

ISRAEL Pt.7: STAR of DAVID, STAR OF ISRAEL, STAR OF ROTHSCHILD

Before we talk about those stars I want to lay a foundation.

satan's network of "states" in the Bible is referred to as a red dragon. A red dragon is the coat of arms of London. The luciferians run our world for their god satan, who is the god of this world. Luciferians sit in all positions of power around this world. When they choose a coat of arms, it has satanic meaning and will draw demons to it. It is chosen on purpose. Two was the luciferians worship satan is through symbols and colors. That is color magic and symbol magic. The dragons were chosen on purpose in honor of their master satan, the great dragon. **(Rev. ch. 12)** The shield has a big red masonic cross on it, a highly occult symbol as well as a little upside down cross. The red dragon is in Revelation chapter 12. Domine dirige nos, means: lord, guide us. I'll give you one guess what "lord" that is referring to. They have the audacity to act as though that is about anything good and holy. It's not and anyone who believes it is, is not filled with The Holy Spirit and has not read God's Word.

THE STAR OF DAVID

How did this star become the symbol of modern day Israel?

Star of David – The star of David is a generally recognized symbol of both Jewish identity and Judaism. Its shape is that of a hexagram: the compound of two equilateral triangles...

King David did not have a star or any symbol. We don't read anything about King David using any star in battle or on his shield or anything.

You will find this star in witchcraft, the occult, freemasonry, Judaism etc. From my research the luciferians relate this star to Solomon who went deep into idolatry against God. He worshipped the gods of his foreign wives, many of which were political marriages. **(1 Kings 11:4-9)** The gods that King Solomon worshipped were fallen angels. I think they craftily call it the star of David so that people will just readily accept this occult symbol as something good when it is far from that. I remember when I was asleep to the wickedness going on in this world and I had

no idea about hexagrams or pentagrams or symbolism at all. God has brought me a long way in my knowledge since then. His purpose in awakening me to all of it was to start exposing it for what it really is. This is satan's system of worship. Symbols are used in worship of him, in summoning and drawing evil spirits into this realm for his agendas.

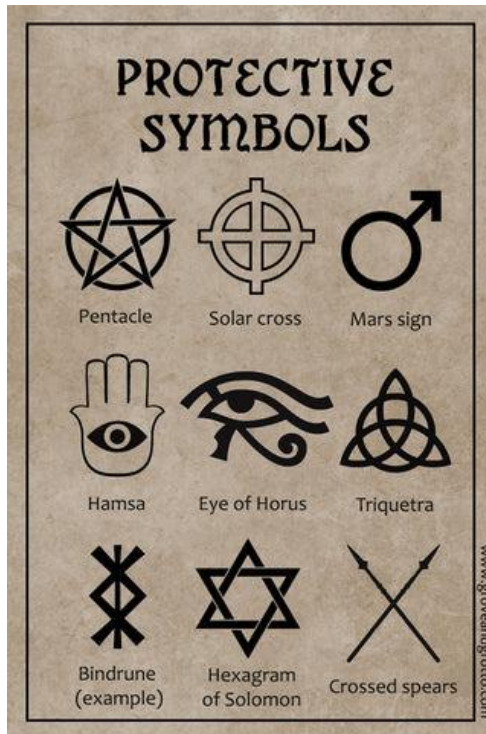

12. The Satanic star is referred to in Acts 7:43, in Amos 5:25-26. "The shield carried by King David...was traditionally believed to be engraved either with the name of God or the Menorah, or Psalm 67." Siegel, Richard and Carl Rheins. "Metamorphoses of a Tree; 10 Jewish Symbols and Their Meanings," Jewish 44 Almanac. New York: Bantam Books, 1980, p. 515.

Second sentence here: "The shield carried by King David...was traditionally believed to be engraved either with the name of God or the menorah, or Psalm 67."

