

ISRAEL Pt. 10: FALSE FLAGS, ZIONISM, HAMAS, ABRAHAM ACCORDS, PEACE TREATY, COVENANT, ANTICHRIST

Please play this video – Fauci is speaking about making vaccines back in 1999. Back then it used to take at least 12 years to test a vaccine.(about .5 min's)

You are certainly not going to see that on main stream propaganda news.

*Please play this video – This video shows how false flags are done using crisis actors. This is about the Norway Oslo terrorist bombing of a government building hoax. STOP

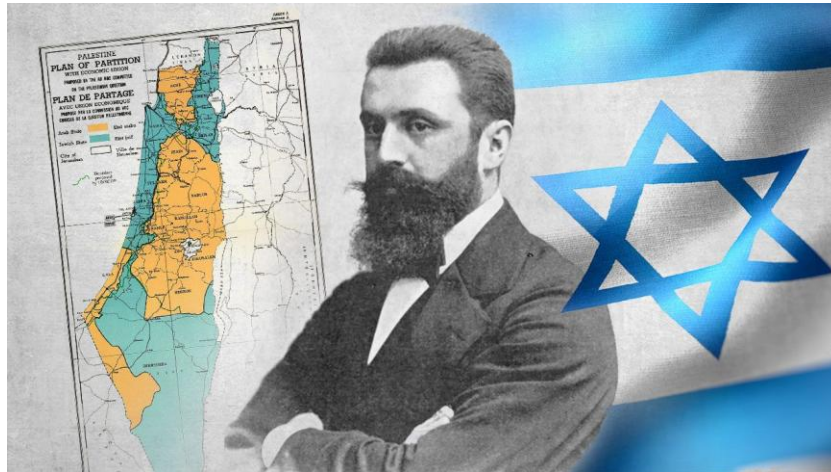

The video shows crisis actors covered in fake blood and one woman with a big stick of some sort sticking “supposedly” out of her skull. There are 5 ambulances on site but the people are asked to go get on a bus which they get right up and walk over unassisted to the bus. No one gets into any of the ambulances. Then an ambulance escorts the bus away. This is typical of what they do with extras in movies and with crisis actors and even when George Soros pays people to riot in different cities. They bus them in.

The one lady covered in blood was walking around unassisted like there was no problem at all. So was the lady with the stick in her head. You must remember that our news today is propaganda. And not just ours, but around the world too. This was a false flag and crisis actors in Norway. We are not being shown the

truth. The Israel / Palestinian war is no exception, it is a false flag just like what we just saw.

Theodor Herzl was the founder of the modern Zionist movement. In his 1896 pamphlet *Der Judenstaat*, he envisioned the founding of a future independent Jewish state during the 20th century. That Jewish state or homeland for the Jews was to be in Palestine. That is why there is so much fighting over this territory today.

Zionists want the land of Palestine. And they only want Jews to live there.

*Please play this video – This video is from the Jimmy Dore Show. They are bringing out information about how Israel is supporting Hamas in order to fight against and take out Palestinians living in Gaza. STOP

They have even trucked over suitcases full of money to support Hamas. Israel is using Hamas as their own terrorist organization.* (about 8.5 min's)

Zionists are kabbalists who are freemasons who are luciferians. Kabbalah is witchcraft and is a major part of Judaism which is what they believe, teach and practice.

Judaic Zionist supremacist, think they are superior to all of mankind. Ultimately, they want everyone to be submissive to them and follow their laws and beliefs. I have been showing you what they believe over the past weeks. What they believe, teach and practice is 100% against God. They are a godless people, nothing that they are doing is led by God. As Jesus said, they are of their father the devil. They are still waiting for a militant leader to come and rule over this world and that is who the antichrist will be to them.

