

AMEN Pt. 9: LORD of SILENCE, PRINCE of the POWER OF THE AIR, BAPHOMET, GOATS

Doxology

A doxology is a short hymn of praises to God in various forms of Christian worship, often added to the end of canticles, psalms, and hymns. The tradition derives from a similar practice in the Jewish synagogue, where some version of the Kaddish serves to terminate each section of the service.

Doxology – is a short hymn of praises to God in various forms of Christian worship, often added to the end of canticles, psalms and hymns. The tradition derives from a similar practice in the Jewish synagogue, where some version of the Kaddish serves to terminate each section of the service.

So these doxologies are associated with the Roman Catholic Church and Judaism.

Many things that these false religions do are repetition like chanting and ritual worship that is not from the heart.

Matt.6:7 - But when ye pray, use not vain repetitions (babbling or chanting), as the heathen *do (as the pagans do)*: for they think that they shall be heard for their much speaking.

Catholic priests ring bells and sing what they call the great or grand amen during their Eucharist liturgy.

In The Broadman Hymnal there are some songs that consist of nothing but the word “amen.”

The image shows a page from a hymnal titled "Amens". It contains five musical entries, each with a number and a title:

- 499 DRESDEN AMEN**: A two-staff musical score in 4/4 time. The lyrics are "A - men, A - men." The composer is not explicitly named but is associated with the number 499.
- 500 THREEFOLD AMEN**: A two-staff musical score in 4/4 time. The lyrics are "A - men, A - men, A - men." The composer is **MARY L. YOUNG**.
- 501 THREEFOLD AMEN**: A two-staff musical score in 4/4 time. The lyrics are "A - - - men, A - men, A - - - men." The composer is **Traditional**.
- 502 FOURFOLD AMEN**: A two-staff musical score in 4/4 time. The lyrics are "A - men, A - men, A - men, A - men." The composer is **JOHN STAINER**.
- 503 SEVENFOLD AMEN**: A three-staff musical score in 4/4 time. The lyrics are "A - men, A - - - men, A - - - men, A - - - men, A - - - men, A - - - men, A - - - men." The composer is **JOHN STAINER**.

On page 500 of the Broadman Hymnal we see at least 4 songs with nothing but the word amen being sung. They are named for how many times amen is repeated, like threefold amen sings that word three times and fourfold sings it four times.

Just because that song book is supposed to be a Christian song book does not mean it is pure. There are Christmas songs in it and by now you should know that

Christmas has nothing to do with Jesus except that satan put Christ in the name to deceive Christians. If that is the first time you are hearing that I would listen to the teachings that I did titled “Occult Origins of Christmas.”

Whatever Amen Corner now means, there's little doubt that in almost every Masters, some of the most telling action will unfold around one of the toughest par 4s on the course in the 11th hole, the devilishly tricky 12th - "Golden Bell" – and the ingenious par-5 13th where Kipling's 'two imposters' of triumph and disaster lurk in equal measure.

Masters amen corner. Whatever amen corner now means, there's little doubt that in almost every “masters,” some of the most telling action will unfold around one of the toughest par 4s on the course in the 11th hole, the devilishly tricky 12th – “Golden Bell” – and the ingenious par-5 13th where Kipling's ‘two imposters’ of triumph and disaster lurk in equal measure.

Here is a famous golf course where the “Masters” tournaments are held. This article is coded, those numbers are being used in their number magic, 11 is a number of the sun god satan, representing his illumination, the 12 consists of 2 6's and 13 is their number of chaos. Notice they call the 12th hole the “Golden Bell” and that is in honor of the sun god baal as mentioned in our Bibles. The color gold for the sun and the name baal. Then the 13th hole mentions opposites which is part of the luciferians system of worship. Duality or black and white or good versus evil etc.

