

AMEN – Pt.2: BOOK of the DEAD, THE ZOHAR, FALSE NAMES of GOD

Last week we looked again at the Egyptian gods that the freemasons worship. The freemasons are running this world for satan. We learned that the Egyptian god that was revered and worshipped as the father of the gods was “amen.” Plain and simple, that is lucifer and today’s governments, and those in power positions have carried on the mystery religion of Egypt which is just another system of worship of the same gods that the Babylonians were worshipping. The gods they worshipped and worship today are fallen angels, of whom, lucifer is the head. So one of the names for lucifer in Egypt was amen.

Remember the testimony of Cathy O'Brien, she was traumatized, and abused and used in the MK Ultra program by the government until she was able to break free. She and former CIA agent Mark Phillips revealed through all that happened to Cathy in breaking her down and programming her that the luciferians do what they do based on the Egyptian book of the dead.

L: The Ancient Egyptian Book of the Dead – 189 spells, prayers and incantations for the afterlife R: A page from inside the book with the Egyptian god Osiris. I believe Osiris is just another form of satan. Osiris was god of the underworld, sound familiar? He is green because he is a fertility god and a god of rebirth or new life as in vegetation. Notice the ram horns. He has a curved fake beard and that is supposed to represent the gods of Egypt as the pharaoh's later wore straight ones to set them apart and identify them as royalty and rulership and to link them to the gods they served. They have neatly compiled their witchcraft into a book for any luciferian (witch, freemason, Jesuit) to buy and try to duplicate what's inside.

I wanted you to see this because I want you to understand better about Egypt and all the false gods they served. The luciferians (those ruling our world) use this book like their Bible still today. The Bible mentions the book of life and so satan has his book of the dead which is filled with spells, curses and incantations to try and bring the dead who are damned back to life. They did not choose to love and serve God and under our New Testament, they did not choose Jesus Christ and so they are damned to hell and the lake of fire forever (**Rev.20:15**).

The book of the dead is witchcraft. It is filled with ways to try and raise the dead. Like using voodoo, and raising a zombie. Those who reject Jesus and openly serve in satan's system of worship have believed his promises to bring them back to life and to bless them in eternity. That is why they believe in all of the superstition, rituals, sacrifices and everything he requires.

As far as we know according to what is recorded in our Bibles, the first major rebellion against God occurred with satan when he fell from heaven along with a third of the angels.

Rev.12:3-4 - And there appeared another wonder (significant event) in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

In the beginning of the Bible, we see satan there already tempting Eve to sin against God (**Genesis 3**). So from the beginning of what is recorded for us, the angels had already fallen. Before Jesus was crucified He gave His disciples power over the demons which are fallen angels (**Luke 10:16-20**). Remember Jesus said He saw satan fall like lightning from heaven (**Luke 10:18**) so we know this was long before Jesus walked the earth.

The fallen angels contaminated mankind so bad and helped them to be completely wicked and perverted against God, that after 600 years He decided to flood the earth (**Genesis 6**). The next great rebellion was Nimrod at the Tower of Babel (**Genesis 10:8-13, 11:1-9**). He and all those that served him were rebelling against God. Another major rebellion we read about is with the Egyptians against God and not wanting to let His people go (**Exodus chapters 5 – 12**).

Where do you think they got their ideas for their cities, temples and system of worship? From the fallen angels and the ancient religion of Babylon, this is where the mystery religions were birthed. We hear mostly about the mystery religion of Babylon and what I am bringing out here is the very same thing, I'm just showing you how it surfaced in Egypt.

