

SOUL TIES Pt. 2: UNGODLY UNIONS, SEX OUTSIDE OF MARRIAGE, SEXUAL ASSAULT, WITCH SOUL TIES

Chad Watchman · 6 hours ago

I always wanted to wait & save myself for marriage & do the right thing but it was the world & High School students that labeled me Gay & they did try to teach me. They said "your gay/your gay! just come out" because I wouldn't engage in any kind of dating around & fornication. I was only 15 I wasn't even thinking about that stuff, but there I was being peer pressured into dating. I would like to praise God because my identity is in Christ, I am Not Gay like the world conditioned me I am a child of God! I'm still not where I should be but I thank God I'm not where I was, God brought me out of lgbtq & he's continuing to bring me out of it all as I keep walking with Jesus! Thank you pastor Cherie for this sermon ❤️😊

CHRISTIAN WOMEN Pt. 13:
MAKEUP DON'TS, PECULIAR
PEOPLE, SPECIAL PEOPLE

I want to share a part of Chad's testimony that he shared on Youtube on Christian Women Pt. 13. He said: "I always wanted to wait and save myself for marriage and do the right thing but it was the world and High School students that labeled me gay and they did try to teach me. They said "your gay/your gay! Just come out" because I wouldn't engage in any kind of dating around and fornication. I was only 15. Look at the things that go on in public schools. Because he was not like them, then they decided something must be wrong with him. So they labeled him as gay and kept harassing him along those lines until he finally went in that direction. Peer pressure is a monster. We must cling to Jesus to be strong enough to overcome peer pressure no matter what age we are. It isn't easy. But the Holy Spirit will strengthen you and see you through these battles. I praise God, that Chad made his way back to Jesus and has renounced that lifestyle. Glory to God in the Highest! Thank you Chad Watchman for sharing that with all of us! God bless you.

WARNING: This is not for young children. This is a very sexually sensitive subject matter. I would say it is for older teens and that you should be sure your child understands this at the right point in their life. They need to understand especially what happens when they are intimate with someone.

I'm going to move on from there and the rest of this teaching is going to be about ungodly soul ties. Those are the ones that are damaging and unhealthy for us. Those are the ones we need to break off and out of our lives. This will empower and set so many of you free. These are things I never knew or understood and certainly was not taught or spoken of in any of the churches I ever attended. The church has truly dropped the ball on equipping the saints to live a victorious life as Jesus died to give us. The church is in so much bondage because satan is running the show in most churches. The focus is on feel good messages, getting more money, entertainment, activities and socializing.

satan doesn't want you to know how to win battles and be set free. He wants you to stay ignorant of how he works through ungodly soul ties. He does not want you to understand about your past sin, the consequences of what happened by sleeping with someone outside of marriage. He does not want you to know how to break ungodly covenants and how to break off and clean up the consequences of your sin. There are a lot of people in the churches who have never dealt with ungodly soul ties in their lives. Who don't even know what they are. I'm going to change all of that with this teaching.

God's Word teaches us not to have sex outside of marriage.

What makes sexual sin such a big deal? I'll tell you why, because God said no and all sexual sins are against God and against your own body and self and there are consequences every time.

1 Cor.6:9 - Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators (sex outside of marriage / sexual immorality), nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

A fornicator is someone who is being sexually immoral. Having sex outside of marriage. And adulterer is someone that is married and they are having sexual relations with someone who is not their spouse.

When you commit sexual sins, you open yourself up to the demonic. It doesn't matter if you knew the Word of God or not. Whether you did it in ignorance or knowingly, it is still a sin against God.

1 Cor.6:15-20 – Know ye not that your bodies are the members of Christ? shall I then take the members of Christ, and make *them* the members of an harlot? God forbid. What? know ye not that he which is joined to an harlot is one body? for two, saith he, shall be one flesh. But he that is joined unto the Lord is one spirit. Flee fornication. Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body. What? know ye not that your body is the temple of the Holy Ghost *which is* in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's.

Apostle Paul is teaching the Corinthians not to go and be with the pagan temple prostitutes anymore. He is teaching these gentiles how to now serve the living God and live righteous lives. This speaks to us today. Some people probably don't pay this any mind thinking well, I never paid anyone for sex. They think, well I was never with a prostitute. The same thing applies to sleeping with anyone outside of marriage. When you sleep with someone, that is when you are physically intimate with someone, the two souls are joined together. We are to be ever conscious of the fact that the Holy Spirit lives in us and Jesus paid a high price to redeem us. We are living, moving stones, temples of God. **(1 Peter 2:4-9)** Each one of us who are covered in the blood of the Lamb, and baptized into the Holy Spirit, are living stones, little temples, and when you put us altogether, we

RAPE, MOLESTATION, SEXUAL ASSAULT

Another type of soul tie, are the ones that come through sexual trauma, sexual abuse, forced sex of any kind, rape, sexual molestation, being sodomized etc.