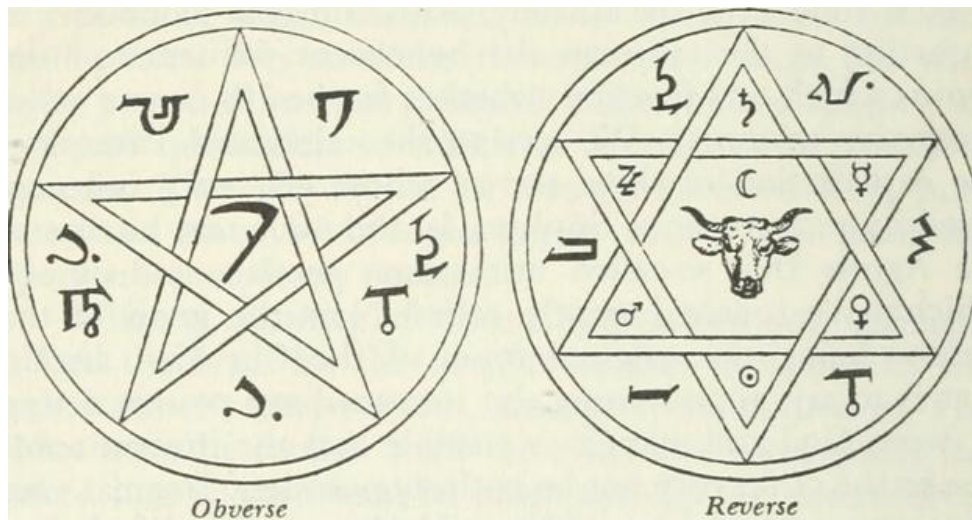

Every star symbol that I'm about to show you has to do with the occult and witchcraft and nothing to do with King David.

In the recent teaching series "SATAN'S HIGH HOLY FEAST DAY", we learned the following: **HEX** - When the druids were collecting their sacrifices, if a sacrifice was not willingly provided, the home was cursed by placing a six-pointed star enclosed in a circle upon the door. An evil spirit would make this his point of entrance to take the victim's life. This drawing of the hexagram is where we get the phrase "putting a hex on someone." This is a highly demonized symbol and it does draw demons to it.

These are witchcraft symbols and at the very bottom you see the hexagram of Solomon. A Christian has no business having anything to do with these symbols they will draw demons to them. I believe a lot of witchcraft was learned from King Solomon. The hexagram is associated with him and there are many occult teachings attributed to him.

Talisman of saturn. The planets are named for the fallen angels. The fallen angels came down from above. Saturn is associated with satan, take the "r" out and you