Goddess Mut (Mhute)

MUT

- ❖ Mut is the **mother goddess**. Also known as the **Queen god**.
- ❖ She is the **wife of Amun and mother of Khonsu**.
- ❖ Also the **mother of all living things**.
- ❖ Her hieroglyphic **symbol is the vulture**.
- ❖ The **crown worn on Egypt's queens**, typifies **motherhood**.
- ❖ She is a woman wearing a **vulture headdress** sometimes.
- ❖ **Wears double crown** to represent **lower and upper Egypt**.

The goddess mut or (mhute) was the wife of amen. Now I can tell you, in case you think the amen is still Jesus, this is not Jesus. He did not have a girlfriend and He did not have a wife. The sexual act is something God gave to mankind in order to multiply and fill the earth. It is not something that holy angels or God participate in. It says here that she is also known as the queen god, she is referred to as the queen of heaven in our Bibles and the mother of harlots. Her hieroglyphic symbol is the vulture, you will often see her with a vulture on her head. That makes no sense to me except that it feeds on dead things.

Amun was also identified with Montu (who he pretty much absorbed) and the hybrid gods **Amun-Ra-Atum**, **Amun-Ra-Montu**, **Amun-Re-Horakhty** and **Amun-Min**.

Amun was associated with a number of animals, whose form he sometimes took in inscriptions. Originally, he was depicted as a goose and given the epithet the "Great Cackler" (like **Geb**). It was also thought that he could regenerate himself by becoming a snake and shedding his skin.

However, he was most frequently depicted as a Ram, a symbol of fertility. He is also depicted as a man with the head of a ram, a frog, an Uraeus (royal cobra), a crocodile, or as an ape. Finally, he is depicted as a king sitting on his throne wearing the double plumed crown (also associated with **Min**). During the **Ptolemaic period**, images of Amun were cast in bronze in which he was depicted as bearded man with four arms, the body of a beetle, the wings of a hawk, the legs of a man, and the paws and claws of a lion.

His name is generally translated as “the hidden one” or “the secret one” and it was thought that he created himself and then created everything else while remaining distanced and separate from the world. In that sense, he was the original inscrutable and indivisible creator. When he merged with Ra he became both a visible and invisible deity. This duality (the hidden god and the visible sun) appealed to the Egyptian concept of balance and duality leading to an association between Amun-Ra and Maat.

Here we begin to see where duality came into the picture. From the mystery religions which are nothing more than satan’s system of

worship. Black and white, as above so below (as in sun worship), what is above is below, the sun rising and setting, good vs evil etc.

Osiris, lord of the dead and rebirth. (Remember the book of the dead where satan has promised to raise those that serve him back to life by black magic.) His green skin symbolizes rebirth. He was described as “He Who is permanently Benign and Youthful” and the “Lord of Silence.” The Kings of Egypt were associated with Osiris in death – as Osiris rose from the dead so would they in union with him, and inherit eternal life through a process of imitative magic which is witchcraft.

The first dynasty dates back to 2925 bc – 2775 bc. The worship of Osiris coincides with the worship of the false god “amen.” Fallen angels are spirits and they don’t show aging or they choose in what form they want to appear. That’s why he is considered youthful.

This is a freemason magazine: The Journal of the Masonic Society, Summer 2010 Issue 9

Notice Osiris is the “Lord of Silence.” These Hollywood actors, models and singers are servants of satan’s or of Osiris or of amen – same one, same thing. They show their pledge to remain silent about the oaths and initiations they have taken, if not their very lives are at stake for that is the penalty of revealing the freemasonic oaths. They show who they serve by making these signs, this one is to the lord of silence, satan.

L: Indian actor Kartik Aaryan goes “shhh” in his latest photo and urges fans to pose like him. Notice he has one eye close in honor of the sun god satan R: Lindsay Lohan’s new “shhh” tattoo – love it or leave it? Same as Rihanna’s tattoo.

