

# ISRAEL Pt.13: NOAHIDE LAWS, WORLD DOMINATION, BEHEADING

## NOAHIDE LAWS

Some years back Brother Frank shared about the Noahide laws with me. Finally, I'm getting to bring that piece of information out.

The Judaistic, kabbalistic Jews teach in their Talmud that God gave Noah 7 laws for them and for the world.

I have never heard of any laws given by God to Noah and they certainly are not recorded in our Bibles.

Remember all that I have been exposing these past weeks about Judaism and what is written in their Talmud, one of their most prestigious sacred writings. It is corrupt, teaches lies and abominable things. Nothing about Judaism pleases God. It is part of their satanic writings and beliefs. They teach that they alone are righteous and everyone else is beneath them. Their Talmud says only they are human beings and everyone else are beasts. They teach that Jesus is in hell boiling in a pot of excrement. That He had a girlfriend. They teach that Jesus sinned.

That alone is enough enlightenment for us to know that these laws of Noah that God supposedly gave to him for the benefit of the whole world are just more of their lies that they hope to use to deceive and rule over the nations.

Writings of the Talmud are not Biblical. When you claim to have revelation from God about something He has said to a whole nation, or to the whole world, then it had better align with what is recorded in Scripture. Otherwise, anyone can claim to have heard from God and make up anything they want to. That is why Scripture tells us to test the spirits.

**1 John 4:1** – Beloved, believe not every spirit, but try (test) the spirits whether they are of God: because many false prophets are gone out into the world.

The way you test the spirits is you read God's Word to know what it says. Then when people say things that are contrary to God's Word then you know they are not speaking by the power of the Holy Spirit. But they are speaking by another spirit, a lying, evil spirit.

We have already tested the Talmud in this sermon series and found it to be full of lies, a total abomination against Jesus.

When we test Judaism, the religion of unsaved Jews, it fails the test of The Holy Spirit. They have rejected Jesus, the sacrifice God The Father made for the whole world. **(John 3:16)** The Word of God says because they have rejected Jesus, they don't have The Father either. No Son = no Father = no Holy Spirit. They are speaking and teaching by another spirit, an evil spirit. They claim to come from the Pharisaic line and Jesus told the Pharisees that they were of their father the devil.

### The Seven Laws [\[ edit \]](#)

The seven Noahide laws as traditionally enumerated in the [Babylonian Talmud Sanhedrin 56a-b](#) and [Tosefta Avodah Zarah 9:4](#),<sup>[21]</sup> are the following:<sup>[22]</sup>

The [rainbow](#) is the unofficial symbol of [Noahidism](#), recalling the [Genesis flood narrative](#) in which a rainbow appears to [Noah](#) after the Flood; it represents [God's](#) promise to Noah to refrain from [flooding the Earth](#) and [destroying all life again](#).<sup>[1]</sup>

In Judaism, the Seven Laws of Noah are a set of universal moral laws which, according to the Talmud, were given by God as a covenant with Noah and with the "sons of Noah" – that is, all of humanity.

The Seven Laws of Noah include prohibitions against worshipping idols, cursing God, murder adultery and sexual immorality, theft, eating flesh torn from a living animal, as well as the obligation to establish courts of justice.

According to Jewish law, non-Jews (gentiles or the nations) are not obligated to convert to Judaism, but they are required to observe the Seven Laws of Noah to be assured of a place in the World to Come, the final reward of the righteous. The non-Jews that choose to follow the Seven Laws of Noah are regarded as “Righteous Gentiles”.

These seven laws are in the Babylonian Talmud in the book Sanhedrin 56a-n and Tosefta Avodah Zerah 9:4.

The rainbow is the unofficial symbol of Noahidism, recalling the Genesis flood narrative in which a rainbow appears to Noah after the flood; it represents God’s promise to Noah to refrain from flooding the Earth and destroying all life again.

If you’re not a truther you probably have not heard of the seven laws of Noah. Most of us don’t know anything about it. It isn’t in the Bible and it is not part of Christianity.

