

FEAR of the LORD Pt.7: DADDY GOD, POP, RUDE T-SHIRTS, LIVING HOLY, YOUR TIME, OBEDIENCE

Rick G • 1 hour ago

Luke 11:2 He said to them, "When you pray, say: "Father, hallowed be your name, your kingdom come..... Thank you sister for reminding us to have the fear and the deepest respect to our Father, sometimes we say hello daddy, hey pop, no, we need to respect and show honor to our Lord when we address Him and the way we live.

This comment is from part one of this teaching series. Rick G. said: Luke 11:2 He said to them, "When you pray, say: "Father hallowed be Your name, Your kingdom come... Thank you sister for reminding us to have the fear and the deepest respect to our Father. Sometimes we say hello daddy, hey pop, no, we need to respect and show honor to our Lord when we address Him and the way we live.

Rick got it right. It is popular here in America to call God, daddy. I have never felt comfortable with that. I believe there is deception packed into the word "abba" and I do not believe it means "Father" as we are told by the unsaved Jews who had a hand in translating our Bibles. Abba is another word that I have found in my research, to be in honor of satan. It also makes no sense that our English translations have an untranslated word right beside the supposed English word for that untranslated word. There is something shady going on there. The unsaved Jews who have rejected Jesus are teaching deception to the world. They have inserted names for satan right into our Bibles under the guise that they are terms and titles for God when they are not. They have taught that "abba" is a term of endearment, like the first sounds a baby babbles that means the equivalent of dada and so people are now calling God – daddy. This is not a reverent way to address the King of the universe, the Great God, the Everlasting God, the Great I Am that I Am. This is yet another ploy to bring God down to the level of humanity and make Him common. He is to be glorified and lifted up. He is not to be brought down to the same level as our dad's or daddy's on this earth.

Don't address God in a casual manner as Rick pointed out. Be careful to address Him with reverence.

Wanna Taco 'Bout Jesus? Lettuce Pray. I have shown this one before. This looks cute at first. But when you really think about it, Jesus is not a cute or cheap joke. He's not a joke. He's not a quick laugh. Nothing that He did was laughable. He is the Creator of everything and He is to be feared and revered. The designer of this t-shirt knew what they were doing. These things have been designed on purpose, to craftily come against God for those that don't have the Holy Spirit, are lukewarm, carnal or just need to grow.

Not to be rude but I don't really care...like...at all. When you fear God, you don't wear stuff like this. You don't wear prideful and rude t-shirts. You go through your closet and get rid of everything that offends. When I was skinny, I had a t-shirt that had a little smart alec girl on it with her fingers in her ears and it said "Not listening" on the shirt. I got rid of it when I got baptized into the Holy Spirit.

I was out one day and this truck was in front of me. I could not help but take a picture to use in this teaching series. The sticker on the left is missing a "T" for some reason, it is an advertisement for a mega church here in Texas called The

Ark Church. On the far right is a sticker letting us know this truck belongs to “mama” and it is her toy, she’s proud of it. The sticker right in the middle says: If you not ready to see a (bleep) then get off my (bleep)! Wow! They are advertising to the word that they go to church and at the same time they are giving the people reading their window stickers a cussing. The way they are using both of those words is profanity. A true Christian baptized into the Holy Spirit would never have such a rude sticker much less display it for the world to see. This gives Christianity a bad name and does not honor God.

This is just wrong. You don’t think stuff like this is cute when you fear God. Notice how they dotted the “O” with a cloud. This is a stylized depiction of the symbol of the sun. In honor of satan. As if God has nothing better to do than to be on social media friending and unfriending people. The Bible has something to say about who is a friend of God and who isn’t. Churches like to sing that song “I am a friend of God” but in reality many of those people don’t even know Him.

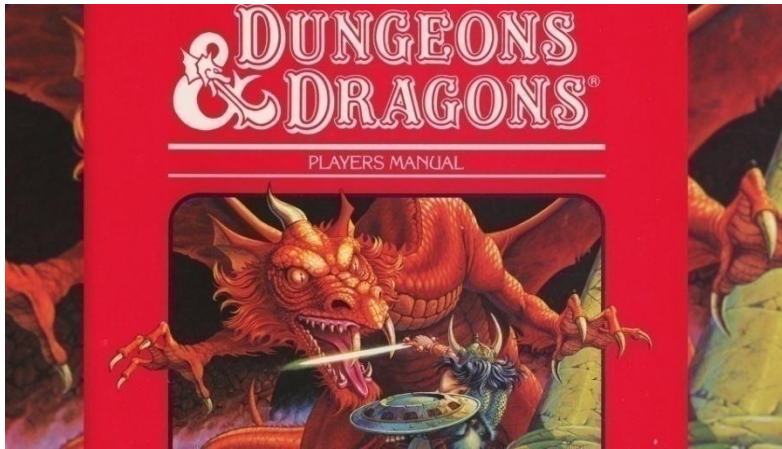

Let’s look at what Jesus had to say about it:

John 15:14 - Ye are my friends, if ye do whatsoever I command you.

