

NEW AGE Pt. 5: THE GOLDEN AGE, AGE of AQUARIUS, THOTH, SATURN, SATAN, FALLEN ANGELS

Look at this: Return of the Golden Age by Edward F. Malkowski. Ancient history and the key to our collective future. Notice the all seeing eye of the Egyptian sun god Horus on bottom portion of the cover, also known as the Eye of Ra or eye of lucifer on this book that is teaching about the golden age. The Golden Age at times sounds like the millennial reign or heaven but that is not what they are talking about.

The golden age really is about a time when the fallen angels and their offspring were more openly worshipped and manifested on this earth. Think back to the Tower of Babel or back to when satan was worshipped as the god 'amen' in Egypt. This is what the luciferians want to bring back. It is not a time of peace and unity and love and light. It will be a time of pure hell on earth, called the tribulation. A time of real peace will come when satan is locked up for a thousand years. But then he will be loosed for a season. After he is finally dealt with by Christ, then there will be true and lasting peace.

The New Age is referring to this Golden Age or Age of Aquarius that they want to usher in. Zodiac signs as ancient Egyptian gods and goddesses. Notice here if you go down the left hand column until you see Aquarius, then read straight across. It shows that the zodiac aquarius or Age of Aquarius is associated with the god, Thoth. Thoth is said here to be a god of writing and knowledge in ancient Egypt.

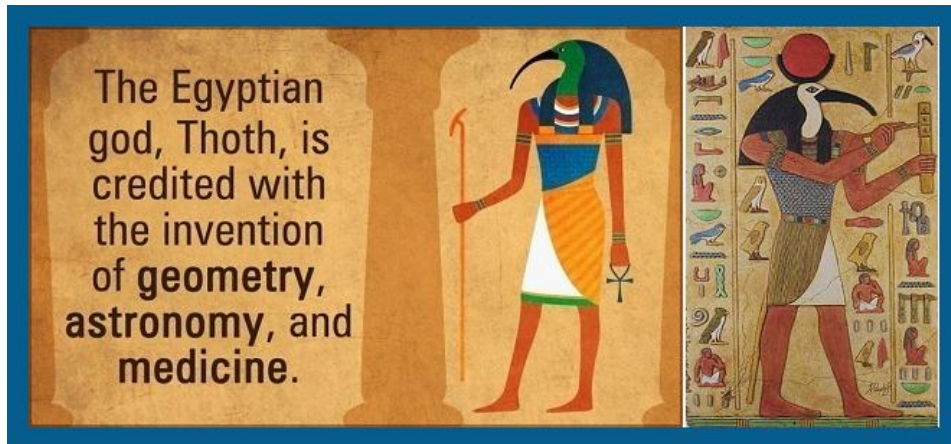

Ancient god Thoth

Thoth, (Greek), Egyptian Djhuty, in Egyptian religion, **a god of the moon, of reckoning, of learning, and of writing**. He was held to be the inventor of writing, the creator of languages, the scribe, interpreter, and adviser of the gods, and the representative of the sun god, Re. Sep 6, 2022

Thoth | God, Symbol, & Facts - Encyclopedia Britannica

Ancient god thoth – Thoth, in Egyptian religion, a god of the moon, of reckoning, of learning and of writing. He was held to be the inventor of writing, the creator of the languages, the scribe, interpreter, and adviser of the gods, and the representative of the sun god, Re or Ra.

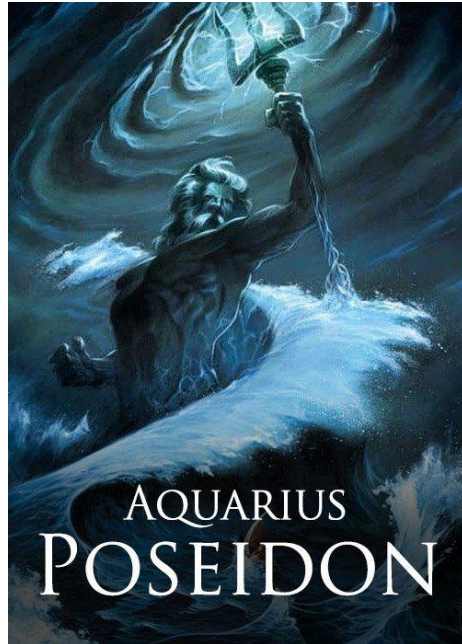

The Egyptian god, Thoth is credited with the invention of geometry, astronomy and medicine. Notice what he looks like here with a bird head.

This is a page from a Masonic bible. They serve Egyptian gods even if those on the lower levels are not aware of this fact. L-R: Ptah, the creator, amen father of the gods, ra – the sun god and last you see thoth – scribe of the gods. So you can make a connection here to the Age of Aquarius and that is the same thing as the Golden Age. This links back to the mystery religion of Egypt. The mystery religions were not open to the public, but to initiates only and occult knowledge was taught there.

