

# ANGEL ENCOUNTERS Pt 1

This is not a teaching per say about angels, the focus is about angel encounters but I will do some teaching about angels so that you can discern about these encounters.

Many people today are sharing what they believe to be appearances of angels. When they share their encounter, they are excited about it. Many people like to walk in pride and look special and more holy to others. Angel sitings and encounters are widely reported and seemingly getting to be very common. Pastor Erustus and Pastor Dalbeer have not shared visitations of angels with me nor have I had a visitation from an angel. Each one of us serves directly on God's altar. I want to shed light on what is really going on and get to the bottom of all these supposed angel encounters.

Many of these encounters have no purpose. All that is reported is that they got to see an angel. Let's look at some angel encounters in Scripture:

**Revelation 22:8** - And I John saw these things, and heard *them*. And when I had heard and seen, I fell down to worship before the feet of the angel which shewed me these things.

**Revelation 19:10** - And I fell at his feet to worship him. And he said unto me, See *thou do it* not: I am thy fellowservant, and of thy brethren that have the

testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.

The next one is an encounter by Daniel:

**Daniel 8:16-18** - And I heard a man's voice between *the banks of* Ulai, which called, and said, Gabriel, make this *man* to understand the vision. So he came near where I stood: and when he came, I was afraid, and fell upon my face: but he said unto me, Understand, O son of man: for at the time of the end *shall be* the vision. Now as he was speaking with me, I was in a deep sleep on my face toward the ground: but he touched me, and set me upright.

When an angel of God appeared in the Bible, the people were always scared, filled with fear and awe and usually they tried to worship them because it was such a magnificent experience and sight to behold God's glory and power on the angel. Today, there are so many stories about angel encounters and most of the time they are just told as a matter of fact, no fear involved at all. You have to put those stories or interactions to the test, test the spirit they are speaking by. Do you know the person well enough to know if they are truly saved? Do you know anything about their walk with God? And was there purpose in the encounter or was it just presented as entertainment or a special thing in their life without real purpose? God moves with purpose, He does not show off and He does not do things just to make us feel important or for bragging rights.

This lady shares about her "angel" and believes she is a prophetess. "Her" angel sat down while she was having coffee and she asked him what he was doing and he told her to go up to complete strangers and tell them they when they decide to have children they won't have any trouble. She acts like this angel appears all the time and they "work" together.\* (about 3 min's)

This is new age garbage fronting as something Christian. She is deceiving by using the term angel of the lord trying to tie this into Scripture. The angel of the Lord is usually referring to Christ in Scripture. Notice there was no fear or awe of this supposed angel. She just acts like she sees and works with him all the time. That's not a godly angel. We do not see any interaction in Scripture where anyone went around with a personal angel telling them what to do on a regular basis. Also, this is not how God uses His prophets. He speaks directly to them through The Spirit, or in dreams and visions. He does not send an angel to tell them something to speak prophetically.

\*Please play this video – This woman shares a dream encounter she thinks she had with Michael the arch angel. STOP

She called herself an “angel medium.” She said she was 15 when she heard this “angel” and had been hearing angels talking to her. Then she started to pray about it. She was praying for clarity to know who was trying to communicate with her. He told her he protects her and he's trying to communicate with her. He said he just wanted her to know she is loved by God and by him and he just asked her to help him to help others. She says she decided to help Michael with his journey. She says she is helping him to find people that need to know about him, and tell them about angels and give angel readings so people can be uplifted.

\*(about 3:11 min's)

She stated she is an angel medium. Again, this is new age deception. People without discernment would just hear this and believe it. When I was a baby Christian, I used to hear things people would say and because they said they were Christians I used to just believe what they were saying but not anymore.

God tells His children to test the spirits. We don't just believe everything we hear. We don't just believe well meaning or sincere sounding people. We take everything back to God's Word and see if it is true and see what spirit they are speaking by. She said the angels were trying to talk to her and so she began to pray to see who was trying to communicate with her. Red flag right there. When

God sends an angel with a message to us, we will have no doubt who is speaking to us. The angel will always make it known to us that the message is from God, that they are sent on His behalf.

This woman is in the new age movement because she mentioned giving angel readings and that she is an angel medium. She did not even mention Jesus. The angel in her dream did not even mention Jesus. God's holy angels will always direct us according to His Word. There was no mention of helping to lead people to Jesus. God's holy angels will not be trying to be known, or worshipped or receive any recognition at all. They direct all worship to God alone. Her mission was to uplift people? What non-sense.