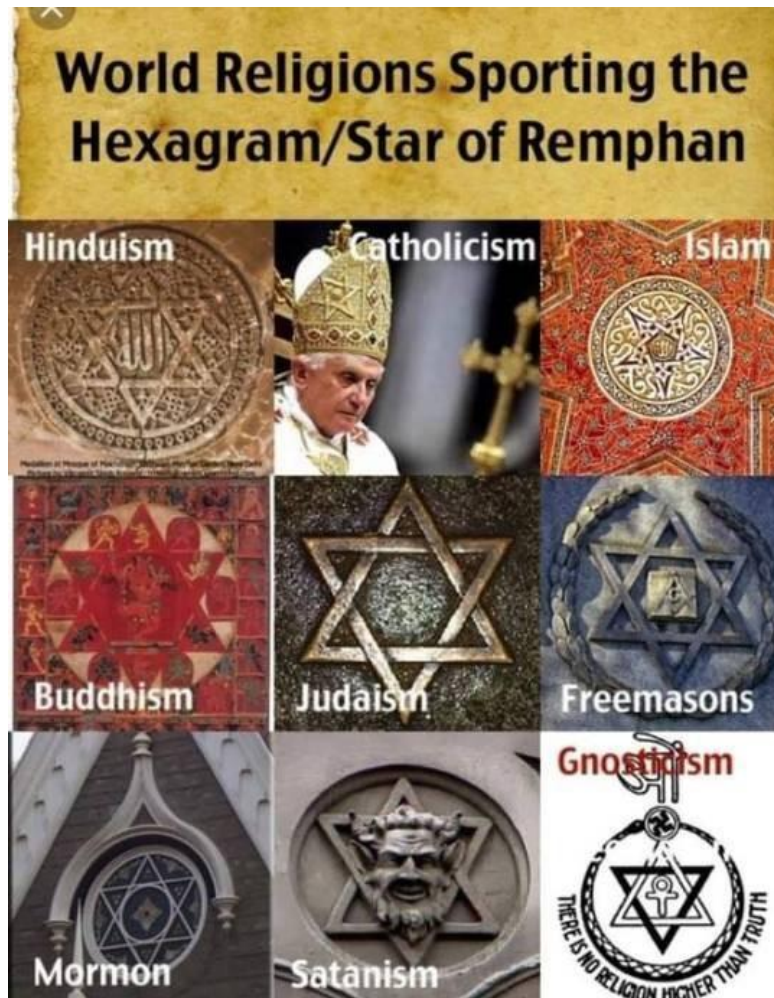

have satan spelled with a u but sounds exactly the same. On the left or front, you see a pentagram and in the center is the scythe (sithe) of the grim reaper or father time or cronus and all of that is saturn who is satan. And on the right or the back you see the hexagram, in the middle is a bull and that stands for satan. What did the Israelites worship when they left Egypt? They made a golden calf and bowed down and worshipped it. A symbol of satan's.

L: Here is another ouroboros, serpent worship, with the sun on top and the moon on the bottom and a hexagram in the middle with a dot in the center. That dot is the same as what you see in freemasonry on the right. It stands for sexual penetration and the generative principle of freemasonry. Judaism and freemasonry are based on the same occult knowledge and teachings.

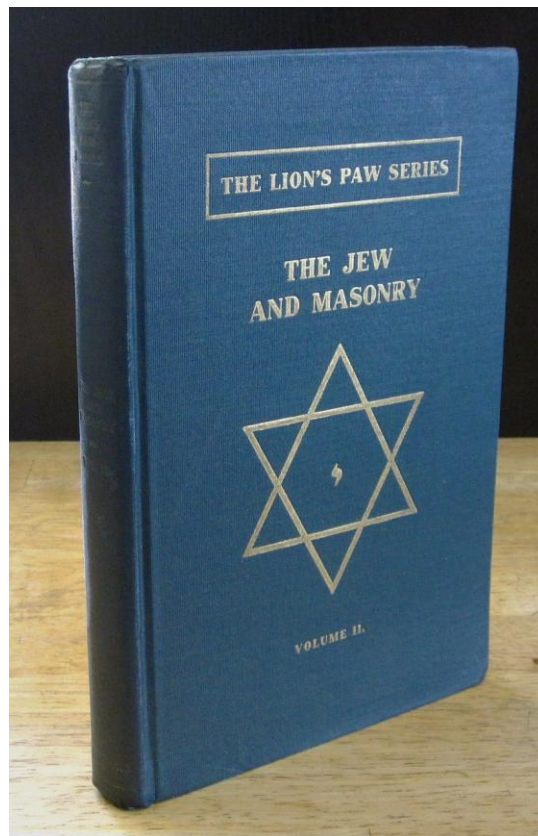

I think this one speaks for itself. Notice the devil's face in the center. He has ears shaped like a deer and horns on his head. This is satan in the appearance of pan.