Ariana Grande, on God is a woman. When you fear God, you don't entertain stuff like this. God is a Spirit and He chose to identify with the male gender when He manifested Himself in the form of Jesus. Our Bibles use masculine pronouns when referring to God. This lady is a servant of satan and he uses her to see how many he can draw away from God and get them to follow her and idolize her and lust after her, while drawing them to himself – that is satan. She is not concerned about winning souls for Jesus, she has a different master.

As you grow in the Lord and have true reverential fear of the Lord, you begin to throw out the ungodly t-shirts and clothing, books, movies with racy scenes in them, cussing in them, scary and gory scenes in them and things that honor satan like vampires, super heroes (which are the nephilim and titans and fallen angels). You take account of what is in your home and examine it through Christian eyes and get rid of all the things that displease the Lord. Burn, break, destroy these things, don't give them away or take them to Goodwill, you don't want them to taint anyone else's life. Destroy these things and in so doing, you are reverencing God. He knows exactly what you are doing and why.

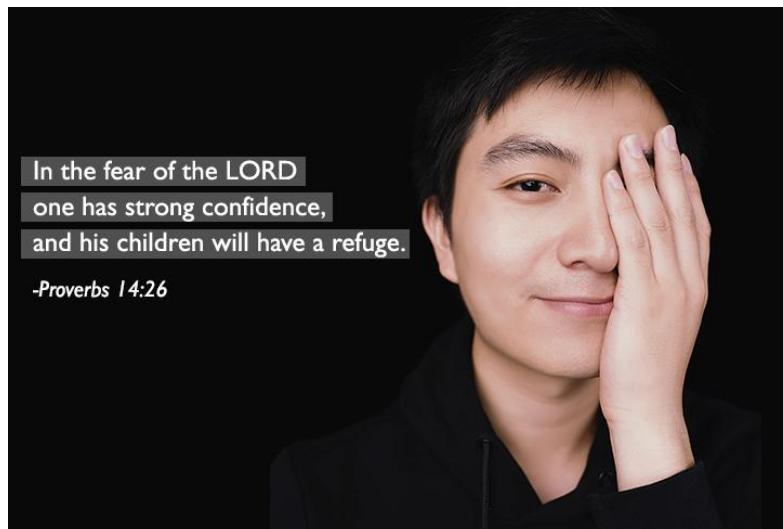

This is a very demonic video game. Video games, like everything else have progressed over time and have gotten more and more satanic, violent and wicked. These used to be sold as board games or actual hard cassettes or discs. If you have actual board games or video games on hand like this one – destroy it and ask for forgiveness. If these things are on your phone or tablet etc. – delete them. They are open doors for satan and his fallen angels to come into your life and torment you.

Look at your jewelry. Any trees promoted as a “tree of life” are witchcraft, kabbalah trees. By now everyone should know that the pentagram is a satanic symbol and even the supposed Christian fish is a satanic symbol. It stands for dagon, the god of the Philistines and the Roman Catholics, as well as it stands for the womb or female anatomy which is for the pagan goddess gaia or mother nature, mother earth. These things come from the occult, the ancient mystery religions. Really look at the things you have spent your money on and look into the meaning of them and what is on them. Start researching and digging down to

the truth of the things in your home. When you clean out your life and home, these things speak loudly in the spirit realm. It puts satan on notice, you are growing in knowledge of God and coming out of satan's deception and you are drawing nearer to God, learning what the fear of the Lord is truly all about. Clean out your home, and work place, your life from these things. Ask for forgiveness and repent don't go back to these things. When you do that, you are closing doors to satan and his demons.

Proverbs 14:26 – In the fear of the Lord one has strong confidence, and His children will have a refuge. Notice this scripture speaks of “the fear of the LORD” but look what the person is doing. I found this out online, look how satan loves to mock God. This is openly showing reverence and allegiance to satan. There is no reason why a Christian would ever cover one eye like this and pose for a picture. This is from Geneva College. The colleges, universities and schools today are promoting satan's agenda's and not God's. satan has certainly deceived many today into believing they have a relationship with God because they are attending feel good schools and churches who do not teach them the true fear of the Lord. They think just because it wears a label as “Christian” that it is. That's one of the greatest deceptions.

LIVING HOLY LIVES

God is holy and He expects us to be holy. **(1 Peter 1:15-17)**. This comes through true and real salvation, being baptized into the Holy Spirit, reading God's Word daily, praying daily and asking God to lead and guide you by His Spirit. Do all the things I have already mentioned, repenting of your sins and walking with Him every day. Do not compromise your Christianity.

