

SOUL TIES Pt.5: DR. TENT QUANTUM THERAPY, SUBCONSCIOUS INFORMATION EXCHANGE THROUGH SEX

WARNING: This is not for young children. This is a very sexually sensitive subject matter. I would say it is for older teens and that you should be sure your child understands this at the right point in their life. They need to understand especially what happens when they are intimate with someone.

I'm going to start this teaching off with some videos.

*Please play from 48:17 to 52:22 – Dr. Tent demonstrates quantum therapy on a person. This couple from Albuquerque, New Mexico came to his office in Michigan for treatment. Dr. Tent is a chiropractor and believes in the body healing through proper alignment and natural supplements. STOP

He shows an x-ray of the woman's neck, her vertebrae is off and messed up. She cannot hold her arms straight out to the side when Dr. Tent applies some pressure. He then stands her husband up and demonstrates on him. He can hold his arms straight out even though Dr. Tent applies the pressure. Then Dr. Tent has the woman stand in front of the man with them touching. He then has the husband hold his arms out straight and when Dr. Tent applies pressure he cannot keep his arms up. So you can see her energy field is affecting his. Then Dr. Tent rubs her neck over the injured spot and he rubs it upward and then he touches just under her neck and rubs down. This turns off the damage or injury from effecting the energy field. Then Dr. Tent tests the husband's strength again. This time, his arms stay out straight and strong when Dr. Tent applies pressure. This is all from the two energy fields effecting each other.*(about 4 min's)

Notice when he put them together into the same space that her injured energy field affected his energy field. Standing together, he could not keep his arms up. He was super strong at first until Dr. Tent pushed them together. And look how Dr. Tent turned her injury off when he rubbed on the back of her neck. He

rubbed up to turn it off and then he rubbed down to turn it back on. Now she needed an adjustment to really be fixed but isn't that interesting how the energy fields surrounding our bodies interact when we get close to other people like that.

Let's watch another one very similar to that one.

*Please play from 50:00 to 55:40 Dr. Tent pulls a young teenage girl out of the crowd who has been complaining about her knees hurting. STOP

He asks her how much soda pop she drinks and her answer must have indicated that she drinks a lot of it. He then knows that she has depleted the calcium out of her knees by doing that. He tests her strength for calcium and she is very weak. She can't hold her arms up. Then he gets a guy from the audience and he tests his calcium by getting him to hold his arms up and he keeps them up nice and strong. Then he puts them back to back so they are now in each other's energy field and tests the guy again. This time the man cannot even hold his arms up. He gets some calcium supplement off his table and hands it to the girl to hold. She holds the calcium and with the guy still to her back, he then tests him holding his arms up again. This time he was able to hold his arms up nice and strong. To heal this girl, she needs to stop drinking all of the soda pop and she needs to supplement with calcium to build her calcium back up in her knees.*(about 5.5 min's)

Dr. Tent pulled her out of the crowd at random because his staff wanted him to work on some of the people that came to the lecture. He actually thought her knee was probably dislocated and that he was going to get to adjust it. But because she was complaining about both knees hurting he decided to ask how much sodas she drank. Her answer must have been a lot because he instantly knew that her knees were depleted of calcium. Notice again how these two random strangers standing back to back, were in each other's energy field and they did have an effect on each other.

What you watched Dr. Tent do is not witchcraft. It is just knowledge of how the body works and if you have studied, then you will understand how to read what the muscles of the body are reporting about the person's health. I wanted you to see these videos so you could understand that we have an energy field that does

affect other people when they are close enough. I wanted you to see these two clips before we go deeper with this next clip.