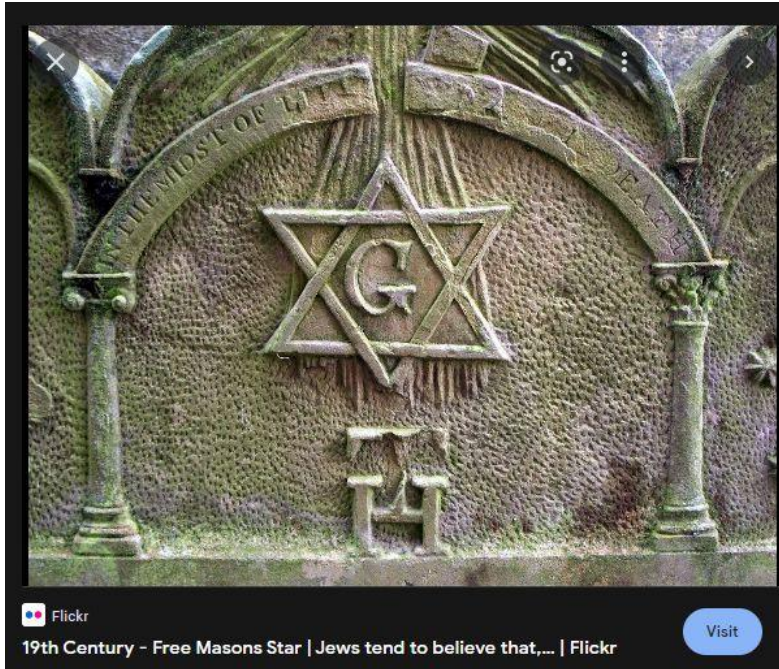

World religions sporting the hexagram / star of remphan: Hindism, Catholicism, Islam, Buddhism, Judaism, Freemasons, Mormons, Satanism, and Gnosticism.

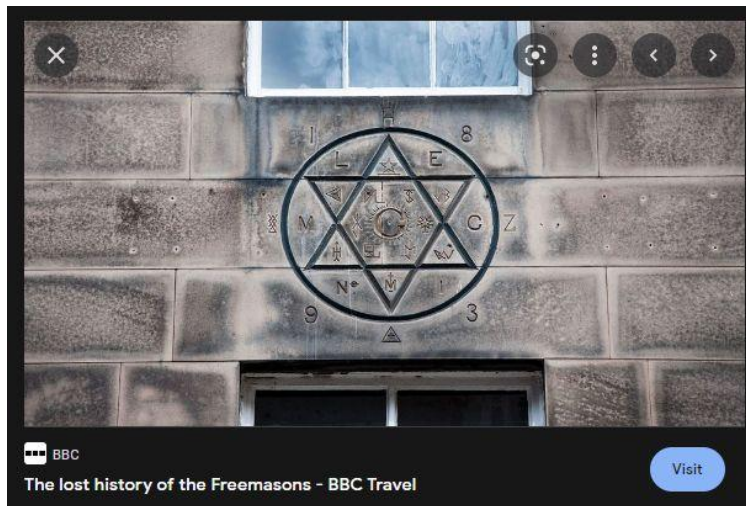

This is from a Masonic hall in Ireland. Notice the hexagram on the bottom.

The Lion's Paw Series – The Jew and Masonry Volume 11. That Hebrew character in the middle of the hexagram is accomplishing the same thing as the point in the circle that I showed you just a moment ago. Freemasons and those Jews adhering to Judaism interact with and worship fallen angels, knowingly or in ignorance.

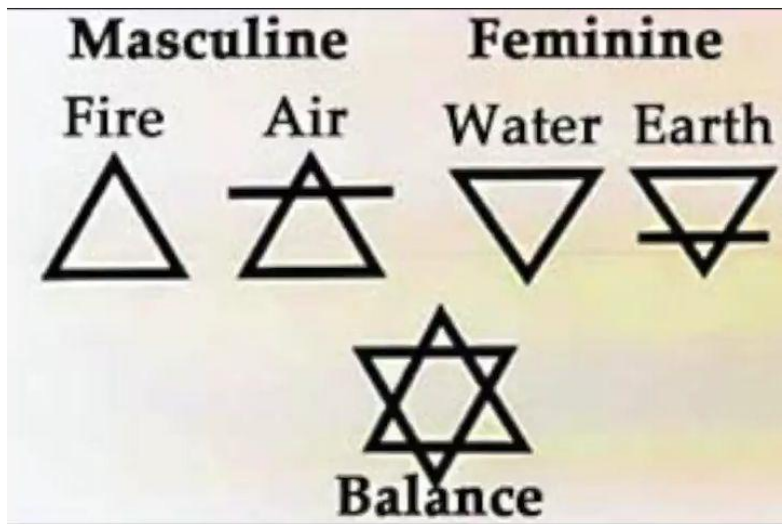

19th century – free masons star and the Jewish star tied together.

