

# SATANIC CLOTHING Pt.4: WITCHCRAFT, ART MAGIC, DEMONS, SATAN, SERPENTS, WITCH DOCTOR

Today is a special day and I would like Scott and Kennedy to come up and join me for a minute. It is at least one time that you get to see us all together as a family, they are a big part of this ministry too. By the time you all see this message we will have celebrated 9 years in the ministry.

**Praise The Lord we have gone into  
171 registered countries!  
Countries**

Visits from 171 countries registered.

Because we have reached most of the developed countries it will be slow going from here to reach more countries but I praise God for sending us around the world like He has. All glory to Him alone and I praise God for all who are being ministered to and disciplined through this ministry.

I want to say thank you for all the ways you supported our ministry work. Whether you gave, prayed over our ministry, shared the sermons or facebook posts, we are so grateful for your consideration. We could not do all the good works God has created for us to do without you. We hope that you will continue with us in prayer, in your giving and growing in Christ, working together as God intended the body of Christ to do.

As we continue to wait on the Lord, may you know "the confident hope He has given to those He called—His holy people who are His rich and glorious inheritance"(Ephesians 1:18).

We love you all and may God bless you abundantly.

**WARFARE:** Just to be safe as we will be seeing many satanic and demonic images today. Break witchcraft, spells, curses, evil declarations & demonic attachments from the things we will see today. I break it, bind it and cast it out in Jesus' name. I plead the blood of Jesus over this sermon, over these images, over each person watching and listening to this teaching. I plead the blood of Jesus over our hearts, minds, souls and spirits. I plead the blood of Jesus over our eyes. Thank You Lord for all that You reveal to us and for protecting us. I magnify You, You are Sovereign and I pray that You will anoint and bless this sermon and all those listening right now. Thank You Lord for Your revelation to us bringing these hidden things to light. I pray all these things in Jesus' powerful name.

I'm picking up today right where I left off last week with the serpent theme in many clothes.

This is another one of my shirts from years ago. You can tell I wore the same style quite a bit. lol The brand is "one world" which I spoke on in part two.

In the middle up top is like a black animal or demon face with white eyes. Like a black shadow with eyes. The one arrow in the middle is pointing to a serpent and the bottom arrow is showing the snake skin.

You should be able to see this more easily now. A horned serpent for satan. The serpent is always connected to satan because of what happened in The Garden of Eden. The serpent still carries God's curse upon it today. When we wear clothes like this, in the spirit realm, evil spirits are attracted to these images because it represents their master, satan.

There is a medicine man, witch dr., shaman in the center of this shirt. I put arrows showing the eyes, nose and mouth so you can see him better. You may have to rewind the video and pause it and look at it from a distance to see him better.

He is surrounded by layers of snakes. The first layer of snakes is right on top of another layer of snakes and there are snakes all around under his face too. Very wicked. You just don't see all of this when you are standing at the rack looking at something like this up close and especially if your spiritual eyes are not open. I hope will see these things now because you know to be looking for it.

He's surrounded by snakes just like the Hindu god Shiva, on the right and the naga's on the left.

These are medicine men, witch dr's and shamans. The snakes are like feathers on his head on the shirt in the middle.

Yet another of my shirts from back when I was a baby christian. I was so blinded back then and I praise God that He is using that now to teach all of you to see this wickedness for what it is.

These are snake or demon faces all in a row.

It looks exactly like both of these, a horned snake or a demon face.

This is a temple in Vietnam, they have dragon serpents in their temples. Serpents and dragon serpents are symbols of satan.

When I first began to minister someone said this shirt looked like the hadron collider at Cern. Of course I was offended because no way would I be purposely wearing something like that.

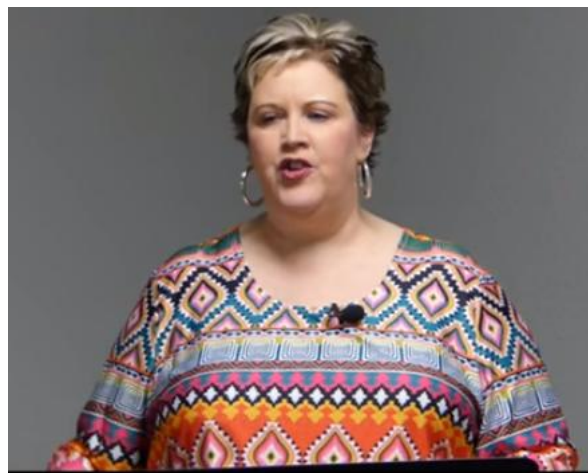

That was right during the time that I had learned about Cern and of course went to exposing it for what it is. You can see the same pattern here on Rihanna's dress which seemed to be all about Cern at the time but could also just be the

star pattern of the false goddess isis or Ishtar that she serves and whom she has tattooed under her breast. Someone else said to the person that told me I was wearing a Cern shirt, for them to let God show me and He did. This goes way beyond looking like Cern.