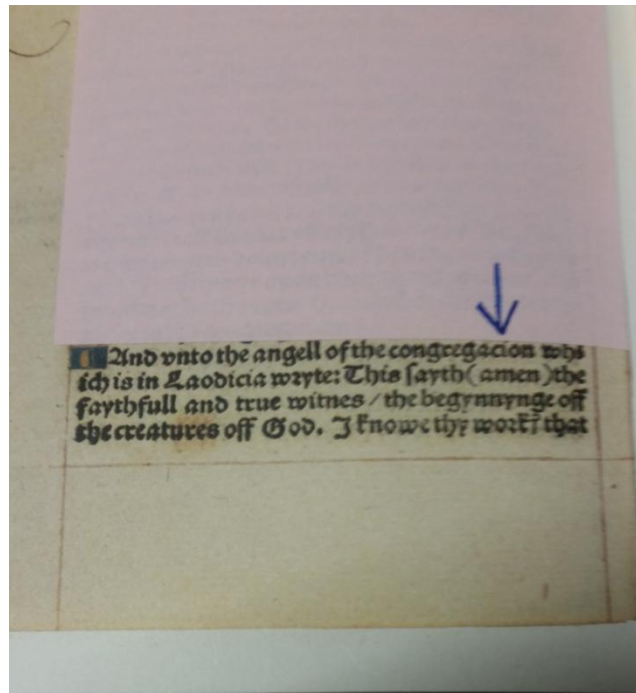

Remember one of satan's false trinities that I have brought out so much in the past: L to R: Isis, Osiris, Horus or the names from our Bibles would be: Asherah or Queen of Heaven or Artemis or Diana, Nimrod, and Tammuz. Nimrod allowed himself to be worshipped as a god and in death he was worshipped as a sun god. Asherah made up an elaborate story to hold on to her status and continue to be worshipped and so she got pregnant and had Horus or rather Tammuz. Who was also worshipped as an Egyptian sun god. These are their names in Egypt. They have 1000's of names depending on the country or nation. And I have come to believe that Osiris, more than representing Nimrod, represents satan.

Once I began to research the word amen, God began to uncover and reveal so many false gods with amen in their names. First let's look at it as a title of Christ's.

Rev.3:14 – And unto the angel (this is the pastor) of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of God (the originator of God's creation / the ruler of God's creation);

This was the only thing that bothered me initially, because I knew Jesus referred to Himself as the Amen. However, if you look at what we are told that word means, it means so be it. To be or being and it means truth. We can see how it could mean Jesus, Who was and is and is to come. Always existing, or being. And He is truth (**John 14:6**).

I went back to one of my oldest translations of the Bible, the Tyndale New Testament published in the 1530's.

Here is a picture of that same verse. You can see they put the word "amen" in parenthesis. That means that it was not originally there. I think it is interesting that in research they say many times that Jesus was saying amen at the beginning of His sentences when He said truly truly or verily verily. They say the real word was amen. If that is so, then why did they translate the word there and at other times leave the word untranslated? It makes no sense the stories they come up with.

Early Modern

Geneva Bible of 1587

Blessed be the Lorde God of Israel worlde without ende. So be it, euen so be it.

Brenton Septuagint Translation

Blessed *be* the Lord God of Israel from everlasting, and to everlasting. So be it, so be it.

NET Bible

The LORD God of Israel deserves praise in the future and forevermore! We agree! We agree!

Amplified Bible

Blessed be the LORD, the God of Israel, From everlasting to everlasting [from this age to the next, and forever]. Amen and Amen (so be it).

The Geneva Bible of 1587 ends that verse with so be it, even so be it.

The Brenton Septuagint Translation which is the Old Testament written in Greek ends that verse with so be it, so be it.

The Net Bible ends it with we agree, we agree!

And the Amplified Bible ends it with amen and amen and in parenthesis (so be it).

Catholic Translations

Douay-Rheims Bible

Blessed by the Lord the God of Israel from eternity to eternity. So be it. So be it.

Catholic Public Domain Version

Blessed is the Lord God of Israel, for all generations and even forever. Amen. Amen.

Let's look at a couple of Catholic Translations. The Douay-Rheims Bible ends that verse with so be it. So be it.

And the Catholic Public Domain Version ends it with amen. Amen.

In the Geneva Bible it says These things saith Amen, the faithful and true witness, the beginning of the creatures of God. It does not say “The” Amen, just Amen. The note in the side margin regarding Amen in that passage says: That is, Truth itself.