A true Christian will suffer persecution **(2 Tim.3:12)**. We are to serve God in spirit and in truth. **(John 4:24)** Honor God with your body which is the temple of God, the Holy Spirit lives there. Do not fornicate, or commit adultery, keep yourself pure from sexual sins. Take care of your body so that you can live a long life serving God and bringing Him glory. Offer yourself as a living sacrifice to the Lord, ask Him how He wants to use you and get busy for Him.

You are not going to know how to live a holy life without the baptism of the Holy Spirit. He is our Teacher and He leads and guides us in the ways of righteousness. You will not know how to live a righteous life without reading God's Word for yourself and praying daily. These things help you to draw near to God so that He will draw near to you. **(James 4:8)**

TIME

Does your schedule honor God? Do you make time for God each day? Or do you get to the end of your day and you are too tired to pray or read His Word or praise and worship Him? If that's you, then you need to rearrange your priorities. Put God first in your life. Go to bed at a decent time so that you can get up and

start your day with God. If you say you don't have time for God in the mornings, then go to bed earlier so that you can get up earlier and start your day on purpose with God. Ask Him to bless the day ahead of you.

Revelation 14:7 – Saying with a loud voice, fear God, and give glory to Him; for the hour of His judgment is come: and worship Him that made heaven, and earth, and the sea, and the fountains of waters.

This is spoken by an angel during the tribulation. Let's heed these commands in God's Word to give Him the glory due His name and honor and reverence Him and worship Him now as His church. Those that do not honor and reverence Him will never have His full blessing on their lives. He rains on the just and the unjust alike but those that don't love Him and honor Him will not have His full blessing or protection on their lives. They are not the bride of Christ.

Deut.6:24-25- And the LORD commanded us to do all these statutes, to fear the LORD our God, for our good always (so He can continue to bless us), that He might preserve us alive, as it is at this day. And it shall be our righteousness (we will be counted righteous), if we observe to do all these commandments before the LORD our God, as He hath commanded us.

Your obedience is fear of the Lord. Your obedience reverences God. When you were a child and you obeyed your parents that was reverence and respect to them. In the same way, our obedience to God is reverence to Him. And He blesses and protects those that obey Him. In the Old Testament God offered the Israelites blessing if they obeyed Him and curses if they did not. (**Deut.11:26-28, Deut.28, Deut.30:19**) That holds true still today. Curses on your life if you have not accepted the sacrifice that God made for you in Christ Jesus. If you have not repented of your sin and are not living an obedient life with the help of the Holy Spirit. If you have not come to Jesus, you are under God's curses. If you are in Christ and doing your best to live an obedient life with the help of the Holy Spirit, then you are living under God's blessing.

He has always said that obedience is better than sacrifice. Think back to when they had to sacrifice animals to be forgiven of their sins, or rather, to have their

sin covered. An animal had to give it's life. It would have been better all the way around if they had just obeyed and not had to sacrifice the animal. When you avoid sin and get the sin out of your life, get rid of the sinful things – you are honoring God and that is reverential fear of the Lord.

Your time with God is worship of Him, time spent in service to Him, as well as singing to Him and raising holy hands to Him. Your tithes and offerings are worship of Him, all the points I have covered in this teaching series, are worship of God.

You can read about the Shunamite woman in 2 Kings 4:8-37. She honored Elisha, God's prophet, which was actually a way of honoring God and because she built him a room to stay in for when he passed by that way, God gave her a special blessing. When you honor God's true servants, you honor God. God pours His blessings out on the ones who honor Him.

CLOSING

Who does God honor?

This next passage of Scripture was spoken to Eli, God's priest. He was not obeying God in regard to his sons. The Bible tells us his sons were not saved (**1 Samuel 2:12**) and yet they were ministering in the Lord's house. They were not handling the sacrifices and offerings correctly and were taking what was not rightfully theirs. All of this was causing the people to hate bringing their offerings to the Lord. (**1 Samuel 2:17**) This was causing the people not to worship but to dread obeying Him. God did pronounce judgement against Eli and his sons and they all died the very same day.

1 Sam.2:30 – Wherefore the LORD God of Israel saith, I said indeed *that* thy house (members of your family), and the house of thy father (meaning the house of Levi), should walk (minister) before Me for ever: but now the LORD saith, Be it far from Me; for them that honour Me I will honour, and they that despise Me shall be lightly esteemed (they will be disdained / dispised).

John 12:26 – Jesus is speaking here: If any man serve Me, let him follow Me; and where I am, there shall also My servant be: if any man serve Me, him will My Father honor.

Both of these passages tell us that if we honor God, He will honor you. That means He will be with you and He will bless your life.
