

DRUGS Pt 3.: PSYCHEDELICS, HALLUCINOGENS, WITCHCRAFT, MYSTERY RELIGIONS, DEMONS

I want to share a comment from part one: Youtuber Wridde23 said, "It is these politicians legalizing weed too, which causes the drug culture to escalate."

He nailed it. Marijuana being legalized among other things is being done on purpose by the government beast system to draw many into addictions to kill, steal and destroy their lives. There is an evil agenda being served by legalizing these drugs.

John 10:10 - The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have *it* more abundantly.

I have seen some lives that were destroyed because of doing drugs. Relationships ruined, jobs lost and missed opportunities in life. Lying, stealing and just being a slave to the drugs. The person on drugs does anything they can to get more and then just let their life go by while they are passed out asleep for days on end because of the drugs they do. They start paying attention to what's in people's yards or houses because they will come back and steal those things in order to get more drugs. My own brother was doing things like this. He talked to me about one incident he was involved in as if it was morally right and upstanding. I was floored to hear what he was doing trying to steal some tires off someone's car. I praise God the police caught him but his so called friend who came up with the whole scheme got away. The sad thing is at that time, he thought there was nothing wrong with what he was doing, he laughed it off like it was a joke.

The truth about marijuana the smoke of hell! A vicious racket with it's arms around your children! Sin, degradation, vice, insanity. Look at the smiling demon or even satan standing there happy about what he's accomplishing against God and those that fall prey to his temptations.

You might think the Bible is silent about doing drugs but it isn't.

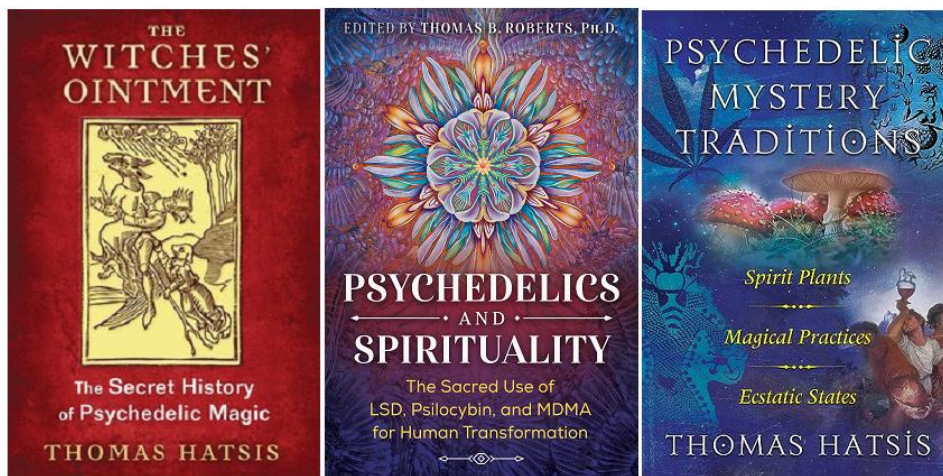

1 Thess.5:6-9 - Therefore let us not sleep, as *do* others; but let us watch and be sober. For they that sleep sleep in the night; and they that be drunken are drunken in the night. But let us, who are of the day, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation. For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ,

Being hopped up on drugs is one way not to be sober but it isn't the only way. We are told by God to be sober. That is to have our wits and faculties about us, to be of sound mind, in our right mind, not disconnected, or flying high as a kite, or hallucinating or feeling you are out of your mind – but sober. Hallucinogens are mind altering. You can't fight against satan and the fallen angels when you can't even think straight.

WITCHCRAFT, SORCERY

I am not going to linger too much here because in the future I plan to do a teaching on pharmakeia and sorcery. Many times in Scripture you will find God warning His children not to do this or that, and that is because they were things that the pagans did. Pagans were unbelievers who worshipped the fallen angels, and they were sun god worshippers. The sun god is satan or as our Bibles call him, baal. God did not want His children participating in idolatry against Him. And many times the very things He warned them not to do were for their own well being and to keep them from the idolatrous sin of the nations surrounding them.