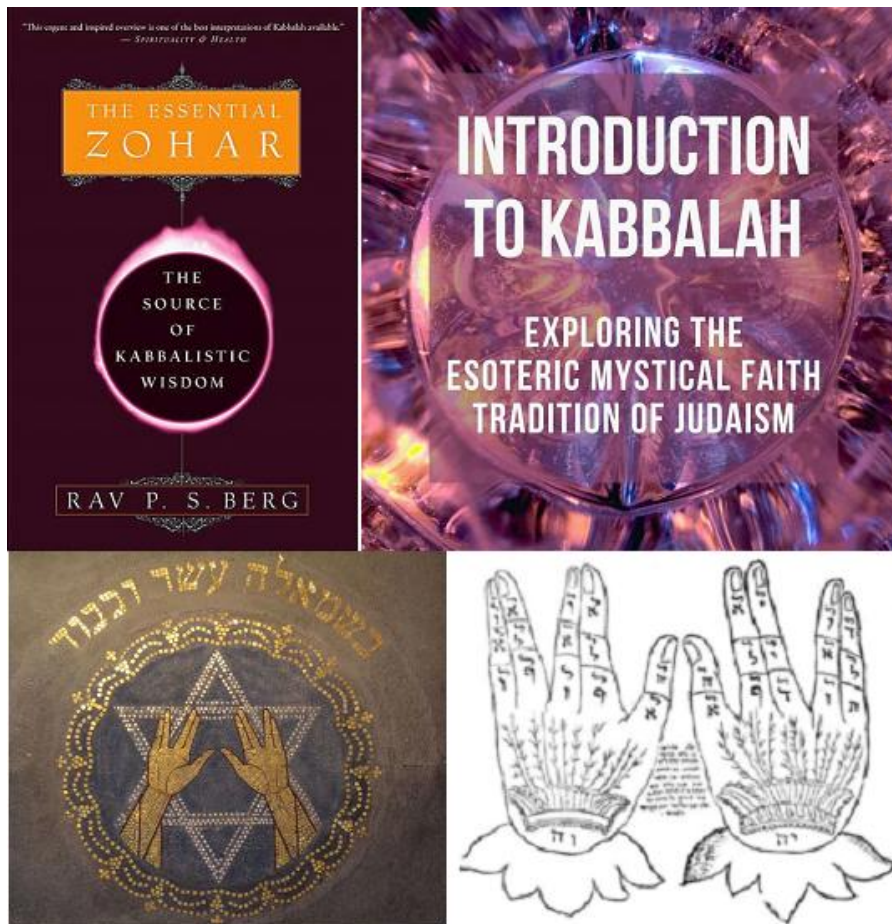

Amen is supposed to be a Hebrew word. I find it interesting that the Geneva Bible, one of the earliest English translations that we have, did not use the word amen in the Old Testament. Supposedly the language had so evolved that in the time of Jesus, the common language was Greek. We are told that the Hebrews who are also called Israelites spoke Greek in the time of Jesus on the earth. And that they studied from Greek writings of Scripture which is called the Septuagint. The Septuagint dates to the 2 century B.C. while the modern Hebrew (which seems to mostly be Chaldean or Babylonian or Phoenician) Masoretic text dates to the 8th century a.d. when it was completed. Both the Septuagint and the Masoretic texts are supposedly based on older Hebrew originals.

They did however, use the word amen in the New Testament. Interesting that there is a noted difference there. If amen is a Hebrew word, why didn't they use it in the Old Testament? It is certainly in our KJV Bibles in the Old Testament. But instead, they chose to use the Hebrew Word in the New Testament which would have been written in Greek. And why is this word left untranslated? We are certainly told what it is supposed to mean. There is no reason for it to have been left untranslated.

The Geneva Bible leaned heavily on the earlier translations of William Tyndale who was burned at the stake for his work of translating God's Word to get it out into English to the people. And one of the main translators of the Old Testament knew Hebrew and was familiar with it and was a great help in translating it, Anthony Gilby.

The Geneva Bible was translated from the Greek and Hebrew original texts. It was not based on the Latin vulgate.

AMEN FROM THE ZOHAR – KABBALAH

I pulled these images so that we could have a quick refresher on why I say that Judaism is witchcraft. Top L: The Essential Zohar “The Source of Kabbalistic Wisdom” by Rav P. S. Berg, Top R: Introduction to Kabbalah, Exploring the esoteric mystical faith tradition of Judaism. Bottom L: satanic star with hand sign witchcraft. Bottom R: Jewish witchcraft taught to the world and manifested in the form of palm reading, fortune telling and superstition.

The Zohar tells us that those who utter the word *amen* after a prayer are profoundly more important than those who recite the prayers.
States the Zohar:

He who answers Amen is greater and more valuable than he who makes the blessings.

—ZOHAR VOL. 22 7:36

The Zohar also says those who utter *amen* and understand its true meaning, they will be blessed, saved and protected from their enemies who seek to crush them. People who know and utilize the power of *Amen* receive Light and blessings in this world and in the future paradise.

You can get up off the floor now! Can you believe they teach and believe this non-sense?

Why is this one word so powerful?

We'll answer that in a moment.

The Zohar says that those who failed to understand and utter *Amen*, they cause the doors and gates to heaven to slam shut so that blessing cannot fall down upon them. The result is darkness. Look around.

States the Zohar:

"...Whoever heard a blessing someone made but did not meditate in his heart on the Amen.....close the gates...no blessings are opened for him....Woe to him, woe to his soul."

