

NEW AGE Pt.6: MONISM, FEMININE GOD, KUNDALINI SPIRIT

I just want to say to those of you who watch the sermons from Youtube, I am so sorry about the advertisements that they play on our videos. We have no control over that, we have never chosen to monetize our channel or to show advertisements but Youtube is forcing us to play them. I was looking back at a sermon the other day for a piece of information and was floored to see half naked women as the advertisement that was being shown on our platform. Just know it is not our choice to have advertisements on there at all.

I found some research that defined some of the main points within New Age and I thought it would benefit us to hear them.

(1) It is monism. The belief that all is one and one is all. In the New Age Movement, history is not the story of humanity's fall into sin and its restoration by God's saving grace. Rather, it is humanity's fall into ignorance and the gradual ascent into enlightenment.

Let's listen to some information from our Gail Riplinger video that she brought forward about this monism that New Agers believe in.

*Please play from 1:36:07 to 1:37:34 and from 1:38:29 to 1:42:47 Gail shares with us the New Age belief about monism. She revealed that Virgin Mollenkott attended the Presbyterian Church U.S.A.'s goddess worship reimaging conference. And that she spoke of monism. Monism is the belief that the universe is God. That God is in everything. That would mean that you and I are a part of God. Christianity teaches that God is separate, that God created the universe and He is separate from it. This is Hinduism that she's talking about. At this goddess worship conference, they call God a 'she.' She said, the monism assumes that God is so all inclusive that SHE is involved in every cell of those who are thoughts in her mind and embodiment of her image. At this conference they worshiped an image they called the beast. / The monism that she's talking about is the idea that God is One. There are some other lesbian authors out there who wrote a book "Changing of the Gods." Naomi Goldberg said, "God is going to change. We are going to bring an end of "him". The KJV does refer to God as HE

or HIM. In the NASV and the NIV He becomes the One. He is inclusive, He is the 'he/she' in those Bibles – by saying One. Ted Coppell took a poll of his audience to see who thought God was a HE and how many thought God was a SHE and how many thought HE was a HE/SHE. 47% said God was a HE/SHE. The audience was split and confused. The New Age teachers are having success. On screen she shows many references in the Bible where the newer New Age Bibles have removed 'he, him' and replaced it with the one. The theosophical society has a phrase, "the coming one." It is also in a poem and at the end of the poem it says, "Let death fulfill the purpose of the Coming One." They are not talking about the death of Jesus Christ. They are talking about the death of Christians. The Bible tells us who the coming one is. Whose working is after the working of satan – the antichrist. The NKJV instead of 'he,' which God identifies Himself with the male gender, they have 'the coming one.' Another name that New Agers (In Lucius Trust literature) call satan is 'the mighty one.' They say "come forth oh mighty one and let light, and love, and power and death fulfill the purpose of the coming one." So they are changing the translations to say "the mighty one" and taking Lord and God out. The "Glossary of Witch Words and Terms" says, the definition for the devil is: little god, the title for the magister as representative of one of the 'mighty ones.' Diana and lucifer of the above mentioned witch legend are but figurative forms of these mighty ones. Blavatsky has a chapter in her book "The Secret Doctrine," entitled "the one." Gail shows on screen that the serpent is 'the one,' the dragon is 'the one,' sanat is 'the one,' lucifer is 'the one.' She shows in scripture how Jesus is the Corner Stone and now the NIV has replaced that with the cap stone. The cap stone is on top, like on top of a pyramid or building. (about 6 min's)

Presbyterianism Church USA's Goddess Worship Reimaging Conference? I thought Presbyterians claimed to be christians.

How does Presbyterian differ from Christianity? ^

Presbyterianism is a form of Protestant Christianity, primarily in the Reformed branch of Christendom, as well as a particular form of church government. Its primary tenets include the Five solas: Scripture alone, faith alone, Christ alone, grace alone, glory to God alone.

Seems like they crumbled already since they were having a goddess worship conference.

That God is in everything is coming from Hinduism.

2 Cor.6:16-18 - And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in *them*; and I will be their God, and they shall be My people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean *thing*; and I will receive you, And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

God said He would be in us, those who choose Him through Christ and separate ourselves from sin in every way. That is, stop the sin in our lives which means to repent. Christians still mess up and sin sometimes, but real Christians don't stay in sin, we are quick to feel the conviction of the Holy Spirit and repent.

John 14:20,23 – (Jesus' words) At that day (the day Jesus resurrects) ye shall know that I *am* in My Father, and ye in Me, and I in you. Jesus answered and said unto him, If a man love Me, he will keep My words: and My Father will love him, and We will come unto him, and make Our abode with him.

