

SOUL TIES Pt.3: IDENTIFYING A SOUL TIE, OBSESSION, DEMONIC ENTITY ATTACHMENT

Rick G • 3 hours ago

I have a question: can a person develop a soul tie and identify with an image or a person such as a super hero or movie star? some people wear super hero outfits, have posters and live a fantasy life as well as with movie stars. Thanks for this weeks message.

Really strange. I just replied and don't see the reply. I'll try again.

That sounds more like idolatry, worshiping that movie star or superhero which is sin against God. The superheroes are the fallen angels and their fallout. Even if they want to be that person or superhero, that is still sin against God, not happy with who He created them to be. If they are in love with that movie star, lust is involved. All of this is sin. It seems like an addiction, and it will open doors to more demonic activity in their lives.

A soul tie goes both ways. The other person would also have to be connected to them in some way to actually call it a soul tie. Otherwise it is just a type of sin in that person's life.

WARNING: This is not for young children. This is a very sexually sensitive subject matter. I would say it is for older teens and that you should be sure your child understands this at the right point in their life. They need to understand especially what happens when they are intimate with someone.

Last week I was teaching on the different types of soul ties. They were unholy unions, like when 2 unbelievers have sex together. In that case, it doesn't matter if they were married, or not, cheating or not, because they are unbelievers they each have the demonic active in their lives and demons are transferring back-n-forth. The next one was the soul tie that is created through sexual assault such as rape, molestation, any type of forced sex. These are sexual immorality soul ties. And I briefly discussed the witch and her familiar. The witch works with animals, demons are in the witch and demons are in the animal or animals that she works with. Whether the same demon or different demons, they move back-n-forth between the two and they work toward common goals in carrying out the witch's witchcraft.

You can also develop soul ties from close relationships that are not sexual. Like having a very close friendship with a co-worker, or classmate or just a super close friend, a parent etc. You can develop soul ties through a commitment or a vow to another person. Remember the example of the godly soul tie between King David and Jonathan. They were best friends. In the same way, those same type of soul ties can be formed between ungodly people. They are not sexual soul ties but they are soul ties none-the-less.

Let's discuss how to know if you have a soul tie.

HOW TO TELL IF YOU HAVE A SOUL TIE

How do you know if you have a soul tie? When a woman and a man have sex together, soul ties can be noticed when he/she has sex with different people, in their mind, they feel they are having sex with the previous man/woman but not with the one at hand. Cases have been reported where while in the sex act they call the name of the previous person. They can't get their old lover out of their mind. They are obsessed with them. They may be having dreams about them.

The person they are obsessed with may also be showing up in their dreams all the time.

You've seen it in the movies, I saw this one before being truly saved and living an obedient life, this movie is rated R. "Fatal Attraction," with Glenn Close and Michael Douglas. He committed adultery with the character of Glenn Close and after that, her attitude was: "if I can't have you, nobody can." She kept calling him and showing up where he was and wanting to be with him. She tried to commit suicide to hang on to him and get his sympathy and get him to stay with her. She met his wife under false pretenses and even managed to get away with picking up his little girl from school. She was so jealous and angry at being shut out of his life, she boiled his daughter's pet bunny rabbit to send a message. This pretty much nails what a soul tie looks like.

The Bee Gees had a song with the lyrics: “if I can’t have you, I don’t want nobody, baby.” Look at their picture here, think they’re speaking to the “brotherhood”? They are. They are instruments of satan, probably born and groomed up in luciferic families. That’s why they were lifted up on the world stage.

There’s a soul tie when you just can’t get over the person. You think you’ll die without them, go crazy without them or do something drastic to get their attention or get them back at any cost.

Unusual Signs Of An Unhealthy Soul Tie...

1. You are emotionally and spiritually attached to somebody that you don’t like and other people in your life deeply resent.
2. You left the relationship years ago but you can’t stop thinking about them and missing them which makes you anxious and depressed.
3. You have a psychic connection and feel what they feel like their moods, strangely when you think about them, they contact you. And your chemistry is powerful.

This was random online information. When you look at the 3rd point, just remember this so called “psychic connection” is nothing more than demons that have been passed back-n-forth keeping you connected.

*Please play from 40:55 to 45:55 The video clip we are about to watch is from the movie Wuthering Heights based on the book by the same name written by Emile Bronte (Braun-tee). God dropped this right in my lap and I had no idea that the whole movie is about a soul tie. The characters Cathy and Heathcliff are

madly in love. Although they are not officially together as a couple because of their different statuses initially. Let's watch this clip and see an example of a soul tie played out onscreen between these two. The clip begins with the character Heathcliff brooding because Cathy is seeing someone else. STOP HERE