Rabbi Stein talks about the need to replace the UN. The UN has failed in its mandate by rejecting God as the Creator and the Noahide Laws common to all mankind. “Blessing hashem (God, literally “the name”): Respecting the Creator and the sages who are familiar with His Torah, and respecting the places of worship where the Torah is learned and prayers are recited to Him. It is forbidden, God forbid, to speak harshly against them or to curse them. Chabad movement to teach the 7 laws of Noah to the world. Punishment if the 7 laws of Noah are not kept is death. Those who rebel will be executed by decapitation. / One of the many triumphs of our freemasonry is that those gentiles who become members of our lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal king of the Jews: and should never know that we are commanding them to forge the chains of their own servility to our future king of the world. A rabbi is shown who will not answer the question about what happens if someone doesn’t except

their coming messiah and instead believes in Jesus. Haaretz – Netanyahu and the laws of killing goyim. Israel is becoming a racist society, in which the prime minister of a country that was founded after the murder of Jews salutes a rabbi who supported a work on the laws of killing non-Jews. On a Bill Mayer interview with Netanyahu, Bill asks Netanyahu what he believes is going to happen in the future when Jesus returns. He said that Christians believe Jesus is going to return to where He came from and He is going to either convert the Jews or kill them. Netanyahu laughed and said, let's argue about that point when it happens. He laughed it off as a joke. Education and Sharing Day is a day established by the United States Congress in honor of the Rebbe, Rabbi Menachem Mendel Schneerson. It calls for increased focus on education and recognizes the efforts of the Rebbe for education and sharing for all people. Since 1978, Education and Sharing Day, USA has been proclaimed annually by the President on the Rebbe's Jewish calendar birthday (11 Nissan), which is four days before Passover and thus generally can fall between March 21 and April 21 on the Gregorian calendar. History – In 1978, the U.S. congress asked President Carter to designate the Rebbe's birthday as the national Education and Sharing Day to recognize and pay tribute to his efforts for a better education for all American citizens. President Ronald Reagan wrote in his proclamation of 1982: One shining example for people of all faiths of what education ought to be is that provided by the Lubavitch movement, headed by Rabbi Menachem Schneerson, a worldwide spiritual leader who will celebrate his 80<sup>th</sup> birthday on April 4, 1982. The Lubavitcher Rebbe's work stands as a reminder that knowledge is an unworthy goal unless it is accompanied by moral and spiritual wisdom and understanding. He has provided a vivid example of the eternal validity of the Seven Noahide Laws, a moral code for all of us regardless of religious faith. House of Senate and Congress passed a National Day of Reflection in honor of the Rebbe – this too is in regards to the Noahide Laws.

The 1991 bill described the Noahide Laws as the “ethical values and principles which are the basis of civilized society and upon which our great Nation was founded.” Reagan is shown with chabad lubavitch Jews. George Bush Sr. and Bill Clinton, Obama and Trump are shown with the lubavitch Jews in the white house. Anti-Semitism definition is being changed to fit the Jewish agenda and America is being pushed to embrace Israel or not receive funding relief in certain situations like disaster relief.\*(about 8.5 min’s)

They want a Jewish monarchy ruling over the world. A picture of that is the anti-christ ruling with a Jewish Sanhedrin cabinet. Remember when Jesus was crucified, it was a 70 member Jewish ruling body that declared Jesus guilty of blasphemy, that was the Sanhedrin. These Zionist Jews take pride in what the Sanhedrin did.

Netanyahu avoided answering the question about what he thought would happen when Jesus returns. He just made a joke out of it. Nobody is going to argue or discuss anything when Jesus returns because it’s going to be too late then. Bill Maher is a raging atheist. These men are prideful and that is one of the greatest sins against God. **(Proverbs 6:16-19)**

The Zionist Jews believe it is their duty to have the rest of the world abide by the 7 laws of Noah. This is a huge part of their plan to rule the world. Baby christians or those who don’t understand what Judaism truly is, will probably think this is a good thing. Just like they have conditioned us to believe:

Oh, we serve the same God as the Jews. Of course anything He said to them is good for all of us etc. That is exactly what they are counting on. Getting this passed into worldwide law without anyone even questioning it.

I am only going to deal with one part of the Noahide laws and that is idolatry. It is important for you to understand what idolatry is.

Idolatry is anything you place above God in your life. It can be a thing, it can be a person or it can be a deity. When you read the Old Testament there is a lot of talk

about the idols they made for themselves. About carved and graven or molten images that were called idols. Those images were used in their worship to represent the deities they sought after.

One definition of an idol is a false god. The Bible gives us some names of these idols that were worshipped: Molech, Chemosh, Ashtareth, Baal, Belzebug etc. These are false gods, fallen angels and the women they mated with, being worshipped by those that did not love and serve God.

