

AMEN – Pt. 1: EGYPTIAN GODS, FREEMASONS, LUCIFER

I used to say amen all the time in church. Just like I used to say hallelujah. In fact, the word amen is still on the closing salvation prayer that we include after each message. I'm going to have to record a new salvation prayer so that we can get it removed.

God used what I believe is a handler of Donald Marshall's to wake me up to the deception behind the word amen. That was about 6 years ago. This guy, Lawrence was his name, was so hateful and aggressive against Christianity. I probably said amen to something on Donald's page. Lawrence jumped down my throat about it, and how dumb he believed Christians were for believing everything. He said the Egyptians had the word amen before the Bible was written. That is when I began to look into it.

As God has grown me up in the faith He has revealed so many things to me over time. He has blessed me with a very unique ministry in that I get to expose so much wickedness and deception, that we in the church had not realized was happening right under our very noses. God doesn't want His children to remain in ignorance of these things.

He has awakened me to a lot of Bible tampering through the translations and different ungodly groups of people like the Masoretes purposely leading us astray with certain untranslated words in our Bibles. I did a teaching on "The Deception of God's Name" where I reveal that His name is not jehovah and it is not yahweh and He does not have a nickname. People are deceived believing just because j-a-h or y-a-h is in the Psalms that it is a nickname of God's. If you have fallen for any of that non-sense you may want to go and listen to that teaching. In that teaching I reveal what I learned about the word "hallelujah" as well.

Today we are going to begin to tackle the word "amen" and what God has revealed to me about this word. This message has been years in coming. I think

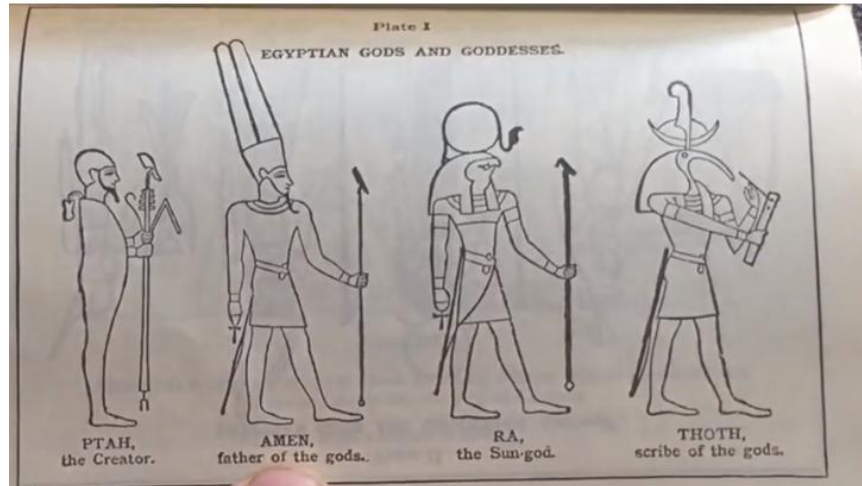

some of that is because in my research, God would show me different things, and the evidence or information for this message would grow.

Remember they have set the languages up so that we are constantly saying false gods names all throughout the day. “A” is the name of a false god, “an” is the name of a false god, “e” is the name of a false god, hapy is the name of a false god and on and on it goes... This has no impact on us as Christians because we do not subscribe to satan’s system of worship.

I remember hearing Joseph Prince teach his congregation about saying the word amen. I have already revealed previously in a teaching titled “Pat Robertson, Joseph Prince, Mother Grace” that he is mixing the kabala into his teachings, he is a high priest of satan’s. Once God began to wake me up about the word amen, I noticed how these witches on tv would prompt their congregations to say the word. They will even cue you to say it. They will wait for you to say it etc. That’s because they are doing word magic which is witchcraft.

Why is a Hebrew word left untranslated in our Bibles? They have even left “amen” in the New Testament which was supposed to have been written in Greek which was the common language at the time. We know it is supposed to mean “so be it,” or truth or a positive affirmation, so why leave it untranslated? I have heard all the excuses and reasons why they say there are untranslated words in our Bibles and I’m not buying any of it. There’s no reason for these strange Hebrew Words to be left untranslated.

Remember that the witches, freemasons, Jesuits and all luciferians take the same initiations. They all serve lucifer. Remember the kabala has been woven into Judaism which is witchcraft. They worship angels, they teach that the Holy Spirit is feminine, that Jesus is in hell boiling in pooh right now and so on and so forth. They are an abomination to God and Jesus rebuked them when He walked this earth. It seems that the Jews practicing Judaism, brought it to the freemasons and other groups. When you look at these different groups you will find they believe and worship the same false gods. Look at this picture from an Oxford Masonic Bible of the gods that the Egyptians served:

Egyptian gods and goddesses: ptah - the creator, amen - father of the gods, ra - the sun-god, thoth - scribe of the gods. Just remember that in the book of Revelation, satan imitates God the Father, the antichrist imitates Christ Jesus and the false prophet imitates the Holy Spirit. satan wanted to be God the Father and rule everything.

