to be a picture of that very area. You can see it was away from town and the tombs look sort of like caves. This is the same kind of place Jesus was laid to rest when He was crucified. But He is no longer there!!! The cave that Abraham bought was out away from where people lived and the tombs of Jesus' day were outside of the town. Away from where the people were.

The Bible does not tell us what the man had done, only that he was living out at the graveyard and that they kept binding him with shackles and chains and the demons in him, empowered him to keep breaking the chains. They were causing him to injure himself.

Let me assure you that he was not just out for a stroll by the graveyard and all of a sudden got possessed with a legion of demons. No, he did something to invite them in. He was doing occultic things or witchcraft straight out. It is the same way today. When you get into occultic things, when you practice witchcraft, you will need deliverance. Only Jesus can set you free. The biggest point of deliverance happens at salvation.

## Demon-Possessed, the Evil Spirits Recognize Jesus as the Son of God and Bows Before Him.

- He lived in tombs
- Boundless strength
- Bent on destroying himself
- Scaring the neighbors out of their wits

He was demon-possessed, the evil spirits recognize Jesus as the Son of God and bow before Him. He lived in tombs, boundless strength, bent on destroying himself, scaring the neighbors out of their wits.

**Deut.16:21-22** – Thou shalt not plant thee a grove of any trees near unto the altar of the LORD thy God, which thou shalt make thee. Neither shalt thou set thee up *any* image; which the LORD thy God hateth.

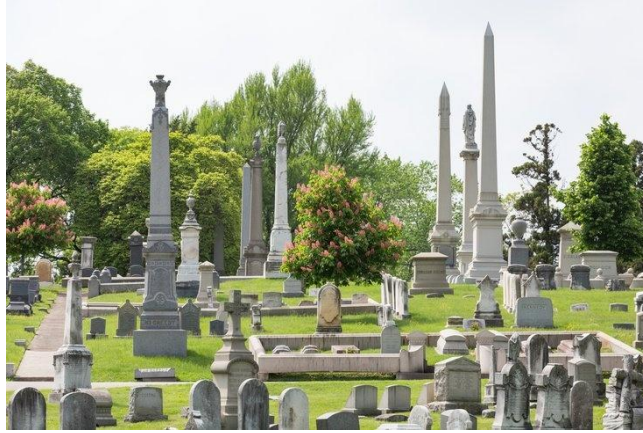

### [New Living Translation](#)

“You must never set up a wooden Asherah pole beside the altar you build for the LORD your God. And never set up sacred pillars for worship, for the LORD your God hates them.

Sacred pillars and sacred stones are interchangeable here.

Notice that in reading just the King James Version you would never understand that God was talking about a specific type of idol. An Asherah pole was all about worship to the queen of heaven spoken of in Jeremiah (**Jeremiah 7:18, 44:17-19**). Throughout the King James Bible you will see groves mentioned in regards to idol worship and they are usually beside baal altars. Asherah is another name for Athena, Diana, Artemis, Lady Liberty etc. We also have not understood what some of these images that God spoke of were.

Remember the luciferians study God’s Word so that they can break it, and pervert it and bring His wrath and curses against themselves.

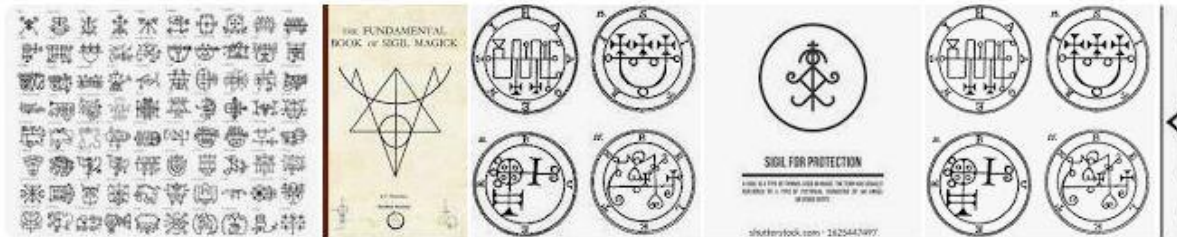

The real meaning of these graveyard obelisks is worship. They are considered sacred, but not to God.

L: The Washington Monument is a sacred pillar erected to satan. The layout here is depicting the generative principle, the sex act. With the monument representing the male part of the sun god who is baal, penetrating through the vesica pisces or female anatomy. To impregnate the earth goddess that everyone calls mother nature or mother earth, who is none other than semiramis, Athena, Easter, Isis. In our Bibles she is called the queen of heaven, the mother of harlots and Artemis or Diana and Asherah. Those Asherah groves consisted of carved asherah poles and trees where sexual perversion took place and sacrifices were made and offerings brought, in worship of satan. R: The top of the Washington Monument is capped with an aluminum pyramid with inscriptions on all four sides. You think the high ranking luciferians don't still do

their rituals and sacrifices at places like this? All they have to do is close the area to the public and then meet up and do whatever they want. Just say it is under construction and what not. Anywhere in this world at their satanic sights they can hold rituals still today.

