

# OUTREACH UPDATE KENYA: SEPT- DEC 2020

These are water baptisms held in September at Bungoma

We had some church t-shirts made up a few years back and on the right you can see Pastor is wearing one of those t-shirts here.

It was a great honor today to host Pastor Eliud & Pastor Amos at our home in Bungoma Town to discuss and plan ministry matters. Praise God for blessing & extending our Holy Trinity Living Water Church to Nasusi market Centre at Kimilili Town, Bungoma County.

From L – R: Pastor Sarah, Pastor Amos, Pastor Wekesa and Pastor Erustus

We give glory to God for this wonderful work going on with the help of our friend and ministry partners Pastor & Mrs. Eliud Wekesa. This is another branch church added to our Holy Trinity Living Water ministry at Nasusi market Centre, Kimilili Town. We give glory to God for extending our ministry work to this town. We request more of your prayers and support to get our own place to meet for church services. –Look at facebook, on a church post they put that the content isn't available. Pastor always shares the work of the ministry openly and they blocked it.

**GOD OF BLESSINGS!!!!**

My dear wife Sarah today traveled to Muluwa, Butere Town for a thanks giving home church service at the Elderly couple's home papa John & mama Mary. Our Holy Trinity Living Water Church, Muluwa, Butere Town branch started in this home through our spiritual daughter Christine. They allowed us to build a church structure on their land for free for 2 years until last year when God blessed us with our own church land.

Today was the day to thank God , pray & bless this family. Enjoy the pictures!!!! May our God God shower this old couple and their children with abundant blessings. It's not in vain to serve God with our resources & property!!!!

Here is the elderly couple, the woman standing on the left and the man standing on the right. Remember they used to walk 4 hours to church and 4 hours back home just to attend church.

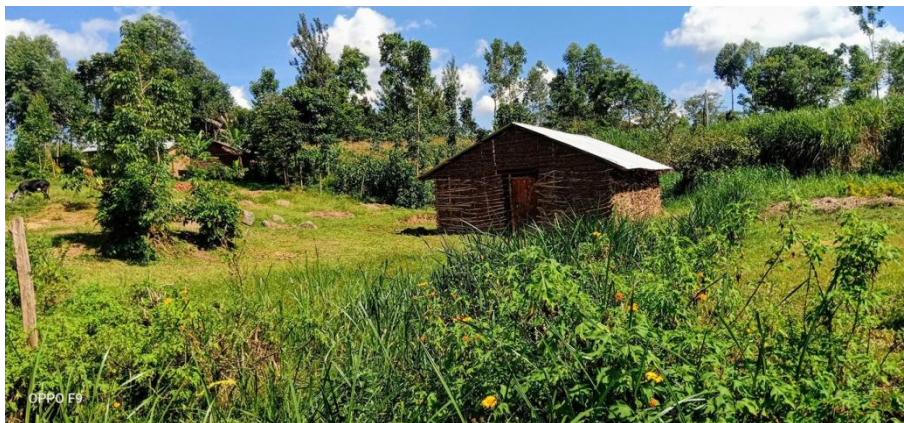

This is Pastor Isabella on the left, she is the Pastor of the church that was planted on their property.

Here are some of the brothers and sisters who came to the home thanksgiving service.

That's Pastor Sarah in the green about to pray over the couple.

This is the Holy Trinity Living Water Church branch at Muluwa, Butere Town built on the land we bought last year 2019.

Here are Pastors Erustus and Sarah standing by the church sign. This church was built in a heavy witchcraft area. I praise God He has been breaking the yoke of witchcraft in that land!

Praise God for the wonderful house church fellowship today of dedicating the business premises of one of our beloved couple at our Holy Trinity Living Water Church, Muyayi, Bungoma Town. We thank God for His blessings!!!!

Here's Pastor Sarah ministering before the dedication.

If you are a business owner, you want to dedicate your business to God.

At this time, October 2020, Pastor has planted 6 churches, 5 in Kenya and 1 in Uganda.

Building a store room & the Pastor's office at our Holy Trinity Living Water Church, Muyayi, Bungoma Town. I thank God for our dear brothers dedicated to church work. We wish them God's blessings!!!

Thank you all for praying & supporting our ministry work and vision. Shalom!!!  
Pastor Erustus & Sarah

Look at their big smiles.

Doing a good job.

Here's Pastor talking with the workers.

Here's a great short message: Unity is strength when there is team work and collaboration wonderful things can be achieved in building God's kingdom. Don't stop believing in God because of other people's behavior. People change, God never does!!!

Traveled over the weekend for yesterday's Sunday service at our Holy Trinity Living Water Church branch at Ekeru-Mumias Town. What a service with a mighty move of God's power healing and delivering many from demonic powers. We give all glory to God!!!

Here are the youth right up front singing and dancing in praise and worship of the Lord.

Pastor is praising the Lord! Lift up your hands for His is worthy!

Do you bow down to Jesus now?

If you are not humbling yourself before the Lord, not bowing, kneeling and raising your hands to Him – do you really love and worship Him? If men have bowed to earthly kings, how much more should we bow down before Jesus now in our lifetime before we get to heaven.

Everyone in a state of prayer except the little child watching the camera.

Here is Pastor ministering.

Demons manifested in the service and here is Pastor administering deliverance.

This is what most deliverances look like that Pastor does. They are usually rolling on the floor. The ladies are trying to put a blanket to keep the woman covered and decent through the process.

**WE SERVE A FAITHFUL GOD!!!**

We had a very colorful and joyous wedding yesterday at our Holy Trinity Living Water Church , Muyayi branch-Bungoma Town of our dear Brother Tiberius & Sister Isabella. What a lovely day, thank you Jesus!!!. The pictures will bless your hearts.

Kindly remember this wonderful couple in your prayers. As always your prayers and support is a big blessing to our Ministry work. We wish you all a good end of year 2020 as we pray God to keep you safe.

With love Bishop Erustus & Sarah.