The main thing that stands out about these Noahide Laws is idolatry. Many Christians don't even fully understand idolatry and do not understand that the Jews believe that love and worship of Christ Jesus is idolatry against God. To call Jesus God, to call Him God's Son etc. is idolatry. To praise Him and bow down to Him to believe He is holy and worthy of praise and the Savior of this whole world is idolatry to the Zionist and unsaved Jews. This is breaking the first commandment in their eyes because they do not accept nor believe in Jesus at all.

The Sanhedrin convicted Jesus of blasphemy because He said He was the Son of God. His punishment was crucifixion on the cross and God used that for our blessing, Jesus is the only way to be saved.

The Zionist, freemasonic Jews hate Jesus and have rejected Him. They want the world to obey these laws and are biding their time until they are officially implemented. They are waiting on their moshiac and the day when they get to carry out this punishment against those that remain in this world who love and serve Jesus. This will be during the tribulation. This goes hand in hand with the mark of the beast. You will not accidentally take it, you will have to deny Jesus in order to do so.

Qanon Times – They use the guillotine because they can go sell the bodies organs afterward. I never got into the Qanon movement. I believe Q was just another deep state agent playing both sides. Telling some truth but also duping those who followed him. What he said here does seem like a possibility of what the antichrist and those in power during the tribulation may do with the bodies of those they behead. They are already killing people and taking their organs. The antichrist empowered by satan and those that will serve him are luciferians and lucifer always requires a blood sacrifice. They are a blood thirsty people, living off the adremochrome of their victims just like the druids were.

Will this ever really happen?

Here is George Bush Sr. with the Chabad Lubavitch Jews.

George Bush, indicated in Public Law 102-14, 102<sup>nd</sup> Congress, that the United States of America was founded upon the Seven Universal Laws of Noah. **1. Idolatry is forbidden. Man is commanded to believe in the One God alone and worship only Him.**

**IDOLATRY**

- against entertaining the thought that there exists a deity except the Lord (to worship Jesus as the Messiah is blasphemy according to the Talmud and punishable by decapitation).
- against making any graven image (and against having anyone else make one for us)
- against making idols for use by others
- against making any forbidden statues (even when they are for ornamental purposes)
- against bowing to any idol (and not to sacrifice nor to pour libation nor to burn incense before any idol, even where it is not the customary manner of worship to the particular idol)
- against worshipping idols in any of their customary manners of worship
- against causing our children to pass (through the fire) in the worship of Molech.
- against practicing Ov
- against the practice of Yiddoni
- against turning to idolatry (in word, in thought, in deed, or by any observance that may draw us to its worship)

Some of these sound ok but the deal breaker is idolatry because they consider worship of Jesus to be idolatry. George Bush Sr. started the wheels turning on this years ago.

Public Law 102-14 asserts that the Seven Noahide Laws are the basis of American civilization, that it is the responsibility of the Nation to transmit these values to future generations, and that at some future date and time the president of the United States with other heads of state will sign an international scroll pledging to return the world to Noahide Law by use of charity and education. The 1991 bill described the Noahide Laws as the “ethical values and principles which are the basis of civilized society and upon which our great Nation was founded.” Our presidents have been part of the agenda to push things along and get things in place so that these laws can be upheld in the future.

Beware The Noahide Laws. Every gentile believer of Christ to be put to death for simply confessing to believe in Jesus.

The Jews do not recognize The Trinity and anyone who believes in the Trinity once these laws are enacted is going to be beheaded or be on the run for their lives trying to survive during the tribulation.

They call this Noahidism and most people would just think of the rainbow and the promise God made to Noah never to destroy the earth through a worldwide flood again. They wouldn't bat an eye and just believe this is a good thing and they'd be deadly wrong. Noahide laws are not God's salvation plan. Nobody will be saved keeping these 7 ridiculous laws. No one can be saved by keeping the law, the law of Moses nor these 7 Noahide laws. **(Romans 3:20)**

Remember me saying that in order to take the mark of the beast or the number or the name of the beast that you will also deny Jesus. There are those that falsely teach and believe that people can just accidentally take the mark of the beast now. That the vaccines are the mark of the beast. I spoke about that already and made it clear that those that take the mark will also deny Jesus. No one has had to deny Him yet. In order to live in this world and abide by these Noahide Laws, all people will have to deny Jesus. It seems to me at that time that they would also pass the law requiring everyone to take the mark, the name or the number of the beast and pair these two things together.

