

## AMEN Pt 6: FERTILITY GODS, MIN, X, CROSSED ARM SYMBOLISM, FREEMASONS, ORION

Ka-mut-ef, "Bull of His Mother" as a ram-headed lion in the Avenue of Sphinxes at Karnak Temple

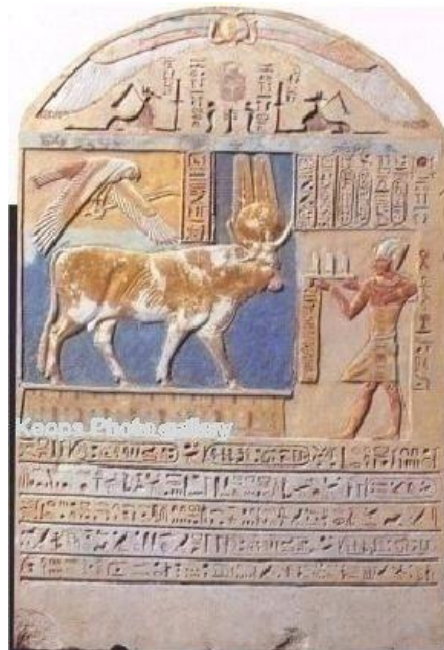

Ka-mut-ef, "bull of his mother" as a ram-headed lion in the Avenue of Sphinxes at Karnak Temple. Amun is represented here with a ram's head symbolizing his being a fertility god. Bulls and rams were used to depict fertility gods. Fertility of the soil as in vegetation as well as procreation among people and animals. The lion body symbolizing he is a sun god. The pharaoh would be considered his son and he, the god whom protected pharaoh.

Amun depicted as Amun-Ra. Over time he merged with another of Egypt's main solar deities, RA and became amun-ra. You see the two straight feathers that always signified the god amun. The solar disc to show he is a sun god. He is holding an ankh to represent that he gives life and the "was" scepter. Notice that rope coming out of the back of his crown or headdress? That symbolized a bull's tail. Sometimes it came from his tunic but sometimes from the head. It was to show that he had the strength of a bull and to link him to fertility. The pharaoh's would wear the bull's tail to symbolize them as the Bull King, linking them to amen/satan, to the gods they served.

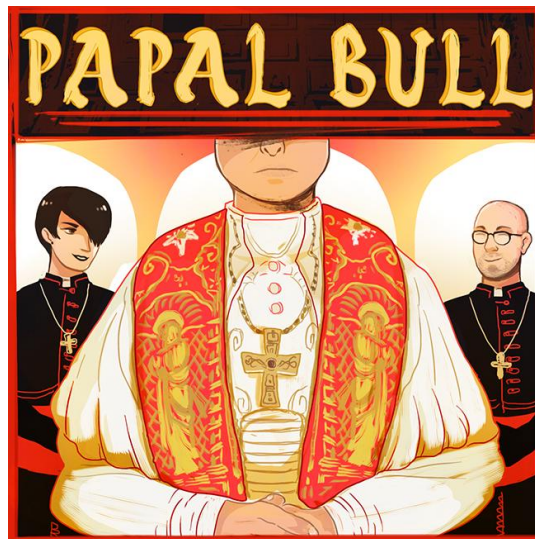

Stela of the bull god apis being worshipped as a sun god.

Here is the sun god and god of the underworld, amen, pictured in bull form receiving offerings. The ancient Egyptian religion and the freemasons, witches, luciferians do sexually perverted things in worship and service to their god satan. The "G" in the middle of the compass and square stands for many things and the generative principle is one of them.

Nimrod was depicted with the body of a bull to show his strength by association and the wings to show divinity and rulership.

The pope of the Roman Catholic Church issues public decrees, letters patent or charter called papal bulls. It is supposedly named after the seal (bulla) that was appended to the end in order to authenticate it. They show us openly who their gods are and it isn't the God of the Bible.