We just read that God wants His children to be sober minded. The pagans had many practices they participated in, in which they were purposely altering the state of their mind. They knew that when you do hallucinogens, you open yourself up spiritually to the demonic realm. The mystery religions practiced this, it is a form of witchcraft and that's what is going on in the lives of those who take these kind of drugs. They are practicing witchcraft even if they are unaware, that is what is taking place.

The Witches' Ointment, The Secret History of Psychedelic Magic by Thomas Hatsis, Psychedelics and Spirituality, The Sacred Use of LSD, Psilocybin, and MDMA for Human Transformation edited by Thomas B. Roberts, Ph.D., and Psychedelic Mystery Traditions, Spirit Plants, Magical Practices, Ecstatic States by Thomas Hatsis.

These books are written about ancient pagan practices, witchcraft in short. They knew that the use of psychedelics would connect you with demons. They were not serving God and they saw no problem with what they were doing. They

believed they were connecting with deities by being in an altered state of mind through the use of these drugs. What we as Christians know, is that – that is not how you connect with Jesus or The Father so we can then ascertain that they were interacting with evil spirits who are fallen angels. Pagan religions worship demons but they call them deities or gods. They have always worshiped the fallen angels.

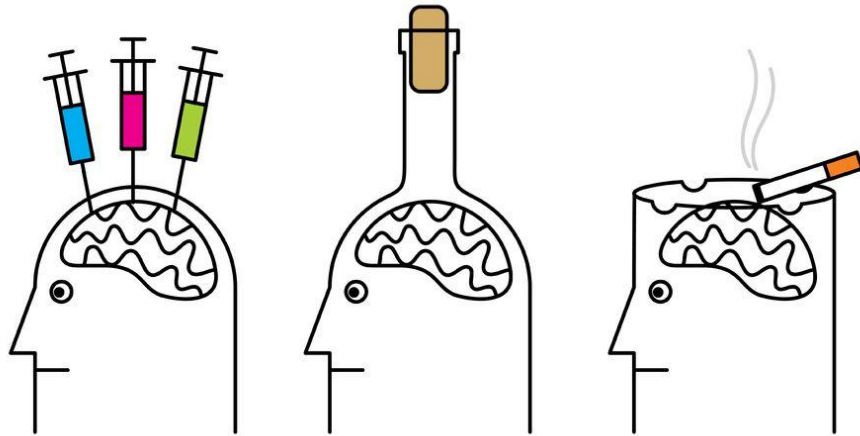

2 Cor. 7:1 – Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God.

We are to have nothing to do with these sinful things. Our lives are to be cleansed from sin and we are to live righteous lives honoring and serving God with our lives.

Many people want deliverance and are not even saved, they just want God to break the addiction for them but they don't want Jesus. They are not even devoted to God, they do not serve, worship or obey Him at all. They want the suffering to stop but do not desire to humble themselves and surrender to Jesus. We have all heard of God instantly breaking something off of someone's life and many people hope He will do that for them, they just want a fast easy answer. Make it stop. Many times they are not truly saved, are not serving God, not growing and maturing at all and will not see any change.

Eph.5:8-11 - For ye were sometimes darkness, but now *are ye* light in the Lord: walk as children of light: (For the fruit of the Spirit *is* in all goodness and righteousness and truth;) Proving what is acceptable unto the Lord.

These kind of drugs are not acceptable to the Lord. Children of the light will not be a slave to drugs.

These things, drugs, alcohol and smoking altar your mind. They are addicting and they are sin against God.

I continued to pray for my brother to be saved and delivered from drugs. Today, he has gotten remarried and does not seem to be in the same place he was. He and his wife have a business that they run together. I wish I could say he is saved but I cannot. The last information I know about my brother and drugs is that from time to time he still does drugs but not like he did. He can't quite stop completely. That's dangerous because the door is still open. The last time he visited the church he said the whole time I was preaching his back or his shoulders were hurting but as soon as I stopped talking, the pain stopped. That was a demonic attack.