After Jesus resurrected, then the Holy Spirit was given to those that had faith and believed in Jesus, (**John 20:22**) in what He did for us, being our sacrifice. Then the day of Pentecost came (**Acts 2:2-4**) when the Holy Spirit was poured out and that

is when they were fully baptized into the Holy Spirit. It is still a two-step process today, to be fully baptized into the Holy Spirit. There is an initial impartation upon salvation and then when you seek the baptism of the Holy Spirit that is when you receive the fullness of God's Spirit inside of you. The Holy Spirit is how the Father and Jesus come to us and make their abode with us. They are inside of us because the Holy Spirit is the Spirit of God Himself living inside of us. God never said He was "in" everyone or in everything. We don't bow down and worship trees or animals and things like that. God made them through Jesus but He is not "IN" them.

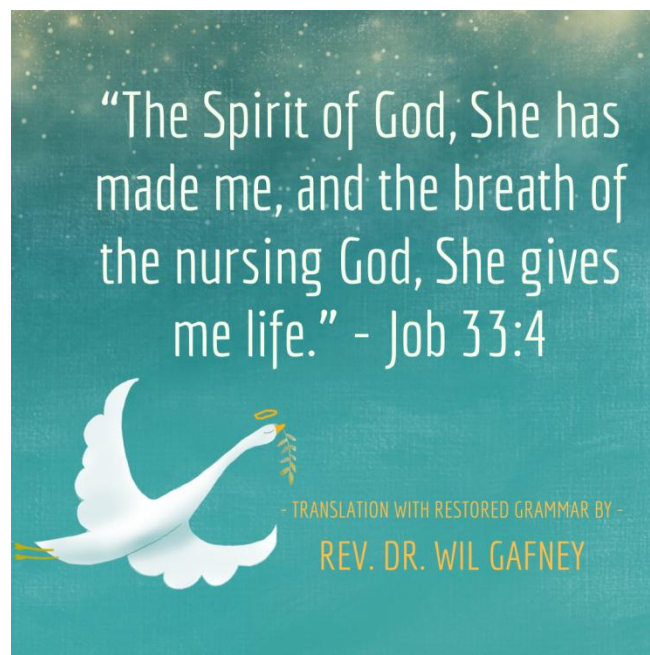

They subtly twist God's word. Knowing that God said that He would dwell in us and walk among us, upon first hearing that God is in everything, and that you are a part of God. You might think, that is true because He lives inside of me and you know He is inside other Christians. So you might go along with the things they are saying and teaching not realizing that they are perverting God's word. They are actually saying He is in the tree, the ground, in every person (believers and unbelievers) etc. That's not true. We are God's creation and He is in those of us who come to Jesus and seek forgiveness, repent of our sins and put our trust in Him. He is in those of us who are baptized into the Holy Spirit, who have surrendered our lives to Him and obey Him. This twisting of God's Word that they do is a perfect example of why you have to study God's Word and feed your spirit on God's word so that you can recognize these false teachings and avoid them.

Arianna Grande, one of satan's puppets is being used to push the agenda that God is a woman.

They are boldly pushing this agenda that God is a woman. They made a satanic movie called “The Shack” and in that movie they present God as a woman. If this woman was a Christian, she would have refused to play the role of God and would have stood on His Word for the reason why. But the actors in Hollywood serve a different God and they do his bidding to deceive the masses.

The spirit of god, she has made me, and the breath of the nursing god, she gives me life. By Rev. Dr. Wil Gafney – I dare say this is one of satan’s ministers for sure. This is a perversion of God’s Word. Years ago when I first heard that there were people that believed the Holy Spirit was feminine I was shocked. In my

research I found the idea that the Holy Spirit is female in Jewish mysticism or that is Judaism which is witchcraft. It is also found in Hinduism. In Christianity, we read God's Word and see that God the Father, God the Son and God the Holy Spirit are all referred to as masculine. He, Him, His, Father, Son etc.

Hebrews 1:3 - Who being the brightness of *His* glory, and the express image of His person, and upholding all things by the word of His power, when He had by Himself purged our sins, sat down on the right hand of the Majesty on high;

Jesus is the brightness of God the Father's glory and He is the express image of His person. God is a Spirit and He chose to relate to us as masculine in gender. The Holy Spirit also is God and that means we don't call the Holy Spirit an "it", but we use masculine pronouns for Him too. God is not divided and He is not male and female. Some people want to believe in a female God or a female part of God because they don't understand how God can be tender and loving and totally complete in the way He watches over us and loves us and cares for us. He's God, He's perfect. He is everything we could ever need. He is not lacking in any way. He is not to be compared to how we live and think in the natural. Everything that a good father and a good mother can be and give and sow into a child's life on this earth, God Himself is all those things and more. He is high above what we can even imagine.

The Trinity is male as relating to mankind. God does not have sex, nor did Jesus nor does the Holy Spirit. The virgin birth was a supernatural miracle that God did in order for Jesus to come in the flesh and be our sacrifice. The Holy Spirit did not have sex with Mary.