The Egyptians did not look to God for His blessing of their crops and animals or of themselves to be fertile and have children. They worshipped fallen angels who promised to bless them in exchange for their worship and sacrifices. Many times those sacrifices were their own children. We read about this in Scripture when

we see that the idolatrous nations or pagans sacrificing to Molech /Moloch / Chemosh etc. satan, the head of the fallen angels, was known to them as amun / amen / aman / amon etc.

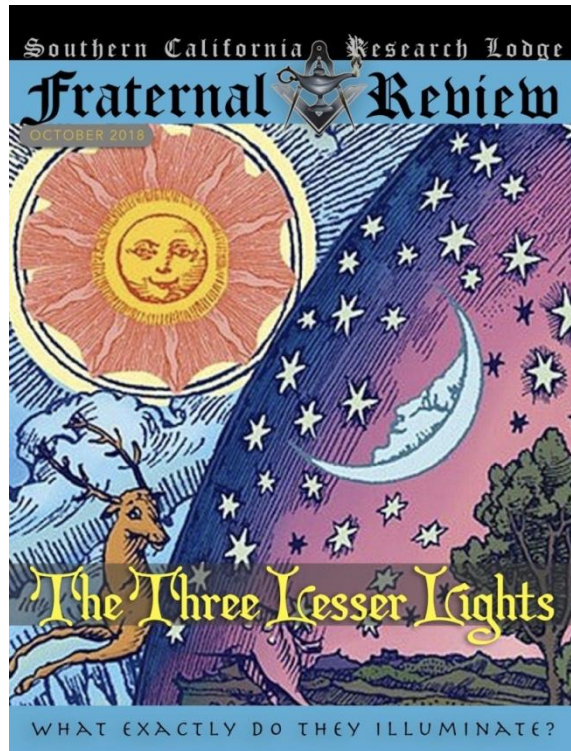

Freemasons who run this world for lucifer worship the fallen angels of ancient Egypt. It is apparent in all of the elite lodges, not necessarily in regular neighborhood lodges down the street. Here you see the three lights, they give a false explanation of what these lights really symbolize to the low level pawn freemasons. They are the phases of the sun, rising, midday and setting, for the worship of the sun god who is said to be the illumined one. That is none other than lucifer.

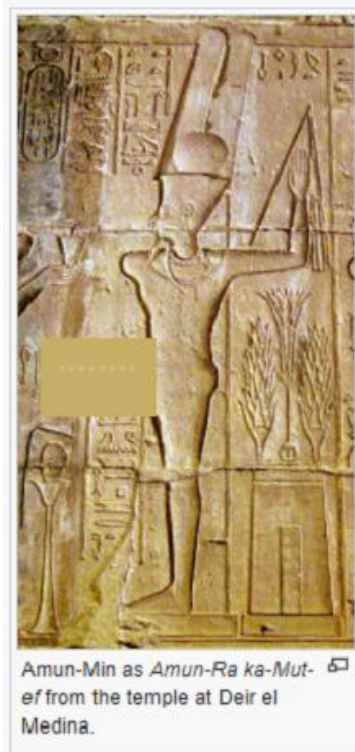

Notice the winged sun disk of ancient Egypt over the leader of the lodge's seat. And to either side of the red chair there are Egyptian pharaoh or false god heads.

You see up top by the ceiling the 2 cobras surrounding the disk of the sun as well. The freemason's religion is the same as the mystery religion of ancient Egypt. So we see it goes way further back than what we even realized. It says here: the three lesser lights in the East – The moon, sun and the worshipful master. Three lesser lights in a continental (latin) Masonic temple in the Lakensestraat in Brussels (Belgium, Europe). Union et Philantropie asbl, architect Paul Bonduelle, inaugurated on 17 December 1910.

