

NEW AGE Pt. 20: MEDITATION in the CHURCH, SOAKING PRAYER

I want to wrap up soaking prayer today.

Scott Epp advertises himself as a “certified life coach and international speaker.” He leads an organization called [Abundance Coaching](#). The slogan for the organization is “Becoming Your Authentic and Amazing Best!” That sounds like something Joel Osteen / Olsteen who is a New Age false teacher fronting as a christian pastor, sounds like some of his book titles and motivational speeches.

Life languages coaching with Scott or Nicole Epp. Top 7 qualities of a highly effective coach! The picture looks off, like one of them was pasted in.

The New Age Movement is saturated with coaches. To be considered a coach, you pay to learn these different New Age practices and get certified so you can then be a life coach and draw others into the same deception. Those coaches are there to make money off of you. And many of them really believe in what they are doing.

God doesn't have coaches but He does have pastors and teachers within the church. We are a gift to the church (**Eph.4:11-13**) to disciple and help those in the body of Christ to grow and mature in the faith according to God's Word.

Listen to this research on what Scott and his wife are all about.

"Scott Epp helps people breakthrough their BIGGEST challenges so that they can live their life purpose with passion and abundance! Scott graduated from Toronto's Catch the Fire Leaders School in 2007.

Let's have a little refresher about this place and what they teach. It goes by many names, The Toronto Airport Church, Toronto Blessing, Catch the Fire School of Ministry etc. Let's just take a look at what kind of anointing and teaching they are under.

*Please play from 55:19 to 56:57 This video is of a service from the Toronto Blessing Church where the Catch the Fire School of Ministry is taught. STOP

She was asking the people that were at this meeting to come forward if they attended the very first signs and wonders conference. She asked some of the staff to come up and "refire" them by laying hands on them and then they began to fall out and shake and jerk believing this was the power of the Holy Spirit they were under. Then she starts saying, "have another one, it's like the Holy Spirit says have another drink." She lays hands on one guy and he falls over and blows on another one and he goes down too. She keeps referencing the very first meetings back in 1994 where this false anointing got started from. She says "we didn't know what we were doing, that was the fun of it." She says there were probably 3 or 4 thousand people at the first conference and says they were probably as loud as him (a man down front on the floor) – "getting electrocuted by The Holy Spirit" and laughs.*(about 1.5 mins)

<https://www.youtube.com/watch?v=I3NRN50McCQ>

These New Age church cult centers that have these schools where they are teaching the supernatural and teaching the students to walk in the supernatural, are a big red flag. The supernatural power being taught and that the students are

walking in is of satan and his kingdom. It is evil power, wicked and dark power that they are practicing, teaching and imparting to those that submit to their demonic authority and teaching.

Refire them? And then blowing on people too as if that's any way for anyone to receive the Holy Spirit or God's anointing at all. Mocking what Jesus did when He breathed on the disciples in the upper room imparting The Holy Spirit to them.

(John 20:22) I've seen other false teachers and satan's servants yelling "fire on them" or "fire right now" and waving their hand toward the person. This is utter blasphemy. The people laying the hands on the people down front are not ministers of God and they are passing off a demonic anointing. That's why the people are yelling, rolling and flopping on the floor or laughing hysterically. The Holy Spirit does not electrocute us. That's why you see these people jerk and make weird noises because they are having demonic manifestations. That's what all of this is.

*Please play this video – This is Heidi Baker, one of the people passing this kundalini anointing out in these false churches. STOP

She is laughing and falling all over the floor. She cannot even get up to speak to the congregation at all.*(about 2 min's)

<https://www.youtube.com/watch?v=ES1Bg4eq4zl>

They sped up parts of that video because she just laid around on the floor laughing and making no sense and certainly not preaching God's Word at all. The sheep did not get fed that day. This is NOT what it looks like when The Holy Spirit is poured out on you. I listened to her on another video at Toronto Airport Church, teaching the people about Old Testament burnt sacrifices and telling them they were sacrifices and that God was going to come and burn His sacrifices. That is one way they justify this false kundalini anointing when it manifests in a person and they yell and scream because they are having pain and burning and now believe this is because God is burning them or sending His fire on them. Literal fire that is painful. That is not how God's presence feels on us and we are not burnt sacrifices. We are living sacrifices. **(Romans 12:1-2)** These people are

twisting God's Word to match up with their demonic manifestations. Many times during deliverance, the person shakes or jerks and falls on the ground and rolls around trying to get away from the power of God. Same thing these people do but they accept it under the belief that it is God's power poured out on them. These false teachers are trying to infect as many people with this kundalini anointing as possible.

