

SATAN'S HIGH HOLY FEAST DAY Pt.6: HALLOWEEN, SAMHAIN, WITCHES, DRUIDS, JOHN TODD, ILLUMINATI

I'm going to start us off with a video first thing today. This is from the interview of Arizona Wilder by David Icke which I shared part of with you last week. Remember Halloween or Samhain came to us from the druids who are witches and they are still here practicing their witchcraft and worship of satan today. Listen to what Arizona shares about Halloween, the druidic witches and their satanic rituals.

*Please play from 1:22:09 to 1:27:16 Arizona Wilder being interviewed by David Icke. She shares about Halloween and druidic satanic rituals. STOP

David Icke asks how many rituals go on in the year. She said there are things happening every month of the year. She said rituals happen every full moon, and the important rituals are the winter solstice and the summer solstice and she mentioned the witches wheel of life – all the pagan feasts. Said there is a whole week leading up to Halloween/ Samhain and it is called grand climax. He mentioned that Halloween has become a huge celebration sort of like a mini Christmas. He asked what really happens at Halloween. She said that away from the public arena there's a ritual that's taking place in 6 different locations in this country for the councils of 13. The area she's in, it takes place at Eastside Christian Church on 7th and Temple St. in Long Beach. It is for the high council of 13. In this country on that night (Halloween) it is a satanic ritual. Halloween is about the worship and homage to satan. This is about the devil – satan. There is a lot of blood shed and there are a lot of sacrifices made to satan. There is a person who plays the part of satan in this high council. He is a televangelist on TBN, he used to be a lead singer on Iron Butterfly many years ago. She said being a televangelist is his cover or he is DID (dissociative identity disorder). Halloween is becoming so popular but it is also to desensitize people to the whole thing. She said even this backlash Christian movement that wants to call it harvest festival

does not realize that the harvest festival has to do with druidic religion. So they are still doing the same thing, in celebrating the harvest festival. It is the same thing. These are druidic festivals. The harvest festivals or fall festivals are just mimicking the druidic rituals. They are “unknowingly” mimicking satanic rituals. *(about 5 min’s)

The rituals that these 6 druidic councils of 13 perform are human sacrifice. These rituals include drinking the blood of the victim, eating their bodies, sexual perversion etc. This is what happens during the Halloween season. This is what Halloween really means – worship of satan, worship of the dead. People are being murdered and those who are doing it are the world leaders and those in high positions of power.

I have been telling you that the televangelists are witches, freemasons, illuminati. They serve on satan’s altar. Listen to what she shared about the televangelist who used to be a lead singer for Iron Butterfly. She said being a televangelist was his cover or he is D.I.D. – dissociative identity disorder. If he is D.I.D. he probably doesn’t even realize how he is being used. Remember the luciferians have used MK Ultra to program televangelists to believe they are saved while they have other alters inside that serve satan. The lucifereians have “end time programming,” “Messiah,” programming etc. satan has an army of mind controlled slaves that he is already using to deceive this world away from Jesus. I covered mind control and Mk Ultra in a teaching series entitled “Mind Control / MK Ultra Monarch” back in 2015, unfortunately Scott has not been able to reupload those older sermons yet.

I praise God for the things she shared and that she is someone else saying for those with ears to hear, that harvest festival or fall festival is still participation in druidic rituals.

*Please play from 10:05 to 13:11 John Collins aka John Todd was a former high priest of satan’s and he sat on the council of 13 – at the top of lucifer’s

organization. He got saved and he began to expose how satan was working in this world through the witches that serve him. Listen to what he shares. STOP

He was being promoted up in lucifer's organization and was being trained by Dr. Raymond Buckland, who was the head of the anthropology dept. at Columbia University at one time. He was hand picked by the Rothschild's to lead the illuminati for them. John shares about being trained under, Raymond Buckland, the inventor of Christian witchcraft, taking his place on the council of 13 and that the witchcraft of the Illuminati goes all the way to the top – to Washington, D.C. – to the government. He said he was initiated into the council of 13 in Colorado Springs and it was Senator George McGovern who was the leader of the ceremony that night which was human sacrifice. He talked about how he was the grand druid in charge of 13 states. He said he was over about 65,000 initiated witches and wizards that is priests and priestesses and that is just the staff of satan's church in those 13 states. That doesn't count the congregation. He said California has one grand druid over the whole state because there's that many witches in California. It is the most populated area in the world for witchcraft.*(about 3 min's)

John was born into witchcraft, into a generational bloodline luciferian family. He thought he was already as powerful and as high as a witch could go until they connected him with this Raymond Buckland. Notice he told him that's just what they tell the lower level witches but that there was more power and higher levels. That is exactly what the freemasons do. The low level freemasons are used as pawns and decoys to lend credibility to the organization although they don't even know the truth of what goes on at the higher levels. Which are the very things John was talking about.