In research: The three lesser lights in the east (heaven) are reflected by three lesser lights on earth (candles). The lesser lights or candles: one is for the sun, one for the moon and one for the "worshipful master of the lodge." Above his seat is the all seeing eye of lucifer and it can be stylized in many different ways. So you can see worship of the sun, moon and stars or fallen angels incorporated into freemasonry and hidden from those who do not have eyes to see. They say the three great lights are the Bible, the square and the compass. Although at the 33<sup>rd</sup> degree they swear on the koran. They pervert and twist Scripture and teach it to those that cannot discern what is really being said and truly going on behind the scenes. These pawns that are deceived and duped into believing freemasonry is really a Christian organization lend credibility to it because they are people that we know in our daily lives. However, they are still part of an occultic organization even if they can't see or understand any of it and a door is wide open to satan in their lives because of their oaths and affiliations with this occult.

Fraternal Review – “The Three Lesser Lights” what exactly do they illuminate? The sun, moon, stars and a horned deer representing pan or lucifer the horned god of freemasons, witches, Jesuits etc. Now you can see how old their religion really is, it is the Egyptian mystery religion cloaked as Christianity for those that do not study the Word of God or have a real relationship with Jesus.

Amun-Min as Amun-Ra ka-Mut-ef from the temple at Deir el Medina. When he is depicted as amun-min, min refers to fertility. Min is a fertility god. I doctored these pictures to block out a certain body part. He is referred to as a fertility god, of vegetation, animals and people. He is usually depicted as holding himself with one hand and upholding the flail with the other hand. I believe rappers and others are saluting satan when they grab themselves.

Remember he is the same as molech/moloch and he did receive human sacrifices. **(Lev.18:21, 2 Kings 16:3, 2 Kings 21:6, 2 Kings 23:10, Jer. 32:35)** Those that brought the sacrifice were seeking to be blessed with more children, fertile crops and animals by satan. satan's system of worship has always required blood sacrifices and although he will receive animal sacrifices, he prefers humans. For Christians, God required animal blood sacrifices to cover sin and under the new covenant Jesus shed His blood once and for all who would come and serve God. We no longer have to bring blood sacrifices because of what Jesus did for us. But satan's system of worship has never changed and it never will.

We just saw how amen-min is tightly wrapped like a mummy. Just like we have seen of Osiris, both are called god's of the underworld and that is why I believe they are the same one. He is holding the flail to symbolize fertility of vegetation and provision for his people. A mummies arms would be crossed over them in an X and they would be tightly wrapped.

X is a symbol and letter of the sun god and in Pythagorean it stands for a 6. This is tied in with the mark of the beast number 666. Our world is covered in X's and it is a symbol of satan's. X-box, X-Factor, X-Files, X-Men, Space-X and on and on it goes.

Mega corporations are saying something with their accentuated X's. They salute their god in their names, logos, colors, numbers etc.

Steven Furtick, Joyce Meyer

Chadwick Boseman from the movie “Black Panther” doing what they have dubbed the Wakanda Salute, but in reality it is a salute to the god he serves, the god of the underworld who is satan.

Official Whitehouse photos of Biden and Obama, crossed arms are by design, they are speaking without saying a word.

Melanie Trump's official whitehouse photo is speaking as well.

Left: No doubt low level freemasons doing something they've been taught and have no clue what it really means. Right: A freemason posing for Young Masons Club Conference

A few wolves in sheeps clothing. Top L: Perry Stone Top R: Joel Olsteen now called Osteen through the Mandella Effect – notice the title there “The God Who Crosses His Arms” – that is a nod to the god he serves, satan. I’m sure he

managed to twist something in Scripture to use as code to speak to the brotherhood. Bottom L: Olsteen R: Joyce Meyers now called Meyer through the Mandella Effect. I believe what we see on tv of her and Joel, I think they are cloned. They don't even look like themselves anymore. Look at her picture for the very same book. That is not even the same smile or eyes or anything. They have passed their cloning by us by making us think that they go out and get a lot of plastic surgery and they just come out looking totally different. And we have just believed that.

See the tall statues of Osiris with his arms crossed, and he is standing as a mummy, lord of the dead. These people are mimicking Osiris. Osiris is satan is the false god called "amen".

