

NEW AGE Pt.4: GOLDEN AGE, AGE of AQUARIUS

Last week I started teaching about what the Golden Age is and we learned that it seems to be back to the very beginning of creation.

This wheel shows the cyclical ages or yugas in Hinduism. On the outer rim, the golden age or Satya Yuga, then the Silver Age or Treta Yuga, next is the Bronze Age or Dwapara Yuga and then the Iron Age which in Hinduism is Kali Yuga. Remember Kali is a Hindu goddess of chaos and destruction.

If you know your Bibles, after hearing all of this talk about the different ages of gold, silver, bronze and so forth, you should be thinking of Nebuchadnezzar's dream right about now. King Nebuchadnezzar had a disturbing dream and his wise men, who would be those that studied the occult mystery religions and did all sorts of black magic which is witchcraft, they could not tell him his dream. So Daniel comes in and is about to tell King Nebuchadnezzar his dream in this next passage of Scripture. Daniel knows his dream only because God revealed it to him.

Daniel 2:31-35 - Thou, O king, sawest, and behold a great image. This great image, whose brightness *was* excellent, stood before thee; and the form thereof *was* terrible. This image's head *was* of fine gold, his breast and his arms of silver, his belly and his thighs of brass, His legs of iron, his feet part of iron and part of clay. Thou sawest till that a stone was cut out without hands (supernaturally), which smote the image upon his feet *that were* of iron and clay,

and brake them to pieces. Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.

Let's now hear the interpretation of Nebuchadnezzar's dream:

Daniel 2:36-45 - This *is* the dream; and we will tell the interpretation thereof before the king. Thou, O king, *art* a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory. And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all. Thou *art* this head of gold. And after thee shall arise another kingdom inferior to thee, and another third kingdom of brass, which shall bear rule over all the earth. And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all *things*: and as iron that breaketh all these, shall it break in pieces and bruise. And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay. And *as* the toes of the feet *were* part of iron, and part of clay, *so* the kingdom shall be partly strong, and partly broken. And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay. And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, *but* it shall break in pieces and consume all these kingdoms, and it shall stand for ever. Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream *is* certain, and the interpretation thereof sure.

Here is a rendition of the statue in Nebuchadnezzar's dream. Here we see the same thing that different cultures call ages. The head of gold was the reign and time of the Babylonian Empire, next were the arms and chest of silver being the Medo-Persian (Medes & Persians) Empire. Then came the bronze age which was the Greek Empire and after that was the iron age, the time the Roman Empire ruled. Last of all will be the age of iron and clay and that is with the modern powers ruling.

Then the Kingdom of Christ is going to rise up and fill the whole earth as a great mountain. Jesus is going to crush all governments including the new world order beast system government. Many cultures have this idea of these different ages but they do not present it Biblically. We have already come through the first 4 kingdoms or as they are calling them ages and we do not cycle back through them. The last one will be the modern powers where we are now, but all world powers will eventually merge into one government, the beast system government with one leader, the antichrist over them all. I see our world governments already working together, they pretend to fight and be against each other but mostly they seem to be working together. An example was with the pandemic, they all did the exact same things to their citizens. So the last thing the world is waiting for is the antichrist to be recognized. That rock is a picture of Jesus destroying the last world government completely and once that is accomplished, He will set up His government on this earth.

There is not agreement between new age scholars about whether we are in what they refer to as the Golden Age now, or if it is yet to come.

In research: The Golden Age – “You have been telling people that this is the eleventh hour. Now you must go back and tell people that THIS is THE hour!” The elders, Oraibi, Arizona Hopi Nation (2000). Since the fall of Atlantis approximately 12,000 BC ancients’ texts have foretold a Shift of Ages, whereby universal cosmic events would create magnetic grid shifts and electromagnetic changes within the earth would facilitate a rapid ascension of the earth, the human body and consciousness, heralding a Golden Age whereby we will recall our pure potentiality and remember that everything else is just an Earth game.

Me: Just to let you know you can tell that this is evolutionary New Age teaching because they are stating here that the earth is more than 14,000 years old.

