SHAPE SHIFTING and BLACK CATS

I have already covered shape shifting in the sermon titled "The Evils of Halloween." If you haven't listened to that sermon, the link is in the info. box and in my sermons notes on the church website. I am going to cover it again today.

Black Cats – were regarded by the Druids as humans changed into animals by evil power. As a baby Christian, I thought this was non-sense. But there is truth to this for witches, those that have gone deep in the occult world and practice black magic. They can shape shift into animals and they work with familiar spirits which are demons.

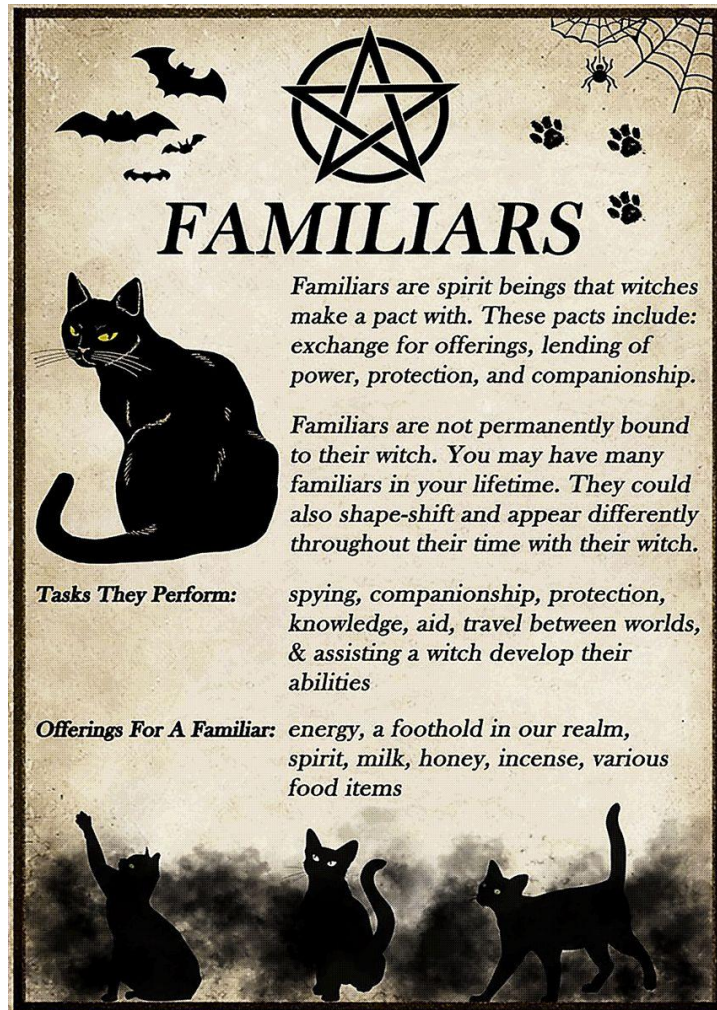

The image is a screenshot of a dictionary entry for the word "familiar". It features a blue speaker icon on the left. The word "fa·mil·iar" is written in a large, bold, sans-serif font. Below it, the phonetic transcription "/fəˈmilyər/" is shown. The word is identified as a "noun". The definition provided is: "1. a demon supposedly attending and obeying a witch, often said to assume the form of an animal. "her familiars were her two little griffons that nested in her skirts"

Familiar – a demon supposedly, attending and obeying a witch, often said to assume the form of an animal. "her familiars were her two little griffons that nested in her skirts"

One way witches use familiar spirits is they summon them into animals. Witches serve the fallen angels. Because they serve satan and his kingdom, they are fully possessed by demons, and those demons can cause them to shape shift into anything they want.

Let me share a story from a Pastor Philip in Liberia. We used to work together early on at the beginning of my call and ministry. He is in Liberia and he shared that one time they were holding a conference and there were many speakers that night. They drew numbers to see what order they would speak in. He was a young minister back then just starting out. He said when it came his time to preach, The Holy Spirit said just worship. He questioned but went ahead and did as The Holy Spirit led him. He said as he was standing up there worshipping God that all of a sudden a man that was sitting in the front row turned into a huge black bird and flew at the generator to knock out the lights. People started screaming and running out of the doors of the church and then the black bird turned into a huge snake. Pastor Philip said the snake was just laying there and not moving. I believe he said he began to pray over the snake and then it turned back into the man. The man was possessed by demons and they can cause a person they are controlling to shape shift. The man had given himself over to the demons and they had control of him and because of this, supernaturally, they could turn him into any form they wanted to use.

It is hard to wrap your mind around this type of thing because it is spiritual. Our finite minds have a hard time understanding the supernatural realm and powers. Think about Jesus and how after He resurrected He could go right through walls, like He did in the upper room (**John 20:19-20**). He went right through the wall and yet was completely in the flesh standing in the room with the disciples.