These are very artsy serpents. There are big ones on the corners; I circled one so you can see it. Then behind it, there is a circle of smaller ones where I have an arrow pointing. There are serpents all over this shirt. I showed one like this but a little more tame last week, it was one of Kennedy's tank tops. They seem to like to use this type of pattern with snakes on four corners like this.

Everything doesn't have to be thrown out. This is like an Aztec design or pattern here. The Aztecs did not serve God, the goddess symbol is on this shirt too. To

me it is just patterns. But you should still pray over this type of clothing and any questionable clothing.

Most important is to always pray generally over all your possessions and properties. Praying and covering with the blood of Jesus Christ, to protect and destroy any demonic activities on what you own. But when the Holy Spirit convicts you or you discern a certain clothing, or item in your possession is not right then you should lay hands on it and pray.

**HOW TO PRAY:** Plead the blood of Jesus over your hands and over the garment. Then as you hold the garment or item, first break the witchcraft, spells, curses and evil declarations done to the garment, break demonic attachments. Bind them and cast them out in Jesus' name. Make declarations to the spirit realm about your power and authority in Jesus' name. Then go to prayer and thank God for His provision and protection over your life. Thank Him for meeting your needs and for the clothing or item He has blessed you with. Praise Him and ask Him to cleanse the item and place His blessing on it as it is to be used by you and you are a child of His.

I would not keep anything that has a dragon or a dragon-serpent, a snake or snake skin print on it - period. Nothing with mean animal faces, devil faces, demon faces, evil faces, evil people or alien looking people. That's all demonic. I do not buy shirts with animal faces stacked one on top of another now that I am aware of that. I would not keep anything that has skeletons of any type on it. All of this type of clothing needs to be destroyed.

The clothing designers are very tricky about these patterns. They serve a different god and they want to bring misery into our lives through their witchcraft. satan wants to be invited into your life and this is one way he has an open door to come in. You liked it, you spent money on it and you brought it into your home and into your life. If you remain ignorant of witchcraft on clothing, satan will capitalize on that. satan looks for any opportunity and way that he can use to enter into a Christians life and home and these clothes with symbol magic and art magic or that is witchcraft on them, are a way in.

\*Please play this video: John Todd, an ex-illuminati member who was on the council of 13 explains how the witches make satanic music and summon demons to go with every purchase of it.\*(about 6.5 min's)

I wanted to refresh you on how they cast spells on all the music today, even so called Christian contemporary music. If it is played on the radio then it is demonic music, period. Demons are sent out with the music and it is written in witch language. The luciferians are witches, they serve lucifer and they are the ones making our clothes. They create the master print or design with the colors and satanic artwork, the master pattern. Just like the master record, there is a master pattern and it is dedicated to satan to further his work against mankind. They are casting spells and doing witchcraft on many clothes today the same as with the music. Demons will follow these evil patterns and designs.

## **CLOSING**

**2 Cor.2:11** – Lest satan should get an advantage of us: for we are not ignorant of his devices.

God has revealed this to me because He doesn't want us to be ignorant of satan's schemes and how he is working against us.

**Matt.10:16** – (Jesus said) Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.

These things can be on your bedding, your sheet sets and comforters your curtains. These images can be in the patterns and prints of your bathroom décor, the rugs, shower curtains, towels etc. These things can be on artwork you have hanging in your home. Look around now that you are aware of another way the enemy is working against you and burn and destroy this filth, get it out of your life. Thank God for opening your spiritual eyes and ask for forgiveness for having bought these things and ask Him to cleanse your life and home from all demonic activity that came in because of these items and your ignorance about it. Plead the blood of Jesus over yourself and your family, your home and all that is in it,

your land and all that is on it and even the atmosphere all around your home. Do this daily. Thank God for His mercy and protection in your life.

If you cannot see or understand the things I have exposed and brought to light in this teaching series, then I suggest you begin to pray and ask God to open your spiritual eyes and give you eyes to see and to open your spiritual understanding and to help your spiritual discernment to grow. Stay in God's Word daily so you can grow in the faith and begin to discern these things by the power of The Holy Spirit. The closer you get to God, the more He will teach and reveal to you.

Ask God to show you anything in your life or in your home that offends Him so you can destroy it and live to please Him. You will be delivered more and more from demonic activity in your life as you clean out your life and home from the things that are against God.
