

# CLONING & TORTURING EXPOSED – Part One

I was led to this message a while back but was not sure how to present it. When I listened to the cry for help I was able to pick out so many things that were true. Since that time so many messages are tied together if you

can pick up on the threads that are connecting them.

Today I'm going to be exposing many things shared by a young man named Donald Marshall. It will remind us of several movies the Illuminati have produced, like "Inception." The things he said sound bizarre, but I know that he was speaking enough truth to call my attention to what he was saying. Many times if we hear something that sounds crazy we dismiss it entirely. But with the messages that God has been having me reveal, I knew this was something I could not ignore.

Remember that movie “Inception” with Leonardo DiCaprio. They were dreaming but the things they were dreaming were also taking place in reality.

In his mind he would wander back to a time when he was with his wife.

Since the message I gave when I shared Dr. Beter’s information on cloning and robotoids and synthetics, we are not surprised to hear these terms any more. Cloning has since been mentioned nonchalantly by Al Bielek who was involved in the Montauk experiments, Former wife of Colonel George Griggs, Kay Griggs and now we are going to hear much more from the testimony of Donald Marshall.

Donald Marshall

He is catholic and he said he smokes a joint now and then. So no, he is not walking intimately with Jesus, at least not at the time these videos were made.

Donald is very courageous in putting his life on the line so that the world can know what has been happening right under our noses and do something about it.

There are D.U.M.B.S. all around the world. (Deep Underground Military Bases).

DUMBS in the U.S. are connected by tunnels and have trains that can travel at mach 1 speed.

People going to work and traveling in them just like normal.

There are many different things going on in these bases. One thing we learned already that was happening at a base like this was the Montauk experiments. Donald shared that these bases have many different floors and there are different things going on, on each floor. For example the military base that he is taken to has a floor that the military does not have access to. This floor is dedicated to cloning and clones. Donald calls it the cloning station. He said there is one floor that is just for gene splicing.

We have 10's of thousands of chimeras (A chimera is a single organism composed of genetically distinct cells. This can result in male and female organs, two blood types, or subtle variations in form. Animal chimeras are produced by the merger of multiple fertilized eggs) on earth right now. This picture is from the movie "Splice" where scientists created a part human part creature. This is already happening all over our world. Donald said on the gene splicing floor they are making "weapons for war." Strange animals and things that can be used in war.

**Gen.1:24-25** – And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so. And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that it was good.

## **ENOCK**

**7:4-6** So the giants (nephilim – produced from Gen. 6:4) turned against the people in order to eat them. 7:5 And they began to sin against birds, wild beasts, reptiles, and fish. And their flesh was devoured the one by the other, and they drank blood. 7:6 And then the earth brought an accusation against the oppressors.