In the New Age Bibles, when they took many references out that refer to God as male, they are making it easier to push their false teachings calling God a woman, a "she". The changes they have and are continuing to make are promoting their sinful lifestyles and deceiving many into their worship of Lucifer.

(2) Another belief within New Age is that, all is God. If all is one, including God, then one must conclude that all is God. That belief is pantheism—trees, snails, books, and people are all of one divine essence. A personal God who has revealed Himself in the Bible and in Jesus Christ is completely rejected. Since God is impersonal, the New Ager doesn't have to serve Him. God is an "it," not a "He."

1. a doctrine which identifies God with the universe, or regards the universe as a manifestation of God.
2. worship that admits or tolerates all gods.

Pantheism – 1. A doctrine which identifies God with the universe, or regards the universe as a manifestation of God. 2. Worship that admits or tolerates all gods.

satan doesn't care what you believe in, as long as it is not the true and real Christ Jesus. This is why my aunt said the universe was working for her. She thinks the universe is God.

Pantheists are "monists" ... they believe that there is only one Being, and that all other forms of reality are either modes (or appearances) of it or identical with it.

Pantheism is closely related to monism, as pantheists too believe all of reality is one substance, called Universe, God or Nature.

God created all things but He is not in all things. He is in those who surrender their lives to Christ. He is omnipresent but that doesn't mean He is inside the carpet or the walls of our homes or in a blade of grass or inside of a tree etc.

(3) There is a change in consciousness. If we are God, we need to KNOW we are God. We must become cosmically conscious, enlightened, or attuned to the cosmic consciousness.

Let me just state, there is no cosmic consciousness, no universal mind etc. One of the main ways they strive to reach this enlightened state is through meditation.

Usually the New Ager reaches a point where the “kundalini spirit” is released or activated. And that is the point where they believe they are enlightened. There is also a kundalini yoga that many New Agers practice that will achieve the same thing.

Some who reach this enlightened status will claim to be “born again”—a counterfeit of biblical conversion. Kundalini, by the way, in Hinduism, is a “feminine” form of divine energy. This is also a counterfeit imitation of the Holy Spirit and is also where the false teaching that the Holy Spirit is feminine is coming from. The New Ager who achieves this state, is being enlightened by evil spirits and not The Holy Spirit.

What do you feel when kundalini awakens? ^

Common features of kundalini awakening

Sensations of 'energy' moving or trapped within certain parts of the body, often involving the chakra points. This process may become in some way 'visible' to the experiencer. **The energy feels unbearably strong or painful, often accompanied by shaking, jerking, or spasms.** Jun 17, 2019

What do you feel when kundalini awakens? Sensations of ‘energy’ moving or trapped within certain parts of the body, often involving the chakra points. This process may become in some way ‘visible’ to the experience. The energy feels unbearably strong or painful, often accompanied by shaking, jerking, or spasms.

This ‘energy’ that the person feels is the demonic setting up residence inside the person and being active. Shaking, jerking or spasms is not of God. This type of meditation has nothing to do with God. I will cover meditation in depth at a later date in this teaching series.

This is a picture of someone meditating and awakening the kundalini spirit. The kundalini is also called “the sacred fire.” Notice the serpent inside the person’s body making its way up to the head. This represents the kundalini spirit. We know from Scripture that the serpent always represents satan. **(Gen.3, Rev.12:9)** When you know something involves serpents or snakes, spiritually, that is always linked to satan and will draw the demonic into your life. If you do anything in life and you know somehow it is linked to a serpent, then you should have nothing to do with it. When you embrace this kind of thing and welcome it in and practice it then you have opened the door wide for satan and the fallen angels to work in your life, seated right inside of you.

Christians should not participate in any form of yoga which means yoking to Hindu gods. Even if you don’t chant, the poses are in worship of Hindu gods. Nor should Christians participate in this type of meditation, it is not of God.

When I administered deliverance to Simone, I remember at one point she said she had a feeling as if a snake crawled up and came out. That reminds me of what many New Agers experience when they are trying to be enlightened. They describe this feeling of a coiled snake at the base of the spine uncoiling and

crawling up the spine until it reaches the brain and then they describe a type of explosion sensation in their head which they say is when they are enlightened. They are receiving information from the demonic realm and not from God Himself.

CLOSING

The research said, the essential is not whether we believe or meditate, but Whom we believe in and what we meditate upon.

Christ is the true, personal, objective reality, as He said that He is the way, the truth and the life, and no one comes to the Father except through Him ([John 14:6](#)).

Christians believe in Christ to the point they obey Him and His Word and He will enlighten us. ([John 8:12](#)) We don't practice any New Age meditation, we meditate on God's Word. ([Psalm 1:2-3, Joshua 1:8](#))