That’s right, evolution is one of their biggest deceptions – anything to cut God out of the picture. – Just because someone tells someone else to be quiet and they make this sign and say shhh does not make them a luciferian. These are all posed for pictures, they are doing this sign on purpose, speaking to the brotherhood without saying a word and paying homage to the god they serve. Remember most of the time these people are born into luciferic families, they are split through traumatic things that are done to them on purpose, they are sexually raped, molested, abused and perverted and purposely taught wickedness and

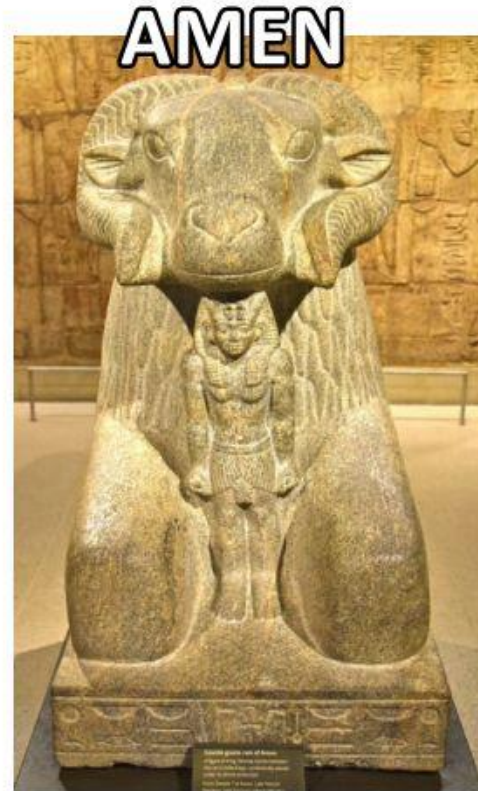

that Jesus does not love them and will not help them. They are getting fame, fortune, power etc. at the hands of their god – satan. satan is lifting up his servants.

Amun (also Amon, **Ammon**, Amen, Amun-Ra) is the ancient **Egyptian** god of the sun and air. He is one of the most important gods of ancient **Egypt** who rose to prominence at **Thebes** at the beginning of the period of the **New Kingdom** (c. 1570-1069 BCE). His cult was the most powerful and popular in Egypt for centuries.

He is usually depicted as a bearded man wearing a headdress with a double plume or, after the New Kingdom, as a ram-headed man or simply a ram, symbolizing fertility in his role as Amun-Min. His name means "the hidden one," "invisible," "mysterious of form," and unlike most other Egyptian gods, he was considered Lord of All who encompassed every aspect of creation.

Origin & Rise to Prominence

Amun is first mentioned in the **Pyramid** Texts (c. 2400-2300 BCE) as a local god of Thebes along with

god of the sun and air. This matches up with the false god baal of the Bible. He is a sun god.

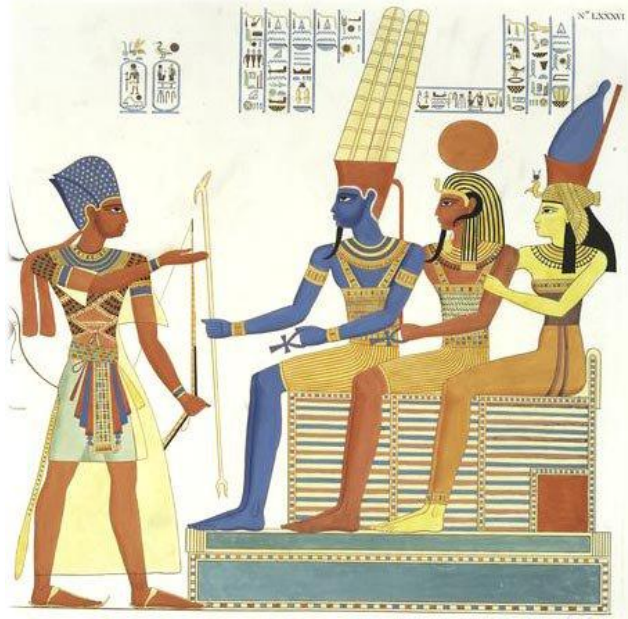

Eph.2:2 - Wherein in time past ye walked (lived) according to the course of this world, according to the prince of the power of the air (ruler of the kingdom of the air / obeying the devil – the commander of the powers in the unseen world), the spirit that now worketh in the children of disobedience (He is the spirit at work in the hearts of those who refuse to obey God):

The god amen was a god of the air and satan is called the prince of the power of the air. That's a match.