**Gen. 6:12** – And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

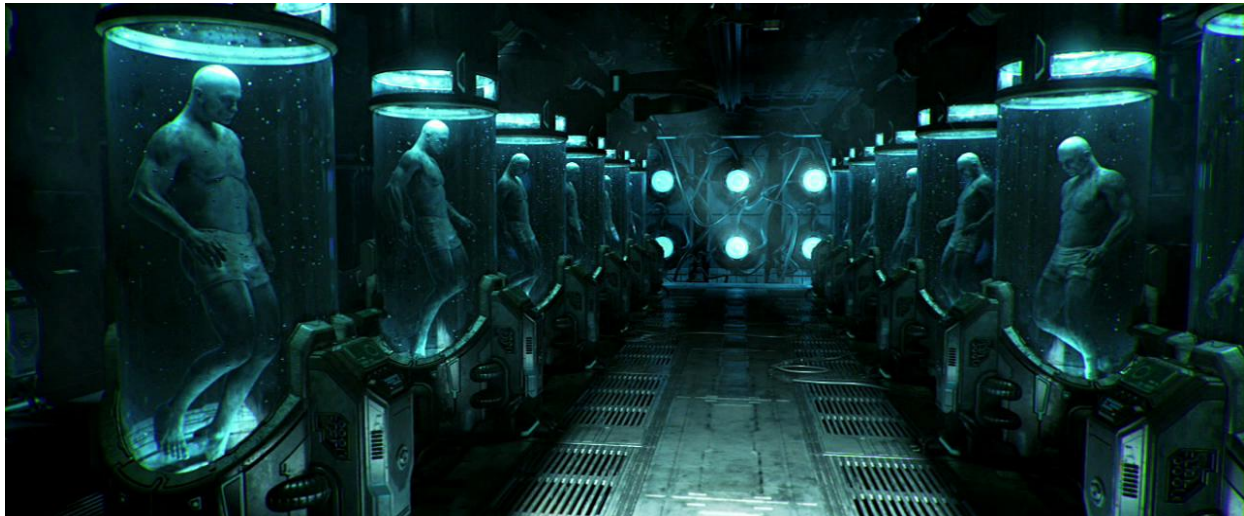

**Matt.24:37** – But as the days of Noah were, so shall also the coming of the Son of man be.

Here we are again, mixing animal with human, mixing nephilim or demons with humans – military going along with this.

He talks about 4 types of clones:

1. Replication cloning – take cells and make a baby that’s exactly the same as a person that already exists.

2. Duplication cloning – they put you in a big tank filled with water and grow the clones in tanks. Donald said they can grow clones in 5 months in salty water and there is no cost at all, just maintenance moving to larger tanks as they grow. Duplication clones can’t walk around in public without a handler. They have to be babysat. They go with the first impulse , they might start a fire, or bite someone in the face.

“Star Wars” clones of Galen Marek --see the tanks & what the “elite” have been showing us in the movies all along??.....

The "Matrix" cloning pods

**Psalm 139:13-14** – For Thou hast possessed my reins: Thou has covered me in my mother's womb. I will praise Thee; for I am fearfully and wonderfully made: marvelous are Thy works and that my soul knoweth right well.

These were not made in any womb. Not made by God at all.

Agent Smith from “The Matrix” – reminds me of the military. You know they have done this.

He spoke about:

Mark 1 clones which are organic robotoids and they are so primitive that they don't use them anymore.

Mark 2 clones are REM (rapid eye movement) sleep driven clones. You have to go to sleep for this clone to operate. These are grown in 5 mos. In a tank of salty water, a fully grown person.

Mark 3 clones – run around all the time clone. No REM (rapid eye movement) sleep needed to use this clone. It can be conscious or it can be in duality, where the person concentrates to “drive it.” These clones don't do so good.

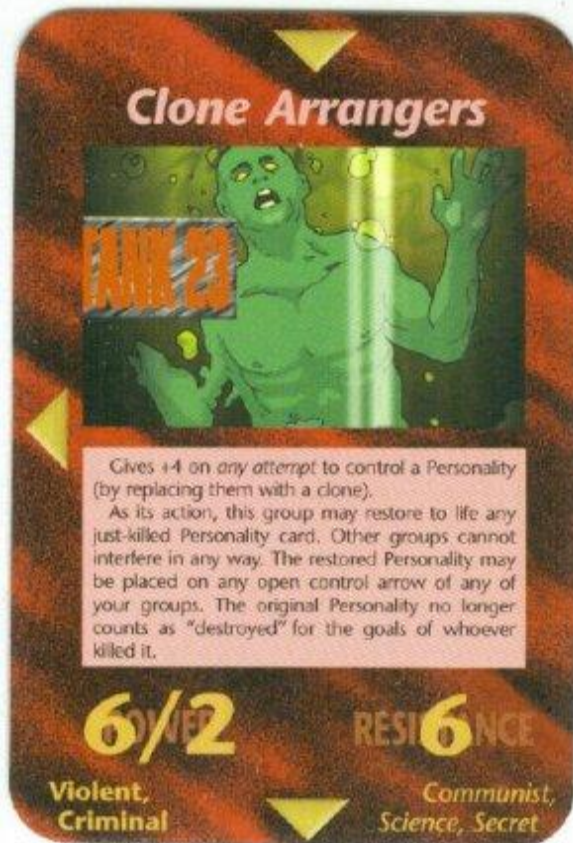

Mark 4 clones – All he said about these are that Hillary Clinton got caught in her mark 4 clone on purpose. They – “the elite/illuminati” got mad at her for this.

They used to use tissue to make clones like from a woman’s pap smear or from discarded foreskin at the hospital, etc.

But now they have a newer technology and all they need is some blood. They have figured out how to put consciousness in the clone too.

Just in case we think this is just crazy talk, here are the illuminati cards on clones that have been out for years.

The original game in the 80's didn't have cards. The cards were added in 95'-96'.

This is a newer clone card that was probably added later. They have Y2K card sets and Assassin card sets.