—ZOHAR VOL. 22 7:36

THE UNIVERSALITY OF AMEN

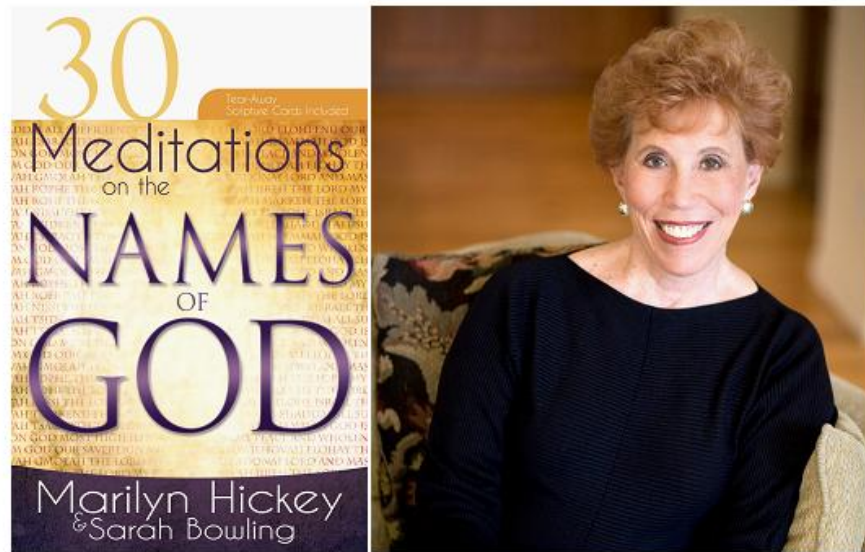

Amen is universal.

Christians, Muslims, Israelites have all used this word in prayer and meditation for millennia.

There is darkness in our world only because we have failed to switch on the Light. Not because God said "no" or because there is no Divine source of Light. It's because we have not understood how to use *Amen* and the Names of God to bring forth Light.

** The Jews took adjectives about God and turned them into names for Him. Jehovah Nissi (the lord our banner), Jehovah Shalom (the lord is peace), Jehovah Jireh (the lord our provider), and on and on it goes with their lies and deception. These are names for satan and not God. Remember I showed in the buildings and artwork of the Roman Catholic Church where they have lifted up the name Jehovah saying it is God's name and I brought that out and exposed that lie already. This has been a major way that they have left untranslated words in our Bibles and led us to believe that they were names for God. They teach that you

should pray to the part of God that you are needing to answer your prayer. Like Jehovah Rapha (the lord our healer) etc. This has been a sneaky way of getting those who fall for this deception to pray to fallen angels and worship them. They have deceived us into saying names and titles for satan and the fallen angels.**

L. 30 Meditations on the names of God – Marilyn Hickey & Sarah Bowling R: Marilyn Hickey The last church I attended gave us a handout from this woman so that we could learn the different names of God. She doesn't look like a witch does she? She is, a big old false teacher for satan. We don't meditate on God's name or titles. We meditate on God's Word, which means read it, study it and think about it and we hide it in our hearts **(Psalm 1:1-3, Psalm 119:11)**.

The whole purpose of prayer is to connect and unite the 99% (supposed to be the 9 dimensions or where God is and the name of God as yahweh/jehovah and the 1% (supposed to be our realm and the name adonai). You see, God does not answer our prayers. We answer our prayers by connecting ourselves to the 99% reality, the realm of Divine Energy and God's Light, where all the answers to our prayers reside. God is the *source* of miracles and blessings, but not the maker of miracles and blessings. That job was given to us. God never says *No* to our prayers. We say *No* when we disconnect ourselves from the source of all Divine Energy. You cannot blame electricity for not lighting up your pitch black house if you forgot to plug your lamp into the wall socket or if you forgot to flip on the power switch.

This is why the Zohar says *“whoever heard a blessing someone made but did not meditate in his heart on the Amen.....no blessings are opened for him....Woe to him, woe to his soul.”*

CLOSING

Remember satan wanted to be God and that is what he’s been up to, building his earthly kingdom and gathering people and worship away from God. Every time God gives me a major revelation like this I am shocked. I was talking to Scott about it the other night and really it should not surprise me that satan has found ways to have his name called in God’s churches and by all people. Look what he has done with this word, we know Christ Jesus is the truth and now satan has come up with a way to put one of his names into our Bibles by making us believe that amen means truth and more than that, even that it was a title for Christ!

Jesus is speaking to the unbelieving Jews in this next passage.

John 8:44 - Ye are of *your* father the devil, and the lusts (desires) of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own (When he lies, he speaks his native language): for he is a liar, and the father of it (the father of lies).

So satan is the father of lies and yet he has deceived the world into calling him a word that we were told meant truth. Totally twisted and perverted against God and even a great abomination that one of satans names or titles is spoken in God’s churches all the time.

Matt.24:4 - And Jesus answered and said unto them, Take heed that no man deceive you (don’t let anyone deceive you).