Let's watch this next video on soaking prayer, taken directly from the leaders of the Toronto Airport Church, John and Carol Arnott.

*Please play this video - STOP

John and Carol Arnott talk about soaking prayer. He said they decided to use this term "soaking prayer" because it was new and fresh. People get so filled they think they are going to explode. He says, "So that's what soaking is. Getting wrecked by God." Then his wife Carol begins to minister and she acts like she is just out of it on The Holy Spirit and asks those present if they need another "toke". John Kilpatrick put his stamp of approval on all of these blasphemous acts and teachings. That reveals he is also a false teacher. They show John Kilpatrick banging another guy on the head over and over again saying something supposedly in tongues. They want to spread this out to the whole world. They show a clip of Carol Arnott, one of the leaders of the Toronto Church using a sponge soaking in water to demonstrate soaking prayer and getting drunk on The Holy Spirit. She says to the people that many of them came in not looking too sure about things, not being very flexible, being hard. She has water and asks The Holy Spirit to fill it and then she asks the Lord to anoint it. Then she puts the sponge in the water to "soak". When she pulls the sponge out she turns it over to reveal a crazy drunk face on the sponge. She says the sponge soaked in God's presence. This is her example of how to "soak" to the people she is deceiving. Then they show John Scotland, another false teacher saying he's been going through different stages of drunkenness. He said right now he was in the slouching stage. Then he tries to read scripture and instead he crows like a rooster. Then he tries again and does the same thing. Then Carol comes up and she also makes animal sounds. Next you see Kenneth Copeland putting his stamp

of approval on all of it. He prophesied some non-sense to propel it out to the world under his “blessing” over it all. At the very end you see a picture of John and Carol Arnott, Kenneth Copeland posing for a picture with the Pope.*(about 5.5 min’s)

https://www.youtube.com/watch?v=Uak1j-J_EdU

These false teachers love to mock God. Saying things like getting wrecked by God. That is never something one of His true ministers would say. God doesn’t wreck our lives, He’s not out of control. Another false teacher, Steven Furtick has teachings titled “Savage Jesus.” That’s mocking God. As a true Christian you would never call Jesus savage or use that in regards to Him ever. These false ministers of satans love to act like they are getting high and getting drunk on The Holy Spirit. They are twisting and perverting Eph.5:18 to make this non-sense ok with those in attendance. No real minister of God would ever repeatedly just bang on someone’s head in prayer like you just witnessed speaking some words that no doubt honored and summoned demons.

What a mockery of The Holy Spirit and of God’s presence. She is using the sponge to teach her deception of soaking prayer. She even said it was anointed and said if God can do this for a sponge, how much more can HE do it for you. Wow. They don’t even have to try and people are falling for this non-sense.

Let's watch another video of this New Age Church teaching people how to get drunk.

Please play from 2:35:17 to 2:39:39 Carol Arnott prays over those in attendance at her church. She asks God to "brood" over them all during lunch. They have been soaking and then she instructs them to take a drink of The Holy Spirit from an invisible cup or barrel. So they can get drunk and just drink God in. Then she tells them to take another drink. She says, Lord you said You would fill the thirsty and Lord we're thirsty. She tells them to put their hands on the person beside them and ask the Lord to fill them up. She goes around passing her demonic anointing onto those in attendance. Trying to get it onto as many as possible. Then she starts calling God "daddy".(about 4.5 min's)

<https://www.youtube.com/watch?v= 0GzEwd9S8M>

What an absolute mockery of God. Such blasphemy and twisting of Scripture.

Matt.5:6 – Blessed *are* they which do hunger and thirst after righteousness: for they shall be filled.

God will fill you with more of His Holy Spirit when you obey Him and draw nearer to Him through obedience and living a righteous life. Not when you just pretend to take a big drink of The Holy Spirit. Wow. When she had them lay hands on each other, that's not godly for just any lay person to lay hands on anyone. Be very careful about who you let lay hands on you. It is the way they pass the demonic anointing around.

I played this out far enough for you to hear her calling God "daddy." That's not reverent at all. That's not honoring God. I spoke on this in the teaching "Fear of The Lord." But we have to remember that her god is not our God. So satan is ok with her calling him daddy.