Our government in the U.S. is heavily aligned and involved with Israel. One of the easiest ways they have pulled off this alliance is because of how deceived the church has been. The modern day church is deceived about who these Zionist leaders are and what they stand for and believe. Part 9 of this teaching gives you great insight as to what Zionist leaders believe and have said publicly. The church thinks the Zionist Jews have God's favor on them and that we should stand with them at all cost because they serve the same God of the Bible that we serve. I hope you clearly understand by now that they are not serving the God of the Bible at all and don't even know Him because they have denied Jesus. **(John 14:6, 1 John 2:23)** They are in the greatest sin of all time against God right now. They are interacting with the supernatural, but what they interact with is not holy. They are antichrists. **(1 John 2:22, 1 John 4:3)**

ABRAHAM ACCORDS

Former President Donald Trump brokered a peace agreement between Bahrain, Israel, and the United Arab Emirates in 2020. Pictured here from left to right are: Bahrain foreign minister Al-Zayani, Israel prime minister Netanyahu, Trump and UAE foreign minister Al-Nahyan.

ABRAHAM ACCORDS; Congressional Record Vol. 166, No. 161
(Senate - September 17, 2020)

In 70 years of Israel's history, only two nations that are Arab nations have recognized Israel's right to exist, even--Jordan and Egypt. In 1 day, two more nations joined--the UAE and Bahrain. It was significant to be able to see the journey on that and to be able to hear the Foreign Ministers of Bahrain and UAE compliment President Trump, Mike Pompeo, and Jared Kushner for their leadership and, as the Foreign Minister from Bahrain said, President Trump's statesmanship in this process.

It was a document many people said would never be signed, but it is a stake in the ground to say it is a new day in the Middle East in peace negotiations and a pivot, as Prime Minister Netanyahu said.

Nations like Saudi Arabia, Kuwait, Qatar, Amman, Morocco, Sudan, and Lebanon should take notice and should see the benefit to economic trade and engagement, to confronting Iranian influence in the area that tries to destabilize so much of the Middle East, pushing back on terrorism, and developing partnerships in science and health and technology and prosperity for everyone in the region. That happened this week.

That happened this week.

They kicked this project off with 3 billion dollars being poured into it.

When Trump officially recognized Jerusalem as the capital of Israel they made a coin to mark the occasion. For those seeking a memento of Monday's U.S. Embassy move to Jerusalem coinciding with the state of Israel's 70th anniversary, you're in luck. For just \$70, you could purchase a gold-plated coin, of no monetary value, with Donald Trump's face on it.

L: Medal – 70 year redemption Israel memorabilia. Same coin on the right, Temple coin 70 years Israel redemption King Cyrus and Donald Trump. This coin commemorated Israel being a country again and honored Donald Trump for all that he has done for Israel which was a lot.

The luciferians wanted christians to believe that God was using Trump as a modern day Cyrus to help His people Israel. What a bunch of non-sense. God

caused King Cyrus to release the Jews and let them go back to their homeland. They had completed the 70 years of God's judgement against them and God stirred up Cyrus' spirit to release them. **(Ezra 1:1-4)**

Now look at Trump and his efforts to help the zionist Jews. They are in great sin against God. Nothing Trump or anyone else has done in these modern times has any of God's favor on it. For those who don't know it, Trump is a freemason luciferian just like the rest of them. He is playing his role. God did not stir up Trump to help Israel. They have not humbled and recognized Jesus at all. They hate Him and all christians. Trump was and is used to further satan's agenda in this world.

The powers that be love to get christians stirred up believing that prophecy is about to be fulfilled. They love to try and fulfill prophesy and God will certainly let them. He can use them for His purposes. Many people that study the Bible and heard about this peace treaty got excited thinking it is prophetic.

Historic Peace Treaty or Preparation for the Antichrist?

Evangelical Christians who love Israel are torn over what to think about the Abraham Accords

Historic peace treaty or preparation for the antichrist? Evangelical christians who love Israel are torn over what to think about the Abraham Accords.

Daniel 9:24-27 – Seventy weeks are determined upon thy people and upon thy holy city, to finish the transgression, and to make an end of sins, and to make reconciliation for iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most Holy. Know therefore and

understand, *that* from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince *shall be* seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times. And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince that shall come shall destroy the city and the sanctuary; and the end thereof *shall be* with a flood, and unto the end of the war desolations are determined. And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make *it* desolate, even until the consummation, and that determined shall be poured upon the desolate.

If you know history, then you could read this and believe it has been fulfilled already but you have to consider the whole counsel of God's Word.

The 70 weeks of judgement were for the Jews alone. The unsaved Jews will be subject to God's wrath and judgement during the tribulation as will every living soul that rejected Jesus. Jesus comes first for His bride and that kicks off the tribulation.