The greek equivalent of Thoth is Hermes and the Roman equivalent is Mercury. He is also said to be Anubis in Egyptian mythology who is the god of the dead. Ultimately it all links back to satan, the god of the bottomless pit.

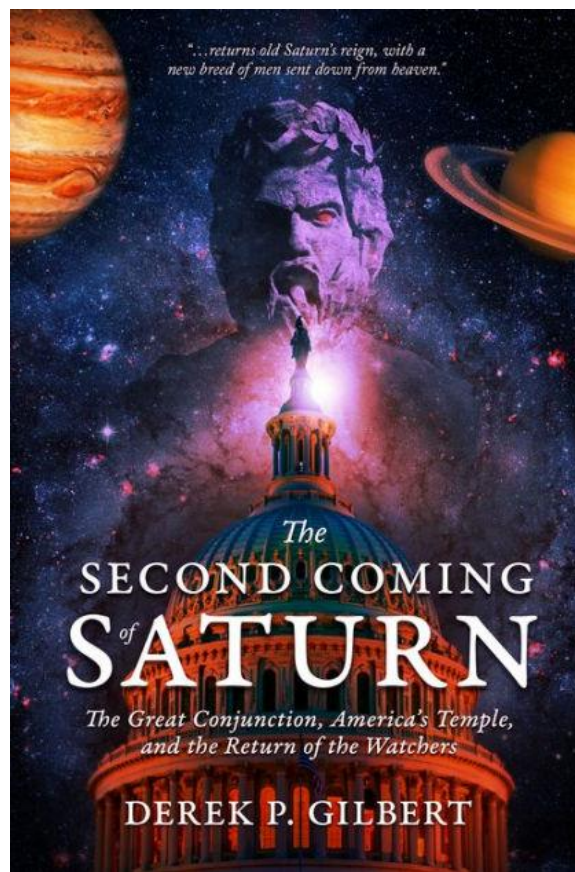

The sign of Aquarius is also for Poseidon. Notice he is holding the trident which we would recognize as the devil's pitchfork.

Aquarius and Leo – The Capital of the sun god aten. Here, Aquarius is linked to the sun god aten. Aten is the sun, pictured here extending rays with hands on the ends to indicate he is giving blessings and life. That is just another form of worship to satan as baal the sun god. I want you to see he is directly linked to this Age of Aquarius which is the same as the Golden Age that New Agers hope to bring in. It is satan's time to rule openly through the antichrist.

Transitioning from the Age of Pisces to the Age of Aquarius. The zodiac signs and alignment of the stars factor heavily into New Age and those zodiac signs are names and symbols or sigils for the fallen angels. Look at him, he is supposed to rule during the Age of Aquarius or Golden Age. Do you recognize him yet?

The Second Coming of Saturn. The Great Conjunction, America's Temple, and the Return of the Watchers by Derek P. Gilbert. At the top it says...returns old

Saturn's reign, with a new breed of men sent down from heaven." Now you can see more clearly who they believe will be ruling this Golden Age. saturn is another one of satan's names. This is a mocking of the Second Coming of Christ. The watchers are mentioned in the book of Daniel. In this next passage of Scripture, Nebuchadnezzar is sharing his dream and he will speak of the watchers.

Daniel 4:13-17 - I saw in the visions of my head upon my bed, and, behold, a watcher and an holy one came down from heaven; He cried aloud, and said thus, Hew down the tree, and cut off his branches, shake off his leaves, and scatter his fruit: let the beasts get away from under it, and the fowls from his branches: Nevertheless leave the stump and roots in the earth, *Bound* with a band of iron and bronze, In the tender grass of the field. Let it be wet with the dew of heaven, And *let* him graze with the beasts On the grass of the earth. Let his heart be changed from man's, and let a beast's heart be given unto him; and let seven times pass over him. This matter *is* by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that The Most High ruleth in the kingdom of men, and giveth it to whomsoever He will, and setteth up over it the basest of men.

This passage described how Nebuchadnezzar was going to be humbled by God. This is the only book in the canonized books of the Bible that uses the word watcher for an angel. So we know the watchers were angels. The book of Enoch uses this word "watcher" also.

The book cover said America's Temple.

We have placed an idol, a statue of a false goddess named freedom or libertas right on top of our Congress building. Right in God's face. How can we say we are a Christian nation while we do things like this? We have allowed and kept the names of fallen angels and their consorts as the days of the week and for some of the months of the year too. And we honor the Egyptian mystery religion and sun god horus and lucifer right on our money. Our government serves lucifer and they have symbols, statues, sigils all over our government buildings drawing the demonic to them.