Bohemian Grove

He said the elite don't call you on the phone or meet at Bohemian Grove anymore. That is probably because so many people know about it now. Their main form of communication is when you go to sleep, you meet at the cloning station. The people that work at the cloning station can transfer your consciousness into a clone of you at the station.

Donald's mother was made to be part of this when she was a child. She was a sex slave and so when she had Donald, she did the same thing to him. She gave him to them – the elite – at the cloning center for free. His dad is dead, he died in 2010 and he was not part of this. \*\*Remember Cathy O'Brien and Taylor Brice, who were victims of MK Ultra mind control and they got them pregnant just so they could take their babies away and abuse them and raise them up under mind control and use them for spies, to transfer information, to run drugs, sex, whatever they wanted and then just kill them when they didn't need them any longer.\*\* They first brought him to the cloning station when he was five years old. They told him he was in the church of the lost lamb. They tell different people different things: you are on the astral plain, you are in the 5<sup>th</sup> dimension,

you are in the spirit realm, etc. They were suppressing his memory and he had no recollection of any of this at the time. When he was about 30 years old they gave him back his memory and they call this “awakening.” Once they activate you to your awakening they can’t keep the memory from you anymore. You remember it as normal.

He wanted to go to the cops, but they are the cops too.

G-20 countries go there and other countries too.

The leadership of Japan is there. No Greece leadership there, and nothing about Indonesia is there. He said maybe they brought them there when they were memory repressed and they said we don’t want any part of this.

He talked about how many of the stars and singers today really want out of this. They are stuck, or feel trapped in it. Many of their songs and videos drop hints and clues about what is going on but most don’t catch it. Britney Spears made a video animation about blowing up a cloning station “Break the Ice,” it shows her fighting back and destroying a cloning station. I have also seen a video of her fighting her clone.

He said he lives for revenge. He was fighting back and they told him we can clone you after death and torture you into the next century. But he found out they need the REM from the main person in order to torture you through a clone.

**Romans 12:18-19** – If it be possible, as much as lieth in you, live peaceable with all men. Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is Mine; I will repay, saith the Lord.

Britney was in the Hollywood industry at a very young age.

She auditioned for the Mickey Mouse Club when she was 8 years old. She didn't get on the show but was sent to Performance school in NY for 3 years. She did get on Star Search and then later made it onto the Mickey Mouse Club. Donald said Britney was brought to the cloning station during the Mickey Mouse Club. After Britney got famous she didn't want to go there anymore but they said to bad we own you. She didn't want to do tv anymore but they threatened to kill her.

Britney sold use of her clone. Old men, clones and real people wanted to use her for sex.

I just spoke about the Corey's, Haim and Feldman who were surrounded by a group of powerful and connected men in Hollywood who were pedophiles and were raping them. With what we have learned about mind control and all the entertainment industry who are under MK Ultra, we should not be surprised. What she did in selling access to her clone is not right, but I feel like this industry got it's teeth into her at such a young age that it has shaped much of what she has done. God has seen all, and He will judge justly.

**Prov.6:16 & 18** – These six things doth the LORD hate: yea, seven are an abomination unto Him: An heart that deviseth wicked imaginations, feet that be swift in running to mischief.

**Rev.22:11-12** – He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still. **And, behold, I come quickly; and My reward is with Me, to give every man according as his work shall be.**

Donald tried to act loyal to them and be compliant. He said they give sodium pentothal to your clone to see if you will talk or tell on them and what they are

doing. They can scan your head and see if you are deceptive. They only unrepress you if you are loyal. If you aren't compliant they will beat your clone. When your clone gets beaten or hurt, it hurts just like real life. He would feel what was happening to the clone in real life. They – “the elite” can turn the pain up by remote control. They can just keep cloning you and torturing you. People are scared to talk about it because of being beaten and because of the lizard aspect which we will get to in a minute. They were going to just leave him memory repressed so he wouldn't remember.

He said if the clones grown in the tanks come out with deformities, they just throw those into a “chipper.” They keep extra clones so that they can use them when one wears out. If they wear out a clone via sex or it is injured from the games they like to play with them, then they will just scrap that one and get the next one out. They can kill you – the real person – remotely. All they have to do is apply an electric current to your clone and you will have an aneurism or a stroke or heart attack or brain bleed. People are being cloned for sex and torture. They can put a chip in a clone's head and implant sound like visualizations better than computer graphics.