Raymond Buckland had credentials according to worldly standards, the head of the anthropology dept. of Columbia University at one time. John called him the inventor of "Christian witchcraft." The luciferians are in high positions of power. They have come up with all sorts of ways to get witchcraft into the church, and they are succeeding by the way. There are very few real and true, pure churches left in this world. Most churches have witches standing right at the pulpit presiding over the churches. All televangelists are witches.

Here is Senator George McGovern on the right, who led the ritual that night in Colorado Springs, and handed John Todd the ceremonial knife the night he was being initiated into the Grand Druid Council of 13. This man was a longtime senator and even ran for president in 1972. John called them the board of directors, these high level witches. These government officials and leaders serve on satan's altar and they are the modern day druids. The ritual was human sacrifice. The more wickedness they do the more power they are given. This man ran for president, he was promoted up the line for his wickedness. To quote John Todd, "Washington isn't bad as you thought it was, it's worse."

Notice how John was explaining satan's organization of witches. He was the grand druid over 13 states and that was 65,000 initiated witches and wizards not counting the congregation. But California had one grand druid over them because there are so many witches there. Why? Hollywood is there. Everyone in Hollywood, the movies and television is a witch. They are concentrated there.

I wanted you to hear what he was saying because he is plainly speaking of druids, they were satan's ministers thousands of years ago and still are today.

Here is one depiction of satan's power structure pyramid. I have seen many of these pyramids in my research over the years and they are all ordered differently. I'm going to show you some that I believe are basically in agreement and line up with several testimonies I have heard over the years. This one says in the Illuminati there are 5 levels of power. The illuminati consists of witches, freemasons, Jesuits, those at the top levels of the secret societies and occultists. All of these labels ultimately are servants of satan and you can just call them witches. They all take initiations.