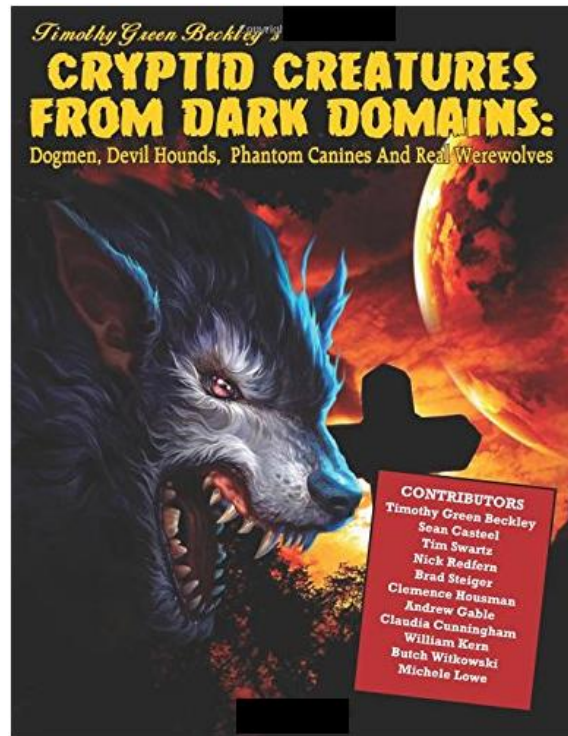

Sexual assault in any form is not of God. It is always a sin and when it occurs, soul ties are created. It doesn't matter how old the victim is, there will be an exchange or passing of demons from the perpetrator to the victim. It isn't fair but satan doesn't play fair. The luciferians use sexual trauma to break their children and those that they want to split and program through mind control creating alters inside of the person so that they can control them and use them to do their bidding. To carry out missions etc.

Soul ties created through sexual sins are usually the strongest and most destructive kind.

A traumatic experience like rape can create a soul tie, causing you to have demonic attachments through that act. I recently heard of a testimony of a woman that was raped and afterward she began to have what is deemed a dogman following her around. She was telling people that he was protecting her now and bringing her peace and comfort. She was saying that they needed a dogman. What happened to her is like what Mrs. Joy had shared with us, that many times those raised up in luciferic families are raped and molested and used as a gateway to usher in the demonic.

These both look creepy but I just wanted you to see the dogman walking beside this person. The person here looks a little creepy and demonic himself.

Timothy Green Beckley's "Cryptid Creatures from Dark Domains:" dogmen, devil hounds, phantom canines and real werewolves. The dogman that started following her around came in through forced sexual aggression against her, and it is completely demonic. She was vulnerable and so the demon is pretending to be nice and harmless and comforting to her. It's goal is to tear her life apart.

When I heard of the “dogman” it reminded me of Anubis. He was the Egyptian god of the dead. Here he is in New York harbor on his tour in America. One place he stopped was at Denver Airport. Now we have already learned that what all of these statues, symbols, logos, pictures are doing is drawing in the fallen angels. Every demonic thing like this, is a point of contact for demons. They are drawn to the things that represent them. This dogman is a representation of a fallen angel, the fallen angels are demons. And everywhere this thing went, it was drawing in the spirit of death, that is what it represents.

Today the luciferians also have technology/weapons that they can use to rape someone remotely. They use electronic weapons through frequencies to hit the muscles and make them contract. Many targeted individuals have experienced this.

Condoms may stop STD's (sexually transmitted diseases)...But they can't stop STD's (spiritually transmitted diseases). Sexually transmitted diseases, STD's. The STD's I'm talking about are sexually transmitted demons. Sexual immorality, fornication, adultery, rape, molestation, sexual assault all of these create soul ties that remain unbroken until they are broken.

satan is banking on you staying in ignorance and not learning how to be set free. The church is in a lot of bondage today. Churches full of entertainment and feel good messages and no deep teachings helping to set people free from satan's yoke of bondage.

Teach your children abstinence before marriage. That is God's way. Don't rush into relationships. Save yourself as a gift to your husband or wife. Your virginity is special, a precious gift to be given to the one God has chosen for you.

THE WITCH'S SOUL TIE

This one is different than the rest and there was no real good place to fit it in so I'm just going to add it here.

Here is a typical depiction of what we think a witch looks like. In reality, they look just like you and me. There is a soul tie between a witch and the animals she uses in her magic or that is witchcraft. Remember the old witch who has been trying to kill Pastor Erustus. She had a snake, a monkey and a cougar or panther that she was working with. She also sent birds to spy on Pastor at his house. Most witches use some form of a bird along with other familiars. The witch and the

animal share a common demon or demons which operates in both of the two bodies.

CLOSING

Hosea 4:6 – My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to Me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

Let's not be ignorant spiritually. Let's not perish because we did not know God's Word. Let's not join our souls to another soul sexually until God show us the right one and says its time. Learn these deep truths and share them to those you love. Let's get free from satan's bondage. Next week we will continue with ungodly soul ties and talk about how to know if you have one.