Some people wake up and they don't know what has happened to them. Depending on who you are, they might tell you that you are in the spirit realm. Or that you are in a dream, etc.

They have “clone parties.” They get school pictures from all over the U.S. and get medical records and then clone the kids that they want and use them for sex slaves.

Queen Elizabeth and Vladimir Putin run the cloning station that he is taken to.

Queen Elizabeth II

Queen Elizabeth is a dame of Malta (Knights of Malta) & Order of the Garter is the core of the Committee Of 300 (aka Olympians). Queen Elizabeth II is the leader of this organization.

Vladmir Putin – he's a freemason

There are warehouses underground growing people. They stack the clones five high on racks.

You better believe they have been cloning the military. They are some of the first ones that they try their little experiments on.

They take people to the cloning center and enslave them. People sit around and watch you get tortured. Celebrities, kings and queens watch clones fight. They can turn off the “pain sensors” of the clone so that they can cut, stab and kill each other. Just like gladiators fighting in the arena.

Only the arena they are fighting in is inside and sort of like a hockey rink with seats all around.

To move you from one clone to the next they just take the chip out and you go black. When you are cloned, you don't dream anymore. They only keep you if you are used for something. Good looking for sex or have some kind of talent or something. They used Donald to write songs. They called him a “diddle kid.” He

would just come up with songs and pop stars would use them. Eventually they began to threaten him, come up with a song or we'll torture you.

Lizards have been around since before ancient Egypt. They are here in our world and society. They have been living deep under the ground. Some people have them as pets, like Queen Elizabeth. They do not shape shift.

The eye of horus is a pro lizard symbol and also means beware there's lizards here.

They are all carnivorous and they are called vril.

Vril type 1 – they are about half a foot to a foot tall and have red scales. They like goat and human blood, preferably child blood.

The thing sticking out of the head is called a proboscis, the eye stalks are gone and the tail was added and its scales are missing.

Vril type 2 – are not parasitic, but are vicious, this type went underground.

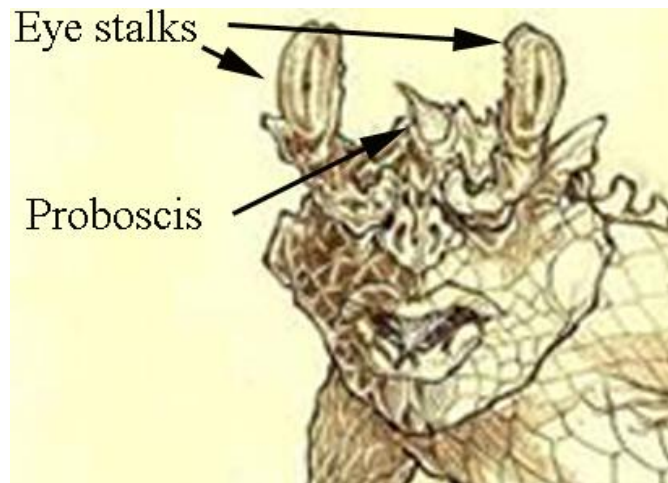

From Astral Light's Website

Vril type 3 – 8 ft tall and looks like a grey alien, they have long necks. Type 3 are the biggest and smartest. They have stripes on their back. They get shorter as they grow older, maybe their necks shrink. If they can't get anything else to eat, the lizards will eat each other.

Vril – there is a kind in the middle east that are black and covered in scales.

They come from deep, deep, deep under the ground, they need methane oxygen mix to breathe. The government is complicit with them. ((We have seen this from the Montauk Project and Area 51 and even Hitler.)) The government and the illuminati use them.

They have a demonic possession ceremony.

The lizards have a proboscis on top of their head and they eject their brain out of the back of their head through this proboscis. When this happens it is called droning. The lizard's old body dies and now it takes over the human body that it is inhabiting. It is a parasite and it takes over the human, the human is now just a host and is no longer alive at all. No memories, no thoughts, no consciousness nothing of the human remains except the shell – the body. The lizard mimics human behavior. The lizards can talk but they don't have a tongue. When the lizard ejects its proboscis if it doesn't have a body to go into then it dies. During this ceremony, the guys that are droned already, hold down the person who is about to be droned, and make sure that the proboscis goes into the person. The elite are just sitting there watching this like a show.

**Prov.31:8** – Open thy mouth for the dumb (those that have no voice) in the cause of all such as are appointed to destruction.