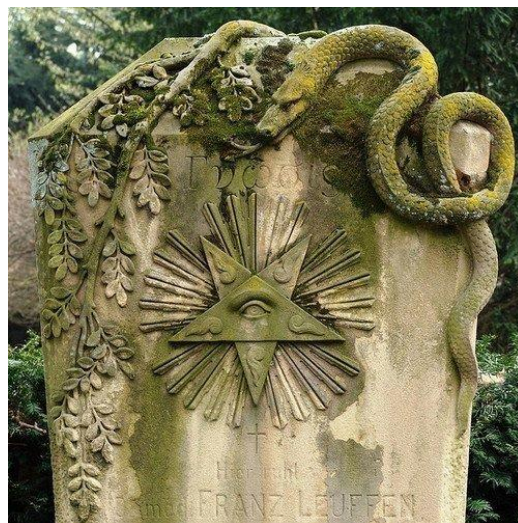

A sigil (/ˈsɪdʒəl/; pl. sigilla or sigils) is a type of symbol used in magic. The term has usually referred to a **type of pictorial signature of a deity or spirit**. In modern usage, especially in the context of chaos magic, sigil refers to a symbolic representation of the practitioner's desired outcome.

This speaks in the spirit realm and does draw certain demonic entities to it. You have satan himself represented here with the serpent, the baphomet star and the all seeing eye of lucifer and sun rays for the sun god baal who is satan.

Remember last week when I talked about Pythagoras, and that he taught his initiates to identify themselves to each other in some way with the number 666. Let's take a look at a couple of them.

Top L: Notice how similar the symbol for Google play is to the sigil of lucifer. Top R: Google is obvious with their 666's if you have eyes to see Bottom L: OBS Studio software is not trying to hide their 666 logo Bottom R: Think about Fox News because their name adds up to 666. When God shut down the Tower of Babel and confused the languages so that they could not continue working smoothly together at that time, they came up with a system of speaking without saying a word. The luciferians, witches, freemasons, Jesuits, all members of the secret societies, use symbol magic, color magic, number magic called numerology or gematria. Remember, magic is a more sanitized and accepted word in our culture today, but it means witchcraft. That is who we are dealing with. They have taken this world over because their master is the god of this world. The news is by the numbers, colors, symbols, logos etc. All of these things are working to draw in more demonic power into this realm where we are. Orange, yellow and gold are for the sun god, satan and his number is 666. The bull and the serpent are symbols of his as is the triangle or pyramid. And there are so many more.

The pope issues edicts called “papal bulls.” That church is the face of mystery Babylon. The sun is satan’s symbol, he’s the s- u -n god. Think about all of the companies that incorporate these things into their logos. Those all mean 666 because they are his chosen symbols. Those companies are using his symbols to show their allegiance and show who they worship, who they have bowed down to. God has no symbols and is not known by any symbols, not even the cross.

From the Today Show: Alec Baldwin breaks his silence. The Today Show played this one morning about the recent shooting in the news. The movie set of “Rust” is the old west. There is no reason for this symbol to be there except that they are showing their calling card openly here. It seems like a complete bait story for truthers. It may be more ammunition against guns for when they make their gun grab. One day they are going to use a story like this to go ahead and act like it has given them enough of a reason to take the guns. I don’t believe any of it. The pictures of those involved are all posed for and staged pictures that do speak to the brotherhood. I don’t have time to cover the news with as much propaganda as they use but I have worked diligently to make our congregation aware of what they do and how they speak. If they sit on a story and cover it for days on end, you can just understand that it is propaganda and benefits them in some way.

**CLOSING**

**Job 7:9-10** - As the cloud is consumed (dissipates) and vanisheth away: so he that goeth down to the grave shall come up no *more*. He shall return no more to his house, neither shall his place know him any more (he will never be seen again in this realm).

Once we die, our spirits do not hang around and haunt graveyards. What is really happening is that witches are going out there doing sacrifices, conjuring up stuff, doing rituals and even so called Christians are going out there doing things they have no business doing, like lighting candles and praying for their dead loved ones or bringing food offerings or laying on graves trying to soak in an anointing. This is all activity that is interacting with demons.

And the satanic symbols out there can draw demons to them too, all by themselves. Demons can't just go into real Christians. They certainly can go into and harass those that are compromised in their walk with God. It is all about your motive. Those that are going out there hoping to come in contact with a spirit, and seeking that out, you will. If you are out there for a funeral or what have you, and you are truly saved, nothing is going to happen to you.

If you have participated in a séance, seeking the dead, participated in a dare looking for ghosts, prayed to your dead relatives or to dead saints or in any way interacted with the dead, this is a sin against God.

You need to let Him know you understand now that it was a sin. Ask His forgiveness and ask Him to cleanse your life from any demonic attachments or activity in your life because of it. Repent which means don't do it anymore. Then plead the blood of Jesus Christ over yourself and all that pertains to you (your home, car, work place, pets etc.) bind the spirits that came in because of what you did, cast them out loudly in Jesus' name. If you are not getting free, be sure of your salvation, be sure you are baptized into the Holy Spirit, be sure you are living an obedient life, that you have broken generational curses off your life. If you still are not getting free you probably need to seek a real minister of God whom God is working deliverance through. These things are not a game.