Pope Poses With Wealthy Televangelists – Trinity Foundation

[Visit](#)

Pope poses with wealthy televangelists. These are modern day witches. This is a wolf pack right here. This was one satanic little meeting right here. Seems like the date they went there lines up with one of Satan's feast days so I'm sure they held sacrifices and worship to Satan while they were all in town. That's how they get more anointing and power from Satan. I have spoken about some of the ones who met the Pope at this get-together in the past but did not know who John and Carol Arnott were. We know now because we have just seen them in action and can now understand why they were invited to this wicked meeting. You don't hold private audience with the Pope unless you are doing Satan's bidding. Kenneth Copeland, is revered as being a leader within the church here in America. What a joke he is. He's as wicked as they come. These servants of Satan cross promote each other because they serve the same God – Satan.

The article on Scott Epp continues: And he was part of the amazing Catch the Fire revival ministry from 2006 – 2008 in Toronto. Scott's wife Nicole worked as an assistant to the leaders, a speaker and SOAKING SCHOOL co-ordinator with Catch the Fire Ministries for about 6 years.

Together Scott and Nicole have a fire and passion for God to move through the Power of the Holy Spirit and they choose to be vessels for His love and revival. Scott is a motivational speaker for corporations and an influential preacher. His

messages of The Father's Love, Awakening the Wild Lion Within and Living Your Life Purpose with Passion and Abundance are among Scott's favorite topics to speak on."

To understand what he and his wife were taught and where this false fire they are spreading came from, go back to part 13 and watch the video I shared from Andrew Strom who revealed where this particular kundalini anointing started out from. It started with Rodney Brown and spread to the leaders of these New Age, Emergent, cult churches. Go back and watch that video and then you'll know what these particular coaches are teaching people. Awakening the "wild" lion within? If you equate The Holy Spirit with anything wild, you don't know God at all and do not have The Holy Spirit in you. Living your life with purpose with passion and abundance – there's your prosperity gospel.

In Epp's video, he begins his message by teasing his audience by telling them he has a "secret."

Me: For freemasons and occultists, they know that is code for Blavatsky's Secret Doctrine – the Bible of the New Age. That means his "secret" is going to be something New Age and not something Biblical at all.

Back to the research: This idea of allegedly receiving new revelations of knowledge from God, of course, fits with neo-gnosticism of the heretical New Apostolic Reformation, the Word of Faith movement, and other New Age mystic groups that have infiltrated the Church.

As Epp reads the definition of "soaking," people in the audience begin to make noises and laugh. It's clear that people are already beginning to check out and go to their spiritual happy place—a place void of the Spirit, void of Christ, void of Truth.

"Soaking" really is just a new name for an old unbiblical practice. During the days of several false revivals: The Toronto Blessing, The Pensacola Outpouring, and the Brownsville Revival, "soaking" was referred to simply as "carpet time."

CLOSING

2 Thess.2:3-12 – Let no man deceive you by any means: for *that day shall not come*, except there come a falling away first (departure away), and that man of sin be revealed, the son of perdition (the antichrist); Who opposeth and exalteth himself above all that is called God (everything the people call god), or that is worshipped (and over every object of worship); so that he as God sitteth in the temple of God, shewing himself that he is God (calling himself God). Remember ye not, that, when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time (at the proper time). For the mystery of iniquity doth already work (this lawlessness is already at work secretly): only He Who now letteth *will let*, until he be taken out of the way (This lawlessness will remain working in secret until The Holy Spirit steps out of the way). And then shall that Wicked (One / the antichrist) be revealed, whom the Lord shall consume (destroy / slay) with the spirit of His mouth, and shall destroy with the brightness of His coming: *Even him (the antichrist)*, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish (he will use every kind of evil deception to fool those on their way to destruction); because they received not the love of the truth, that they might be saved (because they refuse to love and receive the truth that would save them). And for this cause God shall send them strong delusion, that they should believe a lie (So God will cause them to be greatly deceived, and they will believe these lies): That they all might be damned who believed not the truth, but had pleasure in unrighteousness (Then they will be condemned for enjoying evil rather than believing the truth).

The fruit that these people are producing is counterfeit signs and wonders. That’s why they are called “lying” signs and wonders. They are accomplishing satan’s

work on this earth. Those that did not want to put the time in to serve God obediently and seek Him correctly, God will turn them over to their sin and let them be deceived and damned to hell. He will come to each person and give them the opportunity to receive the truth but after they make it clear they do not want the truth, then He will let them have the wickedness that they crave for.

The false teachers will be condemned to the lake of fire and so will those that listened to them and believed them. **(Jeremiah 14:14-16)**