Familiars - Familiars are spirit beings (demons) that witches make a pact with. These pacts include: exchange for offerings, lending of power, protection, and companionship. Familiars are not permanently bound to their witch. You may have many familiars in your lifetime. They could also shape-shift and appear differently throughout their time with their witch.

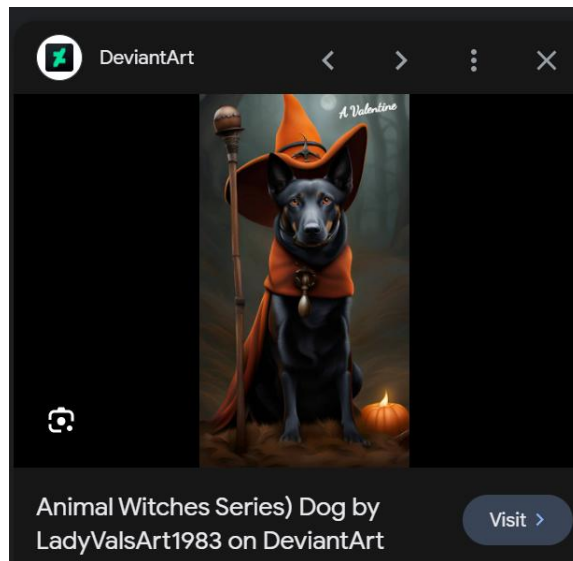

Tasks they perform: spying, companionship, protection, knowledge, aid, travel between worlds, and assisting a witch to develop their abilities.

Offerings for a familiar: energy, a foothold in our realm, spirit, milk, honey, incense and various food items.

Me: The energy that is offered is blood from a sacrifice. They get a foothold in our realm because the witch has summoned them.

Black cats get a bad wrap because of being associated with witches and superstition. If a black cat walks across your path, nothing is going to happen unless you are superstitious and if you are, then satan can cause whatever you think is going to happen, to happen. When you are superstitious, you are very reverent to demons because you are believing in satan's system of worship.

Animal witches series – dog by lady vals art on deviant art. An animal witch is a familiar spirit.

This is from a witch's blog about how to summon a familiar spirit: Keep in mind that powerful spirits will assign familiars that they have authority over. saturn (satan) rules spirits of death. "He" will not send a happy unicorn familiar to bring joy to your life. A demon, that is a fallen angel will assign a familiar to you based upon the legions they rule.

Me: Witches work with lesser demons and the high level witches, like the Rothchild's, work with demons of higher power and even with satan himself.

RITUAL SHAPE SHIFTING

*Please play from 52:17 to 55:18 and from about 1:32:34 to 1:38:18 David Icke hosts an interview with Arizona Wilder, formerly Jenifer Greene, who was programmed and trained to conduct satanic rituals by Joseph Mengele AKA "The Angel of Death" from the Nazi death camps of World War II. Listen to what she shares about attending rituals where she saw shape shifting, human sacrifice and eating of the victim and drinking their blood. STOP

She begins by speaking of loosh or adrenochrome being released into the blood and that those at the rituals crave this, they need it because they are not of this world. She talks about the person being sacrificed staring into the eyes of a reptilian and how they have a hypnotic gaze and the person is in a trance, under their power and cannot turn away. She talks about how these beings at the rituals cannot hold their human shape once blood is shed they go crazy, like animalistic behavior and they shape shift. As to who gets the blood, the fat, the flesh – it goes in order according to rank. She said the sacrifices have increased since the 1980's. She saw the royals shape shift into reptilian beings. She confirms the druids are still doing rituals of human sacrifice. She said they are mixing satanic holidays and druidic holidays in order to get the blood./ She names many U.S. politicians including presidents that she's seen at rituals and seen shape shift. George Bush Sr., Ronald Reagan and Nancy Reagan, Madelaine Albright, Henry Kissenger, Hillary Clinton. Shape shift into reptilians – all that she mentioned except for Hillary. George Bush's sons (2) were there: Jeb & George Jr. Also, J. Rockefeller, who shape shifts. Newt Gingrich. Knowing all of these people are at the rituals, she stopped voting. Gerald Ford was there and she has seen