BLUE

The ancient Egyptian god, amen, who is satan. The blue skin shows his association with air and primeval creation. The sky is blue. The Bible also tells us that he was the anointed cherub that covered. **(Ezekiel 28:14)** The covering aspect seems to apply to God's throne when he was in a position of honor in heaven. The Bible tells us that under God's feet are sapphires, which are blue. **(Exodus 24:10, Ezekiel 1:26, Ezekiel 10:1)**

Here he is again on the left receiving worship. Amon / amen / ahmen R: Rameses III (1198-1167 bc)

Amen was the principal Egyptian state god in the New Kingdom, closely associated with Thebes at least as far back as the Middle Kingdom. He is known to have existed since at least the late Old Kingdom. Called "The Hidden One," he is associated variously with wind, water, and fertility, and was represented as a human, a goose, a ram, or a snake. He was often joined in the New Kingdom with the sun god Ra as Amen-Ra. Amen was a part of the Theban triad which consisted of Amen, his wife Mut and son Khonsu, and their principal temples lay at Karnak. In his form of Amen-Kamutef, he was a member of the Hermopolitan ogdoad.

satan is the god of many names, he is a master of disguise. Think of all the names we have been learning really represent him and not God, like Jehovah, Yahweh and Amen. Many different forms or manifestations are associated with him.

satan is the prince of the power of the air. The god amen was associated with wind, water and fertility. The Egyptians practiced witchcraft, that is satan's system of worship. He was a sun god and god of the dead as well.

The problem is you are using Greek and Hebrew to define a term from Kemetians or that is Egyptians.

Amun-Ra.... Seen as the primary God in Egypt. Amun/Amon/Amen. Amun the "unseen" God just as God is described in Christen beliefs. Just wonder what these hyper Christen groups will think knowing their prayer ending is also and primary worshipping the ancient Egyptain God.. Ra is the sun. Therefore Amun-Ra means the Sun God. Which gets us to the heretic Egyptain king Akhenaton who banished all other Gods in Egypt keeping only Aten-Ra. This bids a question to those who believe Christianity started in Isreal...And I will put it to them do not use the name Amen lightly in social media. Ra is not evil, he is the sun he promotes life.

Again this was a random online comment where we can now see that amen was never a Hebrew word, it comes from ancient Egypt.

