

SOUL TIES Pt 6: FALSE TEACHINGS, CASUAL SEX

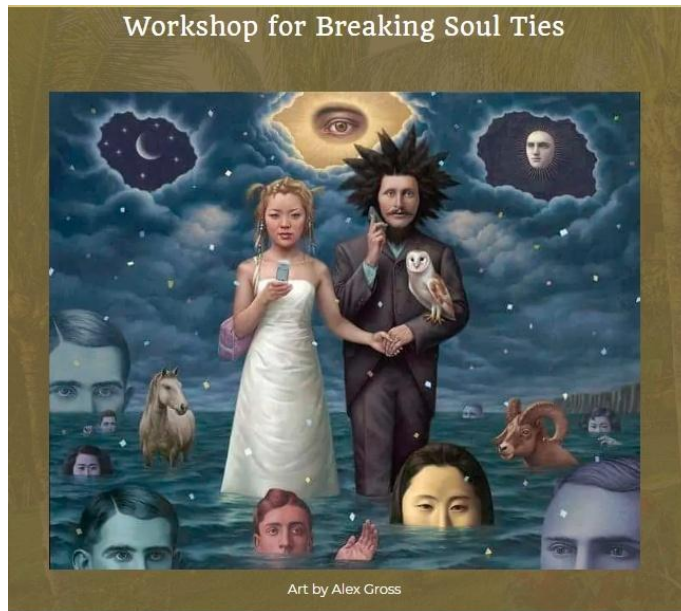

WARNING: This is not for young children. This is a very sexually sensitive subject matter. I would say it is for older teens and that you should be sure your child understands this at the right point in their life. They need to understand especially what happens when they are intimate with someone.

FALSE TEACHINGS on SOUL TIES

Cord cutting ceremony. Focus of your intention is very important. Tie one end of a 9 in. cord around a piece of a paper with your name, and the other around the person's name you need to separate from. Cut the cord in the middle. Burn the pieces if you like.

Doing this is not going to set you free. Jesus is not in this. This is just witchcraft or new age practices. You will not be truly free from anything unless you belong to Jesus and you are relying on His power to set you free.

Workshop for breaking soul ties. Look at all of the satanic, new age, witchcraft imagery here. There are plenty of New Age sites purporting that they can help you to free yourself from soul ties. They will also include false teaching and get you in more satanic bondage before you are through. Satan loves it when people seek to his ministers.

How to be free of undesired soul ties in twelve steps

In this workshop I teach techniques to overcome soul ties in 12 steps. But the key of this workshop is in the light trance making accessible to our awareness the information about the root of the soul tie. We need to know when this bond started, in this life, in parallel life, in another dimension, in our childhood or with ancestors.

We need to know when this bond started, in this life, in parallel life, in another dimension, in our childhood or with ancestors.

This reminded me of the 12 steps in AA. When you leave Jesus out, you are never going to really be free. Notice they mentioned trances, probably that is going to be a type of hypnotism. They talk about a parallel life, a life in other dimensions etc. This is clearly new age teaching. We are not living parallel lives, we have not

existed at other times, that's reincarnation. What they are talking about is not Biblical. They are coaching people into believing what they want them to, all the while emptying their pocket books.

A spell to end unwanted romantic feelings: Focus your thoughts on the person you want to no longer have feelings for. Think of all the reasons that you can to back up your decision. Write this person's name on a small slip of paper. Cross out the name and with deliberation say: you no longer hold a special place in my heart. You are not the right person for me. I will bury my feelings for you here. Make a fresh start. Bury this bit of paper – all your feelings about this person outside under a waning moon.

Be careful about who you are letting teach you. Their false anointing and demons will be imparted to you when you are not led by the Holy Spirit.

LOOSE END EXAMPLES OF SOUL TIES

You can have soul ties with the living or with the dead.

Someone dies and you can't seem to move past it, you just can't let go of them.