*Please play from 11:43 to 14:58 This is a clip of an interview with Max Spiers. Max Spiers was born into a luciferic family. That means he was part of the 13 illuminati bloodline families. He was traumatized at an early age, went through the MK Ultra and Monarch programming. He was trained to be a super soldier for the illuminati, that is freemasons who are luciferians. Fiona Barnett is another example of someone who was trained to be a super soldier. They are broken through trauma, split and have alters inside that are programmed to carry out special or secretive missions for the illuminati, the beast system, the luciferic agenda. Fiona broke her programming. Max's programming began to break down when he was 30. He began to research and dig and ask questions, trying to find out what was wrong with him and what had happened in his life. They took him out in 2016. In this clip he is going to explain a technique that the freemasons, luciferians use to get and exchange information through sex. Max had been programmed in Alpha, Beta and Delta. Just so you know when he begins to explain, Alpha programming is considered general programming, Beta is sexual programming, the term sex kitten in Hollywood is a direct reference to someone who has been programmed in Beta. Delta is "killer or assassin" programming and was originally developed to train special agents or elite soldiers. Ok, here we go:

Beta programming is used 80% (Monarch) women and 20% men. It is sexual programming. Giving and receiving information through a sexual means. So a spy would be able to go, meet up with somebody, have sex with them and then download the information that was necessary from the person. To collect it into their cells, and go back to whoever they were working for, have sex with that person and then download the information to them.

Niles asked how is the download done? Max explained: As soon as the sexual act is done, the two energy fields of the people merge. And if you are shown or trained in a specific way, most often unconsciously, then this information is then

downloaded to the energy field of the other person. Then that person can be hooked up to a machine or they could have sex with someone else and then that person gets the information.

It is being done a lot by the Russians, they are sending out 13, 14, 15 year old girls out into certain areas in the U.S. and the UK and sex acts will be done with high businessmen. Then the information will be taken and given back to the KGB. It is very effective because nobody thinks that is the way it is done. And the person doesn't even know they've got the information. They are expendable and there are plenty of other people who can do the job again. * (about 3 min's)

What Max explained, and that the luciferians have known for a long time, is deeper than we can really grasp. These are deep spiritual truths.

When you are physically intimate with someone, you are intertwining yourself with that person's soul. Sexual relations are only for married couples. When two unmarried people have sex, they are becoming one flesh with each other. Whatever demons one person has in their life, they are now bonding to the other person. There is now a permanent link between these two people. Permanent until it is broken that is.

1 Cor.6:15-20 – Know ye not that your bodies are the members of Christ (Himself)? Shall I then take the members of Christ, and make *them* the members of an harlot (Should a man take his body which is part of Christ and join it to a prostitute)? God forbid. What? know ye not that he which is joined to an harlot is one body? for two, saith He, shall be one flesh (that is one body, united in one). But he that is joined unto the Lord is one spirit (with Him). Flee fornication (Run from sexual sin). Every sin that a man doeth is without the body (No other sin clearly effects the body as this one does); but he that committeth fornication sinneth against his own body (Sexual immorality is a sin against your own body). What? know ye not that your body is the temple of the Holy Ghost *which is* in you (Who lives in you), which ye have of God (Whom you have received from God), and ye are not your own (you do not belong to yourself)? For ye are bought with a price (a high price): therefore glorify (honor) God in your body (with your body), and in your spirit (with your spirit), which are God's.

Now we are getting a better idea about what becoming one flesh means and how God meant for it to be preserved for a husband and a wife to have this special bond, this unique intimacy and joining of their spirits together. Satan knows the word of God, his followers have looked deeply into these matters. They study so they can pervert the pure things of God. They know many things that we have not even thought about because they are always scheming and developing their wicked plans. They have studied what happens when two people have sex together and they are using it for their purposes. They get a lot of their knowledge right out of the Egyptian Book of the Dead. They have even traumatized people to the point that their soul leaves the body. They have the technology now that can see a soul outside of a person's body. And that they can capture the soul. They have gone deep in their sin against God. God doesn't want us to be ignorant of the things they are doing but rather to expose them.