In previous Golden Ages we have missed our opportunity to ascend, for those ready to take the next evolutionary step of conscious co-creation, to design the life they were born to live Millennium Education, a school for those ready to take the next evolutionary step of awakening, has combined ancient wisdom and modern science to create Millennium Modality Medical Intuition or (MMMMI). Designed to support our ascension journey MMMI equips us with the knowledge and skills to return to a state whereby as conscious co-creators of our lives we can create life in an awakened state of completeness, health and harmony as we ascend into the Golden Age and beyond. For those who are conscious of this transition it is hard to miss the constant signs of its existence. It is indeed a most exciting time to be incarnated on Earth. I am indeed excited to be incarnated at this time. As a MMMI teacher I endeavored to understand further the Golden Age – I offer my finding with love.

Me: - Notice they are talking about human potential, that it will be recognized and they are speaking to New Agers as if they co-create with God or whatever deity they are led to believe in. Jesus created us for a purpose and plan that has been determined by God. Once we get saved, we begin to seek God’s plan and purpose for our lives.

Continuing: The purpose of life in the old Third Dimension Polar Paradigm was to evolve as a more spiritual being during many lifetimes of experiences of ego, fear, control, separation, illusion, duality, pain and suffering, to become closer to God, but never to actually be one with God.

Me: You will find many dimensions spoken of in New Age. That we know of there is the realm we are in and the spirit realm, that we cannot see. The Bible speaks of 3 heavens and you could look at that as dimensions. There is the third heaven where God resides, the second heaven where the heavenly bodies are and the first heaven, the atmosphere around us. **(2 Cor.12-13, Deut.10:14, Neh.9:6)** Reincarnation is a strong belief of the New Age Movement. This research mentioned “many lifetimes of experiences”, that’s talking about reincarnation. Reincarnation is a big part of Hinduism too.

Hebrews 9:27-28 - And as it is appointed unto men once to die, but after this the judgment: So Christ was once offered to bear the sins of many; and unto them that look for Him shall He appear the second time without sin unto salvation.

We don’t keep evolving or cycling back through this life. We get one chance at this life and once we die we don’t get a second chance. Our decision about where we will spend eternity and about who we chose to worship and serve and love is final upon death. You have second and third chances and so on now in this life while you are still alive to come to Christ, but once you die, you already made your decision and it is final.

The purpose of life in the new Crystalline, non-polar zero point, Golden Age is for each of us to live as GOD, manifested on Earth in human form, in service to The Divine Plan, God, Humanity and the Earth. Fundamental to the Golden Age reality are the universal which facilitate a state of Total Pure Potentiality. The universal laws of Oneness and Attraction facilitate a state whereby we return to a state of oneness with God, to be love, wisdom and power, to embrace all as an extension of God, to surrender and allow whilst living from the heart. By allowing each and every thing to be in its’ true frequency then all is in peace and harmony. The fear, greed, hate, dishonor and violence of the Dark Ages will dissipate in the light of the Golden Age to be replaced with vibrations of LOVE. Love, the same energy as LIGHT simply expressed differently, is the pure essence of Creator, the ultimate power of the cosmos. As the darkness continues to fade, love will replace conflict and tyranny with peace and cooperation; love will eliminate the superficial superiority of one group over another, love will enlighten those who regard others as possessions or dispensable and uplift those who have been subjected to living in those conditions. In short, LOVE is the power that will transform our world.

Me: We are God's creation and we never become God. Even when we go to heaven, we don't become God and we don't become a god. We will be like Jesus. **(1 John 3:2)** We were never one with God. We were always His creation. Before the fall of man, we were at peace with God and had a perfect relationship with Him. All the way back to the beginning, Adam and Eve were supposed to obey God. He gave them everything, He only asked them not to eat of the tree of knowledge of good and evil. **(Gen.2:16-17)** These high vibrations spoken of about love, are a deception. God Himself is love **(1 John 4:8)** and He is all powerful. Without saying His name, they are speaking of His attributes here but yet, the New Age is actually centered on lucifer. One way they speak of lucifer without saying lucifer or satan is they call him "creator". God is love and this world has chosen to reject Him by rejecting Jesus. This world is not going to be transformed until after the tribulation when Jesus fights the battle of Armageddon. And then begins to judge this world and deal with the wheat and the tares. Notice none of that is mentioned, just that the world will transform or evolve by this permeation of love that New Agers are all trying to reach.