In ancient Egypt they used to cross their arms on ancient Egyptian sarcophagi because the arms crossed made the constellation of Orion in the night sky and Orion was associated with death. This is a new connection that I was not aware of. We know that the luciferians worship the fallen angels, and they observe and incorporate the constellations in their system of worship. So now we have another connection to satan through the constellation Orion associated with death.

The Ancient Egyptian god Osiris, god of Orion with an “X” on him which represents Orion. Osiris is the god of the Dead, despite claims that Osiris is Jesus because of the coming back from the dead he is more closely related to the Virgin Mary who is a god of Death in Freemasonry. This is their system of worship and belief, nothing to do with Christianity. They twist and pervert the truth at every turn. To me when you see their pictures of what they see in the sky, they are just drawing whatever pleases them.

Ancient god of death with a saltire cross which represents Orion.

L: Scythian god of Orion doing the crossed arms. R: Inca god with crossed arms.

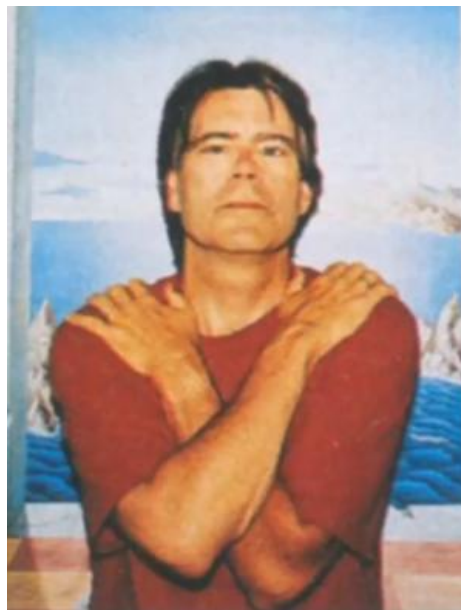

Aleister Crowley, dressed like a pharaoh doing the x or crossed arms for the god of death who is satan. Remember Crowley called himself the beast 666. He served the sun god satan and wrote the occult's "book of the law" and he founded the ancient occult religion of Thelema. And taught that "do what thou wilt" shall be the whole of the law – the occult law of satan that is.

Simon Cowell isn't in the lime light by accident, he's rich for a reason. He is a freemason and has bowed to satan. Notice the jet ski has a freemasonic logo on it.

Stephen King writes thrillers and creepy gory stuff in service to his god. satan has blessed his life for bowing down to him.

Skull and Bones. The brotherhood death secret society symbol to do with Orion.

**Coffin Set of the Singer of Amun-Re,  
Henettawy**

ca. 1000–945 B.C.

Coffin set of the singer of amun-re, Henettawy 1000-945 BC. All have the crossed arms and this is brought right back to satan as amen and amen-re or amen-ra.

Osiris / “amen” on his throne. Bound like a mummy and has the X sash on himself. god of the underworld. He is green to symbolize he is a fertility god.

These are all Osiris or “amen” in his mummified lord of the dead state.

Top L: an “Oscar” R: the Egyptian god Ptah Bottom – from the Oxford Masonic Bible, look at the first one on the left, it is Ptah and it says the creator. Notice each one of these are standing with their legs tightly together as if wrapped like a mummy. The hand position of the Oscar statue and the ptah statue are the same and the previous picture shows Osiris with the same hand position.

Ptah, also spelled Phthah, in Egyptian religion, **creator-god and maker of things**, a patron of craftsmen, especially sculptors; his high priest was called “chief controller of craftsmen.” The Greeks identified Ptah with Hephaestus (Vulcan), the divine blacksmith.

Ptah, in Egyptian religion, creator-god and maker of things, a patron of craftsmen, especially sculptors; his high priest was called “chief controller of craftsmen.” The Greeks identified Ptah with Hephaestus (Vulcan), the divine blacksmith. Vulcan is the same as Tubalcain and that is none other than satan. Freemasons revere tubalcain and now we can understand why.