The elite let the lizards sit on their laps and watch the show. As a clone, you can do this, otherwise if you did this in real life you would get something like foot in

mouth disease, warts, you would get sick. But it doesn't matter to a clone because they are just recycled anyway.

The elite have been erasing carvings and getting rid of books that show any traces of the lizards. These lizards were written about in hieroglyphics but they (the elite) chiseled them off to destroy evidence. They said it was worn away by time. They are protecting them. Some are scared to be found complacent and be executed. Like Queen Elizabeth, she carries a cyanide pill on her because she is scared to get lynched in the street and others carry this pill also. Some are helping out of fear and some are helping out of just being evil.

**Matt.10:28** – And fear not them which kill the body, but are not able to kill the soul: but rather fear Him which is able to destroy both soul and body in hell.

**Isaiah 13:11** – And I will punish the world for their evil, and the wicked for their iniquity, and I will cause the arrogancy of the proud to cease, and will lay low the haughtiness of the terrible.

The lizards are killing people. The drones don't outnumber humans, but there are a lot of them in high places.

The illuminati are scared to go against the lizards. They believe helping the lizards gives you good luck with lucifer. If you kill your firstborn son this gives you fortune in life, it is true and they know it. satan is always copying God but in an evil way. He is loving to have them making sacrifices to him and being total abomination to God. They think it's cool because they are evil. A ct scan or an mri will detect a lizard.

He said they are way ahead on cloning, way ahead of what they announced they had done with Dolly.

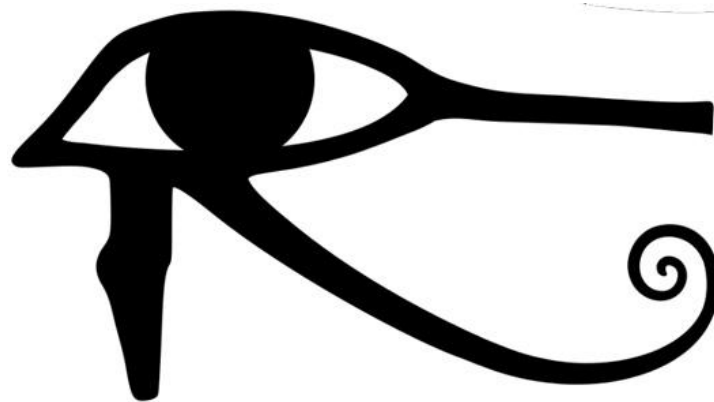

I'm going to share what Phil Chuppa explained on youtube about the process of droning.

Phil Chuppa

Phil is also being taken to the cloning station, the same one that they take Donald to. The lizards are not as smart as humans but prefer to have a human body. Doesn't that sound just like a demon? There is a worm type of thing that comes out of the lizard and goes under the eyelid of the human and circles around the optic nerve several times and reaches the back of the optic nerve and then it releases a fluid that contains parasitic cells into the person's brain. At this point the person's consciousness dies. The person is no longer in there and now the vril parasite takes over the human body. It takes about a month for them to recall memories and learn to mimic that person's behavior and become a parasite host

or what is called a “drone.” Drones don’t have slit eyes or lizard eyes and they don’t go back and forth from person to lizard. The lizard body dies and the human consciousness dies. They live the rest of their life in that body. Drones have no sympathy or empathy. They have a sexual compulsion to drone people. Their behavior is erratic; they are smarter in a human body, but still not as smart as a human. You can tell if it is a drone by doing an MRI or Cat scan. It will not reflect any activity in the front part of the brain. Serial killers also scan with no activity reflected in the front part of the brain. This process of being droned cannot be reversed. **THERE ARE NO GOOD DRONES. JUST AS THERE ARE NO GOOD DEMONS AND THE DEVIL IS NOT SWEET EVEN IF HE HAS A SMILE ON HIS FACE.** They **kill** that person to get into their body. The parasitic lizards are called mimics, demons and jinns. Different countries have different names for them. When you look at the eye of horus

The straighter line represents the spinal fluid coming out. The squiggly line represents the proboscis curling and worming it’s way in.

**Psalm 34:16,21** – The face of the LORD is against them that do evil, to cut off the remembrance of them from the earth. Evil shall slay the wicked: and they that hate the righteous shall be desolate.

Pray for Donald, Phil and the victims of this, for this to stop. For the devil’s devices to be broken.