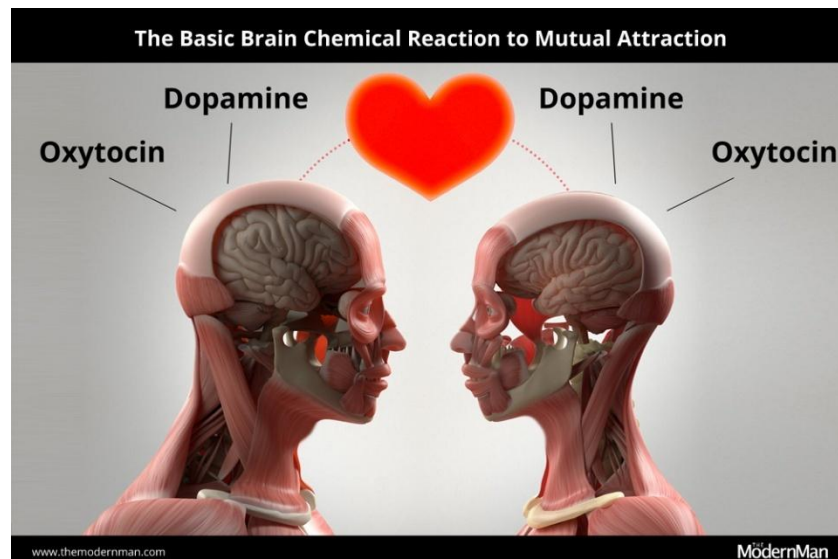

A bully creating stress on their victim continually can create an ungodly soul tie. Maybe you are angry at someone and can't get the anger out of your life.

CASUAL SEX

There ain't nothin' casual about casual sex. You might think that, but you are not thinking with spiritual understanding.

Casual sex is one of the biggest scams of the 21st century. During sex, your body releases oxytocin, which makes you subconsciously bond with your partner. I saw this statement online. We forget that God has designed the body so wonderfully right down to every little detail, right down to what happens chemically when we are intimate with someone else.

The basic brain chemical reaction to mutual attraction. They show that both the man and the woman are having a release or increase of oxytocin and dopamine.

High levels of dopamine and a related hormone, norepinephrine, are released during attraction. These chemicals make us giddy, energetic, and euphoric, even leading to decreased appetite and insomnia – which means you actually can be so “in love” that you can’t eat and can’t sleep. Feb 14, 2017

Look at the picture on the right, it says “How to get more intimate without having sex”: 15 steps. If you don’t teach your children God’s plan for their lives, the world will get a hold of them and satan will do his best to wreck their lives. They are searching out this kind of information online. If you get two young teenagers together with their hormones raging and they get close, most of the time they are not going to abstain from having sex.

Teach them the Word of God and how special their virginity is and why they should wait for marriage. It is God’s way first of all for the man and the woman to be virgins. Both being a virgin assures the marriage is free from sexual soul ties. There is a blood covenant between the man and the woman when they are physically intimate for the first time. God put these things in place, for marriage to be between one man and one woman. Pure and sacred before God. If your teen is not on the firm foundation of Jesus Christ and baptized into the Holy Spirit, they are probably going to give in to sexual temptations. Chemical processes are involved when two people come together and this also plays a part in linking the souls. And again, that is why God never meant for us to be physically intimate with anyone until we are married.

No matter what age you are, if you are getting all worked up with your boyfriend or girlfriend, usually that is going to lead to sin. You are going to do something sexual before you are married.

I like the old westerns, usually they portray young men asking the lady if he can kiss her, and even then many times it was on the cheek. He asked the dad for permission to date his daughter. When they did kiss, it was usually brief and only

the lips were involved. Not all of the French kissing with the swapping of saliva and each other's tongues in the other ones mouth.

To the single people out there, be mindful of your body which is the temple of God. Do not let yourself get into those heavy petting or touching situations. And if you are really a Christian and are dating another real Christian, it shouldn't get to that point anyway.

Soul Ties

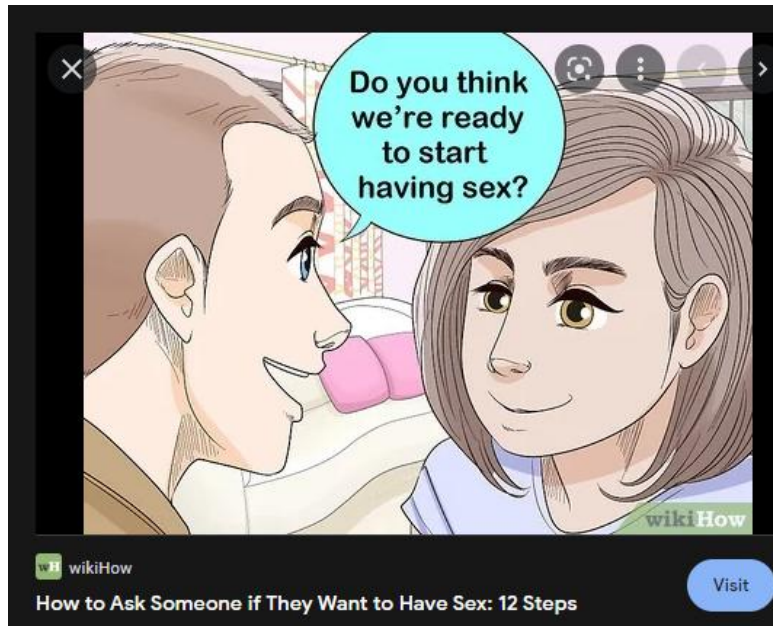

Sex isn't ever just sex;
don't let them lie to you.