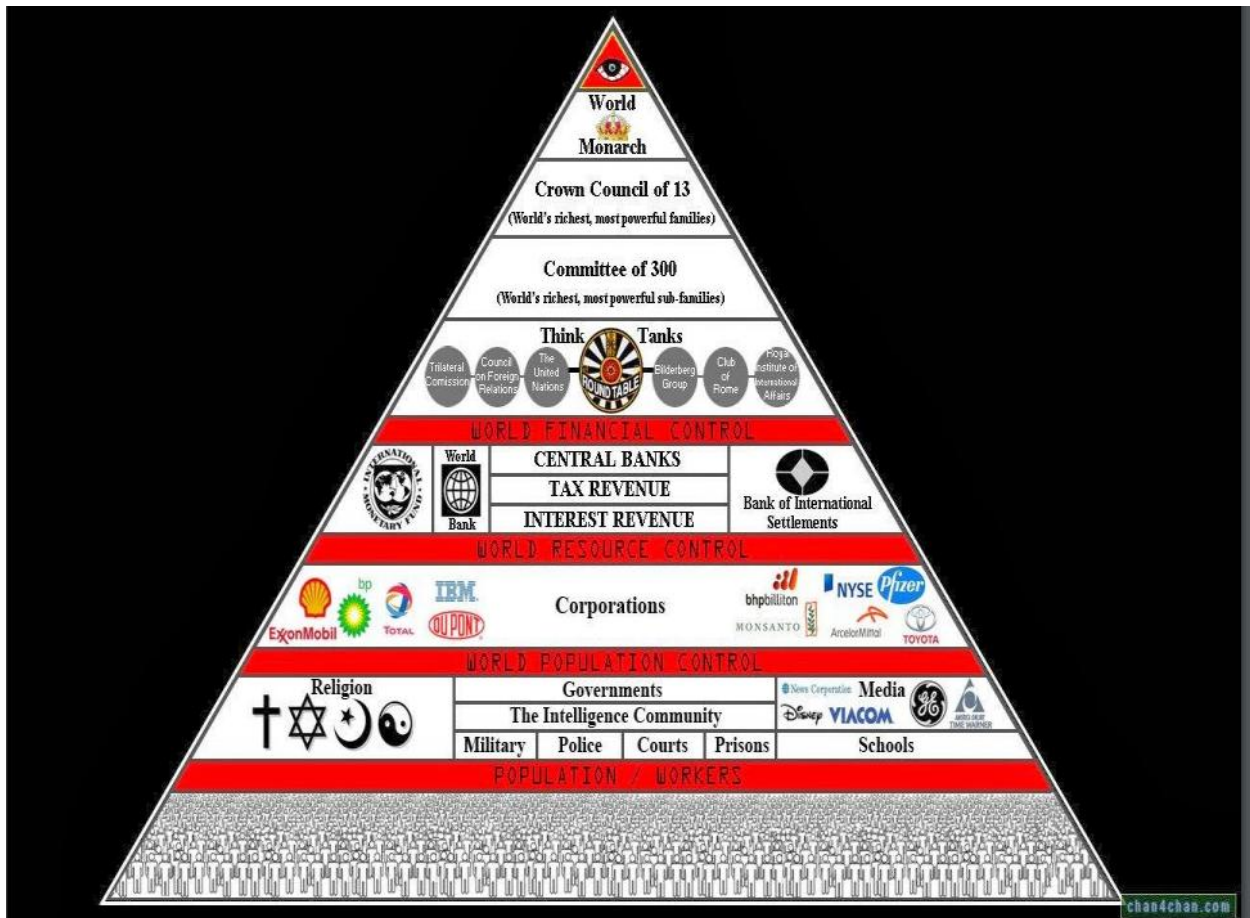

At the bottom is novice and minerval and they are the first two levels for children and new members. Above them is the council of 500 which is comprised of the most powerful people in the world. The grand druid council oversees the council of 500 and is made up of 16 members (2 for each discipline). Ruling over the entire illuminati and thusly the world, is the tribunal, or the ruling family and that is the Rothchild's.

Global Power Hierarchy

Eyes Wide Open

Lucifer (All-Seeing Eye of Horus)	pg. 165
Rothschilds	
Council of 13 (Grande Druid Council)	
Council of 33 (33 highest ranked Freemasons)	
Council of 500 (500 richest individuals)	
The Hermetic Order of the Golden Dawn (Rothschilds' international organisation of witchcraft)	

This is the power structure according to Fiona Barnett who is a survivor of MK Ultra mind control and satanic ritual abuse. She has done so much to wake people up about the wickedness that is going on right under our noses. In her book *Eyes Wide Open* on page 165 she lists the global power hierarchy. You can visualize this in pyramid form. At the top is Lucifer (all-seeing eye of horus), then the Rothschilds, next is the Council of 13 which is the (grande druid council), after that there is the council of 33 (33 highest ranked freemasons). When we think of the 33rd degree of freemasonry, you might as well think of this group – the most wicked of them at the top levels. Following them is the Council of 500 (500 richest individuals). They publish their lists like Fortune 500 for companies or Forbes 10 richest people in the world etc. Do you know that is just fabricated. The Rothchilds and those behind the scenes are not on those lists. Last of all is The Hermetic Order of the Golden Dawn (Rothchild's international organization of witchcraft). This matches with what we just heard from John Todd.

Take a look at this Illuminati pyramid. You can call it satan’s pyramid, the freemason pyramid, the witches pyramid etc. They all serve lucifer and the fallen angels. This goes back to Egypt and the mystery religions where black magic was practiced, where human sacrifice was made in worship to lucifer. In Egypt, one of lucifer’s major names was “amen.” I did a teaching series entitled “amen,” if you haven’t listened to that one it will help to wake you up about what that word really means.