Lord this is my prayer for Donald and Phil and all the victims who want out of this satanic web: Psalm 143:9-12 – Deliver them, O LORD, from their enemies: help them to flee unto You to hide them, teach them to do Your will: for You are my God: Your Spirit is good: lead them into the land of uprightness. Quicken them, O LORD, for Your name’s sake for Your righteousness’ sake bring their soul out of

trouble. And of Your mercy cut off their enemies, and destroy all them that afflict their soul: for I pray they will become Your servants. Father draw them to Jesus, for no man comes to the Son except You draw them.

I pray that You will stop all the devil's plans and devices in Jesus' name. No weapon formed against a child of God shall prosper in Jesus' name!

Give us courage to stand up and speak out and fight against the evil in this world.

## ADDITIONAL THOUGHTS

It's been 8 years since that sermon, I'm a lot further down the road with my knowledge of demons and deep research and I wanted to share some additional thoughts.

Donald is not saved. He thinks he's the savior of the world, that he's leading a revolution. When I would tell him that Jesus is the only Savior of the world, he didn't like that. He didn't like it when I spoke of Jesus. He didn't understand why Jesus didn't rescue him from the cloning center. However, Donald has never asked for forgiveness of his sins, never humbled himself and asked Jesus to help him to live for Him. He got mad at me one night and he threatened me. He said when he gets more power he was going to come and hit me right in the face. Then he blocked me. Then a strange guy contacted me saying he was Donald's friend and he was wondering where the church was but he also didn't want anything to do with Jesus. That is where everything was left. Personally, I believe Donald is a type of shill they are using to get truth out. He may not even be alive at this point. And I don't believe he has written all the songs he claims to have written. I believe when he said "when he gets more power" that is speaking of demonic power. He also had a type of handler on fb by the name of Lawrence, he bullied everyone who even commented or talked to Donald. So he is not everything he presents himself to be. But most of the things he has shared check out as true.

Donald said the lizards he spoke of don't shape shift. I'm not sure I believe that. I believe they are demons and we know they certainly can shape shift. Witches can shape shift and familiars can shape shift. Arizona Wilder said that when a reptilian, like the old dead queen, when they are about to die they look for a body

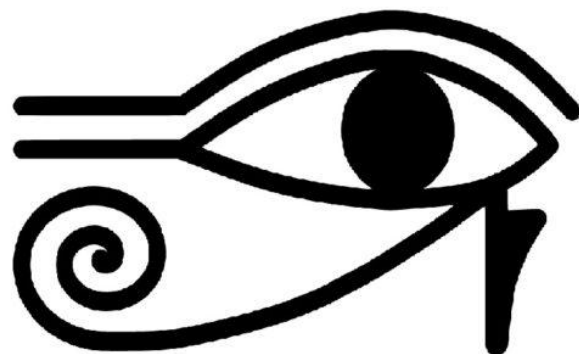

to use that can shape shift and they go on in that body for more years. Donald is reporting on what he sees at the cloning center, supposedly no one there is in their actual bodies anyway. Maybe that's why he has never seen them shape shift. Whatever he's seen at the cloning center is supposedly just cloned bodies.

He said when a reptilian inhabits a person's body it is called a drone and that it dissolves the person's mind or consciousness completely, so then the person doesn't exist anymore. This sounds like demonic possession. Not sure how it can be verified whether the person's brain is dissolved completely or not. Drones in high places are demons.

Phil Chuppa described how the vril shoots its proboscis into its victim which becomes the host. He said the eye of Horus, represents this process with the straighter line representing the spinal fluid coming out. The squiggly line represents the proboscis curling and worming its way in. How do they know the proboscis winds around the optic nerve of the person?