Heathcliff shoves both his hands through a glass window. Then he draws them back in straight through the glass again. Then we see the servants of the manor talking as they wait for Cathy's new interest to leave the house. A bell is rung and they make ready his horse for his departure. Heathcliff goes into the house to see if her new boyfriend, Linton, has left yet. The maid realizes that his hands are bleeding and begins to tend to them. He begins to talk to the maid and says he wants to crawl to Cathy's feet, and whimper to be forgiven, for loving her and needing her more than his own life. For belonging to her more than his own soul. Then Cathy comes in and Heathcliff runs out of the room and hides around the corner. He listens to the conversation in secret. Cathy begins to tell the maid that Mr. Linton has proposed to her. The maid doubts her sincere love for him. She asks why she loves Edgar Linton. She says because he's handsome and rich. She speaks of having a dream of going to heaven and that heaven didn't seem to be her home and that she got kicked out. She said she was happy when she woke up from that dream that she had gotten kicked out. (This shows her sinful state.) The maid asks her about Heathcliff. Then Cathy begins to speak of Heathcliff. She says he gets worse every day and that it would degrade her to marry him. She says she wishes he hadn't come home. He leaves the place where he's been listening at this point. She goes on talking. She said "He seems to take pleasure in being mean and brutal, and yet he's more myself than I am. Whatever our souls are made of, his and mine are the same and Linton's is as different as frost from fire." She goes on to say SHE IS HEATHCLIFF. She said, "Everything he's suffered, I've suffered. What little happiness he's ever known, I've had too. Oh Ellen, if everything in the world died and Heathcliff remained, life would still be full for me." *(about 5 min's)

Notice he was so attached to her that he thrust his hands through the glass window twice, and got all cut up. That's not rational. Then he stated to the maid

that he needed Cathy more than his own life and that he loved her more than his own soul. That's not healthy. That's not godly. The same was with her, she even stated that she was him. They were so connected by the demonic that she felt she was him. If you go on and watch that whole movie you will see how these were not godly people. They make statements against heaven throughout the movie. And they torture each other throughout the movie. It's like they could not be together but were not happy apart either. If you can't understand what a soul tie looks like, go and watch that movie and you should have a much better idea.

DEMONIC ENTITY ATTACHMENT

Another way to know you have a soul tie is: if you have a spiritual attachment, something that follows you, or comes to you. Whether it is comforting or not. It is not Jesus, it is not the Holy Spirit, it is not a holy angel, so it is not from God. We learned about an example last week, the dogman following the lady around after she had been raped. That is a demonic attachment that came in through trauma.

That is an indication of a soul tie. That type of thing can manifest from another type of sin also, but as we learned last week, it came in through sexual trauma, through rape. And because it was being nice for now...the woman thought it was a blessing. She is being deceived. Remember demons are seducing spirits. **(1 Timothy 4:1)** These demonic attachments usually want to seem nice and sweet so you accept them and don't take any action against them. But they are not always nice and they will show their true nature at some point in time.

You can also be so close to someone that there is a soul tie there, and when that person passes away, if they are visiting you or speaking to you, it is not them, but it is a familiar spirit which is a demon disguised as the person you knew and loved. You need to break that soul tie. This can happen from people keeping ashes of deceased loved ones in their homes and lives as well.

There is a young woman in Pastor Erustus' church who was a muslim. She is saved now. Praise the Lord! Her grandmother is the powerful old witch who has been trying to kill Pastor Erustus. You have to understand, there is power on the dark side, this old witch has killed people and has raised people back to life with

her black magic. Her granddaughter was being groomed to take her place. They drugged her, and arranged for her to be raped by her father. He would not do it so they got her own cousin to do it. When they did this act to her, she was filled with demons. So this is another example of sexual trauma used to bring demons into someone's life. It took Pastor over 2 years to get her fully delivered.

The luciferians have gone deep into dark things which we have not understood. It's time we wake up and know the truth. Satan has power and he empowers those that serve him. However, he will never be more powerful than Jesus Christ Who created him. **(Ezekiel 28:12-17, Col.1:16)** We have more power than Satan through Christ! In Jesus alone, we have the victory over Satan and his kingdom.

CLOSING

Soul ties can be different strengths – they can be weak or very strong. Remember Satan has a military, a hierarchy of demons and there are weaker ones at the bottom building up to the stronger ones. The stronger person is able to control and influence the weak person to sin or do things they normally wouldn't even consider doing. Through soul ties, they will make you do things against your will - sin, perversions, transgression, and even unnatural and unspeakable acts. The strong soul ties, will rob you of your strength and keep you committed to the relationship even though you know you should stop seeing that person. Demonic soul ties will create perversions of good, holy, and sacred things of God. Ungodly soul ties are yokes around the neck.

John 8:36 - If the Son therefore shall make you free, ye shall be free indeed (you shall be truly free).

Real freedom only comes through Christ.

John 10:10 – The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have *it* more abundantly (have it to the full / that is a rich and satisfying life).

That is exactly what Jesus is doing through this teaching, He is setting people free. Helping us to break free from the sin that has strangled and hindered our lives. I praise God He is using this ministry to equip the body of Christ to know and

understand what is going on in this world. To understand spiritually the consequences of our sin. To understand spiritual things better and to learn how to be set free. In the last part of this teaching I will teach how to break ungodly soul ties off your life.
