

OUTREACH UPDATE AFRICA: NOV - DEC 2021

Nov.2nd

We thank God for enabling us build this structure to be used by our Sunday School children & other meetings at our Holy Trinity Living Water church, Muyayi-Bungoma Town. Glory to God for the tremendous growth!!!

Many times they use actual trees from the land to make the framework for the buildings. You see the stripped down trees there.

The frame is going up.

The roof is being put on.

Now they are starting to work on the sides.

You can see the Sunday School Building between the church on the left and the church office and guest house on the right.

Here's Pastor standing out front of the new building.

And in this picture you can see the church on the left, the restrooms are what you can see in the middle and on the right is the Sunday School Building.

PRAISE TESTIMONY!!!

God is faithful, we have roofed our Holy Trinity Living Water church branch at Ekeru-Mumias Town. Thank you Jesus!!! The Sunday Service today at this church was full of praise & thanks to God.

Here they are buying the tin for the roof.

Remember this is the first church where the youths made all those bricks. Now it is getting a nice roof.

Look how good it is starting to look!

There's Pastor Erustus and Pastor Sarah out front and some of the workers in the picture too. Doesn't it really look so nice!

Here they are during the praise and worship service.

The congregation during praise and worship.

Look at the joy on their faces. When you praise God, lift up your hands to Him!

At least they can hold services in the shade again. Glory to God.

Here's Pastor ministering.

The church service. This was the first church planted by Pastor.

And now they get to finally have a permanent church building.

They have come down front for prayer.

God is good we traveled back home safely after the 3 days gospel mission in Maasai land at Kimana , Oloitokitok in Kajiado County. Our mission was very successful and now we have planted our Holy Trinity Living Water churches in this land. Now as a Ministry we have planted 12 branch churches so far(11 in Kenya & 1 in Uganda). We give glory to God!!! Enjoy the pictures.

As always we appreciate you all for your continued prayers & support. Together we are a team and family.

With love, Bishop Erustus & Sarah

Here they are celebrating at the first church service of the new church branch.

Pastor Erustus is wearing a blanket they gave him as some of their customary clothing.

These ladies are wearing traditional clothing.

Here is the first meeting. They were under a different bishop but contacted Pastor Erustus because their former bishop did not care about them but was only concerned about money. They wanted to grow in the Lord and learn and be a true ministry and God led them to Pastor Erustus through one of the members of his Bungoma church.

Here is their service.

Here is Pastor with some of the members.

There is a translator on the left translating what Erustus is saying.

In picture with Pastor Dan Tenkes who gifted me with a Maasai sheet! I believe he is friends with Pastor Simeon of the Maasai Land church.

The picture of goat meat being roasted for us. God bless these brothers. They were so happy to celebrate the new church and have this special meal.

Here they are sitting out under some little trees for shade.

Having fellowship.

They must have given Pastor and the man to the left some welcome beads.

On the left is Pastor Simeon in the tan coat, he is the pastor of the church there.

Here are some of the ladies with their traditional clothing and jewelry on.

Praising God.

Enjoying our Lunch meal under these shrubs after a teaching session .