Many people are ignorant of these things as I too used to be because we just don't stop and think about them. We don't research and ask, what do the names of the days of the week mean or how did they come up with that? What do these statues that are so revered as to be placed atop the congress building mean? Who is that? Why have we allowed this statue of a false goddess called Liberty to stand in New York Harbor? What sin this nation, and in fact, the world is in against God.

Research on Age of Aquarius: A common position expressed by many astrologers sees the Age of Aquarius as the time when humanity takes control of the Earth and its own destiny as its rightful heritage, with the destiny of humanity being the revelation of truth and the expansion of consciousness, and that some people will experience mental enlightenment in advance of others and therefore be recognized as the new leaders in the world.

Proponents of medieval astrology suggest that the Pisces world where religion is the opiate of the masses will be replaced in the Aquarian Age by a world ruled by secretive, power-hungry elites seeking absolute power over others; that knowledge in the Aquarian Age will only be valued for its ability to win wars; that knowledge and science will be abused, not industry and trade; and that the Aquarian Age will be a Dark Age in which religion is considered offensive.

Another view suggests that the rise of scientific rationalism, combined with the fall of religious influence, the increasing focus on human rights since the 1780's, the exponential growth of technology, plus the advent of flight and space travel, are evident of the dawning of the Age of Aquarius.

Me: The astrologers who are telling us what "age" we are in are doing so in regard to the alignment of the constellations based on a certain amount of years. And they are not in agreement. None of this is Biblical, in fact it is just the opposite of what the Bible teaches and that is not to base our lives on the heavenly bodies in the sky. **(Jer.10:2)** The mental enlightenment that some will experience ahead of others is the interaction and possession of demons in their lives. These New Agers are not seeking the real truth, Who is Christ, and He is the Word of God, but a false truth, the one they want to believe.

According to this definition of being ruled by secretive, power-hungry elites seeking absolute power over others, it seems like we are already there. Remember they write books on satan's plans and they have spelled all of this out already. Look up Agenda 2021 and Agenda 2030, look at the World Economic Forum website, look at the Sustainable Goals website. Remember the Georgia Guide Stones where they had stated their goals and research the goals of communism because they have been implementing those already. They are very far along with their plans now. The book *1984* and the book *Brave New World* tell of their plans openly, they are play books of satan's elite.

God is allowing these things because they fulfill His Word. satan and those that serve him study God's Word and they work to fulfill it. Even by going against it, they are fulfilling it that much more. We already see science being abused, we have government paid for scientists that say whatever they are paid to say. This latest virus was all planned and rolled out like clockwork. And religion is already considered offensive, true Christians are not loved by the world. Televangelists

are in satan's hip pocket and many churches are apostate with witches and freemasons standing right at the pulpit.

We certainly have seen them hammering away at our God given rights by making ungodly things legal like abortion, and gay marriage, taking away our freedom of speech etc. We see satan's elite starting to do more space travel. Elon Musk with SpaceX and Jeff Bezos with Blue Origin and Richard Branson with Virgin Galactic. The only thing we seem to be missing is the antichrist. We are right on the cusp of the tribulation.

SOME NEW AGE PRACTICES

The things I'm about to share are a great picture of what New Age looks like and what is involved in it. Meditation is heavily involved and as we have learned already that is coming from Hinduism. Listen to these New Age practices: Chi energy, gaia, yoga, meditation, universe, zen, aura, awakening, Christ-consciousness, cosmology, avatar, tai chi, Gnosticism, mindfulness, oneness, self-help, enlightenment, ayurvedic, vibrations, astrology, law of attraction, yin-yang, esoteric, psychic, spiritualism, channelling, ufo's, tarot cards, raising your consciousness, crystal healing, some alternative healing practices, alpha brain wave training, astral experiences, luciferian initiations, B'ahai Faith, biofeedback (controlling the body's systems like your heart rate at will), biorhythms, Native American sweat lodges or reconstructions of such, neuro-linguistic programming (Enneagram), breathing regimens (certain programs), "New Age" diets, "New Age" management training courses, Ouija boards, color healing, out-of body experiences, cryptozoology, near-death experiences (NDEs) – many of those are from satan and not Jesus, crystals and other shapes used for "empowering", "past life regression analysis," hypnosis, dream workshops, positive thinking (certain programs), Dungeons and Dragons game, Elizabeth Clare Prophet, Erhardt Sensitivity Training (est), Forum Seminars (Church Universal and Triumphant), Marilyn Ferguson (biofeedback), psychics and 'psychic surgeons,' flotation tanks, pyramidology, focusing, toning, tapping, sacred geometry, platonic solids, fortune telling, Hare Krishna, Rosicrucianism and Secret Societies, Ruth Banks' Quest Schools (Super learning), homeopathy, Scientology, horoscopes, Silva Mind Control, Barbara Marx Hubbard, David Spangler ('Luciferian Initiations'), (New Testament evolutionary), spirit guides, Human Potential Seminars, subliminal training tapes, UFOlogy (which is actually demons – those deep into UFOlogy are

seeking and interacting with demons), Institute of Noetic Sciences, Unitarian Universalist Church, "Journey to the Self" Seminars, ascended masters and spirit guides.