Gold is a color that represents the sun god baal/amen/satan. Notice in the name Oscar there is a pyramid with Oscar standing in the middle of it. The pyramid harkens back to Egypt and to the false god amen who is satan /Osiris /Vulcan / Orion – all called god of the dead. Hollywood makes it clear who they serve.

Sokar, ancient Egypt online. He is the ancient Egyptian Memphite god of the dead. He is the same as the sun god Horus or Tamuz. He is dressed in mummy wrappings with the crook and flail and the was scepter.

Ptah-Sokar-Osiris. At the RISD Art Museum in Providence, Rhode Island. These names are speaking of the same one and that is satan. There is the sun disk, the straight out ram horns symbolizing the underworld and the two plumes we see on Osiris.

Ptah-Sokar-Osiris

Ptah "Señor de la magia", era un dios creador en la mitología egipcia.  
 "Maestro constructor", inventor de la albañilería. patrón de los arquitectos y artesanos.

En épocas tardías se le asimiló a Osiris,  
 surgiendo así el dios funerario Ptah-Sokar-Osiris, representado momiforme, como Osiris.

Ptah-Sokar-Osiris

**SOKAR - OSCAR**

SOKAR **SOKAR**

Se le asoció con Ptah en la dinastía V, siendo los sacerdotes de Ptah también de Sokar. **Se le vincula con Osiris en los Textos de las Pirámides. En el Imperio Medio se le adora como Ptah-Sokar-Osiris, en Abidos, continuando esta trinidad en el Imperio Nuevo y durante el tercer periodo intermedio. sugieren que se refiere a la frase "sy-k-ri" ("se apresuran a mí"), que fue el grito de ayuda pronunciadas por Osiris a Isis**

Someone else is awake, this is their research. This is in Spanish but I wanted you to see the connection between Sokar and Oscar – spelled slightly different with a “k” but sounds the same as a “c”. Here they put a “c” so you could see more clearly how they scrambled it so we would not catch on. And we don’t catch on because we don’t serve lucifer and have not understood these things nor do we seek them out. I praise God for the revelation He gives.

The X or crossed arms.

#### **Decline** [ edit ]

In the 10th century BC, the overwhelming dominance of Amun over all of Egypt gradually began to decline. In Thebes, however, his worship continued unabated, especially under the Nubian [Twenty-fifth Dynasty of Egypt](#), as Amun was by now seen as a national god in Nubia. The [Temple of Amun, Jebel Barkal](#), founded during the New Kingdom, came to be the center of the religious ideology of the [Kingdom of Kush](#). The [Victory Stele of Piye at Gebel Barkal](#) (8th century BC) now distinguishes between an "Amun of [Napata](#)" and an "Amun of Thebes". [Tantamani](#) (died 653 BC), the last pharaoh of the Nubian dynasty, still bore a theophoric name referring to Amun in the Nubian form *Amani*.