Those in power including Ancient Shaman, High Priests and Priestesses have documented specific periods including Atlantis, Lemuria, Egypt and Mayan whereby the ancient knowledge of Pure Potentiality including the universal Laws of Oneness and Attraction, as encoded in ancient texts including Sanskrit, hieroglyphics, crop circles, mandalas and cave paintings, would be translated and made available for humans to utilize to facilitate ascension. Opportunities to return to higher densities have been offered in prior cycles and missed. Previously each time the information was made available we failed to break through completely indicating we failed to understand and/or action the information provided to us. As we enter the optimal energetic alignment for ascension in the Golden Age, advanced civilizations are assisting us, many of whom have incarnated into home form, to assure we do not miss this opportunity.

Me: Now you can see all of this knowledge they are imparting is coming from the mystery religions of Egypt and Babylon, from occult practices. The mystery religions were schools that taught black magic/witchcraft. You took oaths and initiations to get in. Today we know this as the secret societies, freemasons, the illuminiti, witch covens and the luciferians. They do swear oaths and they do go through initiations. The Bible says not to swear any oaths. **(Matt.5:34)** Cathy

O'Brien was a high level sex slave and mind control victim, and she shared that her handlers and the high up luciferians who run this world practice satanism right out of the ancient Egyptian Book of the Dead. It contains their spells and witchcraft practices. They have carefully preserved these things and continue to teach them to whomever they can entice or trap in their false teachings. Freemasons follow what they call laws of nature, not recognizing the Lord God Almighty who made nature, the One Who made the sun, moon and stars and everything is Jesus Christ. Remember New Agers believe in ascended masters, aliens and so when they say advanced civilizations are assisting us, they are talking about fallen angels. They are part of the groups that insist that there are benevolent aliens and malevolent aliens.

Continuing: Millenium Modality Medical Intuition and the Golden Age – Medical Intuition is the art of healing to make whole, the integration of all aspects of life, to combine all dualities to equalize and dissolve the illusion of separation so that there is only one reality, that of absolute oneness and wholeness, whereby nothing is separate and everything is possible. MMMI utilizes our innate intuitive functioning via sacred geometry, crystal grids, toning, crystals, tapping, platonic solids and 10 point merkaba (3D representations of the Star of David) to bridge the conscious and subconscious mind and access the super subconscious brain and universal mind, whereby we are able to recall our pure potentiality. Equipped with the recollection that anything is possible we become conscious co-creator of our lives to create life in an awakened state of completeness, health and harmony as we ascend into the Golden Age and beyond.

Me: Do you hear all of this mumbo jumbo, this is what New Age talk sounds like. The belief in sacred geometry and practicing it or incorporating it into your life is a type of witchcraft. Same thing with crystal grids, toning, using crystals, tapping, platonic solids etc. Universal mind? There ain't no universal mind. The universe doesn't have a mind. It is something God created. When the body of Christ is in agreement the Bible says we are in one accord, you could say of the same mind. But that doesn't mean we have a universal mind.

The Golden Age reality or the Age of Aquarius refers to the transition to the fifth dimension where dreams become a reality, souls are unlimited, manifestation instantaneous, experiences are perpetual freedom and there is no ego involvement apart from the higher self.

CLOSING

Me: Here again we see reference to some crazy fifth dimension. Our dreams become a reality if it is God's will or if we work to achieve them. Christians should be seeking God's will for their lives and not their own will. Our own will usually gets us in trouble because it is usually tangled up in fleshly or materialistic desires. Souls are unlimited?

Just remember satan is not original, he always copies God. He twists scripture and always tries to pervert God's Word. All of these ages that we are hearing of were spelled out by God in His Word in the book of Daniel. They are all going to be demolished and finished off by Jesus Christ Himself.