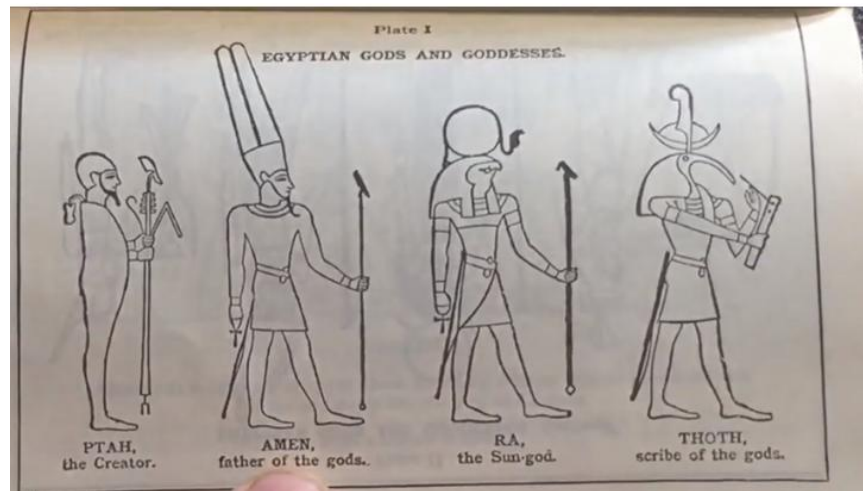

Let's look at a passage of Scripture that has a dual meaning. It is spoken to the King of Babylon and applies to lucifer as well.

Isaiah 14:12-14 - How art thou fallen from heaven, O Lucifer (O daystar, O shining star), son of the morning! *how* art thou cut down to the ground (you have been thrown down to the earth), which (who) didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north (I will preside on the mountain of the gods far away in the north / I will sit enthroned in the mount of the assembly): I will ascend above the heights of the clouds; I will be like the most High.

lucifer is also known as venus, the planet, it was a symbol of the Babylonians power and that means they worshiped lucifer plain and simple.

In Jerusalem the Temple was on God's mountain in the north. And God's earthly Temple was a shadow of His heavenly temple. There is an earthly congregation as well has a heavenly one. When you think of God's courts in heaven, and read the

Old Testament you will see where the angels come and report to God. So satan wanted to rule over men on the earth and angels in heaven – all of it.

If you want to try and explain this away as anything other than the gods the freemasons worship and serve you are just deceiving yourself. In a truly holy Christian Bible, there is no reason for these false gods to be pictured at all. God is, was and still is and always will be against idolatry and that's what this is. He does not want His creation serving anyone but Him. He created us to bring Him glory. In fact, not having idols or serving other gods is the first two commandments (**Exodus 20:3-5**) and in the New Testament Jesus called it the first and great commandment (**Matt.22:34-40**).

So you clearly see that there is a false god called amen here. By the time I'm finished with this teaching series, you'll be able to see clearly that amen, as a god, is lucifer who is satan. This false god amen, predates Nimrod who was alive in the 17th century bc, so we are not dealing with Nimrod here, who was worshipped as a god on this earth and in death as a sun god. This is not Nimrod.

We are going to have to take a closer look at Egypt's system of worship which our Bible refers to as the mystery religions. The Bible plainly speaks about mystery Babylon and when the Egyptian Pharaoh's would call for their wise men and magicians, this was part of their mystery religion (**Rev.17:5, Exodus 7:11**). There were schools where they learned divination and witchcraft and these schools

were called the mystery schools. They had their secret and ancient teachings which they guarded.

This is what we are dealing with in the deception of the word amen. Lucifer's servants have been working to deceive us by leaving untranslated words in our Bibles and by purposely teaching us wrong meanings of words that are not our natural spoken language.

Freemasons are running this world for lucifer. They are all the government officials, top military leaders, mega corporation founders, apostate church leaders etc. The Egyptian gods being in the freemason Bible is not a one off kind of thing, look at this:

This is a Freemason Sphinx Shriner Monument. Notice the pharaoh head, the scimitar, the star and the crescent moon. All shriners are freemasons. Almost all of our presidents have been freemasons. All the world leaders and those in positions of power are freemasons. Satan promotes his own and places them in key positions to further his agenda in this world and in his war against God. They subscribe to an ancient system of worship that began with Lucifer and that is why they have Egyptian gods in their Bibles and at their lodges.

This freemason/shriner display is at the George Washington Masonic National Memorial. Our founding fathers were freemasons. Notice the Egyptian pharaoh here. Remember the pyramid on our American dollar bill. These things are all by design because the leaders of our country and of this world are practicing the ancient mystery religion of Egypt. These mystery religions came from satan, he taught men how to worship him and his fallen angels.