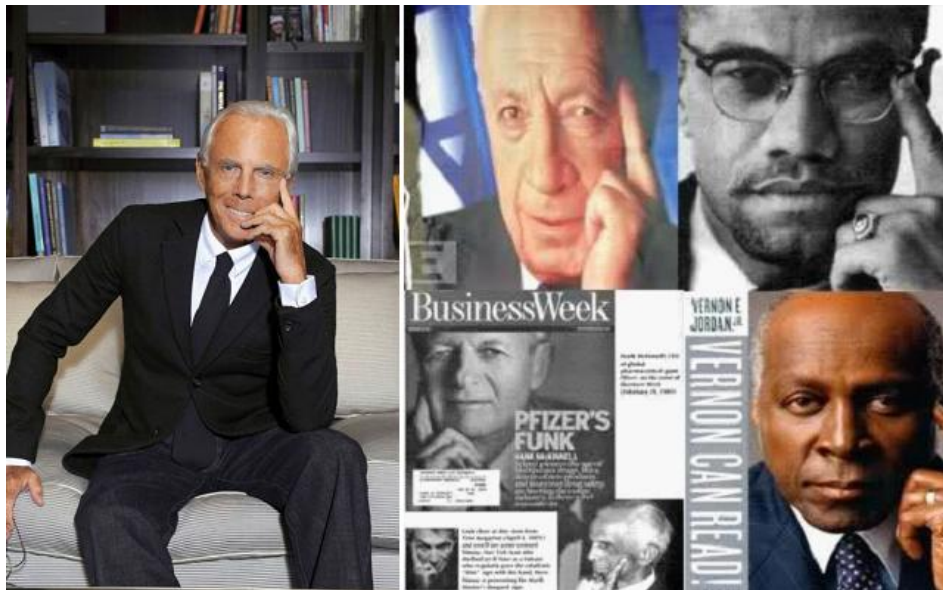

**Decline:** In the 10<sup>th</sup> century BC, the overwhelming dominance of Amun over all of Egypt gradually began to decline. In Thebes, however, his worship continued unabated, especially under the Nubian 25<sup>th</sup> Dynasty of Egypt, as Amun was by now seen as a national god in Nubia. The Temple of Amun, Jebel Barkal, founded during the New Kingdom, came to be the center of the religious ideology of the Kingdom of Kush (Cush). The Kingdom of Kush has to do with Nimrod because Kush was his father. The Victory Stele of Piye at Gebel Barkal (8<sup>th</sup> century BC) now distinguishes between an "Amun of Napata" and an "Amun of Thebes".

Tantamani (died 653 BC), the last pharaoh of the Nubian dynasty, still bore a theophoric name referring to Amun in the Nubian form Amani.

Do you think the famous designer Armani might have an initiated family name with a slight twist of inserting an "R". Could be, the rich and famous have all bowed to satan and they do all have initiated names that speak in worship of the god they serve, and to their fellow luciferians.

Here is the Armani logo. Notice the phoenix rising as they say from the ashes which is a symbol of the sun god baal who is satan. On the right you see a huge E and an A which stands for Emporium Armani and beyond that “e” is the name of a false god and so is “a.” His initials put together spell “ga” think of luciferian “lady gaga” – it speaks. This is for an angel that guards the 7<sup>th</sup> heavenly hall – that is a fallen angel. And ga all by itself is also a false god. So this thing is packed.

## CLOSING

**Prov.6:12-15** - A naughty person (trouble maker), a wicked man, walketh with a froward mouth (corrupt mouth always speaking lies). He winketh with his eyes (signaling deceit with a wink of his eye), he speaketh with his feet (with a nudge of the foot), he teacheth with his fingers (with wiggles of his finger or motions of his fingers); Frowardness *is* in his heart (plotting evil with deceit in his heart), he deviseth mischief continually; he soweth discord (stirs up trouble). Therefore shall his calamity (disaster) come suddenly ; suddenly shall he be broken without remedy (beyond all hope of healing).

The freemasons have a system of speaking with hand signs and signals, body language, and there are even postures and feet positions within this occultic organization.

**Jeremiah 19:5-6** - They have built also the high places of Baal (pagan shrines to Baal), to burn their sons with fire *for* burnt offerings unto Baal, which I commanded not, nor spake *it*, neither came *it* into my mind: Therefore, behold, the days come, saith the LORD, that this place shall no more be called Tophet (a symbol of the abode of the wicked), nor The valley of the son of Hinnom, but The valley of slaughter.

They had an image of a bull god that had fire burning in it and they would place their children in its arms or inside the fire and they would be sacrificed as burnt offerings to molech which is another name for satan. They learned this from the Canaanites, the Egyptians and the Assyrians, the nations that God said not to mingle and mix with because He wanted His people to remain righteous and live blessed lives. On the right – we are still sacrificing our children to Moloch today, but it called planned parenthood or that is abortion. Abortion is not God’s way, it is murder and the god that it honors is the god of this world, satan or as we have learned now, he is also called amen.
