

OUTREACH UPDATE AFRICA: APR – MAY 2021

PRAISE TESTIMONY!!!

We serve a miracle working God. Our dear friends & neighbors to our Holy Trinity Living Water Church, Muyayi-Bungoma Town have surrendered to our church their piece of land with a house and other properties on it; which we dedicated to the Lord today after Sunday Service. Enjoy the pictures. Thank you Jesus!!!

Praise the Lord with us! Shalom

With love Bishop Erustus and Sarah

So with your support, we were able to buy the land that connected to the Bungoma church property. This is the newly acquired land behind the tin gate here.

The owner's of this house were going to sell to muslims. After pastor approached them and talked with them, they said they were Christians and were moved to sell to the church for a lot less money than they were going to get from the Muslims. We give God the glory for moving on their hearts in this situation.

You can barely see where the house sits behind the church, on the far right side you can barely see the house.

They had some trees planted and maybe a garden too.

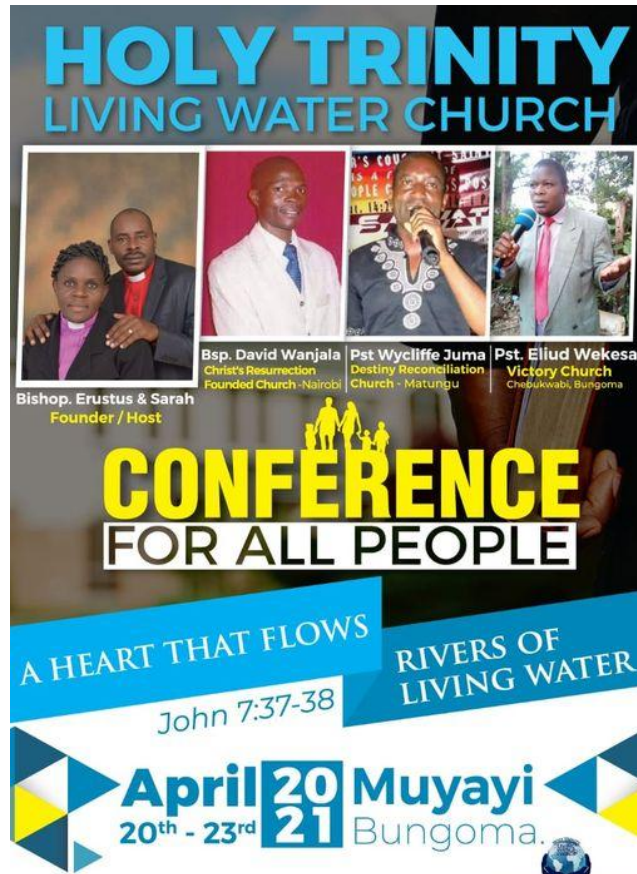

They should have moved that undershirt off the line there and you could see better that the house is directly behind the church.

The church came out to pray and dedicate the house and land to the Lord. You can see Pastor's car parked in the garage there.

Here they are praying. We thank God for this expansion to the Bungoma church.

This is an announcement for an upcoming conference in April from the 20th to the 23rd. Holy Trinity Living Water Church, conference for all people. A heart that flows rivers of living water. (John 7:37-38)

Bishop Erustus and Sarah, Founder / Host. Bishop David Wanjala founder of Christ's Resurrection Church in Nairobi, Paster Wycliffe Juma of Destiny Reconciliation Church in Matungu, Pastor Eliud Wekesa of Victory Church in Bungoma

Many people attend these conferences and are saved, delivered and healed. Lives are being changed.

WE GIVE GLORY TO GOD!!!

What a blessed Conference we had at our Holy Trinity Living Water Church, Muyayi-Bungoma Town. We experienced a mighty move of God's Spirit filling,

healing & delivering many from demonic Powers. Thank you Jesus!!! I believe the pictures will bless your hearts.

We appreciate you all dear friends and family for your prayers and support. May our loving heavenly Father bless your life, family & ministry.

With love Bishop Erustus & Sarah

We are now plastering our Holy Trinity Living Water church floor at Butere Town branch. We thank God for His sufficient Grace. Enjoy the pictures!!!

Pastor at the church sign. I praise God for His favor, see how the church is located right by the main road there. More people will see and come to the church because of this.

The work is underway

The materials, you are helping to supply these materials to make a nice floor in this church. And the workers.

Getting the right mixture. Starting to smooth it out and you can see the foot prints in it on the right.

Now look at it, so nice and they made a platform at the head of the church.

And the congregation about to partake in Holy Communion. Even though we are an online ministry here, I encourage you to take communion just like the Word of God says, as often as you like in remembrance of Jesus. It strengthens your Christian life.

They built this brick wall and we got this gate to secure the church from attacks from the nearby Muslims.

On the left they are making a concrete floor for the church and on the right they are beginning to lay the foundation of bricks for a wall of the church.

The work is continuing

Looks like he's mixing some of the mortar for the bricks.

Now you can see where the front of the church is being moved to, expanding and the wall is starting to take shape.

There's pastor watching the brick layers

It's really coming along now.

They may have been just moving the church over some and bringing it out further in the front.

A lot of progress has happened already.

PRAISE TESTIMONY!!!

Our dear friends and family , we praise God for blessing us with a computer machine. We are equipping our church office & guest house at the newly bought church house which we plan to make it a guest house for our ministry work at our Holy Trinity Living Water church at Muyayi-Bungoma Town.

As God provides we plan to buy office chairs, office book shelves/cabinet, fixing floor tiles, repairing & repainting the house building, buy beds & beddings, sofa sets & tables.

Pastor is finally getting an office

This is where his office is, in the guest house behind the church. Those that come to minister in conferences and those that travel long distances will be able to stay here in these extra rooms.

The work that God has called Three Hearts Church to and the support that we give to our outreach ministries could not be done without your tithes and offerings. You are part of all that is being accomplished. God prepared these good works that we are doing long ago (Eph. 2:10) and I thank you all for your prayers and support.