Until you truly get saved, and desire to live a changed and righteous life, those demons are going to keep pulling at you. They want you fully immersed like you were before, they want to finish you off. They will not give up until their legal right to be there harassing you is destroyed. If you get deliverance but were not really finished with the drugs, the following Scripture will apply to you:

Matt.12:43-45 – When the unclean spirit is gone out of a man, he walketh through dry places, seeking rest, and findeth none. Then he saith, I will return into my house from whence I came out; and when he is come, he findeth *it* empty, swept, and garnished. Then goeth he, and taketh with himself seven other spirits more wicked than himself, and they enter in and dwell there: and the last *state* of that man is worse than the first. Even so shall it be also unto this wicked generation.

I have learned from Pastor Erustus that even though it says 7 more wicked spirits will come in, the meaning is any number of demons will come back in.

Luke 21:36 – Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

You are not going to be watching and praying about anything much less to escape what's coming on this earth when you are stuck in an addiction to drugs. Your life is going to be a total wreck until you come to Jesus and get serious.

It is each believer's responsibility to pay the cost of forsaking all to follow Christ. We are to be committed in seeking God in prayer & fasting, studying the word, fellowship of the saints, praising and worshiping God, giving, ministering or serving in the church/ God's kingdom, living holy, etc. These keep satan and his demons off our life. Developing a strong relationship with God is very significant. Many take long or are so reluctant in growing in the things of God. They put little effort in growing to maturity in the things of God. This makes it hard for them to deal with demons and satan.

I asked Pastor Erustus his thoughts about those bound in addictions. He shared: Pastor to me some young or baby christians can struggle with alcoholism, pornography, smoking etc. at the beginning of their walk with God but with commitment to God's word, prayer and the infilling of the Holy Spirit one must overcome all those evils. As the Apostle Paul says, those who struggle with sin and please the flesh then the law of sin is still at work in them. **(Romans ch.7 & 8)** But those who make up their mind to walk in the Spirit such evil desires will be quenched by the Holy Spirit.

If you are stuck in this addiction to hallucinogens and drugs like I have been teaching about, there is hope.

1 Cor.10:13 – There hath no temptation taken you but such as is common to man: but God is faithful, Who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.

Jesus is the way of escape, being truly saved, filled and sealed by The Holy Spirit.

Those who are not putting any effort into their walk with God, and continue to stay bound up in their addictions are either not truly saved or they are not growing in the faith. They are not putting any effort into their relationship with Jesus. Those who don't grow are lukewarm at best and Jesus said He would spew them out of His mouth. **(Rev.3:16)**

Nothing is going to change until you are seriously sick and tired of this addiction. Fed up and had enough. In order to be set free, you must get truly saved, filled and sealed by The Holy Spirit. A Christian who is not baptized into The Holy Spirit is going to live a defeated life. I keep emphasizing that you need to seek the baptism of The Holy Spirit because you are not going to make it as a Christian without Him.

Jesus can set you free from this addiction. If you seek Him with all of your heart, mind, soul and strength. Otherwise, don't expect anything.

Addictions of any sort are not healthy for us. God doesn't want us to have these bad habits and strongholds in our lives.

John 8:36 - If the Son therefore shall make you free, ye shall be free indeed.

You must be saved through Jesus Christ, baptized into The Holy Spirit, sealed by The Holy Spirit and grow and mature in Christ in order to be set free and have these things broken off your life. Get busy doing this and all that I have taught and God will move in your situation. If you want God to move more in your life, get on your knees more, get in prayer more, read His Word more, spend more time with Him and live a righteous life.

Anything is possible with God, He can break your addiction off just from sincere prayer, or from prayer and fasting, or through administered deliverance or self deliverance. If God does not move through any of those ways and you see no change in your situation, then you either are not truly fed up with your addiction enough to seriously deal with it or you need to grow and mature in the faith and be empowered more by The Holy Spirit to overcome. There are deeper levels of

anointing, there is more Holy Spirit to be had, there is more of God but you have to go deeper in your relationship with God, you have to put the effort in on your part. There are many ways God can work to set you free when you seek Him sincerely.

Listen to this quote by Donald Frost: “Drugs take you to hell disguised as heaven.” Just let that sink in.