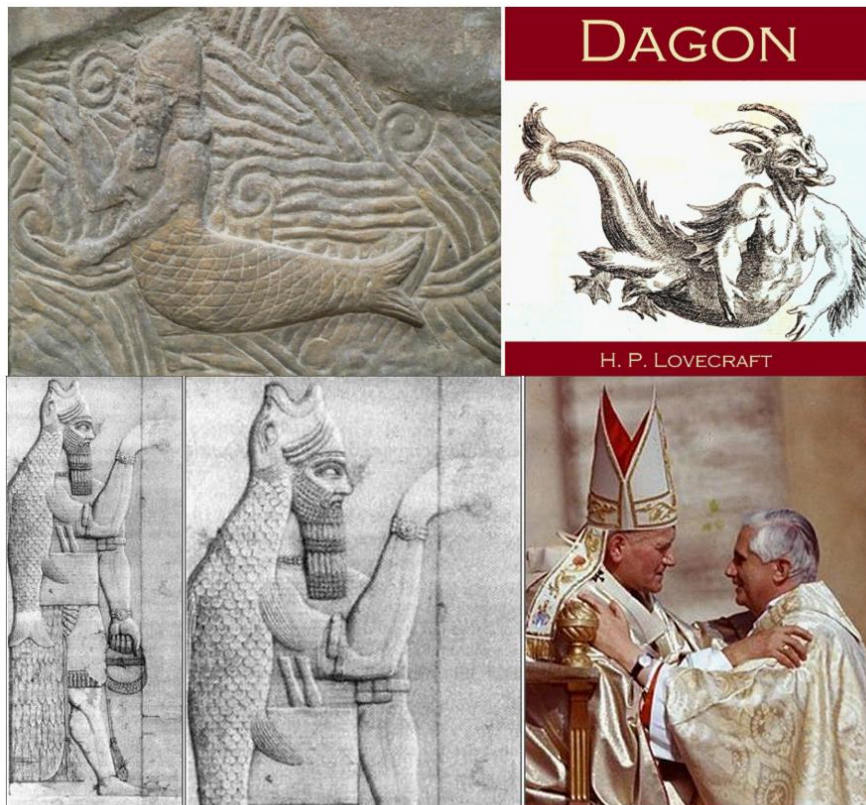

him shape shift. She did not see Carter shape shift but has seen him at rituals. Lyndon Johnson and Dr. Joseph Mengele – he shape shifted. She has seen people in Europe shape shift and be involved in the rituals. She has seen the Queen Mother there and the Queen, Princess Margaret there and Charles and they all shape shift. The president in France after DeGual – was there. She has seen the Rothschilds there. Baron Guy de Rothschild has been to all the rituals and does shape shift. In this country he goes by Dr. Barrington. The Marqui de Liberaux and Tony Blair, Tony Blair shape shifts. Prince Phillip was there and shape shifts. They are all cold blooded and would kill at the drop of the hat.* (about 9 min's)

We certainly still have the druid witches among us today doing such horrific and ungodly things. They are so filled with demons. I believe some are in cloned bodies that are just used as containers for the purposes of housing the demon, giving it a body to use to do wickedness in this realm. They look for bodies they can use that will shape shift, that sounds like luciferian bloodline families, those that have not broken the curses that are on their family line. They are in deep sin against God and so they make an appropriate house for them.

If you listen to her full testimony you will hear her speak of the royals shape shifting at rituals. They wear loose robes at the rituals and she believes it is because their clothes would be shredded otherwise. What she describes sounds like a big lizard type of animal. That's called a reptilian. They do walk among us. Fiona Barnett spoke of being involved in many rituals and mk ultra training involving dagon, the god of the philistines, of the romans, of the Roman Catholic church, of the U.S. military and the Australian military. Dagon can manifest as a reptilian or as an amphibian.

Our military has been working with the fallen angels in reptilian form for quite a while. Go back and listen to The Montauk teaching series I did. We are about to re-release The Cloning teachings and I speak about the reptilians in that one too.

Top L: This is dagon as a man-fish amphibian. Top R: Another rendition of dagon by H.P. Lovecraft. That one looks like a mix of baphomet and a fish. They are both satan. Btm L: Ancient depiction of a priest of dagon and Btm R: Modern day priest of dagon wearing the same fish mitre.

When the Philistines had captured the ark of God, they put it in their god, dagon's temple. God kept knocking him over and broke him in pieces and then God started causing the Philistines to have tumors. They said that His hand was sore upon them and upon dagon, their god. **(1 Samuel 5)**

Arizona spoke of loosh or adronochrome, many have spoken out about that and I have covered that too. She confirmed what Ted Gunderson, former FBI chief of the Los Angeles division, spoke about when he shared the testimony of the woodsman who stopped a ritual. He saved the girl who was going to be sacrificed and she had said that she could not turn away from gazing into the eyes of the man with the snake eyes. Think about the reptilians, snake eyes makes sense.

The powerful trance reminds me of when I had a presence come into my room, and I could not move, but I could still think to myself Jesus saves. The demons are fallen angels and they do have supernatural powers. The illuminati murdered Ted Gunderson because he stumbled onto the satanic corruption at the highest levels of government. This stuff goes all the way to the top.