The lost history of the freemasons – BBC Travel. Again, same star in freemasonry as in Judaism.

Judaism and freemasonry, are birds of a feather.

Judaism and freemasonry are just names for witchcraft. Masculine - fire triangle and air triangle, Feminine – water triangle and earth triangle. At the bottom they join all the triangles together for balance. Remember witches worship nature spirits or elemental spirits such as fire, air, water and earth.

 1743: Mayer Amschel Bauer, an Ashkenazi Jew, is born in Frankfurt, Germany, the son of Moses Amschel Bauer, a money lender and the proprietor of a counting house. Moses Amschel Bauer places a red sign above the entrance door to his counting house. This sign is a red hexagram (which geometrically and numerically translates into the number 666) which under Rothschild instruction will end up on the Israeli flag some two centuries later. Following his father's death, Bauer returns to Frankfurt to take over his father's business. Bauer recognises the significance of the red hexagram and changes his name from Bauer to Rothschild, after the red hexagram or sign signifying 666 hanging over the entrance door ("Rot," is German for, "Red," "Schild," is German for, "Sign"). The Rothschilds claim that they are Jewish, when in fact they are Khazars. They are from a country called Khazaria, which occupied the land locked between the Black Sea and the Caspian Sea which is now predominantly occupied by Georgia. The reason the Rothschilds claim to be Jewish is that the Khazars under the instruction of the King, converted to the Jewish faith in 740 A.D., but of course that did not include converting their Asiatic Mongolian genes to the genes of the Jewish people. You will find that approximately 90% of people in the world today who call themselves Jews are actually Khazars, or as they like to be known, Ashkenazi Jews [\[show less\]](#)

 And that is why I call them the "Rotten Red Shield", which helps me get past any censorship of their family name. Everybody incorrectly pronounces their name, saying "ROTHS" and "CHILD", however those who know the german language understand that it is actually pronounced "ROT" and "SHIELD", so my take on the name is more accurate. This is some information I found in research years ago.

So we’ve been saying the name wrong, not Rothschild but ROT – Shield.

The Rothschilds are an important part of the history of the Seal of Solomon (also known as hexagram, Magen David, six-pointed star, Star of David.) The Seal of Solomon, the hexagram, was not considered a Jewish symbol before the Rothschilds began using it. 9 Throughout the Middle Ages the Seal of Solomon had been used by Arab Magicians, Cabalist Magicians, Druid witches and Satanists. One of the few ancient uses of the symbol was on the floor of a 1,200 year old Moslem Mosque found where Tel Aviv is today. 10 In the twelve century an Ashkenazic Jew Menahem ben Duji, who thought he was the Messiah, used the magical symbol. 11 Because the Rothschilds were Satanists they adopted this powerful magic symbol in 1822 for their coat-of-arms. The name they adopted for their family actually comes from the fact that in the 17th century Mayer Amschel Bauer began hanging out a red hexagram in front of their house to identify it. Mayer Amschel then decided to take the name red-schild (Rothschild in German) after the red Seal of Solomon that they used.

Alice Bailey in *A Treatise On White Magic*, p. 412, claims that the Hierarchy has a special group which she calls “the financial group”, controlling all that can be converted into energy, and constituting a dictatorship over all modes of intercourse, commerce and exchange.” According to the Luciferian Alice Bailey, the “financial group” is the latest group directed by the Hierarchy. In 1836 Zevi Hirsch Kalischer approached Rothschild and proposed Rothschild buy all of Erez Israel. It took many years for the Rothschilds to finally create Israel. The Rothschilds have been a primary force behind the creation of Israel, and so it is appropriate that the nation carries their magical Seal of Solomon as the state logo.