Those who believe this passage in Daniel has already happened teach that Jesus was the One Who stopped the sacrifices. Once Jesus began His ministry He was crucified around 3 years later. But He did not stop the sacrifices. They still had a temple and they went on with business as usual. Jesus did not confirm any covenant with many for one week or that is 7 years. So He was not the fulfillment of that passage. The 7 year covenant that will be made will be broken at the midway point, that is 3 ½ years. It is broken by the antichrist.

Jesus is the new covenant and His covenant is to all who will believe in Him. There is no end to the covenant of faith through Christ until eternity begins. Jesus spoke about Daniel's prophecy.

Matt.24:15 – When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)

Antiochus IV

Antiochus IV (Epiphanes), the king of Syria, captured Jerusalem in 167 BC and desecrated the Temple by offering the sacrifice of a pig on an altar to Zeus (the Abomination of Desolation).

Antiochus IV (Epiphanes), the king of Syria, captured Jerusalem in 167 BC and desecrated the temple by offering the sacrifice of a pig on an altar to Zeus (the abomination of desolation).

For those that believe this was the fulfillment of Daniel's prophecy, it wasn't because this happened before Jesus walked the earth. So at this time Messiah had not been cut off. The temple was desecrated and sacrifices were stopped for a time but this was not the fulfillment of Daniel's prophecy.

2 Thess.2:3-4 – Let no man deceive you by any means: for *that day shall not come*, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

The man of sin, the son of perdition is the antichrist. He will be possessed and empowered by satan to do satan's bidding during the tribulation. He is just like satan being prideful and saying he wanted to be God because satan will enter him just as he entered Judas. The antichrist will be totally possessed.

It is a covenant that is made, not necessarily a peace treaty. However, a peace treaty would seem to fit.

1 Thess.5:3 - For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

A covenant will be made with Israel and other nations. It is a good probability that the antichrist will be promoting peace and that he has all the answers to solve the chaos that is going on in the world. It will be a false peace, not true peace. The Zionist Jews will finally get to build their third temple and the antichrist will break the covenant and walk into their temple claiming to be God.

CLOSING

When I am speaking of the Zionist Jews, I am speaking of those in high and powerful positions. Not just a Jewish person who has denied Jesus, is deceived and following false teachings. I'm talking about leaders and those who hold power in world Jewry and over this world ultimately. Time and again in my deep research I have learned that they are involved in all the world governments. They have a controlling interest in them all. Remember the Rothschilds are Jews and they are at the top of the luciferians. They are the major luciferians behind the founding of modern day Israel. They serve satan so devotedly that he manifests in their home. That was witnessed by John Todd who was born into an illuminati family, and sat on the council of 13. I praise God he was saved and got out and exposed their wickedness for what it is. The head Rothschilds are fully possessed by fallen angels.

The Zionist Jews, as with all luciferians know full well who they serve. They are not blindly believing they are ushering in a righteous and Godly savior by doing the evil abominable things they are doing. They know who their father is, Jesus told them to their faces. They have not changed their evil ways. They cling to lucifer.

This next passage of Scripture is Apostle Paul speaking to the Thessalonians about the pharisaic Jews who were trying to corrupt them and cause them to stumble in their faith.

1 Thess.2:14-16 - For ye, brethren, became followers of the churches of God which in Judaea are in Christ Jesus: for ye also have suffered like things of your own countrymen, even as they *have* of the Jews: Who both killed the Lord Jesus, and their own prophets, and have persecuted us; and they please not God, and

are contrary to all men: Forbidding us to speak to the Gentiles that they might be saved, to fill up their sins alway: for the wrath is come upon them to the uttermost.

The Zionist Jews today hold to and claim to come from the Pharisees, the same ones rebuked by Jesus in the Bible and the same ones Apostle Paul was speaking of here. He says these hateful, sinful Jews killed Jesus and they killed the prophets God sent to them. They were persecuting the churches then and still are today. If you say and teach what I have been exposing you are labeled as an anti-Semite or a racist which is not true. I'm showing how sinful they are against God.

He said they do not please God and they are contrary to all men. They were trying to stop the work of God because they did not want anyone to get saved. He ended by saying that God's wrath is on them. God's wrath is still on them today and on all those who are against Jesus.