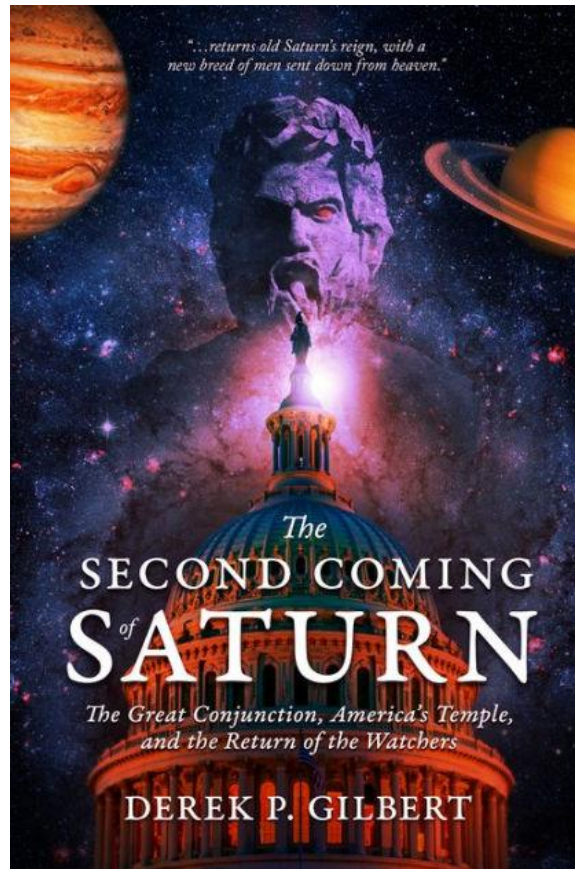

As extensive as this list is, I'm sure it doesn't even cover all of it. Seems like every time I turn around I am running into more and more things that are part of it.

Some **organizations** involved in and teaching New Age practices are: Lifespring Human Potential Organization, Institute of Noetic Sciences, Myers-Brigg type indicator workshops, Church Universal and Triumphant (CUT), The Theosophical Society, Erhard and Associates, Hare Krishna, Secret societies, Ruth Banks Quest Schools (super learning), Institute of Noetic Sciences and the Unitarian Universalist Church.

This list doesn't cover all of the organizations involved in the New Age Movement by far.

Some people who have done a lot to promote New Age are: Shirley MacLain, Alice A. Bailey (Theosophical Society), Edgar Mitchell (Institute of Noetic Sciences), Helena Blavatsky (founder of the Theosophical Society), Elizabeth Clare Prophet, Marilyn Ferguson, John of God (psychic surgeon), Barbara Marx Hubbard, David Spangler

CLOSING

Let's look at this book cover again. It is alluding to unholy angels returning. It was a "new breed" of men because they were fallen angels manifesting themselves as men but they had spiritual powers.

Genesis 6:1-4 - And it came to pass, when men (mankind) began to multiply on the face of the earth, and daughters were born unto them, That the sons of God (fallen angels) saw the daughters of men (mankind) that they *were* fair; and they took them wives of all which they chose. And the LORD said, My spirit shall not always strive (contend) with man, for that he also *is* flesh (mortal): yet his days shall be an hundred and twenty years. There were giants (Nephilim or Nephilites) in (on) the earth in those days; and also after that, when the sons of God (fallen angels) came in unto the daughters of men (they had intercourse), and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown (The giants became the heroes and famous warriors of ancient times).

We see how corrupt things were at this time. Such evil and wickedness was going on that God decided to decrease man's lifespan to no more than 120 years. I don't know anyone who has lived that long. Most don't even make it to 100 years. Right after these passages God states how wicked man has become and that He is going to wipe them off the face of the earth through what we call Noah's flood.

The New Age Movement is based on interaction with fallen angels. All of the practices within it are ungodly and bring demons into the person's life, who believe the teachings and do them. The fallen angels want to go back to their wicked hey day on this earth. Their Golden Age or Age of Aquarius when satan rules through the antichrist is coming. We are right back in the days of Noah with men doing such wicked things against God. They are calling on and worshiping the fallen angels even if done in ignorance, it is being done on a grand scale. They call them ascended masters, masters of the ancient wisdom, spirit guides and even guardian angels.

I can't imagine God's heart with His own creation not seeking Him but worshiping what He created and not worshiping The Creator. **(Romans 1:18-32)** The fallen angels are part of His creation too. Jesus created all the angels, even the fallen ones. **(Col.1:16)** They are still rebelling and waging their war against God and against all who love and serve Him.