The Eye of Horus

The Eye of Ra

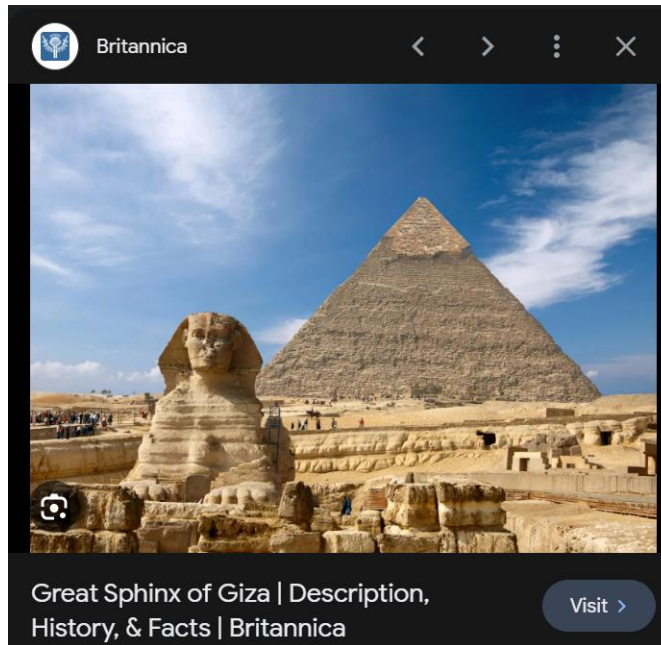

Here are my own thoughts about the eye of Horus and the eye of Ra from Egypt. They represent satan ultimately and his worship through the Egyptian mystery religion. Look at the short straighter black line that sticks down on each eye and also remember the curly line too.

See the dark line coming down from this cheetas eye. That shorter line reminds me of this.

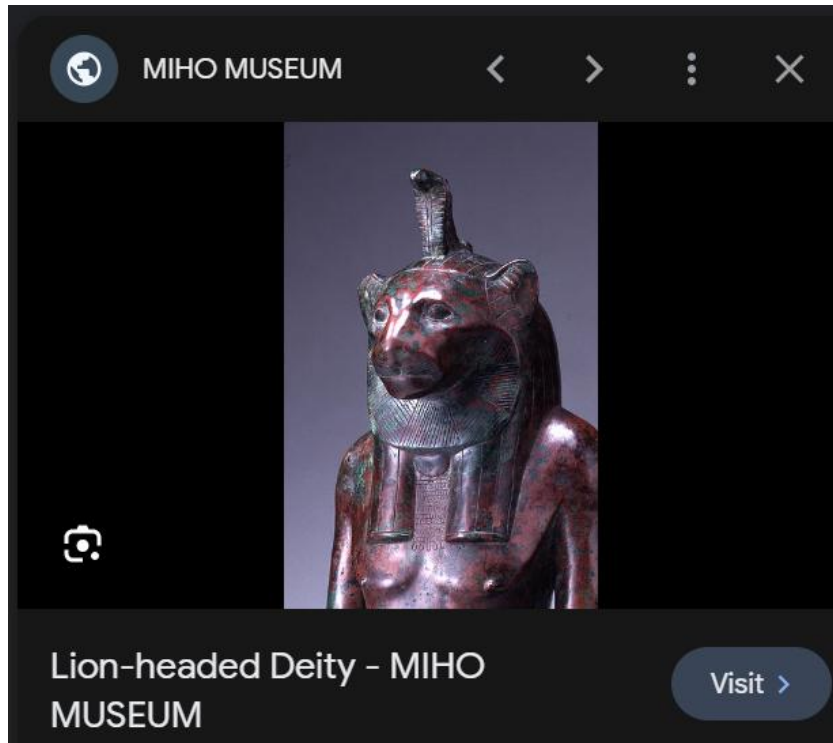

This is from ancient Egypt a depiction of sun god worship. One symbol of satan, the sun god is the lion. Here between these lions is the symbol of the sun along with the ankh representing deity and that is why they are being worshipped here. The lion on the right has black lines around his eyes. My cat at home has eyes that have lines that come out from it just like we see on those eyes.

The great sphinx of Giza represents the sun god worship of Egypt. The body of the sphinx is a lion. They pyramids were also about sun worship.

I believe this is Sekmet, a lioness goddess out of Egypt. She has the sun disk and a cobra on her head. This represents that she is a sun goddess. The symbol of the sun and the cobra and the lion represents worship of satan.

Lion-headed deity – MIHO museum. This is about worship of satan, there's the serpent on its head and satan is that old serpent as mentioned in Revelation.

Maahes, god of war, protection, and the weather. Maahes, with the head of a lion wearing a pschent and uraeus while holding a knife. I don't see the uraeus pictured here. But notice the double crown, showing that he rules over upper and lower Egypt and there is that curly cue thing. Those eyes seem like they have to do with a big cat and that curly cue thing. No matter the real meaning, they represent satan and worship of him. He's a fallen angel, a demon and those that are like him do shape shift. It certainly could represent VRIL with the curling tail of a snake or lizard too.