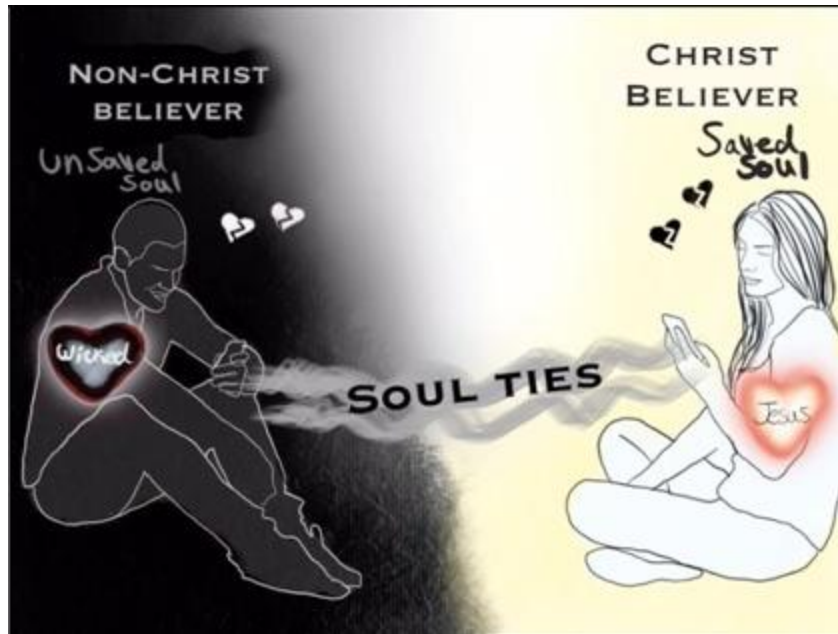

(Matt.10:16, Eph.5:11-13)

Pay attention to whom you share your intimate energy with. Intimacy at this level intertwines your aural energy with the aural energy of the other person. These powerful connections, regardless of how insignificant you think they are, leave spiritual debris, particularly within people who do not practice any type of cleansing, physical, emotional or otherwise. The more you interact intimately with someone, the deeper the connection and the more of their aura is intertwined with yours.

Imagine the confused aura of someone who sleeps with multiple people and carries around these multiple energies? What they may not realize is that others can feel that energy which can repel positive energy and attract negative energy into your life.

Online research: Pay attention to whom you share your intimate energy with. Intimacy at this level intertwines your aural energy with the aural energy of the other person. We learned from Max that when two people are intimate together, that their souls do intertwine. All of this talk about auras and energies is new age. But what I want you to see is that when they talk about the person having a confused aura because they have slept with multiple people and they are carrying around multiple energies, and this energy is negative. This is actually talking about demons. That is what is being transferred in ungodly sexual relationships.

No matter the state of your soul or the other person's soul, when you come together in sexual intimacy, the two souls tie up. And if you are a believer, and you are not married, you are in sin against God and you are open to demonic activity from this unholy union. If you are a believer, and you step outside your marriage and sleep with someone else, you are in sin against God and you are open to demonic activity. And even if you don't have sex with the person but you have a close relationship with them, that's an ungodly relationship and you can still develop a soul tie that way too because God told us not to be unequally yoked in our relationships.

CLOSING

2 Cor.6:14 - 2 Cor.7:1 - Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness (how can righteousness be a partner with wickedness)? and what communion hath light with darkness (how can light live with darkness)? And what concord (harmony) hath Christ with Belial (the devil)? or what part hath he that believeth with an infidel (unbeliever)? And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in *them*; and I will be their God, and they shall be my people. Wherefore come out from among them (unbelievers), and be ye separate (separate yourselves from them), saith the Lord, and touch not the unclean *thing* (don't touch their filthy things); and I will receive you, And will be a Father unto you, and ye shall be My sons and daughters, saith the Lord Almighty. Having therefore these promises, dearly

beloved, let us cleanse ourselves from all filthiness of the flesh and spirit (from anything that can defile us), perfecting holiness in the fear of God (let us work toward complete holiness out of reverence for God).