The Ultra-orthodox Jews in Israel will not serve in the Israeli army because they know that Almighty God was not behind the creation of modern Israel, but rather the rich ungodly apostate Jews. They refuse to serve the ungodly. They are more wiser than men like Jerry Falwell who run around proclaiming Israel is God’s nation. God is ultimately in charge

Me: A few things I will say here is that even though the ultra-orthodox Jews realize that God had nothing to do with the modern day re-creation of the country of Israel, they too are still in sin against God by not recognizing Jesus. They don’t have a relationship with The Father and don’t have a special deal with Him either. The only way to The Father is through Jesus. Jesus fulfilled The Old Testament and no one could keep it anyway, not even the Jews. There are divisions in all religions and nationalities and I’m not saying that all unsaved Jews adhere to and practice Judaism. I’m always dealing with those at the top levels who created it, teach it and practice it and they are deceiving the ones who are beneath them.

The hexagram is a witchcraft symbol. King Solomon used it in witchcraft and worship of fallen angels including satan himself. **(1 Kings ch.11)** The Rothschild’s are luciferians and they adopted the symbol, they also were highly instrumental in the founding of Israel as a modern day country and that is why that witchcraft symbol is on Israel’s flag. That symbol has nothing to do with King David.

This brings us right back to the Gnostic religions and satan. Most Jewish people do not concern themselves with learning the occultic significance to their treasured Magen David (Star of David). King David did not have anything to do with the hexagram, although his son Solomon did when he began worshipping Ashtoreth (uh stor eth) (star, also known as Astarte (uh star tee), Chiun, Kaiwan, Remphan, and Saturn).¹² Solomon built altars to Star (Astarte (uh star tee) aka Ashtoreth). The god Saturn is associated with the Star but both Saturn and Astarte (uh star tee) have also been identified with a number of other names. Saturn is an important key to understanding the long heritage this conspiracy has back to antiquity. The city of Rome was originally known as Saturnia or City of Saturn (that would be city of satun). The Roman Catholic Church retains much of the Saturn worship in its ritual. Saturn also relates to lucifer.¹³ In various occult dictionaries Saturn is associated with evil. Saturn was important to the religion of Mithra, and also the Druids.

The druids are ancient blood thirsty witches who do human sacrifice to satan and Mithra is a sun worship occult, the sun god they worship is satan.

CLOSING

Amos 5:26-27 – But ye have borne the tabernacle of your Moloch and Chiun your images, the star of your god, which ye made to yourselves. Therefore will I cause you to go into captivity beyond Damascus, saith the LORD, whose name *is* The God of hosts.

The Geneva Bible has the name siccuth instead of moloch and says it was the idol which they esteemed as their king, and that they carried it about, as they carried chiun, and that in those images they thought there was a certain divinity. That is because when you carve or grave or make an image of a fallen angel and you bow down to it and worship it, a fallen angel responds. They were worshipping satan himself and because he responded they equated that with a divinity being inside the idol. A spirit can go into any material object if they are summoned or the object carries their image or symbol etc.

moloch is an ammonite god connected with child sacrifice. That's satan.

New Living Translation

No, you served your pagan gods—Sakkuth your king god and Kaiwan your star god—the images you made for yourselves.

New Living Translation – No, you served your pagan gods – sakkuth your king god and kaiwan your star god – the images you made for yourselves.

Kaiwan is a star god, identified with saturn. Saturn is satan.

Acts 7:43 - Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon.

They carried the tent which they used to worship moloch which is satan, they carried it on their shoulders. And they carried the star they used in worship of him under the name of remphan. Remphan is spelled differently in different translations, in the NLT it is Rephan. Remphan is also an Egyptian idol. It all goes back to Egypt and Babylon.

It is sad that we read these things and think it was just things that were done in ancient times and because our Bibles don't say satan then we can't put it together. We have failed to realize that this is still going on today more than it ever was. We are living in darker, more wicked times today, the last days. Sacrifices are still being made to moloch by our government leaders and top levels of military and mega corporations and sadly by every woman that has an abortion and her life nor the babies is in danger. The star of remphan, of kaiwan or chiun is proudly hanging over the country of Israel today. God is not standing with that wicked nation. He is standing with those that have come to Jesus and love and serve Him.

I hope this sermon has served to awaken you to the wickedness and deception that is going on with the unsaved Jews who adhere to Judaism, to Zionist Jews.