The eye of lucifer is at the top, just like the pyramid on the U.S. one dollar bill. Next is world monarch, the Rothchild’s, ruling from behind the scenes for lucifer. Next is the crown council of 13 (world’s most richest, most powerful families). That is the same as the grand druid council of 13. That is the level that John Collins aka John Todd was at. He was born into his position of power as a witch. He was one of the 13 illuminati bloodline families. He shared powerful information before they framed him and took him out. What he shared about the council of 13 matches what Arizona was sharing except she shared further that there are 6 councils of 13. Their testimonies match up.

The druids, that is witches, are still here, still practicing black magic against this world, still making human sacrifices and worshipping satan just as powerfully today as they ever did.

This whole pagan feast is in honor of satan and is founded on witchcraft. It was brought to us by druids who are witches. We think witches look like this...

but really they look more like this. These people right here were and are witches. L: Billy Graham, mega pastor for satan's glory M: Senator McGovern R: Queen Elizabeth and her son now King Charles. This is what our modern day druids and witches look like. I have heard testimonies from different sources of every single one of these people being at rituals. Billy Graham raped Fiona Barnett when she

was 5 years old at Bohemian Grove. Arizona Wilder talked about the queen and her son, the royals, shape shifting at the rituals because they got so excited at the smell of blood. These people lived their lives full of demons and since Charles is still alive, he is still full of demons and empowered by them. I could have had a picture of the Rothchilds or everyone in Hollywood up here because they are witches as well and full of demons also.

Those in high level positions of power around this world are witches. They attend the rituals, they make the sacrifices, they have bowed the knee to satan and they worship him on his terms. satan's fallen angels are running this world already through people who worship satan and cloned bodies. They use people who willingly invite them in and they used cloned bodies as vessels to move about in and do wickedness in this realm. They are just waiting for the antichrist to come to power so satan can enter him and possess him and rule the world through him.

Exodus 22:18 - Thou shalt not suffer a witch to live.

God has not changed His mind about witches. We are under grace now and we don't go around killing them but we are certainly not to embrace their practices or stand in approval of what they do.

We should be so obedient to God and His Word that we would not even dare to buy anything with the image of a witch on it or post something on social media that makes witchcraft seem innocent or fun. We should hate sin the way God does and avoid it at all cost.

L: Eye of potato, ear of corn, head of lettuce... vegan witches. R: I'm a good witch, most of the time. Do you know as Christians we should not be posting things like this on our social media or have anything to do with this. Satan loves to sugar coat evil and make it appear funny or harmless or cute but it's not. The underlying truth about witches is what I've been exposing throughout this sermon series. It goes back to them making sacrifices to please their god, Satan, so that they can receive more demonic power.

I smell children. This was a line from the movie "Hocus Pocus," about witchcraft. For those with eyes to see, this goes to the heart of the matter, child sacrifice made to Baal who is Satan, who is Samhain which is Halloween.

We have to realize TV and the movies are Satan's platform, it is the biggest way he is conditioning us to accept evil just believing it is only entertainment when in reality he is showing us truth.

2 Cor. 6:16-18 - And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in *them*; and I will be their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean *thing*; and I will receive you, and will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

[New Living Translation](#)

Therefore, come out from among unbelievers, and separate yourselves from them, says the LORD. Don't touch their filthy things, and I will welcome you.

Witchcraft is idolatry. Halloween came from the witches in worship of satan. Witches seek to higher powers but they are not seeking Christ Jesus and certainly they are not filled with The Holy Spirit but they are filled with evil spirits.

If you want to hear God's voice and be closer with Him, you have to forsake these things. You have to desire to live a righteous life no matter the cost, the ridicule and being ostracized.

1 John 3:8 - He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil.

When people keep on sinning, keep living sinful lives, it shows that they belong to the devil. Jesus came to destroy the works of darkness and to set us free in every way.

CLOSING

I will leave you with this next verse of Scripture about what Jesus did for us at the cross:

Col.2:15 – *And* having spoiled principalities and powers, He made a shew of them openly, triumphing over them in it.

[New Living Translation](#)

In this way, He disarmed the spiritual rulers and authorities. He shamed them publicly by His victory over them on the cross.

Jesus defeated death, hell and the grave. He defeated satan and the fallen angels. Those of us who love Him share in His victory. He didn't go through all that He suffered for us, to then have us go and embrace and celebrate death, evil spirits, satan, witches and witchcraft. Jesus is calling you out of Halloween. Do you love Him enough to forsake it?