Just because people mention peace and love connected with these so called encounters doesn't mean it is from God. Satan mimicks God and counterfeits God at every turn to deceive people and keep them away from Jesus.

Michael the arch angel does not need our help. We do not need to teach people about him. We are to witness of Jesus and share the good news of what Jesus has done for this world so that people can be saved.

This was a Youtube short from The Captain of Faith channel. St. Michael the Archangel prayer for protection against all evil.

We do not pray to or seek to angels. When we are saved through Christ, we have access to the True God, The Most powerful One of all. Why would we go beneath Him and seek angels? When you do this, you will be connecting with a fallen angel because you are not acting in accordance with God's Word. Therefore the

spirit realm will respond and because you don't have knowledge of God's Word you will be interacting with satan's kingdom and not with God.

**Matthew 28:18** - And Jesus came and spake unto them, saying, All power is given unto Me in heaven and in earth.

Jesus defeated satan and all who serve him. **(Col.2:15)**

We go directly to God Who is above all and holds all power. The angels carry out His commands. You go to God with everything you need in Jesus' name.

\*Please play from 0 to 2:22 this video - Let's hear what this guy shares about his angel encounter: STOP

This guy says a female angel was just sitting by his bed one night. She did not say anything and after he saw her, he just went back to bed. \*(about 2.5 min's)

<https://rumble.com/v2twnhq-my-angel-story-first-encounter.html>

Angels are God's heavenly army and messengers. There are no women angels mentioned in Scripture. There are two women with wings like storks mentioned in **Zechariah 5:9**, however they are not called angels. You find women angels in new age so be weary of stories and sightings of female angels.

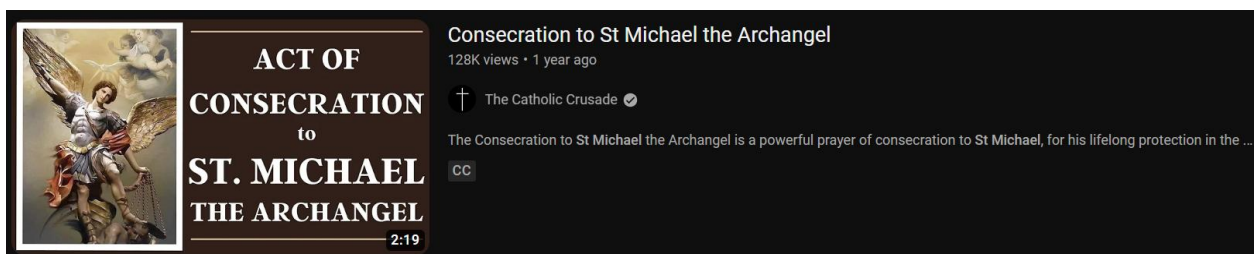

There was no purpose in seeing an angel sitting by his bed other than to keep him deceived believing he is spiritual and that he does not have to change his life. This kind of deception causes the person to believe they are a good person and that God loves them so much He is sending angels to show them they are special and when they die they will automatically go to heaven. That's a total deception to keep them from Jesus and take them straight to hell.

He said he is also seeing demons. He's not a minister and God doesn't just allow Satan's demons to manifest and torment us like that. This guy is seeing demons period but he is so deceived that he thinks some of them are holy angels. He's seeing them because he isn't saved.

The ability he had to "feel things" is demonic. That's not of God. This man needs salvation and deliverance.

Youtube channel The Catholic Crusade – Prayer to St. Michael the Archangel – for protection from evil. Again, we do not pray to angels. You will not find that in Scripture. We got to God for everything. He is our protector and defender and He will command His angels concerning us. **(Psalm 18, Psalm 91)**

From the same channel – The consecration to St. Michael the Archangel is a powerful prayer of consecration to St. Michael, for his lifelong protection...

This is a way of getting someone to interact with fallen angels. God's holy angels do not respond to us, they are only moved by God's commands. And they would not accept this prayer anyway because consecration is an act of worship. Holy angels do not receive worship, that is reserved for God alone.

From Youtube channel The Catholic TV Network – Why you should have a devotion to St. Michael the Archangel. Saint Michael the Archangel, often considered the chief of angels and the leader of God's armies against the forces of Satan...

These channels are teaching new age disguised as Christian teachings. The internet is flooded with new age. They are being used to put people in touch with fallen angels. This is what people are hungry for, an encounter, an experience, they don't want to cultivate a relationship with God. They don't want to grow and mature in the faith and wait on God.