She is not the only one naming names, Ted Gunderson, Cathy O'Brian, Brice Taylor, Fiona Barnett, Donald Marshall, Phil Sneider, William Cooper and John Todd have all spoken out about those in high level positions of power being involved in rituals, cloning, MK Ultra, witchcraft etc. And they are not the only ones. When are we going to pay attention and listen to what these people have been telling us even risking their lives to speak truth.

Pastor Erustus has shared many things about witchcraft over the years and how they try to fight against us:

They use demonized objects, food, clothes, gifts, money, chanting, dead people's familiar spirits etc. to attack, destroy, kill or impart spirits in others. They are after destroying strong churches, ministers, Christians, families etc. But all in all they can't overcome a true believer who is always prayerful and fasts, looks into God's word always, bold not fearful, full of faith, lives a holy life, covers his life and all things with Jesus' blood, walks with his or her spouse in unity and is a giver on his income (God destroys the devourer on one's finances) and filled by The Holy Spirit always.

I have given you the definition of samhain/halloween – worship of the lord of the dead, and it is his most powerful feast day and time of the year. God tells His children to abstain from all appearance of evil. To me, it is very clear that

Christians have no business participating in halloween or fall festival. God did not have to tell me twice!

The druids are still affecting us today. We have modern day druids, witches in positions of power all around this world. You just heard many of their names. satan is the god of this world, they serve him and they are in position already just waiting for the tribulation to begin. They are waiting for the time when the antichrist is empowered fully by satan and begins to rule over this natural world.

They hold their high level rituals in worship of satan, they still make their sacrifices today. The luciferians are a huge network and they do what they do under cover of darkness. In addition to the high level rituals that go on, there are also local covens all around us, all around this world doing the same things but on lower levels. The low level witches still make sacrifices and do sexual perversion and worship satan at this time of year too. So sacrifices are happening on a major scale and it goes all the way to the top.

*Please play from 32:27 to 34:17 This clip is from a documentary by a Hollywood stuntman, Mike Smith. Listen to what he shares about the meaning of Hollywood and druids and how the witches use tv against us. STOP

He explains how Hollywood was named after druid witchcraft practices. They used to make their wands out of the holly tree. They would channel their spells and curses out onto the people. Today they use the tele – a – vision (television) to channel their spells and curses and to program our minds. We have been being conditioned through the use of the television for as long as we've been alive. We have not questioned anything that they say or show us on the tv.* (about 2 min's)

<https://www.youtube.com/watch?v=kaKNI5TTsAo>

I encourage you to watch that full documentary, entitled "Out of Shadows." The link is in the info. box and on my sermon notes. I believe Mike Smith is a shill but he is showing us deep truth. I give God glory because He is making the truth known to His children.

Luke 8:17 - For nothing is secret, that shall not be made manifest; neither *any thing* hid, that shall not be known and come abroad.

God will make all secret things known right out in the open.

The druids used wands made from the holly tree, so...Hollywood is derived from witchcraft. All those people on tv and the movies, singing on the radio etc. are witches. Satan is the god of this world and he has a huge following. **(2 Cor.4:4)** Do not be mesmerized by them or idolize them, they serve a different master.

Eph.5:11-13 - And have no fellowship with the unfruitful works of darkness, but rather reprove *them*. For it is a shame even to speak of those things which are done of them in secret. But all things that are reproved are made manifest by the light: for whatsoever doth make manifest is light.

We are not to be participating in the wicked works of darkness but instead we are to expose them for what they are. The church has fallen down on the job and mostly doesn't seem to be exposing anything anymore. Some ignorantly say we are not supposed to talk about their wicked deeds but that is wrong interpretation of Scripture. Satan loves it when we are ignorant of God's Word. Notice, Scripture tells us they are doing these things in secret. They are still doing their devil worship underground, under cover of darkness as much as possible. They are not right out in the public eye with their rituals. I praise God for those who have spoken out and shared testimony about what they do so we can know the truth.

CLOSING

2 Cor.2:11 - Lest Satan should get an advantage of us: for we are not ignorant of his devices.

Just ahead of this verse Apostle Paul was speaking of forgiveness. So that the church was in agreement about whose sins were remitted and they could be welcomed back into the church. He then says the verse that I just read. We don't want God's forgiveness to be withheld from us if we don't forgive others personally, and additionally this applies to the church to welcome back to the flock those that have repented and changed their ways.

Furthermore, we are not to be ignorant of how Satan and the fallen angels work against us. How they work through witchcraft and through those that serve Satan and his agenda. Satan still has druids serving him today, they never went away, they have just gone underground and tried to cloak their practices from us. They practice black magic, they summon demons, they make human and animal sacrifices, they drink blood and do all sorts of perverseness against God. The ones who have the most power do shape shift. They are demonically empowered.

I praise God that He has given me the boldness to expose the evil works of darkness and enlighten those that He draws to this ministry! Share these sermons to help wake your family and friends up too.