The freemasonic, Zionist, kabbalistic, Judiastic Jews orchestrated a counterfeit return to their homeland of Israel. They did all this without God because they are still in sin against Him. Yet America has been taught by freemasonic televangelists that God favors them and has brought all this about. God doesn't bless sin, they

have not humbled and recognized Jesus at all. They are without God at this point and time and will be without Him until the tribulation when they finally realize Who Jesus is and cry out to Him.

**Romans 2:11** – For there is no respect of persons with God.

**Ephesians 6:9** – And, ye masters, do the same things unto them, forbearing threatening: knowing that your Master also is in heaven; neither is there respect of persons with Him.

God does not act one way toward the Jews and another way toward the rest of the world. There is no distinction of social rank or race with God. God rains on the just and the unjust alike.

**Matt.5:44-45** - But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;

There has been some tampering with this verse to get it to where it is today. Most of that verse was not there in some of the most ancient texts.

[New Living Translation](#)

But I say, love your enemies! Pray for those who persecute you!

The emphasis is for us to pray for our enemies. Lift them up to God, lift up the situation of why they are your enemy to God. Pray for their salvation. When they are saved, then they are no longer an enemy! We will pray for these wicked luciferian Jews to be saved.

edge and culture.<sup>100</sup> As a result of their spiritually united front, the Lord will be to the ideal people an everlasting light.<sup>100</sup> Similarly, the leaders in Israel will be peacefully united in their responsible task of directing the fate of that historic people.<sup>107</sup> Israel will consequently become the instrument of peace among the nations of the world. The prophecy of Isaiah will thus be realized: Behold, I will extend peace to her like a river.<sup>100</sup>

Sixth, Israel will be a living testimony to the absolute unity of God. Consequently, in the ideal era, there will be no people who will believe in the division of the Godhead into two or more parts, or persons.<sup>100</sup> Only those peoples who believe in one God will survive in the ideal world.<sup>100</sup> Furthermore, the ideal people, by cleaving to God, will be an eternal witness to the Lord, that He is the true God, the living God, and the everlasting King.<sup>101</sup> Indeed, the main justification for Israel's distinctiveness and separation from all other nations will be

Israel will be a living testimony to the absolute unity of God. Consequently, in the ideal era, there will be no people who will believe in the division of the Godhead into two or more parts, or persons. Only those peoples who believe in one God will survive in the ideal world.

From their own writings, this is what a Jewish government would impose on the world. When we read the book of Revelation about all the persecution and beheading, we never realized what a great role Israel is planning to play in killing tribulation Christians. Look how Satan has turned God's own people, the first nation God worked with, so completely against Him. Within this Jewish agenda are many people that have converted to Judaism like the Khazarian Jews. It's a mixture at best but the goal is the same, world domination and looking for their god to rule through the anti-christ. The core wicked group of Zionist, Freemasonic Jews truly are of the synagogue of Satan – they serve willingly and purposely on Satan's altar.

Listen to this from Protocol 3 of the Protocols of the Elders of Zion.

We have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us favour of that King-Despot of the blood of Zion, whom we are preparing for the world.

We have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us favor of that King-Despot (desput) of the blood of Zion, whom we are preparing for the world.

## CLOSING

If the Zionist, Lubavitch, Freemasonic, Luciferic Jews get their way, then they will eventually pass the law in Israel where no other faith can be shared there or anywhere else in this world except Judaism. They hope to make it illegal to even speak the name of Jesus just like the Sanhedrin council of the Bible forbade Peter and John and the apostles to speak or teach in Jesus' name. **(Acts 4:18-22)** They want the nations to adhere to their Noahide laws. That means believing in Jesus at that time will get you charged with breaking the Noahide laws.

**Revelation 20:4** - And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the Word of God, and which had not worshipped the beast, neither his image, neither had received *his* mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.

The capital punishment for breaking the Noahide laws is beheading. Can you see how what they want fits right in with the tribulation. It matches exactly with what has been revealed to us in the book of Revelation.

If they get their way, and these Noahide laws get passed one day in the future, they will be forcing everyone in this world to reject Jesus or face the capital punishment of being beheaded.

Share this with your family and friends to help wake them up about the plans and goals of the Freemasonic Zionist Jews.