From Youtube channel The Path of the White Rose – Prayer to Archangel Michael to protect, heal and lift you up. Helping you move past fear and not feeling good enough to live the life you were born to live. It's time to shine your light.

Once again this is new age. They tie in the phrase shine your light because Jesus told us not to hide our faith, our Christianity. He compared it to hiding a light

under a bushel in the house but we are to let our lights shine for all to see by. New Age twists Scripture and uses Christian terms to deceive.

Rumble channel Tuesdays with Tina – Encounter with archangel Raphael brings healing of covid.

Jesus Christ shed His holy and precious blood to save us. He is our Savior and salvation means to be delivered. He delivered us from the kingdom of darkness in every way and He provided for our healing – spiritually first of all but physically too. By Jesus’ stripes we are healed, there is healing in no other. **(Isaiah 53:5)** Michael the archangel is not our healer. Raphael is not our healer. Jesus alone is our Healer.

Please play this video – Listen to this angel experience of a drug addict. STOP

He was on meth, high for 2 or 3 days. He thought he was going to die. He had like a mental breakdown. His brother’s girlfriend prayed to archangel Michael on his behalf. He did not know this until after his “angel” encounter. He felt a hand touch his shoulder and no one was in the room. Then he heard a voice speak to him saying all was ok. Then he felt unimaginable bliss. This “angel” told him he was St. Christopher. He said he did not know what that meant, and he wondered if that was about reincarnation or what. He said his name is Chris and did not know if that meant he was a saint or what. He told his brother a few weeks later about all of this and his brother shared about the prayer his girlfriend had made . He said he had never heard of archangel Michael. His brother told him to look him up. He said he was delivered from drugs and has helped many friends come to the faith or “a” faith. \*(about 13 min’s)

<https://www.youtube.com/watch?v=bh0VPG5xCyA>

He had no faith. Drugs are sin against God. Drinking, smoking and doing drugs are all sin against God and they do open doors in your life. I have taught about each one of those things and you can find those teachings on the church website. This guy had an open door in his life to demons because he was a meth user. That is sin against God. This happened while he was high on meth. The brother's girlfriend was a new ager, praying to a demon that answers to Michael the archangel. This guy had never heard of Michael the arch angel and that tells us that he is not familiar with God's Word.

This sounded like nothing but good things happened. He was delivered from drugs. Has helped many friends come to the faith but he corrected and then said or to "a" faith. What faith is he talking about? There's only one true faith and that is in Jesus alone. He never mentioned Jesus. Never gave glory to God at all. The glory was to archangel Michael. This type of testimony will lead others to pray to archangel Michael and not to seek Jesus.

satan can heal you or deliver you from addictions if that is what it takes to make you think you are interacting with God or His holy angels. He studies you to figure out how he can deceive you. Who do you think is causing the addictions in the first place, the demons are. satan can call off his demon of drug addiction and then the person is delivered and they may think God did it when He didn't. Even if the demons causing the addiction leave, other demons will be assigned to work in that person's life in a different way.

If you believe you are having romantic encounters with an angel, that is not a holy angel. If you are having any kind of sex in your dreams, that is interaction with a fallen angel, an evil being. You have an open door usually to sexual sin or sexual soul ties that need to be deal with. You must be saved, ask forgiveness, repent and renounce this sin and all sexual sins, stop sexual sins and break off soul ties in order to close the door on this and stop these encounters.

### **CLOSING**

The people we have seen in the videos today are either straight up deceivers, like the woman who wrote the book in the first video saying she's a prophetess of God. Those deceivers know full well what they are doing. If that is not the case, then they are not saved and so have no discernment.

People want supernatural experiences but they don't want to wait on God and cultivate a real relationship with Him in order to have them the right way. To draw nearer to God through reading His Word and praying and living a righteous

life, when you draw nearer to God, He will draw nearer to you. Those that want more power from satan will bring blood sacrifices and do more and more wicked things in order to be empowered by higher ranking demons who have more power. satan is against God and he does require sacrifices. He will take an animal sacrifice but prefers a human sacrifice.

Anyone can pray to an angel, of course it will be a fallen angel because a holy angel will never respond to prayer. They are holy and never left God's side and they will not accept worship, that is reserved for God alone. So anyone can pray to an "angel" and have interaction without making a blood sacrifice. This opens the door to the demons who will respond. The spirit realm pays attention and when you don't know God's Word yet you are calling on a power outside yourself, the fallen angels will respond to that. satan's hope is that he can get that person on the hook and away from Jesus. Then through those supernatural experiences, the person will do more and more wicked and perverse things to have more powerful experiences and power.