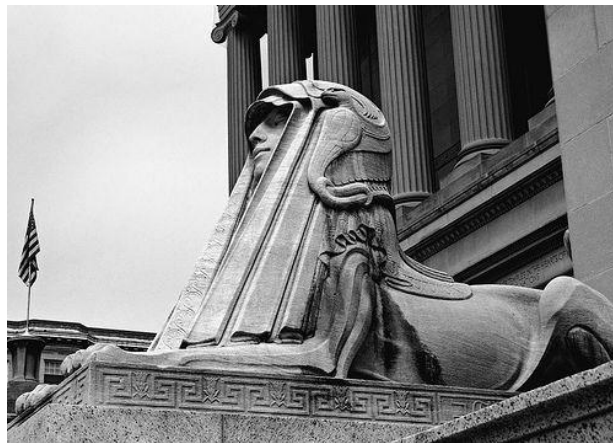

Kansas City Freemason Lodge # 220. Why do they have a sphinx at their lodge? We are told they are a Christian organization. That is just a lie that the naïve

believe. Notice the Masonic cross on the forehead and a satanic star on the chest.

Masonic Temple of Santa Cruz de Tenerife in Spain. The freemasons have no problem putting their Egyptian worship of the fallen angels on display. They get away with this so easily now because so many have no idea what it all means. It has gotten a pass as art, yet it is not art, it is worship.

Female sphinx, at the Masonic Museum in Washington D.C.

Freemason Hall in Dublin, Ireland. Notice the Pharaoh sphinx's inside the room and the Egyptian décor. Look at the cube in the center of the room and notice the current star of Israel. It is not the star of David but it is rather a highly satanic symbol of Satan's. Notice the triangle over what they call the grand master's chair, that symbolizes sun worship. The Freemasons use the word master for those who hold positions in their lodges and the Bible tells us not to do this. Their grand master also states that he is "I Am." Everything they do is a perverted twisting of God's Word. What they do is cloaked from those that are not awake spiritually. They will not let you have true power in their organization without having bowed yourself to Lucifer.

Let's look at a passage where Jesus was talking about the teachers of the law and the Pharisees.

Matt.23:5-10 - But all their works they do for to be seen of men (everything they do, they do for show): they make broad their phylacteries (prayer boxes with Scripture inside), and enlarge the borders of their garments, And love the uppermost rooms at feasts, and the chief seats in the synagogues, And greetings in the markets, and to be called of men, Rabbi, Rabbi. But be not ye called Rabbi: for one is your Master, *even* Christ; and all ye are brethren (you are all equal). And call no *man* your father upon the earth: for one is your Father, which (Who) is in heaven. Neither be ye called masters (teachers): for one is your Master(Teacher), *even* Christ.

▪ This is the Freemasons' oldest Grand Lodge.

This freemason lodge is in London, England. Remember this all seeing eye. Or evil eye of lucifer. This too is from Egypt and think about the eye on our dollar bill. This is the same one and it hovers above an Egyptian pyramid on our American money. There is a witchcraft star here below the evil eye too.

CLOSING

The freemasons are rich with Egyptian art, décor, statues, and symbolism in all of their lodges.

Egyptian symbolism on their fez hats. Top row you can see former presidents Truman and Ford sporting their freemason fez hats. Bottom row shows a king of Hawaii, John Diefenbaker a prime minister of Canada and and army general, Douglas MacArthur. Why are these men wearing hats with Egyptian pharaoh's on them? These fez hats bear middle east or Arab countries on them and the king of Hawaii's fez has the religion Islam written on it. The freemason's religion is Islam, when they are sworn into the 33rd degree, they do swear on a Koran. Islam was a creation of the Roman Catholic Church and it all goes back to Judaism and the mystery religions brought to the world by lucifer.

Why are the fez hats this color? The details are sketchy in trying to research and vet this information out but the general consensus is that there was a massacre of Christians and Jews in the city of Fez and the muslims dipped their fez hats in the blood of those they had slaughtered.

You will find symbols for the sun god baal who is satan on their aprons etc. The all seeing eye of amen-ra and horus and ultimately lucifer is on many of their aprons.

It all harkens back to ancient Egypt. Remember God poured out His plagues against Egypt when He set His people free.

Exodus 12:12 – For I will pass through the land of Egypt this night, and will smite all the firstborn in the land of Egypt, both man and beast; and against all the gods of Egypt I will execute judgment: I *Am* the LORD.

Every plague and act that God did against Egypt showed that the God of the Bible is the One True God. So now you can see what the freemasons really think of the God we serve. They don't honor Him. Remember at the 33rd degree level, they know full well they are serving lucifer. These Egyptian relics, symbols, pictures and all the things that they have at their lodges are working black magic, which is witchcraft and working to draw the demonic into this realm and into their meetings. The government is the beast system spoken of in Revelation and all those in top level positions do still serve lucifer to this day.