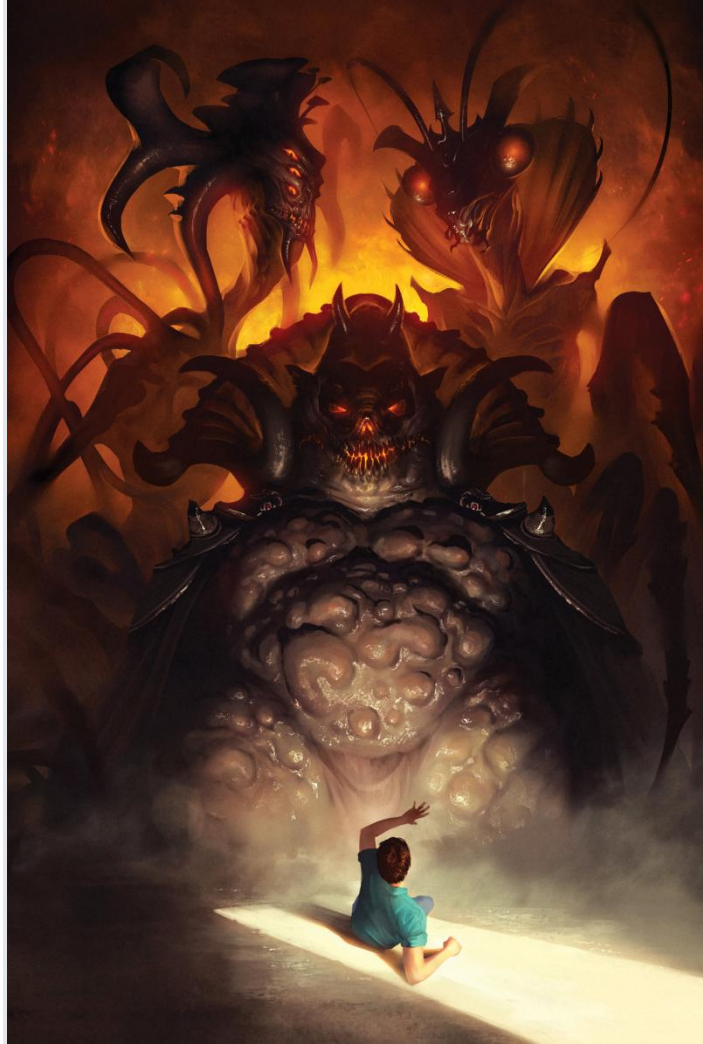

You don't want this addiction to drag you down to hell where you will be in misery and pain for all of eternity. The Bible says the fire will never be quenched and the worm never dies in hell. **(Mark 9:48)** You will just keep burning and having burning sensations and the worms will always be biting you and eating you even without a body.

The pain is going to be overwhelming. The way our bodies here on Earth deal with extreme pain is by passing out. You are not going to be afforded that privilege. You will be awake forever in hell feeling the burning and the pain all the time. It will never let up. You will be well aware of all the opportunities you had to come to Jesus and surrender your life, heart, body, soul and mind to Him but you rejected Him.

It's time to get serious and get to Jesus.

CLOSING

The caption under this picture said: Face your demons. That is exactly right. You must overcome or you will stay locked in their grip.

Eph.6:12 - For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

We are not fighting people, we are fighting demons which are satan and the fallen angels. Principalities are evil spiritual rulers, satan's kingdom and military has rank just as God's kingdom and military does. When demons come into a person's life there is always a head demon who rules over all the other ones. They come in packs.

Powers are the wicked ones in positions of authority in the unseen world. We are fighting against mighty powers in the dark world and against evil spirits in heavenly places. Remember satan is the prince of the power of the air. That's what we are fighting against. When witches do witchcraft against someone, they are making sacrifices to demons and conjuring demons to do their bidding. So when you are fighting against a witchcraft attack, it still comes down to fighting against demons, those the witch sends to work against you and even the demons in the witch. You need the armor of God to fight. And if you don't belong to Jesus then you are defenseless. You are putty in satan's hands.

In the near future I will teach on deliverance and self deliverance.