You may leave, but their energy is tied to you. Their thoughts, their vibrations, and soul becomes intertwined with yours. If you're intimate with several people at the same time, then you're taking in several energies. There's a reason why randomly you feel confused, depressed, drained, angry, happy, or stressed. You don't live alone anymore; you have roommates. The only way they will get evicted is if you cleanse.

All the different things mentioned here can represent ungodly soul ties obtained through casual sex.

Do you think we're ready to start having sex? How to ask someone if they want to have sex: 12 steps. This is what the world is teaching our children. The luciferians have been over sexualizing society. Our children are also giving in to peer pressure. With ideas like: it's not cool if they aren't sexually active or if they aren't showing their bodies off dressing provocatively or if they aren't sexting their boyfriend or girlfriend. Teach your children to stand up against peer pressure. If they have truly chosen godly friends this won't be such an issue. Teach them that God has a remnant and that by now there are very few of us that serve and stand for Christ the way we should. Let them know how it pleases God for them to stay pure and out of worldly things. Don't give themselves away to someone who will not be there in the future, but to wait for the one God has chosen special for them.

Pastor Erustus shared, “And that is why God's desire is for everyone to enter into marriage a virgin ie pure, not contaminated. Sex perversions are just after contaminating and opening doors for demons to enter where God had sealed them out. Sexual immorality is a very big door demons use to possess people and defile.”

Let’s read this passage of scripture one more time:

1 Cor.6:15-20 – Know ye not that your bodies are the members of Christ (Himself)? Shall I then take the members of Christ, and make *them* the members of an harlot (Should a man take his body which is part of Christ and join it to a prostitute)? God forbid. What? know ye not that he which is joined to an harlot is one body? for two, saith He, shall be one flesh (that is one body, united in one). But he that is joined unto the Lord is one spirit (with Him). Flee fornication (Run from sexual sin). Every sin that a man doeth is without the body (No other sin clearly effects the body as this one does); but he that committeth fornication sinneth against his own body (Sexual immorality is a sin against your own body). What? know ye not that your body is the temple of the Holy Ghost *which is* in you

(Who lives in you), which ye have of God (Whom you have received from God), and ye are not your own (you do not belong to yourself)? For ye are bought with a price (a high price): therefore glorify (honor) God in your body (with your body), and in your spirit (with your spirit), which are God's.

Thoughts, energies, emotions, spirits – whatever is inside of you is being exchanged when you have sex with someone. Likewise, whatever is inside them is being transferred to you also.

1 John 3:8 – He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil.

Jesus wants to destroy the works of the devil that have a hold on your life. He wants you to be aware of the spiritual consequences of your past sin and to break it off of your life.

John 8:32 - And ye shall know the truth, and the truth shall make you free.

We are not to keep company with the wicked. We were never supposed to have sex with anyone outside of marriage. We were not to have unequally yoked friendships or relationships. The Word of God is there for us to learn the truth and to be set free. Those who don't learn the truth perish.

CLOSING

Sexual sin, fornication, adultery and sexual immorality create soul ties.

We live in this sinful fallen world and we are around unbelievers everywhere we go: at work, at school, at the store, in restaurants etc. A soul tie doesn't just jump on you outta nowhere. A real and true Christian, who has surrendered their life to Christ, is covered in His blood and baptized into the Holy Spirit, is protected in this wicked world. However, when you choose to dabble in things you shouldn't or do things you know you shouldn't do, then you open the door to the demonic to come in and plague your life.

When a Christian gets saved they are not automatically delivered from the consequences of past sins. If you sincerely asked Jesus to forgive your sins and you were truly sorry for them, they have been forgiven. However, generational curses, curses on your family line still need to be dealt with. They need to be broken off of your life. And soul ties that were made in your life of sin need to be renounced and broken off as well. As you learn and grow in God's Word and in His ways, He will show you different areas in your life that need to be dealt with. He will help to clean you up and set you free from the bondage that satan had you in.

Next week I will teach how to break off ungodly soul ties.