*******GRAPHIC INFORMATION AHEAD*******

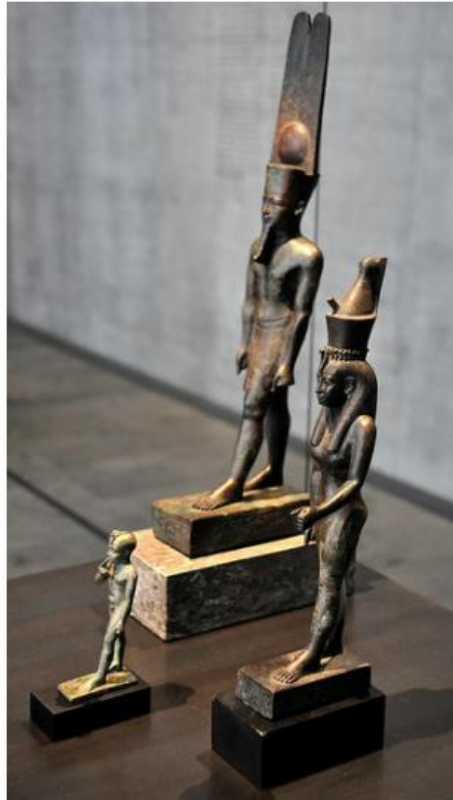

RESEARCH: More chilling is the leaked DNA evidence which links Pharoah Akhenaten & his son Tutankhamen as blood relatives to the Queen of England and a majority of European Royalty. This, as you will learn from Prof Toaff's book, and when comprehending that Pharaoh Akhenaten was most likely an Ashkenazi Jew, reaches the most extreme level of disgust & depravity, in the intricate and many detailed accounts of how the Pharaoh sacrificed hundreds of children and bathed in their blood in an effort to rid himself of leprosy. The practice of drinking blood of babies, blood infusion & "bathing in blood", we now learn is practiced Ashkenazi Zionatzi Freemason Jesuti Jews to this very day.

The supposed people in power positions serve lucifer. Just as most all of our presidents have been and are freemasons, they are all related to each other down the line. Our top government officials or the so called ruling class in England are all freemasons too or you can call them luciferians. They are knowingly serving lucifer and even though they will not announce it, those led by the Holy Spirit can see and know this. They are trying to maintain a pure satanic bloodline. They do

drink blood, just look up about loosh and adrenochrome. I have spoken on these topics.

These things are true but we don't go seeking out this type of information. I have not vetted out the statement about the Queen being blood relatives but I can piece that together with what I have seen in research to know that it is not out of line with what they do and who they are. Remember some information I brought out a long time ago about the Jewish Mohelim, performing a ritual called Metzitzah B'Peh where they actually are involved in sucking the blood from the circumcision of a baby. That is because on their part they are demonic and want that fountain of life or youth "the blood" and the high they get from that. And then many babies go on to have diseases from the mohelim himself that performed the ritual. That whole thing is nothing but perversion against God and I am floored that people even fall for this kind of filth.

The serpent is indicating another of his forms and as well indicates baal or satan. Serpents being deified always represent sun worship and satan. The ram head indicating fertility. And you see double horns laid out straight to represent the underworld. This is a depiction of the god of the underworld, known as amen or satan.

A male sheep or goat is called a ram. If you're a fan of reading your horoscope, you might notice that Aries, usually considered the first sign of the zodiac, is represented by a ram.

Jesus will separate His sheep from the goats and the goats will be thrown into the lake of fire.

Matt.25:31-40 - When the Son of man shall come in His glory, and all the holy angels with Him, then shall He sit upon the throne of His glory: And before Him shall be gathered all nations: and He shall separate them one from another, as a shepherd divideth His sheep from the goats: And He shall set the sheep on His right hand, but the goats on the left. Then shall the King say unto them on His right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world: For I was an hungred, and ye gave Me meat (food): I was thirsty, and ye gave Me drink: I was a stranger, and ye took Me in: Naked, and ye clothed Me: I was sick, and ye visited Me: I was in prison, and ye came unto Me. Then shall the righteous answer Him, saying, Lord, when saw we Thee an hungred, and fed *Thee*? or thirsty, and gave *Thee* drink? When saw we Thee a stranger, and took *Thee* in? or naked, and clothed *Thee*? Or when saw we thee sick, or in prison, and came unto Thee? And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done *it* unto one of the least of these My brethren, ye have done *it* unto Me.

This is called the atef crown and you will see it on the god amen and on Osiris.

L: Osiris and R: Amen – same one and same thing – god of the underworld or king of the bottomless pit.

CLOSING

L: The baphomet – that's a goat. R: Amen with ram head – that's a goat. Again, same one and same thing. The baphomet is a male goat mixed with a human body. Both male and female. Notice the snakes wrapped around the pole where the private parts are located. The caduceus, the symbol for medicine today. The snakes always represent satan. He is a fallen angel and so he is depicted with wings here. He claims to be the enlightened one and the one who brings light and that is what the torch coming out of the top of his head is symbolizing. This is the same reason the Olympic torch is lit. It is in honor of Zeus who is satan and he is the main god being honored by the Olympic games. The baphomet was discovered in the freemasons worship. In many Egyptian representations of amen, the sun is present. satan is the sun god, baal, el, amen etc.
